RAJYA SABHA

The following Bill was introduced in the Rajya Sabha on the 1st April, 1966:—

BILL No. II OF 1966

a bill further to amend the Constitution of India.

BE it enacted by Parliament in the Seventeenth Year of the Republic of India as follows:—

1. This Act may be called the Constitution (Amendment) Act, 1966. **Short title.**

2. In article 102 of the Constitution, in clause (1), after sub-clause (*d*), the following sub-clause shall be inserted, namely:— **Amendment of article 102.**

"(*dd*) if he uses or threatens to use physical force in any manner within the precincts of Parliament House against any other member of Parliament or any Officer of Parliament for any reason whatsoever;".

Amendment of article 191.

3. In article 191 of the Constitution, in clause (1), after sub-clause (*d*), the following sub-clause shall be inserted, namely:—

"(*dd*) if he uses or threatens to use physical force in any manner within the precincts of the legislature of a State against any other member of the legislature or any Officer of the legislature for any reason whatsoever;".

STATEMENT OF OBJECTS AND REASONS

Certain trends have recently appeared in the public life of the country which threaten the smooth working of democratic institutions and endanger the strengthening and developing of democracy in India. These trends have in the case of one Legislature in India taken the form of the use of physical force by some members of the Legislature against some other members and against the symbols of authority of the Presiding Officer. These are dangerous forms and they will prevent the proper functioning of democracy which is based on the creation and conversion of opinion by argument and debate and on decisions on matters being reached by a peacefully recorded vote.

The use of physical force in support of one's opinions and for securing certain decisions in a democratic institution has therefore to be prevented in the interests of the future of democracy in India.

A member of a legislature who uses physical force and not merely argument and vote to carry his point has no place in a democratic legislative set-up. The Bill seeks to disqualify such a person from the membership of the Legislature, whether of a State or of the Union.

LOK SABHA

BILL No. 32 OF 1966

The following Bills were introduced in Lok Sabha on the 1st April, 1966:—

A Bill to provide for the imposition of cess on certain produce for the improvement and development of the methods of cultivation and marketing of such produce and for matters connected therewith.

BE it enacted by Parliament in the Seventeenth Year of the Republic of India as follows:—

1. (1) This Act may be called the Produce Cess Act, 1966. Short title and extent.

(2) It extends to the whole of India.

2. In this Act, unless the context otherwise requires.— Definitions.

(a) "Collector" means the officer appointed by the Central Government to perform in any specified area the duties of a Collector under the provisions of this Act and the rules made thereunder, and includes any officer subordinate to that officer whom he may, by order in writing, authorise to perform his duties under those provisions;

(b) "cotton" means raw cotton, whether baled or loose, which has been ginned;

(c) "customs port" has the meaning assigned to it in the Customs Act, 1962; 52 of 1962.

(d) "Indian Council of Agricultural Research" means the body registered in that name under the Societies Registration Act, 1860; 21 of 1860.

(e) "lac" includes any form of manufactured or unmanufactured lac other than refuse lac;

(f) "managing agent" has the meaning assigned to it in the Companies Act, 1956; 1 of 1956.

(g) "mill" means,—

(i) in relation to cotton, any place which is a factory as defined in section 2 of the Factories Act, 1948, and in which, or in any part of which, cotton is converted into yarn or thread either for sale as such or for conversion into cotton goods, 63 of 1948.

(ii) in relation to copra or oil-seed and oil, any premises in which or in any part of which, copra or oil-seed, as the case may be, is crushed, or is ordinarily crushed, with the aid of power for the extraction of oil.

Explanation.—"Power" means electrical energy or any other form of energy, which is mechanically transmitted and is not generated by human or animal agency,

(iii) in relation to any other produce, such place as the Central Government may, by notification in the Official Gazette, specify;

(h) "occupier", in relation to any mill, means the person who has the ultimate control over the affairs of the mill and where the said affairs are entrusted to a managing agent, such agent shall be deemed to be the occupier of the mill;

(i) "oil-seed" does not include copra;

(j) "prescribed" means prescribed by rules made under this Act;

(k) "produce" means any goods specified in the First Schedule or the Second Schedule.

Imposition of cess.

3. (1) There shall be levied and collected as a cess, for the purposes of this Act, on every produce specified in column 2 of the First Schedule, which is exported from any customs port to any port beyond the limits of India, a duty of customs at such rate, not

exceeding the rate specified in the corresponding entry in column 3 thereof, as the Central Government may, by notification in the Official Gazette, specify:

Provided that until such rate is specified by the Central Government, the duty of customs shall be levied and collected at the rate specified in the corresponding entry in column 4 of the said Schedule.

(2) There shall be levied and collected as a cess, for the purposes of this Act, on every produce specified in column 2 of the Second Schedule, a duty of excise at such rate, not exceeding the rate specified in the corresponding entry in column 3 thereof, as the Central Government may, by notification in the Official Gazette, specify:

Provided that until such rate is specified by the Central Government, the duty of excise shall be levied and collected at the rate specified in the corresponding entry in column 4 of the said Schedule.

Persons who shall be liable to pay duty.

4. Every duty of customs leviable under this Act on any produce shall be payable by the person by whom such produce is exported from India and every duty of excise leviable under this Act on any produce shall be payable by the occupier of the mill in which such produce is consumed or extracted.

Application of proceeds of cess.

5. (1) An amount equivalent to the proceeds of the duty levied and collected under this Act, reduced by the cost of collection as determined by the Central Government, together with any moneys received by the Central Government for the purposes of this Act, shall, after due appropriation made by Parliament by law, be utilized by the Central Government to meet the expenditure incurred in connection with measures which, in the opinion of that Government, are necessary or expedient to promote the improvement, development and marketing of produce.

(2) In particular, and without prejudice to the generality of the provisions of sub-section (1), the proceeds of the duty levied and collected under this Act may be utilized by the Central Government for all or any of the following purposes, namely:—

(a) undertaking, assisting or encouraging, agricultural, industrial, technological and economic research, including research on the utilization of the products obtained from any produce;

(b) supplying technical advice to cultivators, growers and millers;

(c) encouraging the adoption of improved methods of cultivation and storage of crops;

(*d*) producing, testing and distributing improved varieties of crops or assisting such work;

(*e*) assisting in the control of insects and other pests and diseases of the crops, both in the field and in storage;

(*f*) promoting the improvement of the marketing of produce and the products obtained therefrom in India and abroad including the setting up and adoption of grade standards for the produce and the products obtained therefrom;

(*g*) collecting statistics from cultivators, growers, dealers and occupiers of mills on all relevant matters and promoting improvement in the forecasting of crops and the preparation of all relevant statistics relating to the crops and the products obtained therefrom;

(*h*) maintaining, and assisting in the maintenance of, such institutes, farms and stations as the Central Government may consider necessary;

(*i*) advising and providing assistance on all matters connected with the improvement of the cultivation of crops (including advising on the best and most suitable varieties of the crops to be cultivated) and the improvement of the industries using the crops and the products obtained therefrom;

(*j*) promoting and encouraging the co-operative movement in any connected industry;

(*k*) adopting such measures as may be practicable for ensuring remunerative returns to the growers;

(*l*) organising the establishment of cultivators', growers', millers' and consumers' organisations;

(*m*) aiding and encouraging the establishment of exhibitions for demonstrating the uses of the produce and the products obtained therefrom;

(*n*) adopting any other measures which the Central Government may deem to be necessary or advisable to carry out the purposes of this Act.

(*3*) In this section, "crops" means crops or plants from which any produce is obtained.

Refund of cess on oils exported from India.

6. There shall be refunded from out of the proceeds of cess levied and collected under this Act, on such conditions as may be prescribed, all sums collected as cess on the quantity of oils exported from India, if such oils have been extracted from oil-seed or copra crushed in a mill in India, irrespective of whether the oil-seed or copra is produced in, or imported into, India.

7. The occupier of every mill shall,— Occupier to supply certain particulars to Collector.

(a) if the mill was established before the commencement of this Act, within fourteen days from such commencement, and

(b) if the mill is established after the commencement of this Act, within fourteen days from such establishment,

furnish to the Collector a statement containing the following particulars, namely :—

(i) the name and situation of the mill;

(ii) the name and address of the occupier;

(iii) the address to which the communications relating to the mill may be sent; and

(iv) the total capacity of the mill.

8. (1) Every occupier of a mill shall furnish to the Collector every month a return stating the total amount of produce, specified in the Second Schedule, consumed or brought under processing or extracted in the mill during the preceding month. Delivery of monthly returns.

(2) The return referred to in sub-section (1) shall be furnished before the seventh day of each month together with such other information as may be prescribed.

(3) Every such return shall be made in such form and shall be verified in such manner as may be prescribed.

9. (1) On receiving any return made under section 8, the Collector shall assess the duty of excise payable on every produce specified in the Second Schedule, in respect of the period to which the return relates, and if the amount has not already been paid, shall cause a notice to be served upon the occupier of the mill requiring him to make payment of the amount assessed within ten days of the service of the notice. Collection of cess leviable on produce specified in Second Schedule.

(2) If the occupier of any mill fails to furnish in due time the return referred to in section 8 or furnishes a return which the Collector has reason to believe is incorrect or defective, the Collector shall assess the amount payable by him in such manner, if any, as may be prescribed, and the provisions of sub-section (1) shall thereupon apply as if such assessment had been made on the basis of a return furnished by the occupier :

Provided that, in the case of a return which he has reason to believe is incorrect or defective, the Collector shall not assess the duty of excise at an amount higher than that at which it is assessable on the basis of the return without giving to the occupier a reasonable

opportunity of proving the correctness and completeness of the return.

(3) A notice under sub-section (1) may be served on the occupier of a mill either by registered post or by delivering or tendering it to the occupier or his agent at the mill.

Finality of assessment.

10. (1) Any occupier of a mill who is aggrieved by an assessment made under section 9 may, within three months of service of the notice referred to in sub-section (1) of that section, appeal to such authority as the Central Government may, by notification in the Official Gazette, appoint in this behalf, for the cancellation or modification of the assessment and, on such appeal, the said authority may cancel or modify the assessment and order the refund to such occupier of the whole or part, as the case may be, of the amount paid thereunder:

Provided that the authority so appointed shall not be inferior in rank to the Collector by whom the assessment was made.

(2) The appellate authority may, if it is satisfied that the appellant was prevented by sufficient cause from presenting the appeal within the aforesaid period of three months, allow it to be presented within a further period of one month.

(3) Where the appellate authority is of opinion that any duty of excise has been short-levied, no order enhancing the duty of excise shall be made unless the appellant has been given notice to show cause, within one month from the date of service thereof, against the proposed order.

(4) The Central Government may, on the application of any person aggrieved by any order made under sub-section (1) or sub-section (3), cancel or modify such order, if such application is made within six months from the date of the order made under sub-section (1) or sub-section (3), as the case may be.

(5) The Central Government may, if it is satisfied that the applicant was prevented by sufficient cause from presenting the application within the aforesaid period of six months, allow it to be presented within a further period of one month.

(6) The decision of the Central Government, and subject to the decision of the Central Government, the decision of the appellate authority, shall be final.

Collection of cess on any produce specified in First Schedule.

11. (1) The Collector shall in respect of any produce specified in the First Schedule which is exported by sea assess and collect the duty of customs at the customs port of export.

(2) Where any produce specified in the First Schedule is exported by land, the duty of customs leviable under this Act on such produce shall be assessed and collected by such authority and in such manner as may be prescribed, and, until so prescribed, such duty of customs shall be levied and collected in accordance with the law in force immediately before the commencement of this Act.

(3) The Central Board of Excise and Customs constituted under the Central Boards of Revenue Act, 1963, may, by rules, specify the conditions and restrictions subject to which— 54 of 1963.

(a) refund may be made of the duty of customs levied on any produce specified in the First Schedule which is exported by land, where such produce is subsequently imported into India,

(b) export may be made by land, without payment of any duty of customs, of any produce specified in the First Schedule which is intended to be brought back to India.

Recovery of sums due to Government.

12. Where any duty of customs or excise demanded from any person or any penalty payable by any person under this Act is not paid,—

(a) the Collector may deduct the amount so payable from any money owing to such person which may be under the control of the Collector or any other officer; or

(b) the Collector may recover the amount so payable by detaining and selling any goods belonging to such person which are under the control of the Collector or any other officer; or

(c) if the amount cannot be recovered from such person in the manner provided in clause (a) or clause (b), the Collector may prepare a certificate signed by him specifying the amount due from such person and send it to the Collector of the district in which such person owns any property or resides or carries on his business and the said Collector shall, on receipt of such certificate, proceed to recover from the said person the amount specified therein as if it were an arrear of land revenue.

Power to inspect mills and take copies of account.

13. (1) The Collector or any officer empowered by general or special order of the Central Government in this behalf shall have free access at all reasonable times during working hours to any mill or any part of a mill.

(2) The Collector or any such officer may, at any time during working hours, with or without notice to the occupier, examine the purchase, sale and stock records and accounts of any mill and take copies of or extracts from all or any of the said records or accounts for the purpose of testing the accuracy of any return or of informing himself as to the particulars regarding which information is required for the purposes of this Act or any rules made thereunder:

Provided that nothing in this section shall be deemed to authorize the examination of any description or formulae of any trade process.

Information acquired to be confidential.

14. (1) All such copies and extracts and all information acquired by a Collector or any other officer from any inspection of any mill or from any return submitted under this Act shall be treated as confidential.

(2) If the Collector or any such officer discloses to any person, other than a superior officer, any such information as aforesaid, without the previous sanction of the Central Government, he shall be punishable with imprisonment for a term which may extend to six months and shall also be liable to fine:

Provided that nothing in this section shall apply to the disclosure of any such information for the purpose of a prosecution in respect of the making of a false return under this Act.

Provisions of certain Acts to apply.

15. (1) The provisions of the Customs Act, 1962, and the rules and regulations made thereunder, including those relating to refunds and exemptions from duty, shall, so far as may be, apply in relation to the levy and collection of duties of customs on any produce specified in the First Schedule as they apply in relation to the levy and collection of duty payable to the Central Government under that Act. 52 of 1962

(2) The provisions of the Central Excises and Salt Act, 1944, and the rules made thereunder, including those relating to refunds and exemptions from duty, shall, so far as may be, apply in relation to the levy and collection of duties of excise on any produce specified in the Second Schedule as they apply in relation to the levy and collection of duty payable to the Central Government under that Act. 1 of 1944

Offences.

16. (1) Whoever—

(a) evades the payment of any duty of customs or excise payable under this Act, or

(b) fails to furnish any return or information which it is his duty to furnish under this Act or furnishes a return or information which is false in material particulars or which he does not believe to be true, or

(c) obstructs the Collector or any other officer in the performance of his duties under this Act or any rules made thereunder,

shall be punishable with imprisonment for a term which may extend to six months, or with fine which may extend to two thousand rupees, or with both.

(2) Any court trying an offence under this Act may direct that any produce in respect of which it is satisfied that an offence punishable under this Act has been committed shall be forfeited to Government and may also direct that all packages, coverings or receptacles in which such produce is contained and every animal, vehicle, vessel or other conveyance used in carrying such produce shall be forfeited to Government.

Limitation of prosecution.

17. No prosecution for any offence punishable under this Act shall be instituted against any person except by, or with the consent of, the Collector.

Composition of offences.

18. Any offence punishable under this Act may, either before or after the institution of the prosecution, be compounded by the Collector or any other officer authorised by him in this behalf on payment to the Central Government, for the purposes of this Act, of such sum as the Collector or such officer, as the case may be, thinks fit.

Protection of action taken in good faith.

19. (1) No suit, prosecution or other legal proceeding shall lie against the Central Government or any person authorized by the Central Government for anything which is in good faith done or intended to be done in pursuance of this Act or any rule or order made thereunder.

(2) No suit or other legal proceeding shall lie against the Central Government or any person authorized by the Central Government for any damage caused or likely to be caused by anything which is in good faith done or intended to be done in pursuance of any of the provisions of this Act or any rule or order made thereunder.

Power to make rules.

20. (1) The Central Government may, by notification in the Official Gazette, make rules to carry out the purposes of this Act.

(2) In particular, and without prejudice to the generality of the foregoing power, such rules may provide for all or any of the following matters, namely :—

(a) conditions subject to which refund may be made of any sums collected as duties of excise on any quantity of oil exported from India ;

(b) the form of the monthly return which every occupier of a mill should submit to the Collector and the manner in which such return shall be verified ;

(c) information which every occupier may be required to furnish in the monthly returns ;

(*d*) manner in which assessment of duties of excise shall be made where no return has been furnished or the return which has been furnished is believed by the Collector to be incorrect or defective ;

(*e*) the authority by which and the manner in which the duties of customs leviable under this Act shall be collected on any produce specified in the First Schedule which is exported by land ; and

(*f*) any other matter which is required to be, or may be, prescribed.

Power to remove difficulties.

21. If any difficulty arises in giving effect to the provisions of this Act, the Central Government may, by order, make such directions, not inconsistent with the provisions of this Act, as appear to it to be necessary or expedient for the removal of the difficulty :

Provided that no such directions shall be made after the expiry of a period of three years from the date of commencement of this Act.

Extension of application of the Act.

22. The Central Government may, after consultation with the Indian Council of Agricultural Research, by notification in the Official Gazette, declare that the provisions of this Act shall apply to a produce not included in the First Schedule or the Second Schedule and specify respectively in columns 3 and 4 thereof the maximum rate of such cess and the actual rate at which such cess shall be levied and collected on such produce until a different rate is specified by the Central Government by notification in the Official Gazette, and on the publication of such notification, such produce and such rate shall be deemed to be included in the First Schedule or the Second Schedule, as the case may be.

Rules and notifications to be laid before Parliament.

23. Every rule made under this Act and every notification made under section 22 shall be laid as soon as may be after it is made, before each House of Parliament while it is in session for a total period of thirty days which may be comprised in one session or in two successive sessions, and if, before the expiry of the session in which it is so laid or the successive sessions aforesaid, both Houses agree in making any modification in the rule or in the notification or both Houses agree that the rule or the notification should not be made, the rule or the notification shall thereafter have effect only in such modified form or be of no effect, as the case may be; so, however, that any such modification or annulment shall be without prejudice to the validity of anything previously done under the rule or the notification.

Declaration under the Provisional Collection of Taxes Act, 1931

It is hereby declared that it is expedient in the public interest that the provisions of clause 3 of this Bill and the First Schedule and the Second Schedule thereto shall have immediate effect under the Provisional Collection of Taxes Act, 1931. 16 of 1931.

STATEMENT OF OBJECTS AND REASONS

The Indian Cotton Cess Act, 1923, the Indian Lac Cess Act, 1930, the Indian Coconut Committee Act, 1944, and the Indian Oilseeds Committee Act, 1946, will cease to have effect from 1st April, 1966 on which date the Indian Central Cotton Committee, the Indian Lac Cess Committee, the Indian Central Coconut Committee, and the Indian Central Oilseeds Committee, constituted under those Acts will stand dissolved, and there will be no legislative sanction for the continuance of the levy of cess on these produce after 31st March, 1966.

2. Although the Committees have been abolished, the work done by the Committees will continue to be carried out even after 31st March, 1966. The Research Institutes and Stations and other research projects of these Committees will come under the administrative control of the Indian Council of Agricultural Research and the work relating to development, marketing and other functions will be directly looked after by the Ministry of Food and Agriculture, Department of Agriculture, assisted by Development Councils formed for this purpose by the Government. Suitable grants will be given to the Indian Council of Agricultural Research for the maintenance of the Research Institutes and for carrying on the research activities. Under the revised set-up, larger investments will be necessary on these produce in order to have an effective programme of research and development. It is therefore very necessary that the cesses on these produce are continued to be levied even after the Commodity Committees have been abolished.

3. The Bill accordingly seeks to continue the levy of cess on these produce.

4. Opportunity has also been taken to simplify the nature of cess levied on the produce and to re-assess the rate of cess to be levied, in conformity with the present prices of the produce.

PRESIDENT'S RECOMMENDATION UNDER ARTICLE 117 OF THE CONSTITUTION OF INDIA

[Copy of Letter No. 2-2/65-Reorgan(CC) dated the 25th March, 1966, from Shri C. Subramaniam, Minister of Food, Agriculture, Community Development and Co-operation to the Secretary, Lok Sabha.]

The President having been informed of the subject matter of the Produce Cess Bill, 1966, recommends the introduction and consideration of the Bill in the Lok Sabha under article 117(1) and 117(3) of the Constitution of India.

FINANCIAL MEMORANDUM

The Bill provides for the levy and collection of cess in the nature of a duty of customs in respect of items in the First Schedule, and a duty of excise in respect of items in the Second Schedule. The collections made through the existing revenue collection organisation are to be credited to the Consolidated Fund of India. Grants-in-aid will be given to the Indian Council of Agricultural Research for conduct of research and the Department of Agriculture will finance specific development projects relating to these produce. The organisation to execute the development schemes in the Department of Agriculture would be the Regional Development Offices which are in the process of formation and for which an *ad hoc* provision of Rs. 10 lakhs has been made in the budget for 1966-67.

The revenue from the proposed cesses, on the basis of the present level of production and export of the commodities concerned, is estimated to be of the order of about Rs. 134·50 lakhs per annum. The expenditure on the various measures enumerated in clause 5 is estimated to be about Rs. 297 lakhs in 1966-67.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 20 of the Bill empowers the Central Government to make rules providing for the authority and the manner in which the cess should be collected, the form and information to be furnished in the returns to be submitted to the Collectors, assessment of cess where no return has been furnished, and the conditions subject to which refunds may be made in respect of oil exported from India. The matters in respect of which rules may be made relate to procedure and details. Therefore, the delegation of legislative power is of a normal character.

BILL No. 23 OF 1966

A Bill to provide for compulsory training in rifle-shooting to all able-bodied citizens between the ages of twenty and thirty years.

BE it enacted by Parliament in the Seventeenth Year of the Republic of India as follows:—

1. (1) This Act may be called the National Rifle Training Scheme Act, 1966. Short title, extent and commencement.

(2) It extends to the whole of India.

(3) It shall come into force on such date as the Central Government may, by notification in the Official Gazette, appoint.

Persons to whom Act applies.

2. This Act shall apply to all male citizens of the country, irrespective of their caste, creed, faith, employment or profession, within the age limits of twenty years and thirty years, and who are found to be physically and medically in good health:

Provided that persons already enrolled in, or who have passed, the various courses prescribed under the National Cadet Corps or Territorial Army or Home Guards Scheme, shall be exempted from the operation of the provisions of this Act.

Compulsory Rifle training Scheme.

3. (1) The Central Government shall, by notification in the Official Gazette, frame a scheme to be called the National Rifle Training Scheme for imparting compulsory training in rifle shooting to all those persons to whom this Act applies; and the Scheme shall be administered and implemented by that Government through such officers and authorities as it may deem fit and specify therein.

(2) The Scheme may provide for—

(a) **creation of a separate Directorate-General at the Centre under the over-all supervision of the Ministry of Defence to organise and administer the provisions of the Scheme;**

(b) **creation of the posts of Directors and other subordinate authorities at State and District levels for the implementation of the Scheme;**

(c) **creation of the posts of organisers and instructors at District and sub-division levels for imparting training in rifle shooting;**

(d) **the manner in which and the places at which the State, District and sub-division headquarters and camps and store houses under the Scheme shall be established and maintained;**

(e) **the manner of procurement and supply of the necessary rifles of the prescribed standard and ammunition for the Scheme;**

(f) fixation of the standard of rifles to be used for training purposes;

(g) the manner in which and the places at which the training in rifle shooting shall be imparted;

(h) the number of hours in a week for which a trainee shall undergo training;

(i) the determination of the period of training and the manner in which the courses shall be regulated;

(*j*) the manner in which the physical fitness of the trainees shall be determined, and

(*k*) the award of suitable certificates to trainees after successful completion of the training courses and tests.

Advisory Committees.

4. (*1*) The Central Government may, for the purpose of advising it in all matters of policy connected with the framing and administering the Scheme, appoint a Central Advisory Committee consisting of the following persons, namely:—

(*a*) Minister of Defence, who shall be the Chairman of the Committee;

(*b*) Secretary to the Ministry of Defence, *ex-officio* member;

(*c*) Secretary to the Ministry of Home Affairs, *ex-officio* member;

(*d*) Chief of the Army Staff, *ex-officio* member;

(*e*) Director-General of Civil Defence, *ex-officio* member;

(*f*) Three members of Parliament to be nominated by the Central Government.

(*2*) The Central Government may also appoint for the same purpose as specified in sub-section (*1*) such State and District Advisory Committees as it may consider desirable from time to time and may prescribe their duties and functions.

Power to remove difficulties.

5. If any difficulty arises in giving effect to the provisions of this Act or of any Scheme framed thereunder, the Central Government may, by order, as occasion requires, do anything (not inconsistent with this Act) that appears to it to be necessary for removing the difficulty.

Penalty for non-compliance.

6. If a person, to whom this Act applies, fails to comply with the provisions of this Act or of the Scheme thereunder, shall be liable to punishment with imprisonment which may extend to three months, or with fine.

Scheme to be laid before Parliament.

7. The Scheme framed under this Act shall be laid, as soon as may be after it is framed, before each House of Parliament while it is in session for a total period of thirty days, which may be comprised in one session or in two or more successive sessions, and if, before the expiry of that session in which it is so laid or the session or sessions immediately following, both Houses agree in making

any modification in any provision of the Scheme or both Houses agree that any provision in the Scheme should not be made, the provision of the Scheme shall thereafter have effect only in such modified form or be of no effect, as the case may be, so however that any such modification or annulment shall be without prejudice to the validity of anything previously done under that provision.

STATEMENT OF OBJECTS AND REASONS

The armed aggression by the Chinese in 1962 on our motherland has highlighted certain weaknesses in our defence preparedness. Since then vigorous efforts and ambitious projects in the field of production of defence equipment, creation of new divisions of mountain army and recruitment to our armed forces have done much to improve our military strength. Besides our defence forces, our second line of defence, *i.e.*, the National Cadet Corps and Territorial Army have also made tremendous strides. With a view to strengthening and invigorating our second line of defence, it is necessary that every able-bodied male citizen of our country is taught the basic fundamentals of handling a firearm. This measure would ensure a regular and plentiful source of supply to our armed forces and the territorial armies. It is with this object in view that this Bill seeks to provide for compulsory training in rifle shooting to all those able-bodied citizens within the age limits of twenty and thirty years.

Hence this Bill.

NEW DELHI; S. C. SAMANTA,
The 22nd February, 1966.

FINANCIAL MEMORANDUM

The Bill contemplates the appointment of various officers and authorities at Central, State and District levels and of Advisory Committees as well. It also provides for supply of necessary equipment for implementing the provisions of the Scheme. All these provisions involve an initial non-recurring expenditure as well as recurring expenditure in the shape of pay and allowances. It would be difficult, at this stage, to assess accurately the total financial requirement of the Scheme. It may, however, be approximately assessed as amounting to Rs. 50 lakhs initially.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 3 of the Bill seeks to empower the Central Government to frame a Scheme to carry out the purposes of this Act. The matters in respect of which the Government is required to prescribe the procedure have been specified in sub-clause (2) of clause 3. They relate to the manner in which authorities of the Scheme are to be appointed, the training is to be imparted, necessary material and equipment is to be supplied for the Scheme, etc. All these are matters of procedural nature. The delegation of legislative power is thus of a normal character.

BILL No. 21 OF 1966

A Bill further to amend the Constitution of India

BE it enacted by Parliament in the Seventeenth Year of the Republic of India as follows:—

Short title.

1. This Act may be called the Constitution (Amendment) Act, 1966.

Amendment of article 239A.

2. In article 239A of the Constitution in clause (1), after the words "Parliament may by law create for any of the Union territories of" the word "Delhi" shall be inserted.

STATEMENT OF OBJECTS AND REASONS

Under article 239A of the Constitution, Parliament has been empowered to create by law, Legislatures and Council of Ministers for the Union territories of Himachal Pradesh, Manipur, Tripura, Goa, Daman and Diu, and Pondicherry but no such provision is made for the Union territory of Delhi.

This Bill seeks to provide that like the people in the other Union territories, the people of Delhi also have the opportunity to enjoy similar democratic rights and solve their problems themselves.

REPORT OF THE JOINT COMMITTEE

I, the Chairman of the Joint Committee to which the Bill* to provide for better organisation and development of secondary education in the Union Territory of Delhi was referred, having been authorised to submit the report on their behalf, present their Report, with the Bill as amended by the Committee, annexed thereto.

2. The Bill was introduced in Lok Sabha on the 9th December, 1964. The motion for consideration of the Bill was moved in Lok Sabha by Shri M. C. Chagla, the Minister of Education, on the 26th November, 1965. An amendment to the motion, for reference of the Bill to a Joint Committee, was moved by Shri Naval Prabhakar on the 26th November, 1965 and was discussed and adopted on the 29th November, 1965.

3. Rajya Sabha discussed, and concurred in, the said motion on the 10th December, 1965.

4. The message from Rajya Sabha was published in the Lok Sabha Bulletin, Part II, dated the 13th December, 1965.

5. The Committee held thirteen sittings in all.

6. The first sitting of the Committee was held on 14th December, 1965, to draw up a programme of work. The Committee, at this sitting, decided to hear evidence of educational institutions, associations, public bodies etc. desirous of presenting their views or suggestions before the Committee and to issue a press communique inviting memoranda for the purpose by the 27th December, 1965.

At this sitting, the Committee also decided to form Study Groups to visit various Higher Secondary Schools in Delhi for an on-the-spot study of their working and other conditions.

7. Twenty-four memoranda|representations on the Bill were received by the Committee from different associations/individuals.

*Published in the Gazette of India, Extraordinary, Part II, Section 2, dated the 9th December, 1964.

8. On the 10th January, 1966, the Committee divided themselves into seven Study Groups and visited forty-two Higher Secondary Schools in Delhi for an on-the-spot study of their working. At the schools visited, the members of the Committee saw the conditions of the schools, facilities and amenities available there for the students and teachers, such as accommodation, furniture, laboratories, library, play-grounds, sanitary facilities, seating arrangements etc. The members of the various Study Groups also elicited, at the schools visited, information regarding management of the schools, fees or other levies charged from the students and funds received from Government, the strength, qualifications, mode of appointment and conditions of service of the staff and whether payment of salaries to them was made in time and regularly, mode of admissions to schools, percentage of result etc.

9. The Committee were due to commence hearing of oral evidence from the 11th January, 1966, but owing to the sad and sudden demise of the late Prime Minister Lal Bahadur Shastri, the Committee had to postpone* hearing of oral evidence till the 14th January, 1966.

10. At their fourth to seventh sittings held on the 14th January and 7th to 9th February, 1966, respectively, the Committee heard the evidence given by 15 Associations/individuals.

11. The Committee have decided that the evidence given before them should be printed and laid on the Tables of both the Houses *in extenso*.

12. The Committee considered the Bill clause-by-clause at their eighth to twelfth sittings held on the 16th to 18th, 23rd and 24th March, 1966 respectively.

13. The Report of the Committee was to be presented by the first day of the Fourteenth Session of Lok Sabha. As this could not be done, the Committee requested for extension of time upto the 31st March, 1966 which was granted by the House on the 15th February, 1966.

14. The Committee considered, and adopted, their Report on the 30th March, 1966.

*The second sitting of the Committee held on the 11th January, 1966, adjourned immediately after adopting a condolence resolution on the passing away of the late Prime Minister Lal Bahadur Shastri.

15. The observations of the Committee with regard to the principal changes proposed in the Bill are detailed in succeeding paragraphs.

16. *Clause* 2. The Committee feel that—

(i) the officer other than an Inspector of schools, to be authorised by the Administrator to perform the functions of the latter, should not be below the rank of a Deputy Inspector of Schools;

(ii) the appointment of a manager of a school by its Managing Committee should not be subject to approval by the Director of Education; and

(iii) "secondary education" may also be part-time.

The clause has been amended accordingly.

17. *Clause* 3. It was represented to the Committee that if recognition of a school was denied merely on the ground that it was named after a sect or caste, it would create difficulties in the way of several private aided schools. The Committee feel that recognition should not be refused to a school merely on the ground of its name if it satisfied all the other conditions prescribed in this behalf. The Committee also feel that other conditions of recognition of a school *e.g.* adequate accommodation, sanitary facilities, approved courses of study, teachers with prescribed qualifications, regular contract of service between the Managing Committee and its employees etc. should be more elaborately stated in the Bill.

The Committee feel that although schools administered by Government need not formally seek recognition from the Director or other prescribed authority, they should also fulfil the same requirements regarding qualitative standards and physical facilities as are expected of private schools seeking recognition. There should also be a provision for appeal against refusal to recognize generally.

The clause has been amended accordingly. The other amendments are of a consequential and drafting nature.

18. *Clause* 5. The Committee feel that the Administrator should also have the power to amend the model scheme and the managements be required to submit revised schemes for the Administrator's approval. The Committee are of the view that, besides publication of the "model scheme", or an amendment thereof, in the Official Gazette, the Director of Education should also send a copy thereof to every recognised school within 15 days of such publication, so that

each school knows about it in time and takes further action to prepare its own scheme on this model. The period of 15 days from the publication of the model scheme is too short a period for the Managing Committee of an existing school to prepare and submit to the Administrator its own scheme of management. This period should be extended to sixty days. A time limit of 90 days should be fixed within which the Administrator should take a decision in respect of the scheme submitted by the management. If the Administrator does not send any objection to, or modification of, the scheme within this limit, the scheme as submitted by the Managing Committee should be deemed to have been approved.

It is not necessary to provide specifically for representation of teachers on the Management Committee—it would be better to specify the broad objectives of this provision regarding scheme of management and to give to the Administrator discretion to accept departures from the model scheme in view of special features and needs of a school.

A suggestion was made that the Bill should provide for separate schemes of management for aided and unaided schools and that these schemes should be embodied in a Schedule to the Bill. The Committee feel that the scheme of management of schools is a matter of detail and need not be incorporated in the Bill. It is enough to indicate in this clause the specific objects of the scheme of management for all schools.

The Committee are further of the view that schools administered by Government or a local authority should not have a scheme of management as provided for other recognised schools, but the rules to be framed under the Act should prescribe the manner in which these schools will be administered.

The clause has been amended accordingly. Other amendments are either of a clarificatory or drafting nature.

19. *Clause* 6. The Committee feel that the appointment of the manager of a school should not be subject to the approval of the Director of Education, and that the manager should be appointed from amongst the members of the Managing Committee of the school. The clause has been amended accordingly. The other amendments are of a drafting nature.

20. *Clause* 7. The Committee feel that, in the interests of completion of studies by students enrolled in a school, and to make their transition to another school easy, no school or class in that school should be permitted to be closed before the expiry of the academic

year and that notice for the proposed closure should be given by the management not less than six months prior to such expiry. Where a school or a class in a school has been closed or where the Director has arranged to manage the school or class or where recognition of a school is withdrawn, it should be sufficient if the manager affords all reasonable facilities to the Director, or any authority authorised by him, to have access to, and take extracts from, all the records and accounts of the school instead of making over the records and accounts to the Director or the authority authorised by him.

The clause has been amended accordingly. The other amendments are of a drafting nature.

21. *Clause* 8. The Committee feel that this clause about removal of a manager should not apply to unaided schools and even in respect of aided schools removal should not be ordered by the Director: it is for the management who would appoint him (*vide* the amended clause 6) to remove him. The clause has been amended accordingly.

22. *Clause* 9. In order to ensure that salaries etc. of teachers and other employees of a school are paid to them in time, the Committee have redrafted sub-clause (4) of the clause to provide that out of the aid given to a school for salaries and allowances of teachers and other employees, no payment shall be made or committed to be made for any other purpose.

The other amendments made are of a drafting nature.

23. *Clause* 10. The Committee are of the view that if the Administrator fails to make an order within a time limit *viz.* 30 days of receipt of an application for permission to transfer or lease any immoveable property of an aided school, the permission should be deemed to have been granted. This will ensure that there is no undue delay in disposal of such applications by the Administrator. The clause has been amended accordingly.

24. *Clause* 11. The Committee feel that the management should have the authority to suspend a teacher of an aided school without prior permission of the Director; but, where a teacher is so suspended by the management, the Director of Education should be intimated forthwith and, if he is satisfied that there are no adequate and reasonable grounds for such suspension, he should have the power to revoke the order of suspension. Besides the aggrieved teacher, the management should also have a right of appeal to the prescribed authority against the Director's order withholding previous sanction for dismissal, removal or reduction in rank of a teacher.

The clause has been amended accordingly.

The other amendments are of a drafting nature.

25. *Clause* 12. The Committee are of the view that if salaries of teachers or other employees of an aided school are not disbursed every month by the Managing Committee or the Manager, as the case may be, the Director should have the power to recover from them the aid paid for this purpose and the Managing Committee's share, if any, towards the salaries of teachers, so that the Director might himself disburse the same to the teachers and other employees.

The Committee also feel that pending a decision by the prescribed authority in any dispute regarding salary or other allowances of a teacher or an employee and the management, it should be open to the teacher or the employee concerned to accept or not to accept the amount, if any, offered to him by the management or the Director. There need be no statutory provision compelling him to accept the provisional sums offered. The proviso to sub-clause (3) of the clause has, therefore, been omitted.

The clause has been amended accordingly. The other amendments are of a drafting nature.

26. *Clause* 13. The Committee feel that for the purpose of conducting public examination, schools administered by a local authority should also be affiliated to the Central Board of Secondary Education and there should be an enabling provision authorising the Director of Education to exempt from affiliation to the Board such schools as may, on the grounds of their special features or needs, deserve such special exemption.

The clause has been substituted accordingly.

27. *Clause* 14. It was represented to the Committee that a large number of aided as well as non-aided schools in Delhi collected fees and other charges, such as voluntary donations for improvement of school amenities, construction of buildings etc. and such charges were often in excess of the prescribed or permitted rates.

The Committee feel that prior approval of the Director should be obtained by all schools whether aided or not for collection of fees or other charges as also when they propose to levy a fee or charge

in excess of the prescribed rates. The fees and charges for unaided schools may be at rates different from those for aided schools, as such schools have to maintain themselves on their own resources.

The clause has been amended accordingly.

28. *Clause* 15. The Committee feel that there should be no upper age limit to pursuing secondary education. They are mindful of the desirability of keeping the students of tender age separate from over-age persons, who may not be a healthy influence on the youngsters. But that can be left to the discretion of the school administrations. The Committee have, therefore, omitted the sub-clause prohibiting retention in school of persons who have attained the age of 20 years.

The other amendments are of a drafting nature.

29. *Clause* 16.—It was represented to the Committee that in the School Fund should be credited only amounts such as the aid given to the school, income accruing to the school by way of fees or other charges and the Managing Committee's contribution towards the expenses of the school. Otherwise the Management will not have any resources from which to meet their share of recurring or non-recurring expenditure. Nevertheless, all other contributions, endowments, donations and the like, for the maintenance, development and improvement of the school should constitute a separate fund called "Management's Reserve Fund", with a safeguard that this will also be spent on the school and not utilised by the management for any purpose unconnected with the school.

The Committee feel that there should be a separate clause specifically providing for the establishment of other Funds required for the school with the permission of the Director.

The clause has been redrafted to make this clear.

30. *Clause* 17. The Committee feel that the Managing Committee of a school, whose aid has been stopped or suspended, should have a right of appeal to the prescribed authority. A new sub-clause has been added accordingly.

The other amendments are either of a drafting or consequential nature.

31. *Clause* 18. The Committee are of the opinion that the provisions of this clause for taking over of aided schools should not

apply to schools established and administered, or managed, by such minorities as have the right to do so under Article 30 of the Constitution. A new sub-clause has been added accordingly.

The other amendments are of a drafting and clarificatory nature.

32. *Clause* 20. The Committee are of the opinion that the Advisory Committee should have the authority to discuss not only matters referred to it by the Director but also any other matter arising out of this law which may be raised by any three members of the Advisory Committee. Further, the Director should not decide matters such as refusal or withdrawal of recognition of a school, any action against the manager, or stoppage of aid etc. under clause 17(4), without consulting the Advisory Committee. If the Director does not accept the advice of the Advisory Committee on these matters, the Bill should provide that the matter should be decided by the Administrator and not by the Director himself.

The Committee further feel that the composition of the Advisory Committee which may be decided by the Government in accordance with rules that may be prescribed should be such as to include eminent educationists, Members of Parliament and representatives of school managements and teachers.

The clause has been re-drafted accordingly.

33. (*Original Clause* 21). The Committee have omitted this clause as being redundant in view of the amended provisions of clause 3 which stipulate the conditions necessary for recognition of the schools, clause 17 authorising the Director to give directions regarding defects and deficiencies noticed in inspections and also in view of the rule-making powers conferred on the Central Government in this behalf under clause 25 (Original clause 26).

34. *Clause* 21 (*Original clause* 22). The Committee are of the view that the powers duties and functions of the Central Government under this measure should not be delegated to any officer other than the Administrator or the Director. The clause has been amended accordingly.

35. *Clause* 24 (*Original clause* 25). The amendment made is of a clarificatory nature.

36. *Clause* 25 (*Original clause* 26). The Committee are of the view that the rules made by Central Government should also prescribe the qualifications of teachers in recognised schools, the

approved courses of study and other items specified in the amended clause 3 regarding recognition and lay down the detailed constitution of the Advisory Committee (proposed in clause 20), its strength, procedure to be followed at its meeting etc. The clause has been amended accordingly.

The other amendments made are either of drafting or consequential nature.

37. The Committee recommend that the Bill as amended be passed.

T. H. SONAVANE,
Chairman,
Joint Committee.

NEW DELHI;
The 30th March, 1966.

MINUTES OF DISSENT

I

I am constrained to append this Minute of Dissent to the Report of the Joint Committee on the Delhi Secondary Education Bill 1964 because, in my opinion, the Bill is narrow in concept, limited in scope and restrictive in character.

This, I believe, is the first piece of legislation of its kind in India which purports "to provide for better organisation and development of Secondary Education" and, it therefore, should have been comprehensive in character and based on sound and liberal educational principles. Important and fundamental areas in the field of education, however, have been completely omitted from the purview of the Bill. Thus, no provision has been made for Further and Part-time Education: for the education of pupils who require special educational treatment; for ancillary services such as medical inspection and treatment of pupils; for provision of milk and mid-day meals, nor is there specific machinery, so vitally necessary at present, (such as the Burnham Committees of Great Britain), for considering and recommending scales of remuneration of teachers.

The Bill is, in fact, limited in scope and is directed against private Secondary Schools. Power has been assumed to take over the managements of aided Schools in certain circumstances. This would be commendable in itself if Government Schools were run with even a modicum of efficiency. From my own knowledge and the evidence placed before the Joint Committee, which in my opinion was not refuted by the officials of the Education Department, it would have been honest and fair on the part of the Government to admit in the Objects and Reasons that the aim of the Bill was not only to remove the educational mote from the eye of privately managed institutions but more especially to remove the educational beam from the eye of Government-run Institutions.

In the Bill, phrases such as "in the prescribed manner," "rules as prescribed" or words to that effect, occur frequently, thus investing the Executive with undue power. When, in the field of Secondary Education, voluntary agencies have an important role, the Bill should have contained provisions in clear and unambiguous terms defining the relationship between voluntary agencies and Government. Thus

arbitrary, unregulated discretion has been vested in the Executive. Such arbitrary power is almost certain to be used by officials of varying capacity in a capricious and often oppressive manner.

In my view the most objectionable provision in the Bill is Clause 5. This clause gives the Executive the power to decide the composition and functions of Managing Committees of Schools. It is unjustifiable and unreasonable in that it fails to distinguish between recognized and aided schools; recognized and unaided schools; recognized and aided minority-run schools and recognized and unaided minority schools. Article 30 of the Constitution confers on minorities the unconditional right to administer educational institutions of their choice. By Clause 5, a cloud of uncertainty hangs over the exercise of this right, because every scheme of management must obtain the approval of the Executive, "with or without modification."

In my view, so far as minority-run Schools are concerned, the Bill seeks indirectly to interfere with the fundamental right of the minorities to administer educational institutions of their choice. If the Executive seeks to impose its nominees on the managing committees of minority-run schools, it will in my opinion, be an infringement of their fundamental right to administer the institutions according to their choice.

In the context of linguistic States, I feel that it was the duty of the Central Government in framing a Bill of this nature to include provisions which give positive encouragement to minorities to conserve their language, script and culture and not to leave them to the uncertain and capricious will of the Executive.

NEW DELHI; A. E. T. BARROW.

Dated the 30th March, 1966.

II

We are in general agreement with the main provisions of the Bill as has emerged from the deliberations of the Joint Committee, because we hope that they will go a long way in improving the management of schools in Delhi and safeguarding the interests of the teachers and students. We however are unable to agree with two amendments accepted by the committee.

Clause 11 of the original Bill dealing with the terms and the conditions of service of teachers and other employees of the aided schools

contained the provision that no teacher shall be dismissed, removed, reduced in rank or suspended without the previous sanction in writing of the Director. The word 'Suspended' was deleted by the joint committee with the result that the Bill passed by the joint committee gives the management the right to suspend a teacher even without the previous sanction of the Director. It was pointed out that such a right was necessary to meet extreme cases of indiscipline where any delay in suspending the misbehaving teacher would cause harm to the institution. The argument appeared to be correct. But then there was the possibility of this being misused by the manager in his own interests especially in view of the fact that conditions under which suspension could be resorted to were not specified. It is true that the Director has been empowered to revoke the order of suspension if he is satisfied that there were no adequate and reasonable grounds for such a suspension. But there is no time limit either for the period of suspension or for the period during which the Director is to give his verdict. We pointed out that in some of the State Education Acts there exists a provision that no teacher is to be placed under suspension for more than 15 days. But our proposal was not accepted.

We are also unable to agree with the decision of the joint committee to delete clause 21 of the original Bill. The clause reads as follows:

"It shall be lawful for the Central Government to give any direction not inconsistent with the provisions of this Act to the manager or managing committee of a school in respect of any of the following matters, namely:—(i) syllabus, (ii) Text books and other reading material, (iii) conditions of service of teachers, (iv) sanitary facilities, and (v) any other matter that may be prescribed."

This clause was deleted with the argument that it was already covered by clause 3 which deals with recognition of schools. A perusal of the said clause would show that the argument was wrong. It is true that clause 3 says that no school shall be recognized if it does not have suitable or adequate accommodation with sanitary facilities, if it does not provide for approved courses of study and efficient instruction or if it does not have teachers with prescribed qualifications. It also deals with the necessity of financial stability of the school, scheme of management, contract of service between the Managing committee and the teacher, and facilities for physical education, library service etc. But it nowhere says anything about syllabus or textbooks. Approved courses of study need not include approved syllabus and approved text-books. Under such conditions it will not be

possible to maintain even a uniform system of public examinations. Clause 13 provides that for the purpose of conducting public examination all schools administered by government or a local authority and aided schools shall be affiliated to the Board and shall fulfil the conditions prescribed by the Board in this behalf. But the Director is given the right to exempt any school on the grounds of the special features and needs. And the unaided recognised schools are exempted from affiliation to the Board.

Thus by the deletion of clause 21 the Central Government gives up its right to give direction to the manager of a school in respect of syllabus and text-books and the managers of recognised schools are allowed to choose text-books and syllabus necessary for the approved courses of study.

We consider that this is a serious omission.

NEW DELHI; K. DAMODARAN

Dated the 1st April, 1966. P. K. VASUDEVAN NAIR.

III

I am strongly against any rights given to minorities by the Constitution being encroached upon by any legislation directly or indirectly. The atmosphere which prevailed when the Constitution was being prepared subsequent to the success if the movement for Freedom and which inspired various provisions in the Constitution to protect effectively the position of minorities after freedom in our country with its composite culture, ought to continue to influence the nation's dealing with their problems and securing their interests. That is the trust we have inherited from the country's leadership which so much shaped the Constitution. If at all, the need of that same approach is even greater in these days. The rest of the nation is thus a trustee for the interests of the minorities, and the way in which we deal with them is, I humbly submit, one of the tests of Indian nationalism.

I am, therefore, against all such provisions in the Bill which may even indirectly encroach upon the rights of minorities as incorporated in the Constitution.

I think the powers given to the Administrator under clause 5 interfere with and curtail those rights. The wording of the clause needs reconsideration.

If minority schools are mal-administered, the remedy is not to abrogate the minority's fundamental rights to administer their educational institutions but to adopt other measures and take other steps for remedial purposes, short of deciding finally for them their scheme of management. The Director, the Administrator, and the Central Government have plenty of powers in regard to these other measures and steps.

I feel that clause 21 needs further examination. Parliament is being asked to give to the Central Government the authority to delegate all its powers under the Act to the Administrator or the Director. I can conceive of no circumstances under which *all* the powers of the Central Government (a) including the power being given to it under clauses 10(3) and 18(3) to hear appeals *against an order of the Administrator* and to decide those cases *finally* and (b), including the rule making power under clause 25(1) and the power to remove difficulties under clause (26) can be delegated to the Administrator or the Director.

These are all non-delegatable powers and we should not so phrase the law as to make it inconsistent with our intention. The retention of the word "all" in clause 21 is thus not desirable. This matter also requires re-examination.

The definition of "Inspector" in clause 2 (j) and the wording of clause (21) in the draft Bill were changed by the Joint Select Committee deliberately after much discussion to prevent the powers conferred by Parliament on a higher authority being transferred to any one *below a certain level.* This restriction does not exist in the definition of "Director" in clause 2 (f). I think the same consideration which influenced the Joint Select Committee to modify the original draft of clause 2(j) and clause 2, should lead to a similar modification in clause 2 so that the same approach is consistently maintained throughout the Bill in regard to delegation of powers by a higher authority.

(*h*) it does not have the prescribed facilities for physical education, library service, laboratory work, workshop practice or co-curricular activities.* 35

* * * * * *

(2) Nothing contained in sub-section (1) shall apply to a school administered by the Government:

Provided that every such school shall comply with the conditions specified in the proviso to sub-section (1) except those specified in clauses (a), (b) and (f) of that proviso.

(3) Where recognition to a school is refused, any person aggrieved by such refusal may appeal against the order in the prescribed manner to such authority as may be prescribed in this behalf by the Central Government whose decision thereon shall be final.

(4) Where the management of a school obtains recognition for the school by fraud, misrepresentation or suppression of material particulars or where, after obtaining recognition, the school fails to continue to comply with any of the conditions specified in the proviso to sub-section (1), the authority granting the recognition may, after giving the management of the school an opportunity of showing cause, withdraw the recognition granted to such school under sub-section (1).

(5) The recognition granted under sub-section (1) shall not by itself entitle any school to receive aid.

(6) Every existing school shall be deemed to have been recognized under this section:

Provided that where any such school does not satisfy any of the conditions specified in the proviso to sub-section (1), the prescribed authority may require the school to satisfy such condition within a specified period and if any such condition is not so satisfied, recognition may be withdrawn from such school.

(7) Every school whose recognition is withdrawn under sub-section (4) or sub-section (6) may appeal to the prescribed authority who shall dispose of the appeal in such manner as may be prescribed.

Annual list of recognized schools.

4. The Central Government shall publish on or before the first day of May of every year, in the Official Gazette, and in such other manner as may be prescribed, a list of all recognized schools.

Scheme of management.

5 (1) Notwithstanding anything in any law for the time being in force or in any instrument having effect by virtue of any such law, there shall be a scheme of management for every recognized school.

(2) The Administrator may, by notification in the Official Gazette, frame a model scheme of management (hereinafter referred to as the model scheme) for the purposes of securing organisational efficiency, financial stability and improvement in educational standards and may, by like notification, amend that scheme and a

copy of the model scheme or the amended scheme, as the case may be, shall be sent by the Director to every recognized school within fifteen days of its notification.

(3) The Managing Committee of a school may prepare and submit to the Administrator a scheme of management for such school which shall, so far as is practicable, be in conformity with the model scheme:

Provided that the Managing Committee of every existing school shall prepare and submit such scheme of management to the Administrator within sixty days from the publication of the model scheme.

(4) The Administrator may, after considering the scheme of management submitted to him under sub-section (3) and having regard to the special features and needs, if any, of the school, approve such scheme with or without modifications:

Provided that if no objection or modification is forwarded by the Administrator within ninety days of the date of receipt of the scheme by him, the scheme as submitted by the Managing Committee shall be deemed to have been approved.

(5) Where the Administrator has amended the model scheme, the Managing Committee of every school in respect of which a scheme of management has been approved under sub-section (4), shall within such time as may be prescribed, submit to the Administrator a revised scheme of management in conformity with the model scheme as amended under sub-section (2).

(6) The Administrator may, after considering the revised scheme of management submitted to him under sub-section (5) and having regard to the special features and needs, if any, of the school, approve such revised scheme with or without modifications and with effect from such date as may be specified by him.

(7) The scheme of management shall, among other things, provide for the constitution of a Managing Committee, by whatever name called, vested with authority to manage and conduct the affairs of the school.

(8) Subject to any rules made in this behalf and the requirements of section 6, the scheme of management of every recognized school shall specify the respective powers, duties and functions of the head of the school and of the Managing Committee of the school.

* * * * * *

(9) No member of any Managing Committee shall be entitled to attend, vote or otherwise participate in any meeting of the committee when a charge concerning his personal conduct is under discussion.

(10) Where any person maintains more than one recognized school, there shall be a separate Managing Committee for each such school

(11) Every recognized school shall be managed in accordance with the scheme of management approved under this section.

5 (12) Nothing in this section shall apply to schools administered by the Government or any local authority:

Provided that such schools shall be administered in such manner as may be prescribed.

6. (1) The Managing Committee constituted under section 5 of a recognized school * * * may, appoint any member thereof to be the manager of the school: Managers of schools.

Provided that any person functioning immediately before the commencement of this Act as a manager in respect of a recognized school having a Managing Committee * * * shall be deemed to have been appointed under this sub-section but only for so long as the scheme of management of the school is not approved under * * * section 5.

(2) Any manager of a recognized school may resign his office by giving notice in writing of his intention so to do to the authority appointing him.

(3) A copy of such notice shall be simultaneously sent by him to the Director.

(4) It shall be the duty of the manager to—

(a) maintain in proper and good condition the school property placed under his control by the Managing Committee;

(b) maintain such records and accounts and furnish such statements and returns as may be prescribed;

(c) afford all assistance and facilities as may reasonably be necessary for the inspection of the school and its records and accounts by the inspector or any authority specified in this behalf by the Director; and

(d) generally, conduct the school in accordance with the provisions of this Act and the rules made thereunder.

7. (1) No school or class in a school shall be closed by the Managing Committee without notice in writing to that effect to the Director: Closure of schools.

Provided that no school or class in a school shall be so closed before the expiry of the academic year in which the notice is given and such notice shall be given not less than six months before such expiry:

Provided further that no such notice shall be withdrawn without the consent of the Director. 5

(2) If at any time after notice has been given under sub-section (1), the Managing Committee of the school informs the Director that the Committee is unable or unwilling to carry on the management of the school or class till the expiry of the academic year specified in the first proviso to sub-section (1), the Director may arrange to manage the school or class during the whole or any part of the unexpired portion of such period: 10

Provided that no additional liability shall fall on the Government in respect of the school or class during the period in which the Director so arranges to manage the school or class. 15

(3) Where a school or class in a school has been closed under sub-section (1) or where the Director has arranged to manage the school or class under sub-section (2) or where in respect of a school recognition has been withdrawn, the manager shall afford all reasonable facilities to the Director or any authority authorised by him in this behalf to have access to, and take extracts from, all the records and accounts of the school maintained under sub-section (4) of section 6. 20

Punishment for maintenance of false accounts, etc.

8. Any manager of an aided school who fails to comply with the provisions of clause (b) or clause (c) of sub-section (4) of section 6 or wilfully maintains a false statement of accounts, shall, without prejudice to any other action that may be taken against him, be liable to be removed * * *: 25

Provided that before an order for removal of the manager * * * * is passed, he shall be given an opportunity to show cause against such removal. 30

Aid to recognized schools.

9. (1) The Central Government may, after due appropriation made by Parliament by law in this behalf, and subject to such conditions as may be prescribed, pay to * recognized schools by way of aid such sums of money as the Central Government may consider necessary: 35

Provided that no existing school receiving aid shall be eligible for the continuance of the aid unless it complies with the prescribed conditions within such period as may be specified in this behalf.

(2) The authority competent to grant the aid may stop or suspend the aid for violation of any of the conditions prescribed * * * in this behalf or for any other good and sufficient cause.

(3) The aid may cover either the full expenditure or such part of the expenditure of the school as may be prescribed * * *.

(4) No payment out of the aid given for salaries and allowances of teachers and other employees of the school shall be made or committed to be made for any other purpose.

(5) If the manager or the Managing Committee fails to comply with, or in any other manner contravenes, the provisions of sub-section (4), the manager or, as the case may be, the Managing Committee shall be deemed to have neglected his or its duties within the meaning of sub-section (1) of section 18.

(6) No aid shall be paid to a school which has been taken over under section 18.

School property.

10. (1) * * * The manager of every aided school shall furnish to the Director by the 30th day of April each year a statement containing a list of the school property together with such particulars as may be prescribed.

(2) Notwithstanding anything to the contrary contained in any other law for the time being in force, no transfer or lease of any immovable property of an aided school shall be made except with the previous permission in writing of the Administrator:

Provided that where the Administrator fails to make an order within thirty days of the receipt of an application in this behalf, such permission shall be deemed to have been granted.

(3) Any person aggrieved by an order of the Administrator under sub-section (2) may, in such manner and within such time as may be prescribed, appeal to the Central Government whose decision thereon shall be final.

(4) Any transaction made in contravention of the order of the Administrator or, as the case may be, the decision of the Central Government shall be void.

Terms and conditions of service of teachers and other employees.

11. (1) The terms and conditions of service (including conditions regulating recruitment) of teachers and other employees of an aided school shall be such as may be prescribed.

(2) Subject to any rule that may be made in this behalf, no teacher of an aided school shall be dismissed, removed or reduced in rank, nor shall his services be otherwise terminated without the previous sanction in writing of the Director.

(3) Where a teacher of an aided school has been suspended, the order of suspension shall forthwith be communicated to the Director who may revoke the order if he is satisfied that there were no adequate and reasonable grounds for such suspension.

(4) Any teacher of an aided school aggrieved by any order under sub-section (2), or where the Director withholds sanction under sub-section (2) the management, may appeal to the prescribed authority who shall dispose of the appeal in such manner as may be prescribed. 5

(5) No person shall be disqualified for being appointed as, or for being, a teacher or any other employee of an aided school by reason only of his religious views or of his attendance or non-attendance at any religious worship or religious instruction. 10

Salaries of teachers and other employees of aided schools.

12. (1) The salaries of teachers and other employees of an aided school shall be disbursed every month by the manager or by the prescribed authority within the prescribed time and in the prescribed manner, failing which it shall be competent for the Director to disburse or arrange to disburse the full approved salary of any teacher or other employee. 15

(2) For the purposes of sub-section (1), it shall be lawful for the Director to recover from the manager or the Managing Committee the aid paid for the payment of salaries of teachers and other employees and the Managing Committee's share, if any, towards such salaries. 20

(3) Where there is any dispute regarding the salary or other amounts due to a teacher or other employee, the teacher or the other employee may make an application to the prescribed authority regarding the dispute and thereupon the prescribed authority shall, after giving an opportunity to the teacher or the other employee and the management to present their case, decide the matter which decision shall be binding on the teacher or the other employee and the management. 25 30

* * * * *

Affiliation.

13. For the purpose of conducting public examination, all schools administered by Government or a local authority and aided schools, except such schools as may be specifically exempted by the Director on the grounds of the special features and needs, if any, of such schools, shall be affiliated to the Board and shall fulfil the conditions prescribed by the Board in this behalf. 35

Fees.

14. No * school shall except with the prior approval in writing of the Director levy any fee or * * charge nor at a rate exceeding the prescribed rate and such fees and other charges may be collected and accounted for in the prescribed manner:

5 Provided that fees and charges for unaided schools may be at rates different from those for aided schools.

Admission to schools.

15. (1) *No child who has not attained the age of five years shall be admitted to class I or equivalent class in a Government or recognized school.

10 * * * * *

(2) Admission to aided schools, including the number to be admitted into a school or any class thereof, shall be subject to such rules as may be prescribed.

School Fund and other funds.

16. (1) In every aided school, there shall be a fund to be called
15 the "School Fund" to which shall be credited—

(a) all aid paid to the school;

(b) income accruing to the school by way of fees and other charges; and

(c) the Managing Committee's contribution towards the ex-
20 penses of the school.

(2) All contributions, endowments, donations and the like, for the maintenance, development and improvement of the school shall be credited to a Management's Reserve Fund to be spent on the school.

(3) An aided school may, with the approval of the Director, also
25 establish for the purposes of the school a Pupils' Fund, a Development Fund and any other special fund.

(4) The School Fund and the other funds established under sub-sections (2) and (3) shall be accounted for and operated upon in the prescribed manner.

Inspection.

30 17. (1) Every recognized school shall be inspected at least once a year in the prescribed manner.

(2) The Director may also arrange special inspection of any school on such aspects of its working as may, from time to time, be considered necessary by him.

(3) The Director may give directions to the manager requiring the manager to rectify any defect or deficiency found at the time of inspection or otherwise in the working of the school.

(4) If the manager fails to comply with any direction given under sub-section (3), the Director may, after considering the explanation or report, if any, given or made by the manager, take such action as he may think fit, including—

(a) stoppage of aid, and 5

(b) withdrawal of recognition.

(5) The Managing Committee of any school in respect of which aid is stopped or suspended under sub-section (4) of this section or under sub-section (2) of section 9 may appeal to the prescribed authority who shall dispose of the appeal in such manner as may be prescribed. 10

Taking over of aided schools.

18. (1) Whenever it appears to the Administrator that the manager or Managing Committee of any aided school has neglected to perform any of the duties imposed by or under this Act, and that in the public interest it is expedient to take over the management of the school, he may, after giving the manager or, as the case may be, the Managing Committee reasonable opportunity of showing cause against the proposed action, take over the management of that school for a period not exceeding five years. 15

(2) After taking over the management of any school under this Act, the Administrator may arrange to manage the school through the Director or any other person as may be considered expedient from time to time. 20

(3) Where the management of any aided school has been taken over under sub-section (1), the Managing Committee of the school may, within three months of the date of the taking over, appeal to the Central Government which may, after considering the representation made by the Managing Committee, pass such order, including an order for the restoration of the management or for the curtailment of the period of taking over, as it may deem fit. 25 30

(4) Where the management of any aided school has been taken over under this Act, the Administrator shall pay such rent for the building of the school, if any, to the person entitled to receive it as was being paid by the management before the taking over.

(5) During such period as any aided school remains under the management of the Administrator under this Act— 35

(i) the approved conditions of service of the existing employees of the school shall not ordinarily be adversely affected;

(*ii*) all educational facilities which the school had been affording immediately before such taking over shall ordinarily continue to be afforded; and

(*iii*) the School Fund shall continue to be available to the Administrator for being spent on the school.

5

(6) The Central Government may, if it deems it expedient, of its own motion or on the application of the previous management, discontinue a school taken over under this Act, and on such discontinuance the liability of the Central Government to run the school shall
10 cease.

(7) Any order made or direction given under this section shall have effect notwithstanding anything inconsistent therewith contained in any other enactment or instrument relating to the management of the school.

15 (8) Nothing in this section shall apply to minority schools.

Explanation.—In this sub-section "minority schools" means schools of their choice established and administered, or managed, by such minorities as have the right to do so under article 30 of the Constitution.

20 19. The Central Government shall, while taking over the management of any school, exempt any immovable property from being so taken over if such property is being used for any religious purpose, or if the Central Government is satisfied that such property on account of its proximity to any buildings of worship should be exempted. **Exemption of immovable property.**

25 20. (1) There shall be an Advisory Committee to advise the Director in respect of such matters arising out of this Act as may be referred to it by the Director or by any three members of the Committee: **Advisory Committee.**

Provided that the Director shall not decide any of the following
30 matters without consulting the Advisory Committee, namely:—

(*a*) refusal or withdrawal of recognition of a school under section 3;

(*b*) any action against the manager; and

(*c*) any action under sub-section (4) of section 17:

35 Provided further that if the Director does not accept the advice of the Advisory Committee on any matter specified in the foregoing proviso, it shall be referred to the Administrator for his decision.

(2) The constitution of the Advisory Committee, the number and term of office of members thereof, the procedure to be followed in the conduct of business by that Committee and all other matters relating to that Committee shall be such as may be prescribed:

Provided that the Advisory Committee shall include educationists, Members of Parliament and representatives of managements of schools and teachers.

* * * * * *

Delegation.

21. The Central Government may delegate all or any of its powers, duties or functions under this Act to the Administrator or the Director.

Exemption.

22. If the Central Government is of opinion that it would not be expedient to make the provisions of this Act applicable to any school having regard to its financial resources, character, location or other relevant considerations, it may, by notification in the Official Gazette, exempt such school, either generally or subject to such conditions, if any, or for any period to be specified in the notification, from all or any of the provisions of this Act.

Protection of action taken in good faith.

23. No suit, prosecution or other legal proceeding shall lie against the Central Government, the Administrator or any authority or officer appointed or specified by or under this Act for anything which is in good faith done or intended to be done in pursuance of this Act or any rule made thereunder.

Bar of jurisdiction.

24. No Civil Court shall have jurisdiction to entertain any suit or proceeding in respect of any matter which the Central Government, the Administrator or any officer or authority appointed or specified by or under this Act is empowered by or under this Act to determine, and no injunction shall be granted by any court or other authority in respect of any action taken or to be taken in pursuance of any power conferred by or under this Act.

Power to make rules.

25. (1) The Central Government may, by notification in the Official Gazette, and subject to the condition of previous publication, make rules for carrying out the purposes of this Act.

(2) In particular, and without prejudice to the generality of the foregoing power, such rules may provide for all or any of the following matters, namely:—

(a) the form and manner of making an application for recognition of a school:

(b) the qualifications for teachers;

(c) the terms and conditions of the contract of service between the Managing Committee and each teacher or other employee of the school;

5 (d) the facilities for physical education, library service, laboratory work, workshop-practice or co-curricular activities to be provided in a recognized school;

(e) the authority to which and the manner in which an appeal may be preferred under sub-section (3) of section 3;

10 (f) the authority to which an appeal shall lie under sub-section (7) of section 3 and the manner of disposal of such appeal;

(g) the manner of publication of the annual list of all recognized schools under section 4;

* * * * * *

15 (h) the administration of schools administered by the Government or a local authority;

(i) the records and accounts to be maintained and the statements and returns to be furnished under clause (b) of sub-section (4) of section 6;

20 (j) the conditions for the grant of aid to recognized schools under section 9 and matters connected therewith;

(k) the particulars to be contained in the statement to be furnished to the Director under sub-section (1) of section 10 regarding the school property;

25 (l) the manner in which and the time within which an appeal shall lie to the Central Government under sub-section (3) of section 10;

(m) the authority to which an appeal shall lie under sub-
30 section (4) of section 11 and the manner of disposal of such appeal;

(n) the terms and conditions of service (including conditions regulating recruitment) of teachers and other employees of aided schools;

35 (o) the authority who shall disburse the salaries of teachers and other employees of an aided school under sub-section (1) of section 12, the time within which and the manner in

which the same shall be disbursed and the authority to which an application may be made under sub-section (3) of that section;

(p) the rate exceeding which any fee or other charges shall not be levied by a school and the manner of collection and accounting of the fees and other charges;

(q) the admission to aided schools;

(r) the manner of accounting and operation of the School Fund and all other funds under * * * section 16;

(s) the manner of inspection of recognized schools; *

(t) the authority to which an appeal shall lie under sub-section (5) of section 17 and the manner of disposal of such appeal;

(u) the constitution of the Advisory Committee, the number and term of office of members thereof, the procedure to be followed in the conduct of business by that Committee and all other matters relating to that Committee; and

(v) any other matter which is to be, or may be, prescribed or provided for under this Act.

(3) Every rule made under this section shall be laid as soon as may be after it is made, before each House of Parliament while it is in session for a total period of thirty days which may be comprised in one session or in two successive sessions, and if, before the expiry of the session in which it is so laid or the session immediately following, both Houses agree in making any modification in the rule or both Houses agree that the rule should not be made, the rule shall thereafter have effect only in such modified form or be of no effect, as the case may be, so, however, that any such modification or annulment shall be without prejudice to the validity of anything previously done under that rule.

Removal of difficulties.

26. If any difficulty arises in giving effect to the provisions of this Act, the Central Government may, by order published in the Official Gazette, make such provisions not inconsistent with the purposes of this Act, as may appear to it to be necessary or expedient for removing the difficulty.

MINISTRY OF LABOUR, EMPLOYMENT & REHABILITATION

(Department of Labour and Employment)

NOTIFICATIONS

New Delhi, the 1st April 1966

G.S.R. 490.—In exercise of the powers conferred by section 3 read with section 7 of the Coal Mines Provident Fund and Bonus Scheme Act, 1948 (XLVI of 1948), the Central Government hereby makes the following Scheme further to amend the Andhra Pradesh Coal Mines Provident Fund Scheme, published with the notification of the Government of India in the late Ministry of Labour No. S.R.O. 657, dated the 12th March, 1956, namely:—

1. This Scheme may be called the Andhra Pradesh Coal Mines Provident Fund (First Amendment) Scheme, 1966.

2. This Scheme shall come into force on the 1st April, 1966.

3. In paragraph 2 of the Andhra Pradesh Coal Mines Provident Fund Scheme hereinafter referred to as the Scheme,—

(i) in clause (c), for the words, figures, letters and brackets "paragraph 3 of the Coal Mines Provident Fund Scheme published with the notification of the Government of India, in the Ministry of Labour No. PF. 15(5)/48, dated the 11th December, 1948 (hereinafter called the "said notification"), the words, figures and letters "section 3-A of the Act" shall be substituted;

(ii) in clause (e), for the words and figures "paragraph 23 of the Coal Mines Provident Fund Scheme published with the said notification", the words, figures, letter and brackets "sub-section (1) of section 3-C of the Act" shall be substituted;

(iii) in clause (h), for the words "said notification and includes the Fund created under this Scheme", the words, figures, letters and brackets "notification of the Government of India in the Ministry of Labour No. PF-15(5)/48, dated the 11th December, 1948, (hereinafter called the "said notification") and includes the Fund created under this Scheme" shall be substituted;

(iv) in clause (k),—

(a) for the first proviso, the following proviso shall be substituted, namely:—

"Provided that in the case of a member whose accumulations in the provident fund are transferred to the Fund under sub-section (1) or sub-section (3) of section 3-D of the Act, his period of membership of the Fund, shall be deemed to have commenced from the date of his employment in the coal mine or establishment, as the case may be, wherein he became a subscriber of the provident fund from which his accumulations are transferred to the Fund."

(b) In the second proviso, after the words "in the coal mine", the words "or the establishment, as the case may be" shall be added.

4. In paragraph 3 of the Scheme, the words and figure "of Trustees constituted under paragraph 3 of the Coal Mines Provident Fund Scheme published with the said notification. The Board shall be deemed to have been constituted also under this Scheme." shall be omitted.

5. In paragraph 4 of the Scheme, for the words "exercise the same powers and discharge the same functions, as laid down in the said notification" the words, "in relation to this Scheme, exercise the same powers and discharge the same functions as are laid down in the Act and the said notification" shall be substituted.

6. For paragraph 5 of the Scheme the following paragraph shall be substituted, namely:—

"5. *Coal Mines Provident Fund Commissioner.*—Save as otherwise provided in this Scheme, the Commissioner appointed under sub-section (1) of section 3C of the Act shall exercise, in relation to this Scheme, the same powers and discharge the same functions as are laid down in the Act and the said notification."

7. For paragraph 9 of the Scheme the following paragraph shall be substituted, namely:—

"9. *Payment of contributions.*—The employer shall, in the first instance, pay both the contributions payable by himself (in this Scheme referred to as the employer's contribution) and also on behalf of the members employed by him directly, or by or through a contractor, the contribution payable by such members (in this Scheme referred to as the member's contribution) irrespective of whether he or the contractor has recovered the member's contribution from the wages or whether the contractor has made the payment to the employer under paragraph 11 or not".

8. For paragraphs 10 and 11 of the Scheme the following paragraphs shall be substituted, namely:—

"10. *Recovery of member's contribution.*—(1) The employer, while paying any wages to a member employed by him directly and a contractor while paying any wages to a member employed by or through him, shall recover therefrom the member's contribution for the period to which the wages relate.

(2) Any sum deducted under sub-paragraph (1) by an employer or by a contractor from the wages of a member shall be deemed to have been entrusted to him for the purpose of paying the contribution in respect of which it was deducted.

(3) Where an employer or a contractor proves to the satisfaction of the Commissioner or such other officer subordinate to him as may be authorised by the Commissioner in this behalf, that he, for reasons beyond his control or because of any *bona fide* error on the part of his employees in charge of making recovery from members could not recover the member's contribution from the concerned member's wages for the period to which the contribution relates, the Commissioner or the officer subordinate to him, as the case may be, may, at his discretion, permit recovery of arrears of such contribution from subsequent wages of the members concerned in such number of instalments, as he may deem proper.

11. *Duties of contractors.*—(1) Any sum recovered or due to be recovered by a contractor under sub-paragraph (1) of paragraph 10 along with the employer's contribution thereon and the charges payable under sub-paragraph (2) of paragraph 13 for meeting the cost of administration of the Fund shall be paid by him to the employer within 3 days from the date on which the wages to which such contributions and charges relate become due for disbursement to the members under section 5 of the Payment of Wages Act, 1936.

(2) The contractor required to make any recovery under sub-paragraph (1) of paragraph 10 shall record all recoveries to be made under that sub-paragraph and also the employer's contribution payable thereon, in the appropriate columns of the Register of Wages in form III appended to the Payment of Wages (Mines) Rules, 1956, framed under the Payment of Wages Act, 1936, relating to the wage period to which such recoveries and contributions relate and shall furnish a copy of the said form III to the employer within 3 days from the date on which disbursement of wages for that wage period becomes due under section 5 of the Payment of Wages Act, 1936. He shall also furnish to the employer such other documents and information as the employer may require of him for the purpose of submitting returns under this Scheme or generally for the purpose of implementing this Scheme."

9. For paragraph 12 of the Scheme the following paragraphs shall be substituted, namely:—

"12. *Transfer of accumulations from provident funds of coal mines.*—(1) Where an employee who is a subscriber to any provident fund of the coal mine, in which he is employed, becomes a member of the Fund, he shall, if he has not withdrawn his accumulations in that provident fund before the first of April, 1966, apply in such form and in such manner as the Commissioner may specify, for transfer of his accumulations in the provident fund of the coal mine standing to his credit to the Fund.

(2) The Commissioner or, where so authorised by him, any officer subordinate to him, shall, on receipt of an application under sub-paragraph (1), call upon the employer or the authority administering the provident fund of the coal mine, as the case may be, to transfer to the Fund the accumulations of the member under sub-section (1) of Section 3-D of the Act.

(3) The employer or the authority called upon to transfer a member's accumulations under sub-paragraph (2) shall, within three months from being called upon, transfer to the Fund all contributions of the member and of the employer on his behalf paid or payable till the date of the member's joining the Fund or, till the date of his leaving service of the coal mine to which that provident fund relates, whichever is earlier, together with all accretions and interest upto the end of the month preceding the month in which the accumulations are transferred to the Fund.

(4) Any amount required to be transferred to the Fund under sub-paragraph (3) shall be paid to the Fund by means of account payee cheques or bank drafts drawn in favour of the Coal Mines Provident Fund Account No. I or as the case may be, by transferring to the Board any Central Government securities in which accumulations of the provident fund may have been invested.

(5) Where any payment under sub-paragraph (4) is made by an out-station cheque, the bank collection charge thereon shall be paid by the Fund out of its Reserve Account referred to in sub-paragraph (5) of paragraph 41.

(6) Where any payment under sub-paragraph (4) is made by transferring Central Government securities, such securities shall be acceptable by the Fund at their cost price, provided the cost price does not exceed the face value thereof and where the cost price exceeds the face value, the securities shall be accepted at their face value.

(7) The employer or the authority making any payment under sub-paragraph (3) shall, within fifteen days of the payment, submit a statement in such form and in such manner as the Commissioner may specify showing the amount of member's contribution, employer's contribution and interest transferred to the Fund for each member along with written acceptances of the concerned members confirming that the amount transferred has been accepted by them as correct.

(8) A receipt granted by the Commissioner or where so authorised by him, by any officer subordinate to him, for the accumulations transferred to the Fund shall be a sufficient discharge of the liability of the employer or the authority making the transfer under sub-paragraph (3) to the extent of the amount transferred and the members whose accumulations are transferred shall not be required to give any letter of discharge or receipt for such amounts.

(9) Any amount transferred to the Fund under sub-paragraph (3) for a member shall be credited to his account in the Fund and shall thereafter be treated as his accumulations in the Fund for all purposes of this Scheme.

(10) Any accumulations transferred under sub-paragraph (3) for a member shall be deemed to be his contributions for the currency period in which the amount is received in the Fund and such contributions shall, notwithstanding the provisions contained in paragraph 39 earn interest in the Fund from the beginning of the month immediately following the month in which the amount is received in the Fund.

12A. *Transfer of accumulation from provident funds of establishments other than coal mines.*—(1) Where an employee who is a subscriber to any provident fund of an establishment, not being a coal mine to which this Scheme applies, leaves his employment in that establishment and obtains re-employment in a coal mine and becomes a member of the Fund, he may, if he so desires, apply in such form and in such manner as the Commissioner may specify for the transfer of his accumulations in the provident fund of the establishment to the Fund.

(2) On receipt of an application under sub-paragraph (1) the Commissioner or where so authorised by him, any other officer subordinate to him shall ascertain from the authority administering the provident fund to which the member was subscribing prior to his joining the Fund, whether the rules of the Provident Fund permit the desired transfer.

(3) Where the rules of the provident fund to which the member was subscribing before joining the Fund permit the desired transfer, the Commissioner or, where so authorised by him, any other officer subordinate to him shall call upon the authority administering that provident fund to transfer to the Fund the member's accumulations in that provident fund. Where an authority administering a provident fund has been called upon to transfer a member's accumulations under this sub-paragraph, the provisions contained in sub-paragraphs (3) to (10) of paragraph 12 shall apply in the same manner as if the provident fund from which accumulations are to be transferred was that of a coal mine.

12B. *Transfer of accumulations from the Fund to other provident funds.*—(1) Where a member of the Fund leaves his employment in a coal mine and obtains re-employment in any other establishment, not being a coal mine to which this Scheme applies and becomes a subscriber to any provident fund of that establishment he may, if he so desires, apply in such form and manner as the Commissioner may

specify for the transfer of his accumulations in the Fund to the provident fund of the establishment in which he is re-employed (hereinafter referred to as the new establishment).

(2) On receipt of an application under sub-paragraph (1) the Commissioner, or, where so authorised by him, any officer subordinate to him shall ascertain from the authority administering the provident fund of the new establishment whether the rules of the provident fund of the new establishment permit acceptance of accumulations transferred from other provident funds.

(3) Where the rules of the provident fund of the new establishment permit acceptance of the transferred accumulations, the Commissioner or, where so authorised by him, any officer subordinate to him, shall transfer the amount standing to the credit of the member in the Fund together with interest upto the end of the month preceding the month in which the transfer is effected, and shall send to the authority administering the provident fund of the new establishment a statement in such form as the Commissioner may specify showing the amount of member's contribution, employer's contribution and interest transferred.

(4) The transfer of accumulations under sub-paragraph (3) shall be made by means of an account payee cheque in favour of the authority administering the provident fund to which the amount is transferred and in the event of any bank collection charges being demanded by the authority administering the provident fund of the new establishment, the same shall be paid out of the Reserve Account of the Fund referred to in sub-paragraph (5) of the paragraph 41.

(5) The receipt granted by the authority administering the provident fund to which any amount is transferred under this paragraph shall be a sufficient discharge of the liability of the Fund to the member whose accumulations are transferred to the extent of the amount transferred."

12. Paragraph 50 of the Scheme shall be omitted.

[No. 2(480)/66-PF-I.]

G.S.R. 491.—In exercise of the powers conferred by section 3 read with section 7 of the Coal Mines Provident Fund and Bonus Schemes Act, 1948, the Central Government hereby makes the following Scheme further to amend the Rajasthan Coal Mines Provident Fund Scheme published with the notification of the Government of India in the Ministry of Labour and Employment S.O. No. 32, dated the 11th February, 1958, namely:—

1. This Scheme may be called the Rajasthan Coal Mines Provident Fund (First Amendment) Scheme, 1966.

2. This Scheme shall come into force with effect from the 1st April, 1966.

3. In paragraph 2 of the Rajasthan Coal Mines Provident Fund Scheme (hereinafter referred to as the Scheme),—

(i) in clause (c), for the words, figures, letters and brackets "paragraph 3 of the Coal Mines Provident Fund Scheme published with the notification of the Government of India, in the late Ministry of Labour No. PF. 15(5)/48, dated the 11th December, 1948 (hereinafter called the "said notification")", the words, figure, and letter "section 3-A of the Act" shall be substituted; (ii) in clause (e), for the words and figures "paragraph 23 of the Coal Mines Provident Fund Scheme published with the said notification" the words, figures, letters and brackets "sub-section (1) of section 3-C of the Act" shall be substituted; (iii) in clause (h), for the words "said notification and includes the Fund created under this Scheme". the words, figures, letters and brackets "notification of the Government of India in the Ministry of Labour No. PF. 15(5)/48, dated the 11th December, 1948 (hereinafter called the "said notification"), and includes the Fund created under this Scheme" shall be substituted;

(iv) in clause (k),—for the proviso the following proviso shall be substituted, namely:—

"Provided that in the case of a member whose accumulations in the provident fund are transferred to the Fund under sub-section (1) or sub-section (3) of section 3-D of the Act, his period of membership of the Fund shall be deemed to have commenced from the date of his employment in the coal mine or establishment, as the case may be, wherein he became a subscriber of the provident fund from which his accumulations are transferred to the Fund;

Provided further that in any case where the date on which a member was employed cannot be ascertained, the first day of the period or quarter in which he qualified for membership of the former provident fund or this Fund, as the case may be, shall be deemed to be the date on which he was employed in the coal mine or establishment, as the case may be.

4. In paragraph 3 of the Scheme, the words and figure "of Trustees constituted under paragraph 3 of the Coal Mines Provident Fund Scheme published with the said notification. The Board shall be deemed to have been constituted also under this Scheme" shall be omitted.

5. In paragraph 4 of the Scheme, for the words "exercise the same powers and discharge the same functions, as laid down in the said notification" the words—"in relation to this Scheme exercise the same powers and discharge the same functions as are laid down in the Act and the said notification" shall be substituted.

6. For paragraph 5 of the Scheme the following paragraph shall be substituted, namely:—

"5. *Coal Mines Provident Fund Commissioner.*—Save as otherwise provided in this Scheme, the Commissioner appointed under sub-section (1) of section 3-C of the Act, shall exercise, in relation to this Scheme, the same powers and discharge the same functions as are laid down in the Act and the said notification."

7. For paragraph 9 of the Scheme, the following paragraph shall be substituted, namely:—

"9. *Payment of contributions.*—The employer shall, in the first instance, pay both the contributions payable by himself (in this Scheme referred to as the employer's contribution) and also on behalf of the members employed by him directly or by or through a contractor, the contributions payable by such members (in this Scheme referred to as the member's contribution) irrespective of whether he or the contractor has recovered the member's contribution from his wages or whether the contractor has made the payment to the employer under paragraph 11 or not".

8. For paragraphs 10 and 11 of the Scheme the following paragraphs shall be substituted, namely:—

"10. *Recovery of member's contribution.*—(1) The employer, while paying any wages to a member employed by him directly and a contractor while paying any wages to a member employed by or through him, shall recover therefrom the member's contribution for the period to which the wages relate.

(2) Any sum deducted under sub-paragraph (1) by an employer or by a contractor from the wages of a member shall be deemed to have been entrusted to him for the purpose of paying the contribution in respect of which it was deducted.

(3) Where an employer or a contractor proves to the satisfaction of the Commissioner or such other officer subordinate to him as may be authorised by the Commissioner in this behalf, that he, for reasons beyond his control or because of any *bonafide* error on the part of his employees in charge of making recovery from members could not recover the member's contribution from the concerned member's wages for the period to which the contribution relates, the Commissioner or the officer subordinate to him, as the case may be, may, at his discretion, permit recovery of arrears of such contribution from

subsequent wages of the members concerned in such number of instalments, as he may deem proper.

11. *Duties of contractors.*—(1) Any sum recovered or due to be recovered by a contractor under sub-paragraph (1) of paragraph 10 along with the employer's contribution thereon and the charges payable under sub-paragraph (2) of paragraph 12 for meeting the cost of administration of the Fund shall be paid by him to the employer within 3 days from the date on which the wages to which such contributions and charges relate become due for disbursement to the members under section 5 of the Payment of Wages Act, 1936.

(2) The contractor required to make any recovery under sub-paragraph (1) of paragraph 10 shall record all recoveries to be made under that sub-paragraph and also the employer's contribution payable thereon, in the appropriate columns of the Register of Wages in form III appended to the Payment of Wages (Mines) Rules, 1956, framed under the payment of Wages Act, 1936, relating to the wage period to which such recoveries and contributions relate and shall furnish a copy of the said form III to the employer within 3 days from the date on which disbursement of wages for that wage period becomes due under section 5 of the Payment of Wages Act, 1936. He shall also furnish to the employer such other documents and information as the employer may require of him for the purpose of submitting returns under this Scheme or generally for the purpose of implementing this Scheme.

11A. *Transfer of accumulations from provident funds of coal mines.*—(1) Where an employee who is a subscriber to any provident fund of a coal mine, becomes a member of the Fund, he shall, if he has not withdrawn his accumulations in that provident fund before the first April, 1966, apply in such form and in such manner as the Commissioner may specify, for transfer of his accumulations in the provident fund of the coal mine, standing to his credit to the Fund.

(2) The Commissioner or, where so authorised by him, any officer subordinate to him, shall, on receipt of an application under sub-paragraph (1), call upon the employer or the authority administering the provident fund of the coal mine, as the case may be, to transfer to the Fund the accumulations of the member under sub-section (1) of section 3-D of the Act.

(3) The employer or the authority called upon to transfer a member's accumulations under sub-paragraph (2) shall, within three months from being called upon, transfer to the Fund all contributions of the member and of the employer on his behalf paid or payable till the date of the member's joining the Fund or, till the date of his leaving service of the coal mine to which that provident fund relates, which ever is earlier, together with all accretions and interest upto the end of the month preceding the month in which the accumulations are transferred to the Fund.

(4) Any amount required to be transferred to the fund under sub-paragraph (3) shall be paid to the Fund by means of account payee cheques of bank drafts drawn in favour of the Coal Mines Provident Fund Account No. 1 or as the case may be, by transferring to the Board any Central Government securities in which accumulations of the provident fund may have been invested.

(5) Where any payment under sub-paragraph (4) is made by an out-station cheque, the bank collection charge thereon shall be paid by the Fund out of its Reserve Account referred to in sub-paragraph (6) of paragraph 40.

(6) Where any payment under sub-paragraph (4) is made by transferring Central Government securities, such securities shall be acceptable by the Fund at their cost price, provided the cost price does not exceed the face value thereof and where the cost price exceeds the face value, the securities shall be accepted at their face value.

(7) The employer or the authority making any payment under sub-paragraph (3) shall, within fifteen days of the payment, submit a statement in such form and in such manner as the Commissioner may specify

showing the amount of member's contribution, employer's contribution and interest transferred to the Fund for each member along with written acceptances of the concerned members confirming that the amount transferred has been accepted by them as correct.

(8) A receipt granted by the Commissioner or where so authorised by him, by any officer subordinate to him, for the accumulations transferred to the Fund shall be a sufficient discharge of the liability of the employer or the authority making the transfer under sub-paragraph (3) to the extent of the amount transferred and the members whose accumulations are transferred shall not be required to give any letter of discharge or receipt for such amounts.

(9) Any amount transferred to the Fund under sub-paragraph (3) for a member shall be credited to his account in the Fund and shall thereafter be treated as his accumulations in the Fund for all purposes of this Scheme.

(10) Any accumulations transferred under sub-paragraph (3) for a member shall be deemed to be his contributions for the currency period in which the amount is received in the Fund and such contributions shall, notwithstanding the provisions contained in paragraph 38, earn interest in the Fund from the beginning of the month immediately following the month in which the amount is received in the Fund.

11B. *Transfer of accumulations from provident Funds of establishments other than coal mines.*—(1) Where an employee who is a subscriber to any provident fund of an establishment, not being a coal mine to which this Scheme applies, leaves his employment in that establishment and obtains re-employment in a coal mine and becomes a member of the Fund, he may, if he so desires, apply in such form and in such manner as the Commissioner may specify, for the transfer of his accumulations in the provident fund of the establishment to the Fund.

(2) On receipt of an application under sub-paragraph (1), the Commissioner or, where so authorised by him, any other officer subordinate to him shall ascertain from the authority administering the provident fund to which the members was subscribing prior to his joining the Fund, whether the rules of that provident fund permit the desired transfer.

(3) Where the rules of the provident fund to which the member was subscribing before joining the Fund permit the desired transfer, the Commissioner or, where so authorised by him, any other officer subordinate to him shall call upon the authority administering that provident fund to transfer to the Fund the member's accumulations in that provident fund. Where an authority administering a provident fund has been called upon to transfer a member's accumulations under this sub-paragraph, the provisions contained in sub-paragraphs (3) to (10) of paragraph 11A shall apply in the same manner as if the provident fund from which accumulations are to be transferred was that of a coal mine.

11C. *Transfer of accumulations from the Fund to other provident Funds.*—(1) Where a member of the Fund leaves his employment in a coal mine and obtains re-employment in any other establishment, not being a coal mine to which this Scheme applies and becomes a subscriber to any provident fund of that establishment, he may, if he so desires, apply in such form and manner as the Commissioner may specify for the transfer of his accumulations in the Fund to the provident fund of the establishment in which he is re-employed (hereinafter referred to as the new establishment).

(2) On receipt of an application under sub-paragraph (1), the Commissioner or where so authorised by him, any officer subordinate to him shall ascertain from the authority administering the provident fund of the new establishment whether the rules of the provident fund of the new establishment permit acceptance of accumulations transferred from other provident funds.

(3) Where the rules of the provident fund of the new establishment permit acceptance of the transferred accumulations, the Commissioner or, where so authorised by him, any officer subordinate to him, shall

transfer the amount standing to the credit of the member in the Fund together with interest upto the end of the month preceding the month in which the transfer is effected, and shall send to the authority administering the provident fund of the new establishment a statement in such form as the Commissioner may specify showing the amount of member's contribution employer's contribution and interest transferred.

(4) The transfer of accumulations under sub-paragraph (3), shall be made by means of an account payee cheque in favour of the authority administering the provident fund to which the amount is transferred and in the event of any bank collection charges being demanded by the authority administering the provident fund of the new establishment, the same shall be paid out of the Reserve Account of the Fund referred to in sub-paragraph (6) of the paragraph 40.

(5) The receipt granted by the authority administering the provident fund to which any amount is transferred under this paragraph shall be a sufficient discharge of the liability of the Fund to the member whose accumulations are transferred to the extent of the amount transferred."

9. Paragraph 49 of the Scheme shall be omitted.

[No. 2(480)/60-PF.I.]

G.S.R. 492.—In exercise of the powers conferred by sction 3 read with section 7 of the Coal Mines Provident Fund and Bonus Schemes Act, 1948, the Central Government hereby makes the following Scheme further to amend the Coal Mines Provident Fund Scheme published with the notification of the Government of India in the late Ministry of Labour No. PF-15(5)/48, dated the 11th December, 1948, namely:—

1. This Scheme may be called the Coal Mines Provident Fund (First Amendment) Scheme, 1966.

2. It shall come into force on the 1st April, 1966.

3. In paragraph 2 of the Coal Mines Provident Fund Scheme (hereinafter referred to as the Scheme),—

(i) in clause (c), for the words and figures "paragraph 3 of this Scheme", the words and figure "section 3-A of the Act," shall be substituted;

(ii) in clause (e), for the words and figures "paragraph 23 of this Scheme" the words, figures and brackets "sub-section (1) of section 3-C of the Act" shall be substituted;

(iii) in clause (k), in the proviso, between the words "Provided" and 'that' the word 'further' shall be inserted and before this proviso the following new proviso shall be inserted, namely:—

"Provided that in the case of a member whose accumulations in the provident fund are transferred to the Fund under sub-section (1) or sub-section (3) of section 3D of the Act, his period of membership of the Fund shall be deemed to have commenced from the date of his employment in the coal mine or establishment, as the case may be, wherein he became a subscriber of the provident fund from which his accumulations are transferred to the Fund.".

4. Paragraph 3 of the Scheme shall be omitted.

5. In paragraph 4 of the Scheme,—

(i) in sub-paragraph (1),—

(a) for the words, brackets, figures and letters "other than those referred to in clauses (a) and (b) of sub-paragraph (1) of paragraph 3", the words, brackets, figures and letters, "other than those referred to in clauses (a), (b), (c) and (d) of sub-section (1) of section 3A of the Act" shall be substituted;

(b) for the word "nomination", wherever occurring, the word 'appointment' shall be substituted;

(ii) in sub-paragraph (2), for the words, brackets, figures and letters "clauses (a) and (b) of sub-paragraph (1) of paragraph 3", the words, brackets, figures and letters "clauses (a), (c) and (d) of sub-section (1) of section 3-A of the Act" shall be substituted;

(iii) after sub-paragraph (2), the following new sub-paragraph shall be added, namely:—

"(2A) Where the Central Government directs that a trustee appointed under clause (d) of sub-section (1) of section 3-A of the Act to represent any State Government shall cease to be a trustee, the State Government concerned shall be consulted.";

(iv) in sub-paragraph (3), for the word "renomination", the word "re-appointment", shall be substituted.

6. In paragraph 5 of the Scheme, after the words "A trustee", the words, brackets, figures and letters "other than that referred to in clause (b) of sub-section (1) of section 3-A of the Act", shall be substituted.

7. In sub-paragraph (2) of paragraph 8-A of the Scheme, for the words and figure "under paragraph 3", the words, figure and letter "under section 3-A of the Act", shall be substituted.

8. For paragraph 9 of the Scheme, the following paragraph shall be substituted, namely:—

"9. *Filling of vacancies.*—(1) A casual vacancy in the office of trustee shall be filled up by the Central Government by notification in the official Gazette, as soon after the occurrance of the vacancy as possible, after consultation with the State Government or the organisations of employers or employees, as the case may be, which was being represented by the trustee whose office is to be filled up.

(2) A trustee appointed to fill a casual vacancy shall hold office for the unexpired portion of the term of his predecessor.".

9. After paragraph 10 of the Scheme, the following new paragraph shall be inserted namely:—

"10A. *Constitution of committees.*—(1) The Board may constitute committees consisting of such number of trustees as the Board may consider necessary in each case, to assist it in the discharge of its functions and shall lay down the terms of reference of such committees, the quorum thereof and the venue where such committees should meet.

(2) The provisions of paragraph 21 shall *mutatis mutandis* apply for the payment of fees and allowances to the members of the committees constituted under sub-paragraph 11 for attending meetings thereof.".

10. The existing paragraph 11 of the Scheme shall be re-numbered as sub-paragraph (1) thereof and after sub-paragraph (1) as so re-numbered, the following new sub-paragraph shall be added, namely:—

"(2) All orders and decisions of any committee set up by the Board under paragraph 10A shall be authenticated by the Commissioner.".

11. For paragraph 12 of the Scheme the following paragraph shall be substituted, namely:—

"12. *Delegation of powers.*—The Commissioner may delegate, from time to time, the powers vested in him under this Scheme to any Officer under his control to the extent considered suitable by him for the administration of the Scheme.".

12. In paragraph 16 of the Scheme the words, brackets, and figures "save as provided in sub-paragraphs (2) and (3) of paragraph 3" shall be omitted.

13. In sub-paragraph (1) of paragraph 17 of the Scheme, for the words, brackets and figures "nominated under clause (c) and at least two nominated under clause (d) of sub-paragraph (1) of paragraph 3" the words, brackets, figures and letters, "appointed under clause (e) and at least two appointed under clause (f) of sub-section (1) of section 3-A of the Act" shall be substituted.

14. In paragraph 20 of the Scheme, for the word "nomination", the word "appointment" shall be substituted.

15. Paragraph 22 of the Scheme shall be omitted.

16. In paragraph 23 of the Scheme,—

(i) sub-paragraphs (1) and (4) shall be omitted; and

(ii) in sub-paragraph (6), for the words "this paragraph" the words, figures anad brackets "sub-section (1) of section 3-C of the Act" shall be substituted.

17. For paragraph 24 of the Scheme, the following paragraph shall be substituted, namely:—

"24. *Opening of Regional and other offices.*—The Board may, with the approval of the Central Government, open such regional and local offices as it may consider necessary for the proper implementation of the Scheme framed under section 3 of the Act. It may also define and vary from time to time the functions, duties and jurisdiction of the regional and local offices.".

18. For paragraphs 28, 29 and 30 of the Scheme, the following paragraphs shall be substituted, namely:—

"28 *Payment of contributions.*—The employer shall, in the first instance, pay both the contributions payable by himself (in this Scheme referred to as the employer's contribution) and also on behalf of the members employed by him directly or by or through a contractor, the contribution payable by such members (in this Scheme referred to as the member's contribution) irrespective of whether he or the contractor has recovered the member's contribution from their wages or whether the contractor has made the payment to the employer under paragraph 30 or not.

29. *Recovery of member's contribution.*—(1) The employer, while paying any wages to a member employed by him directly and a contractor while paying any wages to a member employed by or through him, shall recover, therefrom, the member's contribution for the period to which the wages relate.

(2) Any sum deducted under sub-paragraph (1) by an employer or by a contractor from the wages of a member shall be deemed to have been entrusted to him for the purpose of paying the contribution in respect of which it was deducted.

(3) Where an employer or a contractor proves to the satisfaction of the Commissioner that he, for reasons beyond his control or because of any bonafide error on the part of his employees in charge of making recovery from members, could not recover the members' contribution from 'the concerned members' wages for the period to which the contribution relates, the Commissioner may, at his discretion, permit recovery of arrears of such contribution from subsequent wages of the members concerned, in such number of instalments as he may deem proper.

30. *Duties of contractors.*—(1) Any sum recovered or due to be recovered by a contractor under sub-paragraph (1) of paragraph 29 along with the employer's contribution thereon and the charges payable under sub-paragraph (2) of paragraph 33A for meeting the cost of administration of the Fund shall be paid by him to the employer within three days from the date on which the wages to which such contributions and charges relate become due for disbursement to the members under section 5 of the Payment of Wages Act, 1936.

(2) The contractor required to make any recovery under sub-paragraph (1) of paragraph 29 shall record all recoveries to be made under that sub-paragraph and also the employers' contribution payable thereon, in the appropriate columns of the register of wages in form III appended to the Payment of Wages (Mines) Rules, 1956, framed under Payment of Wages Act, 1936, relating to the wage period to which such recoveries and contributions relate and shall furnish a copy of the said form III to the employer within three days from the date

on which disbursement of wages for that wage period becomes due under section 5 of the Payment of Wages Act, 1936. He shall also furnish, to the employer such other documents and information as the employer may require of him for the purpose of submitting returns under this Scheme or generally for the purpose of implementing this Scheme."

19. After paragraph 31 of the Scheme, the following new paragraphs shall be inserted namely:—

'31A. *Transfer of accumulations from other provident funds of coal mines.*—(1) Where an employee who is a subscriber to any provident fund of the coal mine in which he is employed becomes a member of the Fund he shall, if he had not withdrawn his accumulations in that provident fund before 1st April, 1966, apply in such form and in such manner as the Commissioner may specify, for transfer of his accumulations in the provident fund of the coal mine standing to his credit to the Fund.

(2) The Commissioner or, where so authorised by him, any officer subordinate to him shall, on receipt of an application under sub-paragraph (1), call upon the employer or the authority administering the provident fund of the coal mine, as the case may be, to transfer to the Fund the accumulations of the member under sub-section (1) of section 3-D of the Act.

(3) The employer or the authority called upon to transfer a member's accumulations under sub-paragraph (2) shall, within 3 months from being called upon, transfer to the Fund all contributions of the member and of the employer on his behalf paid or payable till the date of the member's joining the Fund or, till the date of his leaving service of the coal mine to which that provident fund relates whichever is earlier, together with all accretions and interest upto the end of the month preceding the month in which the accumulations are transferred to the Fund.

(4) Any amount required to be transferred to the Fund under sub-paragraph (3) shall be paid to the Fund by means of account-payee cheques or bank drafts drawn in favour of the Coal Mines Provident Fund Account No. 1 or, as the case may be, by transferring to the Board any Central Government securities in which accumulations of the provident fund may have been invested.

(5) Where any payment under sub-paragraph (4) is made by an outstation cheque, the Bank collection charges thereon shall be paid by the Fund out of its Reserve Account referred to in sub-paragraph (4) of paragraph 63.

(6) Where any payment under sub-paragraph (4) is made by transferring Central Government securities, such securities shall be acceptable by the Fund at their cost price, provided the cost price does not exceed the face value thereof and where the cost price exceeds the face value, the securities shall be accepted at their face value.

(7) The employer or the authority making any payment under sub-paragraph (3) shall, within 15 days of the payment, submit a statement in such form and in such manner as the Commissioner may specify showing the amount of member's contribution, employer's contribution and interest transferred to the Fund for each member along with written acceptances of the concerned members confirming that the amount transferred has been accepted by them as correct.

(8) A receipt granted by the Commissioner or, where so authorised by him, by any officer subordinate to him for the accumulations transferred to the Fund shall be a sufficient discharge of the liability of the employer or the authority making the transfer under sub-paragraph (3) to the extent of the amount transferred and the members whose accumulations are transferred shall not be required to give any letter of discharge or receipt for such amounts.

(9) Any amount transferred to the Fund under sub-paragraph (3) for a member shall be credited to his account in the Fund and shall thereafter be treated as his accumulations in the Fund for all purposes of this Scheme.

(10) Any accumulations transferred under sub-paragrash (3) for a member shall be deemed to be his contributions for the currency period in which the amount is received in the Fund and such contributions shall, notwithstanding the provisions contained in paragraph 61, earn interest in the Fund from the beginning of the month immediately following the month in which the amount is received in the Fund.

31B. *Transfer of accumulations from provident funds of establishments other than coal mines.*—(1) Where an employee who is a subscriber to any provident fund of an establishment, not being a coal mine to which this scheme applies, leaves his employment in that establishment and obtains re-employment in a coal mine and becomes a member of the Fund, he may, if he so desires, apply in such form and in such manner as the Commissioner may specify, for the transfer of his accumulations in the provident fund of the establishment to the Fund.

(2) On receipt of an application under sub-paragraph (1) the Commissioner or, where so authorised by him, any other officer subordinate to him shall ascertain from the authority administering the provident fund to which the member was subscribing prior to his joining the Fund whether the rules of that Provident Fund permit the desired transfer.

(3) Where the rules of the provident fund to which the member was subscribing before joining the Fund permit the desired transfer, the Commissioner or, where so authorised by him, any other officer subordinate to him shall call upon the authority administering that provident fund to transfer to the Fund the member's accumulations in that provident fund. Where an authority administering a provident fund has been called upon to transfer a member's accumulations under this sub-paragraph, the provisions contained in sub-paragraphs (3) to (10) of paragraph 31A shall apply in the same manner as if the provident fund from which accumulations are to be transferred was that of a coal mine.

31C. *Transfer of accumulations from the Fund to other provident funds.*—(1) Where a member of the Fund leaves his employment in a coal mine and obtains re-employment in any other establishment, not being a coal mine to which this Scheme applies, and becomes a subscriber to any provident fund of that establishment he may, if he so desires, apply in such form and manner as the Commissioner may specify for the transfer of his accumulations in the Fund to the provident fund of the establishment in which he is re-employed (hereinafter referred to as the new establishment).

(2) On receipt of an application under sub-paragraph (1) the Commissioner or, where so authorised by him, any officer subordinate to him shall ascertain from the authority administering the provident fund of the new establishment whether the rules of the provident fund of the new establishment permit acceptance of accumulations transferred from other provident funds.

(3) Where the rules of the provident fund of th new establishment permit acceptance of the transferred accumulations, the Commissioner or, where so authorised by him, any officer subordinate to him shall transfer the amount standing to the credit of the member in the Fund together with interest upto the end of the month preceding the month in which the transfer is effected, and shall send to the authority administering the provident fund of the new establishment a statement in such form as the Commissioner may specify showing the amount of member's contribution, employer's contribution and interest transferred.

(4) The transfer of accumulations under sub-paragraph (3) shall be made by means of an account-payee cheque in favour of the authority administering the provident fund to which the amount is transferred and in the event of any Bank collection charges being demanded by the authority administering the provident fund of the new establishment the same shall be paid out of the Reserve Account of the Fund referred to in sub-paragraph (4) of paragraph 63.

(5) The receipt granted by the authority administering the provident fund to which any amount is transferred under this paragraph shall be a sufficient discharge of the liability of the Fund to the member whose accumulations are transferred to the extent of the amount transferred."

20. Paragraph 70 of the Scheme shall be omitted.

MINISTRY OF EXTERNAL AFFAIRS

ORDER

New Delhi, the 1st April 1966

G.S.R. 493.—Whereas the Extradition Treaty between the United States of America and Great Britain and Northern Ireland of December 22, 1931, which was acceded to by India on 9th March, 1942, is in force in India from 9th March, 1942 and which treaty provides as follows:

"Article 1

The High Contracting Parties engage to deliver up to each other, under certain circumstances and conditions stated in the present Treaty, those persons who, being accused or convicted of any of the crimes or offences enumerated in Article 3, committed within the jurisdiction of the one Party, shall be found within the territory of the other Party.

Article 2

For the purposes of the present Treaty the territory of His Britannic Majesty shall be deemed to be Great Britain and Northern Ireland, the Channel Islands and the Isle of Man, and all parts of His Britannic Majesty's dominions overseas other than those enumerated in Article 14, together with the territories enumerated in Article 16 and any territories to which it may be extended under Article 17. It is understood that in respect of all territory of His Britannic Majesty as above defined other than Great Britain and Northern Ireland, the Channel Islands, and the Isle of Man, the present Treaty shall be applied as far as the laws permit.

For the purposes of the present Treaty the territory of the United States shall be deemed to be all territory wherever situated belonging to the United States, including its dependencies and all other territories under its exclusive administration or control.

Article 3

Extradition shall be reciprocally granted for the following crimes or offences:

(1) Murder (including assassination, parricide, infanticide, poisoning), or attempt or conspiracy to murder.

(2) Manslaughter.

(3) Administering drugs or using instruments with intent to procure the miscarriage of women.

(4) Rape.

(5) Unlawful carnal knowledge, or any attempt to have unlawful carnal knowledge, of a girl under 16 years of age.

(6) Indecent assault if such crime or offence be indictable in the place where the accused or convicted person is apprehended.

(7) Kidnapping or false imprisonment.

(8) Child stealing, including abandoning, exposing or unlawfully detaining.

(9) Abduction.

(10) Procuration: that is to say the procuring or transporting of a woman or girl under age, even with her consent, for immoral purposes, or of a woman or girl over age, by fraud, threats, or compulsion, for such purposes with a view in either case to gratifying the passions of another person provided that such crime or offence is punishable by imprisonment for at least one year or by more severe punishment.

(11) Bigamy.

(12) Maliciously wounding or inflicting grievous bodily harm.

(13) Threats, by letter or otherwise, with intent to extort money or other things of value.

(14) Perjury, or subornation of perjury.

(15) Arson

(16) Burglary or housebreaking, robbery with violence, larceny or embezzlement.

(17) Fraud by a bailee, banker, agent, factor, trustee, director, member, or public officer of any company, or fraudulent conversion.

(18) Obtaining money, valuable security, or goods, by false pretences; receiving any money, valuable security, or other property, knowing the same to have been stolen or unlawfully obtained.

(19) (a) Counterfeiting or altering money, or bringing into circulation counterfeited or altered money.

(b) Knowingly and without lawful authority making or having in possession any instrument, tool, or engine adapted and intended for the counterfeiting of coin.

(20) Forgery, or uttering what is forged.

(21) Crimes or offences against bankruptcy law.

(22) Bribery, defined to be the offering, giving or receiving of bribes.

(23) Any malicious act done with intent to endanger the safety of any persons travelling or being upon a railway.

(24) Crimes or offences or attempted crimes or offences in connection with the traffic in dangerous drugs.

(25) Malicious injury to property, if such crime or offence be indictable.

(26) (a) Piracy by the law of nations.

(b) Revolt, or conspiracy to revolt, by two or more persons on board a ship on the high seas against the authority of the master; wrongfully sinking or destroying a vessel at sea, or attempting to do so; assaults on board a ship on the high-seas, with intent to do grievous bodily harm.

(27) Dealing in slaves.

Extradition is also to be granted for participation in any of the aforesaid crimes or offences, provided that such participation be punishable by the laws of both High Contracting Parties.

Article 4

The extradition shall not take place if the person claimed has already been tried and discharged or punished, or is still under trial in the territories of the High Contracting Party applied to, for the crime or offence for which his extradition is demanded.

If the person claimed should be under examination or under punishment in the territories of the High Contracting Party applied to for any other crime or offence, his extradition shall be deferred until the conclusion of the trial and the full execution of any punishment awarded to him.

Article 5

The extradition shall not take place if, subsequently to the commission of the crime or offence or the institution of the penal prosecution or the conviction thereon, exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the High Contracting Party applying or applied to.

Article 6

A fugitive criminal shall not be surrendered if the crime or offence in respect of which his surrender is demanded is one of a political character, or if he proves that the requisition for his surrender has, in fact, been made with a view to try or punish him for a crime or offence of a political character.

Article 7

A person surrendered can in no case be kept in custody or be brought to trial in the territories of the High Contracting Party to whom the surrender has been made for any other crime or offence, or on account of any other matters, than those for which the extradition shall have taken place, until he has been restored, or has had an opportunity of returning, to the territories of the High Contracting Party by whom he has been surrendered.

This stipulation does not apply to crimes or offences committed after the extradition.

Article 8

The extradition of fugitive criminals under the provisions of this Treaty shall be carried out in the United States and in the territory of His Britannic Majesty respectively, in conformity with the laws regulating extradition for the time being in force in the territory from which the surrender of the fugitive criminal is claimed.

Article 9

The extradition shall take place only if the evidence be found sufficient, according to the laws of the High Contracting Party applied to, either to justify the committal of the prisoner for trial, in case the crime or offence had been committed in the territory of such High Contracting Party, or to prove that the prisoner is the identical person convicted by the courts of the High Contracting Party who makes the requisition, and that the crime or offence of which he has been convicted is one in respect of which extradition could, at the time of such conviction, have been granted by the High Contracting Party applied to.

Article 10

If the individual claimed by one of the High Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other Powers on account of other crimes or offences committed within their respective jurisdictions, his extradition shall be granted to the Power whose claim is earliest in date, unless such claim is waived.

Article 11

If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive, or within such further time as the High Contracting Party applied to, or the proper tribunal of such High Contracting Party, shall direct, the fugitive shall be set at liberty.

Article 12

All articles seized which were in the possession of the person to be surrendered at the time of his apprehension, and any articles that may serve as a proof of the crime or offence shall be given up when the extradition takes place, in so far as this may be permitted by the law of the High Contracting Party granting the extradition.

Article 13

All expenses connected with the extradition shall be borne by the High Contracting Party making the application.

Article 14

His Britannic Majesty may accede to the present Treaty on behalf of any of his Dominions hereafter named—that is to say, the Dominion of Canada, the Commonwealth of Australia (including for this purpose Papua and Norfolk Island), the Dominion of New Zealand, the Union of South Africa, the Irish Free State, and Newfoundland—and India. Such accession shall be effected by a notice to that effect given by the appropriate diplomatic representative of His Majesty at Washington which shall specify the authority to which the requisition for the surrender of a fugitive criminal who has taken refuge in the Dominion concerned, or India, as the case may be, shall be addressed. From the date when such notice comes into effect the territory of the Dominion concerned or of India shall be deemed to be territory of His Britannic Majesty for the purposes of the present Treaty.

The requisition for the surrender of a fugitive criminal who has taken refuge in any of the above-mentioned Dominions or India, on behalf of which His Britannic Majesty has acceded, shall be made by the appropriate diplomatic or consular officer of the United States of America.

Eighter High Contracting Party may terminate this Treaty separately in respect of any of the above-mentioned Dominions or India. Such termination shall be effected by a notice given in accordance with the provisions of Article 18.

Any notice given under the first paragraph of this Article in respect of one of His Britannic Majesty's Dominions may include any territory in respect of which a mandate on behalf of the League of Nations has been accepted by His Britannic Majesty, and which is being administered by the Government of the Dominion concerned; such territory shall, if so included, be deemed to be territory of His Britannic Majesty for the purposes of the present Treaty. Any notice given under the third paragraph of this Article shall be applicable to such mandated territory.

Article 15

The requisition for the surrender of a fugitive criminal who has taken refuge in any territory of His Britannic Majesty other than Great Britain and Northern Ireland, the Channel Islands, or the Isle of Man, or the Dominions or India mentioned in Article 14, shall be made to the Governor, or chief authority, of such territory by the appropriate consular officer of the United States of America.

Such requisition shall be dealt with by the competent authorities of such territory; provided, nevertheless, that if an order for the committal of the fugitive criminal to prison to await surrender shall be made, the said Governor or chief authority may, instead of issuing a warrant for the surrender of such fugitive, refer the matter to His Majesty's Government in the United Kingdom of Great Britain and Northern Ireland.

Article 16

This Treaty shall apply in the same manner as if they were Possessions of His Britannic Majesty to the following British Protectorates, that is to say, the Bechuanaland Protectorate, Gambia Protectorate, Kenya Protectorate, Nigeria Protectorate, Northern Rhodesia, Northern Territories of the Gold Coast, Nyasaland, Sierra Leone Protectorate, Solomon Islands Protectorate, Somaliland Protectorate, Swaziland, Uganda Protectorate and Zanzibar, and to the following territories in respect of which a mandate on behalf of the League of Nations has been accepted by His Britannic Majesty, that is to say, Cameroons under British mandate, Togoland under British mandate, and the Tanganyika Territory.

Article 17

If after the signature of the present Treaty it is considered advisable to extend its provisions to any British Protectorates other than those mentioned in the preceding Article or to any British-protected State, or to any territory in respect of which a mandate on behalf of the League of Nations has been accepted by His Britannic Majesty, other than those mandated territories mentioned in Articles 14 and 16, the stipulations of Articles 14 and 15 shall be deemed to apply to such Protectorates or States or mandated territories from the date and in the manner prescribed in the notes to be exchanged for the purpose of effecting such extension.

Article 18

The present Treaty shall come into force ten days after its publication, in conformity with the forms prescribed by the laws of the High Contracting Parties. It may be terminated by either of the High Contracting Parties by a notice not exceeding one year and not less than six months.

In the absence of an express provision to that effect, a notice given under the first paragraph of this Article shall not affect the operation of the Treaty as between the United States of America and any territory in respect of which notice of accession has been given under Article 14.

The present Treaty shall be ratified, and the ratifications shall be exchanged at London as soon as possible.

On the coming into force of the present Treaty the provisions of Article 10 of the Treaty of the 9th August, 1842, of the Convention of the 12th July, 1889, of the supplementary Convention of the 13th December, 1900, and of the supplementary Convention of the 12th April, 1905 relative to extradition, shall cease to have effect, save that in the case of each of the Dominions and India mentioned in Article 14, those provisions shall remain in force until such Dominion or India shall have acceded to the present Treaty in accordance with Article 14 or until replaced by other treaty arrangements":

Now, therefore, in exercise of the powers conferred by section 3 of the Extradition Act, 1962 (34 of 1962), the Central Government hereby directs that the provisions of the said Act, other than Chapter III thereof, shall apply to the United States of America with effect from the 1st day of April, 1966.

MINISTRY OF MINES & METALS

NOTIFICATIONS

New Delhi, the 1st April 1966

S.O. 1048.—In pursuance of clause 4 of the Colliery Control Order, 1945, as continued in force by section 16 of the Essential Commodities Act, 1955 (10 of 1955), the Central Government, having decided to remove the statutory control over the price of hard coke produced by Bee-hive and Country Ovens, hereby makes the following further amendment in the notification of the Government of India in the late Ministry of Steel and Mines (Department of Mines and Metals), No. S.O. 3987, dated the 24th December, 1965, namely:—

In the said notification,—

(1) Table VI and the Note thereunder shall be omitted;

(2) in Explanation (i) below Table VI, for the words and figures "Tables I to VI", the words and figures "Tables I to V" shall be substituted; and

(3) the entry at the end "2. Nothing in this notification shall apply to hard coke having ash content not exceeding 20 per cent and phosphorus content not exceeding .05 per cent" shall be omitted.

[No. C5-12(3)/66-I.]

S.O. 1049.—In pursuance of the provisions of clauses 12B and 12E of the Colliery Control Order, 1945, as continued in force by section 16 of the Essential Commodities Act, 1955 (10 of 1955), the Central Government hereby makes the following general authority, namely:—

That any person may, without any order of allotment or written authority,—

(a) acquire or purchase or agree to acquire or purchase,

(b) despatch or agree to despatch or transport, or

(c) divert or transfer or agree to divert or transfer,

hard coke produced from Bee-hive and Country Ovens:

Provided that such hard coke is consumed within India:

Provided further that nothing in this order shall apply to hard coke in respect of which a direction is issued by the Central Government under clause 8 of the Colliery Control Order, 1945.

MINISTRY OF LABOUR, EMPLOYMENT & REHABILITATION

New Delhi, the 22nd March 1966

G.S.R 473—In exercise of the powers conferred by section 58 of the Mines Act, 1952 (35 of 1952), the Central Government hereby makes the following rules, the same having been previously published and referred to the Mining Boards as required by sub-sections (1) and (4) respectively of section 59 of the said Act, namely:—

MINES VOCATIONAL TRAINING RULES, 1966

CHAPTER I

Preliminary

1. **Short title, application and commencement.**—(1) These rules may be called the Mines Vocational Training Rules, 1966.

(2) Except as otherwise expressly provided, these rules shall apply to every mine of whatever description to which the Mines Act, 1952 applies.

(3) They shall come into force on such date as the Central Government may, by notification in the Official Gazette, appoint, and different dates may be appointed for different provisions of these rules or for different classes or groups of mines or for different classes of persons or for different areas

2. **Definitions.**—In these rules, unless there is anything repugnant in the subject or context,—

(a) "Act" means the Mines Act, 1952 (35 of 1952);

(b) "form" means a form appended to these rules;

(c) "manager" means any person who is responsible for control, management, supervision and direction of a mine, and includes a mine superintendent who is appointed by the owner or the agent of a mine under section 17 of the Act;

(d) "metalliferous mine" means any mine other than a coal or an oil mine;

(e) "Regional Inspector" means the Inspector of Mines in charge of,

(i) the region or local area or areas in which the mine is situate, or

(ii) the group or class of mines to which the mine belongs and over which he exercises powers under the Act;

(f) "Schedule" means a Schedule appended to these rules.

CHAPTER II

Persons to be trained

3 **Application of Rules.**—(1) These rules shall apply to all persons employed or to be employed in a mine, other than the persons specified herein, namely:—

(a) Persons employed or to be employed for the purpose of saving life or property or dealing with circumstances arising out of an accident:

Provided that the owner, agent or manager of the mine shall, forthwith give written notice of every such employment to the Chief Inspector and the Regional Inspector.

(b) Persons holding positions enumerated below being persons employed in a confidential capacity or in a position of supervision or management, namely:—

(c) Shotfirers and blasters.

(d) Clerks, accountants and register keepers.

(e) Persons who have undergone a course of training which is a part of study at an institution approved by the Central Government in this behalf.

(f) Persons undergoing a course of training in the mine as mining apprentices, provided they work under the personal supervision of an official of the mine.

(g) Apprentice mechanics or apprentice electricians, if they have undergone an approved course of training at a mine mechanisation centre or other institution approved by the Chief Inspector in this behalf:

Provided that the exemption granted to the persons specified in clauses (d), (e), (f) and (g) shall be subject to the condition that the said person shall undergo a course of refresher training as specified in rule 8.

(2) The Chief Inspector may, by order, for reasons to be recorded in writing and subject to such conditions as he may specify therein, exempt any person or class or category of persons from undergoing any training under these rules.

4. **Disputes regarding training to be decided by the Chief Inspector.**—If any question arises as to whether a particular person or class or category of persons is required by these rules to undergo training or not, the same shall be referred to the Chief Inspector for decision.

5. **Standard of training.**—The Chief Inspector may issue such instructions, not inconsistent with these rules, as he may deem fit, to ensure that the training imparted under these rules at the various training centres conforms to certain uniform standards and every such training shall be in accordance with such instructions.

CHAPTER III

General Vocational Training

6. **Scope and Standard.**—(1) Every person proposed to be employed in a mine on the surface or in open cast workings (other than a person who has held any such previous employment) shall, before he is so employed, undergo a course of theoretical and gallery training as specified in the First Schedule:

Provided that in respect of such class or kind of work as the Chief Inspector may, from time to time, by notification specify, every person proposed to be employed thereto shall, before he is so employed, undergo a further course of practical training on actual operations for a period of not less than six working days.

(2) Every person proposed to be employed below ground in a mine, (other than a person who has held any such previous employment) shall, before he is so employed, undergo—

(a) a course of the oretical and gallery training as specified in the Second Schedule, and.

(b) a course of practical training on actual operations for a period of not less than twelve working days:

Provided that every such person proposed to be employed in a mine wherein safety lamps are required to be used (hereinafter called gassy mine) shall, before he is so employed, undergo a further course of training about the dangers of inflammable gas and methods of dealing with the same as specified in the Third Schedule.

7. **Training of persons previously employed.**—Before a person who has previously worked in mines only on the surface or in opencast workings, is employed below ground, or before a person who has previously worked below ground in non-gassy mines only is employed below ground in a gassy mine, he shall undergo such additional courses of training as specified in sub-rule (2) of rule 6.

CHAPTER IV

Refresher Training

8. **Scope and standard.**—Whenever a person returns to employment on the surface or in open cast workings or to employment below ground in a mine, after an absence from work for a period exceeding one year he shall, within one month of his joining duty, undergo refresher training as detailed in the Fourth Schedule, which shall include a minimum of—

(1) three safety lectures and demonstrations in the case of persons working on the surface or in open cast workings;

(2) six safety lectures and demonstrations in addition to the training specified in clause (1), in the case of persons working below ground in a non-gassy mine;

(3) six further lectures and demonstrations about the dangers of inflammable gas and methods of dealing with the same, in addition to the training specified in clauses (1) and (2), in the case of persons working below ground in a gassy mine.

9. **Training of persons already employed.**—Every person in employment in a mine at the date of commencement of this rule shall undergo the refresher training as specified in rule 8, and it shall be sufficient compliance with this rule if before the expiry of every year from such commencement, at least one fifth of the persons so employed are given such training.

10. **Training of persons employed below ground in gassy mines.**—Notwithstanding anything contained in these rules, every person employed below ground in a gassy mine shall within a period of one year from the commencement of this rule, undergo at least that part of the refresher training as is specified in the Fourth Schedule under the heading "3. Additional for gassy mine workers".

11. **Arrangement for refresher training.**—The refresher training shall be so arranged that the persons who have to undergo training can attend the same conveniently either before or after their normal working hours.

CHAPTER V

Training of Special Categories of Employees

12. **Training of timber mistries.**—Every person who:—

(i) is newly employed as timber mistry in a mine, or

(ii) has not worked as a timber mistry in a mine for a period of six months immediately preceding his employment or re-employment, as the case may be.

shall before he is so employed or re-employed undergo a course of training in timber as specified in the Fifth Schedule in addition to the course of training specified under Chapter III or Chapter IV as may be applicable to him.

13 **Training of persons in handling of explosives:**

(1) Every person other than a qualified shotfirer or blaster, who is likely to be employed on a job which involves handling of explosives shall, before he is so employed, in addition to the course of training specified under Chapter III or Chapter IV, as the case may be, undergo a course of training in the handling and use of explosives, as detailed in the Sixth Schedule Every person who has undergone the said training shall undergo the training again before re-employment if he has not worked in handling explosives for a continuous period of six months or more before such re-employment. The training under this rule shall be so arranged that the persons concerned can attend the same conveniently either before or after their normal working hours.

(2) Notwithstanding anything contained in sub-rule (1), in the case of metalliferous mines having open cast workings only, the course of training may be confined to not less than four lectures and demonstrations covering only such items of the Sixth Schedule as refer to open cast workings and general principles of shotfiring.

14 **Training of persons on shotfiring.**—(1) Every person eligible to appear at the Shotfirer's Certificate of Competency Examination and who intends to appear at the said examination within the succeeding three months, shall, before he appears for the examination and in addition to the training specified in rule 13, undergo a course of training, as detailed in the Seventh Schedule. The training under this rule shall be so arranged that the persons concerned can attend the same conveniently either before or after their normal working hours.

(2) Notwithstanding anything contained in rule 3, the training specified in the Seventh Schedule shall also be undergone within one month of employment or re-employment, as the case may be, by—

(i) every shotfirer or blaster on employment in another mine except in cases where he has already undergone such training; and

(ii) every person, who though qualified to fire shots has not worked as a shotfirer for a continuous period of six months or more, on re-employment as a shotfirer.

(3) Notwithstanding anything contained in sub-rules (1) and (2), in the case of persons, working in metalliferous mines having open cast workings only, or holding blaster's restricted certificate, it shall be sufficient if the course of training is confined to not less than eight lectures and demonstrations and covering only such items of the Seventh Schedule as refer to open cast workings and general principles of shotfiring.

15. **Training of other categories of persons.**—The Chief Inspector may by general or special order, require that every person, other than those specified in clauses (a) to (g) of sub-rule (1) of rule 3, to be newly employed in a mine in such kind or class of work, as may be specified therein, shall undergo a specified course of training.

16. **Time limit in respect of the training of persons already employed on handling of explosives.**—Notwithstanding anything contained in these rules, every person employed on handling of explosives shall undergo the training specified in rule 13 within a period of one year from the date of commencement of this rule.

17. **Periodical training in gas-testing.**—Every person holding a gas-testing certificate shall once in every year, and every person eligible to appear at the Gas-testing Certificate Examination and who intends to appear at the said examination within the succeeding three months, shall before he appears for the examination, undergo a course of training as detailed in the Eighth Schedule. The training under this rule, shall be so arranged that the persons concerned can attend the same either before or after their normal working hours.

CHAPTER VI

Training Centres and Arrangements for Training

18. **Training Centre.**—The owner, agent or manager of every mine shall provide and maintain a training centre which shall be adequate for the purpose of imparting the training required to be undergone by the persons who are employed or to be employed in that mine:

Provided that the Chief Inspector may, by order, for reasons to be recorded in writing and subject to such conditions as he may specify therein, authorise that a common training centre may be provided and maintained in respect of two or more mines by the owners, agents or managers thereof.

19. **Arrangements for the training centre.**—Every training centre shall have such staff, equipment and other facilities as may be approved by the Chief Inspector or as may be required by him, from time to time, by order in writing.

20. **Training Officer.**—(1) Every training centre shall be placed under the charge of a whole-time or part-time Training Officer as may be specified by the Chief Inspector. The Chief Inspector may further specify the qualifications and experience required for such Training Officer.

(2) Notwithstanding anything contained in sub-rule (1), where the Training Officer is unable to perform his duties by reason of temporary absence, illness or other cause, the owner, agent or manager, as the case may be, may authorise in writing any other person to act in his place:

Provided that, except in a case where the person so authorised possesses the qualifications and experience specified by the Chief Inspector under sub-rule (1), the authority to act as Training Officer shall cease to have effect on the expiry of 30 days from the date of the authorisation unless an order in writing has been obtained from the Chief Inspector or the Regional Inspector for the continuance of such person beyond the said period.

(3) A written notice of every appointment, authorisation, discharge, dismissal, resignation or termination of service of a Training Officer and of the date thereof shall be sent by the owner, agent or manager to the Chief Inspector and the Regional Inspector within seven days from the date of such appointment, authorisation, discharge, dismissal, resignation or termination of service, as the case may be.

21. **Duties of Training Officers.**—(1) It shall be the duty of the Training Officer,—

(i) to organise and supervise the training of every person undergoing training under him in pursuance of these rules;

(ii) to maintain records of the training given to every person and to furnish weekly reports to the manager on the progress of the persons undergoing training;

(iii) to maintain records of the supervision in respect of the practical training on actual operations referred to in rule 6; and

(iv) to discharge such other duties as may be necessary for the proper compliance of these rules.

(2) Every Training Officer shall keep a record of his work and shall, at the end of every year, forward to the Chief Inspector, through the owner, agent or manager of the mine concerned, a summary of the report of his work during the year.

22. **Trainers.**—For the purpose of the practical training referred to in rule 6, every person to be employed in a mine shall be placed under the direct personal supervision of an experienced workman of an appropriate category, employed on actual operations, hereinafter referred to as the trainer.

23. **Qualifications of trainers.**—(1) No person shall function as a trainer unless he has attended not less than six lectures on safety in mines, as may be specified for the purpose and approved by the Chief Inspector.

(2) Trainers shall be selected only from amongst persons, who in the opinion of the owner, agent or manager of the mine, are safety-minded, skilled and experienced workmen who have an aptitude for giving guidance and practical training to other persons.

24. **Duties of trainers and persons undergoing training.**—(1) The trainer shall be responsible for the safety of the persons undergoing training under him.

(2) The trainer shall, apart from discharging his normal duties, see that the persons put under his charge for training, pick up work, understand the dangers inherent in the job and develop habits which would ensure safety in mines.

(3) The trainer shall see that the persons undergoing training under him move within the mine along with him.

(4) Every trainer shall show to the persons undergoing training under him, the quickest and safest routes of exit from the sections where he is likely to work Every person undergoing training shall, whilst under training, comply with the directions of the trainer under whom he is put in charge.

25. **Training allowance.**—Every trainer shall, in addition to his normal wages, be paid by the owner, agent or manager a training allowance of 50 paise per trainee for every day a trainee has worked under his supervision. Not more than two trainees shall be placed under the charge of a trainer at a time.

CHAPTER VII

Allowances of Trainees and issue of certificates

26. **Trainees.**—Every person to be newly employed in a mine, while undergoing training in accordance with these rules, shall for all purposes be considered only as a trainee.

27. **Stipend to trainees.**—(1) Every person, while undergoing training under Chapter III and under rules 12 and 15 shall be paid by the owner, agent or manager, a daily allowance, for each day of attendance, of an amount equivalent to the wages (inclusive of allowances) which will be payable to him on employment after completion of training, subject to a maximum of Rs. 1.50 paise per day:

Provided that the maximum aforesaid shall not apply in case of a person already working in a mine while undergoing training in accordance with rule 7.

(2) Every person undergoing training under Chapter IV and rules 13, 14 and 17 shall be paid, by the owner, agent or manager, an allowance of Re. 0.50 paise per lecture attended by him.

28. **Certificate to trainees.**—(1) Every person who undergoes a course of training prescribed in these rules, shall, on completion of the training, be interviewed by the Training Officer and if, the said officer is satisfied as to the progress and performance of the trainee, he shall grant a certificate in Form A or Form B, as the case may be. The certificate so granted shall be countersigned by the owner, agent or manager. Where the Training Officer is not satisfied with the progress or performance of any trainee he shall report the same to the manager, who may either discharge him or, if he thinks fit, arrange to give him further training.

(2) The cost of the photograph to be fixed on the certificate in Form A or Form B shall be borne by the owner or agent.

(3) A person who has obtained a certificate on successful completion of the training shall be eligible for absorption, in any mine, to the category of the post for which he has been trained.

29. **Duplicate Certificate.**—If any person proves to the satisfaction of the Training Officer that he has lost the certificate granted to him under rule 28 the Training Officer may, on payment of the cost of the photograph to be affixed on the certificate, grant to him a copy of the certificate. The word "DUPLICATE" shall be stamped across the copy.

30. **Certificate to be delivered to the Management.**—Every person employed in a mine shall,—

(i) if he obtained the certificates prior to such employment, at the time of the employment, and

(ii) if he obtained the certificates during the course of employment, within such time as may be specified by the manager of the mine

deliver the certificate issued to his under these rules, to the manager of the mine who shall keep the certificate in safe custody and issue a receipt for the same. On the termination of employment, the certificate so deposited shall be returned to the employee.

CHAPTER VIII

Miscellaneous

31. **Inspection.**—The Chief Inspector or any Inspector may, enter, inspect and examine any training centre or any part thereof and make such examination or inquiry as he thinks fit in order to ascertain whether the provisions of these rules and of any orders made thereunder are being complied with.

32. **Power to relax.**—Where, in the opinion of the Chief Inspector, the conditions pertaining to a mine or part thereof are such as to render compliance with any provision contained in these rules, unnecessary or impracticable, he may, by order in writing and subject to such conditions as he may specify therein, exempt the mine or part thereof, as the case may be from the said provisions.

FIRST SCHEDULE

[*See* rule 6(1)]

Course of Theoretical and Gallery training for surface and opencast workers

1*st Day* (*Surface*)

Talk: Organisation, time keeping, the need for discipline and punctuality, other matters of general interest.

Training in first aid

Visit: Attendance room, Pit head bath, Canteen, Rest shelter, Creche.

2nd Day (Surface)

Talk: Rules, Standing Orders etc. in force at the mine, safety in the vicinity of surface machinery.

Training First aid

Visit: Tramways and Sidings, Haulage rooms, Winding room, Boilers, Electrical Gears, Workshop.

3rd Day (Surface)

Talk: Benching in quarries, Dressing of overhangs, Fencings, First aid and Hygiene.

Training in First aid

Visit: Quarries, Medical Centres.

Practical work: Tub Manipulation, Coupling, tramming, lockering, re-railing of tubs.

4th Day (Surface)

Talk: Shotfiring and Safety regulations.

Training in First aid

Visit: Practical demonstration of taking shelter etc.

Practical work: Building of Sound-bag stoppings.

5th Day

Talk: Legislation and duties of workpersons.

Training in First aid

Visit: "What's Wrong."

Practical work: Laying of tracks.

6th Day

Talk: Mine officials and their duties, Oral test.

SECOND SCHEDULE

[*See* Rule 6(2)(a)]

Course of Theoretical and Gallery training for workers below ground

1st Day

Talk: Method of transport below ground, signalling, manholes and other safety appliances on haulage roads.

Training in First aid

Visit: Underground pit bottom, travelling road-way, second outlet, haulage and tramming roadways, stations and fencings below ground.

Practical work: Tub manipulation, coupling, tramming, lockering, re-railing of tubs and signalling, laying of pipes and track.

2nd Day

Talk: Face work, roof control, testing of roof, support regulations, First-Aid and Hygiene.

Training in First aid

Visit: Underground working faces, underground latrines first aid stations.

Practical work: Prop setting, chock building and withdrawal.

3rd Day

Talk: Ventilation, Lighting, Legislation and duties of workpersons.

Training in First aid

Visit: Underground—Ventilation and Lighting devices Fan house, air crossings, stoppings, regulator doors, etc.

Practical work: Erecting brattices, ventilation of blind ends, Practical demonstration of fire fighting device detection of noxious gases.

4th Day

Talk: Shotfiring and safety regulations. Causes and prevention of fire underground, care of lamps.

Training in First aid

Visit: Underground practical demonstration of taking shelter, etc.

Practical work: Building of sand bag stoppings.

5th Day

Talk: Mine gases (particularly carbon monoxide, carbon dioxide and methane) and dangers therefrom. Testing for the same. General revision.

Training in First aid

Practical work: Cleaning of galleries.

6th Day

Talk: Mine officials and their duties, oral test.

Visit: Underground "What's Wrong."

THIRD SCHEDULE

[*See* rule 6(2)(b)]

Course of special additional training for entrants to gassy mines

1st Day

Talk: Dangers of inflammable gas, Effects of inflammable gas in different percentages. Gas caps. Difference between combustion and explosion, After damp—its effect. Methods of testing for inflammable gas with flame safety lamp.

Demonstration: Gas Caps. Difference between combustion and explosion.

Visit: Visit to safety lamp cabin to see how lamps are maintained, cleaned etc. and to study construction of safety lamps.

2nd Day

Talk: Principle of construction of flame safety lamps and of flame proof electrical equipment Assembly of flame safety lamps. Care of safety lamps during use. Dangers of opening or tampering with safety lamps.

Demonstration: Effects of wire gauze on flame.

Practical work: Testing for gas.

Visit: Visit to workshop to see flame proof equipment

3rd Day

Talk: Duties of workers in gassy mine and where inflammable gas exists. Dangers of smoking. Contrabands.

Visit: Visit (1) to lamp cabin to see arrangements for checking lamps before issue and after receipt and (2) to the mine entrances to see arrangement for checking safety lamps and for searching of contrabands.

Practical work: Cleaning and assembling safety lamps.

4th Day

Talk: Explosion and health hazards from dust. Methods of suppressing dust. Water sprays. Cleaning and stone dusting. Wet cutting. Wet drilling. Use of respirators. Occurrences of inflammable gas. Methods of removing gas. Necessity for good ventilation at the face. Ventilation devices.

Visit: Underground visit to see dust suppression arrangements and measures Surface and underground visit to see ventilation devices.

Practical work: Erection of brattices. Ventilation of blind ends.

5th Day

Talk: Dangers of shotfiring in gassy mines. Precaution—Underground visit to see shotfiring.

6th Day

General revision. Oral test.

FOURTH SCHEDULE

[*See* rules 8 and 10]

Course for Refresher Training

(Each talk to be followed by discussion. Duration of each talk and discussion to be not less than two hours).

1. *For surface/open cast workers*

Talk 1: Mine Organisation, time keeping, need for discipline and punctuality and other matters of general interest.

Talk 2: Rules, standing orders in force at the mine. Safety in the vicinity of machinery.

Talk 3: Benching in quarries. Dressing of overhangs. Fencing. First Aid and Hygiene.

2 *Additional for underground workers*

Talk 4: Dangers from haulage. Manholes and other safety appliances. Signalling.

Talk 5: Testing of roof. Dressing of roof and overhangs Supports, checks, bars and props.

Talk 6. Ventilation Control devices. Danger from old workings. Causes and prevention of fires. Noxious gases.

Talk 7: Dangers of shotfiring. Safety precautions.

Talk 8: Legislation. Duties of workmen. Fencings.

Talk 9: General revision and discussion

3. *Additional for gassy mine workers*

Talk 10: Occurrence of inflammable gae Danger from inflammables gas. Combustion and explosion. After damp. Its effects.

Talk 11: Principle of construction of flame safety lamps and of flameproof equipment. Gas caps. Methods of testing for gas.

Talk 12: Duties of workers where inflammable gas exists. Contrabands. Danger of tampering with safety lamps. Methods of removing gas. Necessity of good ventilation at the face.

Talk 13: Explosion and health hazard from dust. Methods of suppressing dust.

Talk 14: Dangers of shotfiring in gassy mines. Precautions.

Talk 15: General revision and discussion.

FIFTH SCHEDULE

[*See* Rule 12]

Course of training for Timber Mistries

(Training in First Aid to be given to every trainee who has not already undergone such training).

1st Day

Talk: Type of rocks and their characteristics. Dangers from fall of ground —Need for artificial support. Use of protective Equipment.

Talk and Practical Work: Handling and transport of timber including lowering in inclines and shafts. Correct methods of lifting and shifting. Stacking of timber.

2nd Day

Talk: Different materials for support, their strength and characteristics, Application. Fire danger from timber and cuttings.

Talk and Practical Work: Tools for timbermen, their selection, care and maintenance. Sylveston prop withdrawal.

3rd Day

Talk: Type of support in galleries and drives. Support of faulted, disturbed and weak grounds. Clearing of falls of roof and erecting supports. Roof support. Side support.

Talk and Practical work: Taking Measurements for putting supports. Selection of timber size. Preparing lids. Laggings and packings.

4th Day

Talk: System of support in depillaring areas/stopes and longwall faces. Systematic timbering Rules both in development and depillaring area.

Talk and Practical work: Sawing of timber. Election of short props and cogs. Withdrawal of supports.

5th Day

Talk: Type of supports in shafts (including sinking shafts), raises and winzes; repair of such supports. Erection of barricades. Erection of brattices and temporary stoppings. Election of fences.

Talk and Practical work: Erection of tall props and cogs. Lagging of sides.

6th Day

Talk: Maintenance of supports. Tightening. Testing of roofs and sides. Typical accidents in timbering and to timbermen.

Talk and Practical work: Erection of timber on steep gradients and supporting irregular places. Miscellaneous jobs for timbermen.

SIXTH SCHEDULE

[*See* rule 13]

Course of training in the handling and use of explosives

1st Day

Talk: What is an explosive? General composition of explosives. Differences between low and high explosives. Low explosives and their firing. Safety and its burning speed.

2nd Day

Talk: High explosives, their detonation. Electric shotfiring.

3rd Day

Talk: Dangers from explosives, Charging and firing of shots. Clearing of fumes produced during shot-firing.

4th Day

Talk: Dangers from blasting in gassy mines. Cracks in shot holes. Permitted explosives.

5th Day

Talk: Dangerous nature of explosives. Care in handling explosives. Taking shelter. Storage of explosives on surface and below ground. Issue of explosives. Return of unused explosives.

6th Day

Talk: General revision and discussion.

SEVENTH SCHEDULE

[*See* rule 14]

Course of training on shot-firing

1st Day

High and low explosives. Difference between them. Their constituents.

2nd Day

Shot-firing accessories. Safety fuse and its burning speed. Detonators.

3rd Day

Provisions of regulations etc. relating to transport handling and use of explosives.

4th Day

Storage of explosives, both above and below ground. Issue of explosives. Return of unused explosives.

5th Day

Correct drilling and placing of shot-holes. Charging and firing of shots. Blown out shots. Taking shelter.

6th Day

Danger from explosives in gassy mines. Permitted explosives. Precautions during shot-firing in gassy mines. Dangers from cracks in shot-holes.

7th Day

Dealing with misfires. Provisions of regulations relating to duties of shot-firers.

8th Day

Examining working places and roadways after shot-firing. Clearing roadways of dust and fumes after shot-firing.

9th Day

Firing of shots singly and in rounds. Use of delay action detonators. Testing of circuits.

10th Day

Blasting with Ammonium Nitrate—Fuel Oil Explosive. Precautions.

11th Day

Heavy blasting in open cast mines. Blasting with liquid Oxygen. Precautions.

12th Day

General revision and discussion. Writing of reports.

EIGHTH SCHEDULE

[*See* rule 17]

Course of training in gas-testing

(Demonstrations to be arranged with every talk and each talk to be followed by discussion. The duration of each talk and discussion to be not less than two hours).

1st Talk

Physical and chemical properties of inflammable gas. Occurrence of inflammable gas. Gas outbursts. Danger from inflammable gas in different percentages. Difference between combustion and explosion.

2nd Talk

Other mine gases; their properties and effects After damp, its composition and effects.

3rd Talk

What makes a safety lamp safe? Construction and assembly of safety lamps, both of flame and electric type. Care of safety lamps. Opening, cleaning, assembling and testing of safety lamps.

4th Talk

Methods of testing for inflammable gas with flame safety lamps Gas caps Accumulation and percentage tests. Precautions where gas is present

5th Talk

Provisions of regulations relating to safety lamps, and to the presence of inflammable gas. Other means of testing for inflammable gas

6th Talk

General revision and discussion.

ELECTION COMMISSION, INDIA

New Delhi, the 23rd March 1966

S.O. 983.—In pursuance of clause (b) of sub-section (6) of section 116A of the Representation of the People Act, 1951, the Election Commission hereby publishes the decision of the High Court of Judicature at Patna given on the 3rd March, 1966, on an appeal from the order dated the 31st May, 1965, of the Election Tribunal, Patna.

ELECTION APPEAL No. 3 OF 1965

From a decision of Mr. C. P. Sinha, Member, Election Tribunal, Patna, dated the 31st May, 1965.

Rajendra Prasad Jain.—*Appellant.*

Versus

Sheel Bhadra Yajee and others.—*Respondents.*

For the appellant.—Messrs. Nageshwar Prasad, J. C. Sinha, Nagendra Kumar Roy and Dip Narain Lal.

For the respondents.—Messrs, Kanhaiya Prasad Verma, Kamla Kant Prasad and Jugeshwar Prasad Singh.

PRESENT:

The Hon'ble Mr. Justice U. N. Sinha

The 3rd March, 1966.

U. N. SINHA, J.—This appeal has been placed before me under Clause 28 of the Letters Patent of this Court, for hearing upon the points of difference between two learned Judges of this Court, namely, Mahapatra and Ramratna Singh, JJ. By

their judgements dated the 23rd December, 1965, they have differed on two points, which have been mentioned in the ordersheet thus:—

"The difference that has arisen between us, according to the judgment delivered now, is about the reliability or/and sufficiency of the evidence on the record in regard to the allegation of the offer of bribe by the appellant to Shri Shah Mustaque Ahmad and Sri Ram Narain Choudhary."

2. The appellant, Shri Rajendra Prasad Jain, was elected to the Parliament (Rajya Sabha) from the constituency of the Bihar Legislative Assembly, in 1964, against which election a petition was presented before the Election Commission by one of the unsuccessful candidates, Sri Sheel Bhadra Yajee, who is respondent No. 1 in this appeal, Sri Yajee had asked for the election of Sri Jain to be declared void, and Sri Yajee had also asked for a declaration to the effect that he had been duly elected, Sri Jain had filed a recriminatory petition against Sri Yajee, Both the petitions were heard together by the Election Tribunal, and by judgment and order dated the 31st May, 1965, it was held that come of the corrupt practices alleged against Sri Jain had been proved. With respect to the recriminatory petition, none of the allegations were held to have been established. In the result, the election of Sri Jain was declared to be void; but the Tribunal refused to declare Sri Yajee to have been duly elected.

3. The appeal filed in this Court by Sri Jain under section 116A of the Representation of the People Act, 1951 (Act XLIII of 1951) was placed for hearing before a Division Bench of this Court consisting of Mahapatra and Ramratna Singh, JJ., and all the points decided against the appellant were contested and the learned Judges have decided these points by two separate judgments. As indicated above, the learned Judges have differed on two points, mentioned in their order.

4. Two preliminary objections have been taken by Sri Kanhaiya Prasad Verma, appearing for Sri Yajee The first is to the effect that Clause 28 of the Letters Patent of this Court does not apply to this appeal filed under the Representation of the People Act, 1951, and, therefore, section 98 of the Code of Civil Procedure applies. It is argued that if Clause 28 does not apply, then, the judgment and order of the Tribunal must be affirmed under section 98(2) of the Code of Civil Procedure, as the learned Judges have not differed in their opinion on a point of law. The effect of section 98(3) of the Code of Civil Procedure is met by the learned counsel on the words of Clause 28 of the Letters Patent, which clause runs thus:—

"And we do hereby declare that any function which is hereby directed to be performed by the High Court of Judicature at Patna, in the exercise of its original or appellate jurisdiction, may be performed by any Judge, or by any Division Court, thereof, appointed or constituted for such purpose in pursuance of section one hundred and eight of the Government of India Act, 1915; and if such Division Court is composed of two or more Judges and the Judges are divided in opinion as to the decision to be given on any point, such point. shall be decided according to the opinion of the majority of the Judges, if there be a majority, but, if the Judges be equally divided, they shall state the point upon which they differ and the case shall then be heard upon that point by one or more of the other Judges and the point shall be decided according to the opinion of the majority of the Judges who have heard the case including those who first heard it."

It is argued by learned counsel that Clause 28 applies to the appellate jursdiction of this Court, directed to be performed by the Letters Patent and not by any other Act such as the Representation of the People Act, 1951 (Act XLIII of 1951). It is urged that this appeal is not being heard in the appellate jurisdiction directed to be performed by the Letters Patent of this Court and, therefore, Clause 28 does not apply. Having heard learned counsel for the parties, I am of the opinion that this contention advanced by Sri Verma must fail. The decision of their Lordships of the Supreme Court, in the case of South Asia Industries (P.) Ltd., v. S. P. Sarup Singh and others reported in A.I.R. 1965 Supreme Court 1442, competely answers. The submissions made by Sri Verma. South Asia Industry's case dealt with Clause 11 of the Letters Patent of the Punjab High Court, which reads thus:—

"And we do further ordain that the High Court of Judicature at Lahore shall be a Court of Appeal from the Civil Courts of the Province of the Punjab and Delhi and from all other Courts subject to its superintendence, and shall exercise appellate jurisdiction in such cases as were, immediately before the date of the publication of these presents subject to appeal to the Chief Court of the Punjab by virtue of

any law then in force or as may after that date be declared subject to appeal to the High Court of Judicature at Lahore by any law made by competent Legislative authority for India.

Clause 11 of the Letters Patent of this Court is identical in effect and it reads thus:—

"And we do further ordain that the High Court of Judicature at Patna shall be a Court of Appeal from the Civil Courts of the Province of Bihar and Orissa and from all other Courts subject to its superintendence, and shall exercise appellate juriodiction in such cases as were, immediately before the date of the publication of these presents, subject to appeal to the High Court of Judicature at Fort William in Bengal by virtue of any law then in force, or as may after that date be declared subject to appeal to the High Court of Judicature at Patna by any law made by competent legislative authority for India.".

The crucial words to which reference was made by the Supreme Court were "or as may after that date be declared subject to appeal to the High Court of Judicature at Lahore by any law made by competent legislative authority for India", appearing in Clause 11 of the Letters Patent of the Punjab High Court. These words are in effect the same in Clause 11 of the Letter Patent of this Court. In South Asia Industry's case, the Supreme Court stated that the second part of Clause 11 of the Letters Patent given to the Punjab High Court does not make a distinction between appellate jurisdiction over Courts and that over Tribunals which are not Courts. Therefore, in my opinion, if a law made by a competent legislative authority declares an order of a Tribunal to be appealable to this Court, this Court must entertain the same and dispose of it according to law, and there is no reason for excluding Clause 28 of the Letters Patent of this Court, if there be any difference of opinion on facts between two learned Judges, who have originally heard the appeal. Moreover, under section 116A(2) of the Representation of the People Act, 1951, the procedure to be followed in this Court should be as if the appeal were one from an original decree passed by a Civil Court. Sri Verma has then argued that under the proviso to section 116A(2) of the Representation of the People Act, an appeal must be heard by a Bench of not less than two Judges, and, therefore, a single Judge of this Court cannot hear it at any stage. This contention is also not valid. According to Clause 28 of the Letters Patent, the points on which difference has arisen, will ultimately be decided according to the opinion of the majority of the Judges, who heard this appeal, including those who first heard it. In the result, all the points which have arisen in this appeal will be decided by two of the Judges of this Court. Therefore, the effect of section 116A(2) will be fulfilled, and the ultimate decision in this appeal will be by two of the Judges of this Court. The preliminary objections must, therefore, fail.

5. On the facts, the first point which has been argued is whether Sri Jain had offered bribe to Sri Shah Mustaq Ahmed (P.W. 7), in the afternoon of the 24th March, 1964, inducing him to vote for Sri Jain or not. P.W. 7 was at that time a member of the Bihar Legislative Assembly and he was one of the voters in the election in question and he had voted in the election which took place on the 26th March, 1964. The evidence given by P.W. 7 in this context is that on the 24th March, 1964, between 5 and 6 P.M. one Sri S. R. Dutta, whom this witness knew for about ten years, and another black complexioned man, whose name he did not know [this was supposed to be Sri Vishwanath Prasad Verma (R.W. 10), the election agent of Sri Jain] came to him along with Sri Jain. The witness had seen Sri Jain before that day, though he had no formal acquaintance with him. Sri Dutta introduced Sri Jain to this witness. Thereafter, Sri Dutta said that he had brought Sri Jain so that the witness should cast his first preference vote in Sri Jain's favour. P.W. 7 then informed Sri Dutta that he had come to a wrong place and that he should not say such a thing to him. Then Sri Jain said, "In your elections a lot of money is spent and, therefore, take some money from the and cast your first preference vote in my favour." The witness answered that Sri Jain need not bother about the expenses of his election and that Sri Jain should keep his own money. Then Sri Dutta and Sri Jain started leaving and Sri Dutta tarried for a while and said to P.W. 7 that he may be excused for the trouble given to him, but that he was only trying to help the witness. According to P.W. 7, Sri Motiur Rahman Shamim (P.W. 11), the editor of the Urdu Weekly "Roshni" was at his place from before Sri Jain and his party had come. P.W. 7 has further stated in his examination-in-Chief that he had told about the incident to one Sri Choudhary A. Muhammad (not examined in this case), on the 25th March, 1964, at about noon, in the Assembly premises. It is further stated that

about 8 to 10 days after the result of the election had been published which was in the evening of the 26th March, 1964. Sri Yajee had asked this witness about this incident, saying that he had been told about it by Sri Choudhary A. Muhammad. The substance of the evidence given by Sri Motiur Rahman (P.W. 11) is as follows: He was related to Sri Mustaq Ahmad (P.W. 7) and on the 24th March, 1964, he had seen Sri Jain at the place of P.W. 7 between 5 and 6 P.M. Sri Jain was then accompanied by two other persons, of whom he had recognised one Dutta Saheb. At that time this witness was discussing matters regarding his sister's marriage with P.W. 7. Sri Dutta had told P. W. 7 that he would like to talk to him privately. P.W. 7 had then asked this witness to go out on the verandah for sometime. The witness came out of the room on to the adjoining verandah. From there he heard some conversation taking place between P.W. 7 and the persons inside the room. He heard Sri Jain saying to P.W. 7 that in their elections a lot of money is spent and Sri Jain would contribute something and P.W. 7 was asked to vote for Sri Jain. According to P.W. 11, when Sri Jain and his compensions had left, P.W. 7 had told him that these people had come there to purchage his vote, to which P.W. 7 had said that they had come to the wrong place. P.W. 7 had further informed Sri Jain that in no case his vote would be available to Sri Jain. The evidence given by Sri Yajee (P.W. 21) in this context is this: Sri Mustaq Ahmad (P.W. 7) had informed him that he had been approached by Sri Jain to accept money for meeting the expenses that he had incurred is his election, and to cast his first preference vote in Sri Jain's favour in this election. In the month of October or November, 1964, P.W. 7 had also informed Sri Yajee (P.W. 21) that when Sri Jain had come to his place, one Motiur Rahman was also there. Sri Yajee had varified this from Sri Motiur Rahman, who had confirmed that when Sri Jain had approached P.W. 21 with such a proposal, he was also present at the place of P.W. 7. It may be clarified that P.W. 21 has not clearly stated when he was informed by P.W. 7, whereas P.W. 7 has stated, as indicated earlier, that this conversation had taken place eight or ten days after the 26th March, 1964. But, one thing is clear, and that is that P.W. 21 had left Patna in the night of the 26th March, 1964, on tour, and he had returned to Patna in the morning of the 4th April, 1964. All these matters have, of course, been denied by Shri Jain (R.W. 13) and Sri Vishwanath Prasad Verma (R.W.10),

6. If the evidence of the witnesses examined on behalf of Sri Yajee (P.W.21) is believed as true, the denial of R.W. 10 and R.W. 13 will have to be disbelieved, and one of the contentions raised on behalf of the appellant, challenging the whole episode, is based on the fact that the name of Sri Motiur Rahman (P.W. 11) had been given in the second list of witnesses filed on behalf of Sri Yajee on the 18th November, 1964. The first list of witnesses had been filed on the 24th September, 1964, when the names of 24 witnesses to be examined, were given. It is argued that the inclusion of the name of P.W. 11 in the second list was an afterthought, and, therefore, apart from anything else, his testimony is suspect on this ground alone. This point is common to the charge of offering bribe to P.W. 7 and to the next charge of offering bribe to Sri Ram Narain Choudhary (P.W. 2), and, therefore, it deserves careful consideration. The ordersheet of the Tribunal indicates that the issues were settled on the 17th September, 1964, and the case was adjourned to the 24th September, for fixing a date of hearing. Parties were directed to file their list of witnesses and to take steps to call for their documents in the meantime. On the 24th September a petition was filed on behalf of Sri Yajee (P.W. 21), praying that certain witnesses may be summoned. The list of witnesses submitted on that day included the name of P.W. 7, but not that of P.W. 11. Order was passed for summoning the witnesses and the 16th November was fixed for hearing of the case. In the meantime, on the 1st October, a petition was filed on behalf of Sri Yajee (P.W. 21), praying for amendment of schedules 1 and 2 of the election petition. When the case was taken up on the 16th November, the amendment petition was put up for orders and the case was adjourned to the 18th November for filing rejoinder by Sri Jain (R.W. 13) and for hearing of the amendment petition. A rejoinder was filed by Sri Jain on the 18th November, and on hearing counsel for the parties, the amendments prayed for on behalf of Sri Yajee (P.W. 21) were allowed. It appears that on the same day, namely, the 18th November a petition was filed on behalf of Sri Yajee (P.W. 21) with a fresh list of witnesses, praying that they may also be summoned. Dasti cover, as prayed for, was ordered to be issued on the same day. In this second list the name of P.W. 11 was given. The actual hearing of the case commenced on the 30th November, 1964. On this broad outline, it is argued on behalf of the appellant that the name of P.W. 11 was thought of subsequently as he was a relation of P.W 7 and, therefore, the whole case of corroboration by the evidence of P.W. 11 should be rejected. I do not, however, think that such a sweeping view should be taken for rejecting the testimony of P.W. 11, unless there are other materials to

indicate that this aspect of the case is false and has been concocted. If the argument on behalf of the appellant is acceptable in this respect, it may be presumed that after filing the first list of witnesses on the 24th September, 1964, ways and means were being thought of to bolster up a case by introducing further materials on the record. If this were so, then there is no reason why the second list of witnesses was not filed earlier, when an application was filed on behalf of Sri Yajee on the 1st October, 1964, praying for amendment of schedules 1 and 2 of the election petition. By amendment of schedule 1, three particular cases were introduced, to the effect that three voters, Sri Vidya Kishore Vidyalankar, M.L.A., Sri Pal Dayal, M.L.A., and Sri Bholanath Das, M.L.A. were actually paid money to vote for Sri Jain. The amendment sought with respect to schedule 2 was by the introduction of a case that five more voters, named Sri Chandra Shekhar Singh, M.L.A., Sri Ramanand Tewary, M.L.A., Sri Nripendra Narain Singh Deo, M.L.A., Sri Prabhat Kumar Aditya Deo, M.L.A., and Sri Rudra Narain, M.L.A., were offered money to vote for Sri Jain. Therefore, if the contention raised on behalf of the appellant be correct, then, presumably, the case of examining P.W. 11 to depose falsely had not been thought of on or about the 1st October, 1964. Therefore, on the same reasoning, the name of P.W. 11 was invented between the 1st October and 18th November, 1964, when the second list was filed, mentioning the name of P.W. 11. If this were the case, then one would have expected that attempts would have been made to bolster up fully the new cases which were introduced by the petition of amendment filed on the 1st October, 1964. But, curiously enough, that was not done. For instance, the case of giving bribe to Sri Pal Dayal, introduced by the amended schedule 1, was not pressed in Court at all. Similarly, the case of offer of bribes to four persons, introduced by the amended schedule 2, was abandoned in Court. Only one witness was examined as P.W. 17 (whose name had been mentioned in the first list) to prove the allegations with respect to bribery of Sri Bholanath Das. Similarly, only one witness, namely P.W. 19 (whose name had also been mentioned in the first list) was examined to prove the allegations of bribing Sri Vidya Kishore Vidyalankar. If attempts were being made to bolster up a false case by introducing fresh names of witnesses on the 18th November, 1964, one would have expected fresh names in the second list to support the cases of bribing Sri Bholanath Das and Sri Vidya Kishore Vidyalankar. By amended Schedule 2, the case of offer of bribe to Sri Prabhat Kumar Aditya Deo was introduced. But only one witness, namely, P.W. 13 (whose name was mentioned in the second list) was examined in this connection. It seems to me that if improvements were being thought of later on, then better attempts would have been made to prove the cases by the amendments of the two schedules. In view of this state of affairs, it is hardly likely that the name of P.W. 11 would have been introduced to depose falsely in support of the case of offer of bribe to P.W. 7. However, these matters are extremely speculative and marshalling of evidence in a case like this cannot be expected with the thoroughness of logistics. I shall, therefore, proceed with the consideration of the evidence of P.W's 7 and 11 on their own merit. The evidence of P.W. 7 has been challenged as that of a highly interested witness, on the ground that he was a proposer for Sri Yajee. I do not think there is any force in this contention, because, it has been elicited from P.W. 7, in cross-examination, that he had signed as proposer or seconder on three or four nomination papers including that of Sri Yajee. P.W. 7 had also been a proposer of Sri Choudhary A. Muhammad. Therefore, there is no indication that P.W. 7 had any special interest in the cause of Sri Yajee's success. As a matter of fact, it has come on the record that the Congress M.L.A's were divided into groups, to vote for six Congress candidates and P.W. 7 was in the group in which the members were directed to cast their votes in favour of Sri Choudhary A. Muhammad. This aspect of the matter has another important hearing, because it has been argued on behalf of the appellant that why did P.W. 7 inform Sri Choudhary A. Muhammad about the incident in question on the 25th March, when he did not inform Sri Yajee about this matter until the latter returned to Patna. I think it was quite natural for P.W. 7 to mention this matter to Sri Choudhary A. Muhammad on the 25th March, because he was expected to vote for Sri Choudhary A. Muhammad and not for Sri Yajee. I do not find any inherent defect in the evidence of P.W. 7 for disbelieving him and his evidence alone may be sufficient for accepting the case that Sri Jain was guilty of indulging in corrupt practice. Then comes the evidence of P.W. 11. His evidence is challenged, first, on the ground that he was related to P.W. 7. This contention is too general to be accepted for rejecting the testimony of this witness. It is contended further that the conversation that P.W. 11 is said to have overheard is not exactly the conversation that had taken place according to P.W. 7. This contention is also without much substance. The substance of the evidence given by P.W's 7 and 11 seems to be the same and absence of tutoring is manifest from the fact that P.W. 11 has not repeated the conversation in exactly the same words in which it has been deposed to by P.W.

7. There is another indication which can be gathered from the evidence of P.W's 7 and 11 taken together, which is this: In his examination-in-chief P.W. 7 stated that at the time of the incident in question P.W. 11 was there, but P.W. 7 did not say at that stage that he had any conversation with P.W. 11 after Sri Jain and his party had left. It was elicited by cross-examination of P.W. 7 that on the 24th March, 1964 he had informed P.W. 11 about the conversation after Sri Jain and his party had left. The evidence of P.W. 7 given in his examination-in-chief and in cross-examination in this context has the naturalness which goes to prove that the evidence must be true. Some argument was advanced as to when P.W. 7 could have given information to Sri Yajee that P.W. 11 was also present. P.W. 7 has deposed that he informed Sri Yajee about the incident eight to ten days after the election result was out, but, at that time, he had not named P.W. 11. The name of P.W. 11 was disclosed about a month before December, 1964. Here also, I do not find any improbability. Only because at the time of the first conversation with Sri Yajee, P.W. 7 had not disclosed the name of P.W. 11, it cannot be held that the evidence given by P.W. 7 must be false. It is not fully known what was the nature of the first conversation between P.W. 7 and Sri Yajee and in what circumstances the conversation had taken place and for how long they had talked, and, therefore, there may not have been any opportunity of bringing in the name of any corroborating witness on the first occasion. Then, some statement made by P.W. 11 in cross-examination has been compared with the evidence given by Sri Yajee (P.W. 21) in this respect. It was elicited from P.W. 11 that he had mentioned about the fact that he had overheard the conversation of Sri Jain with P.W. 7 to one Anwar Zaidi, in the office of their paper called "Roshni", but that he had not said about it to Sri Yajee. This is compared with Sri Yajee's statement where he has deposed that he had verified about the incident from P.W. 11, who had confirmed that when Sri Jain had approached P.W. 7 with his proposal, he was also present at the place of P.W. 7. It is argued that according to P.W. 11, he had no conversation with Sri Yajee about this matter, while according to the latter, he had a talk about this matter with P.W. 11. Here also, I do not think that the criticism is valid. The emphasis laid by P.W. 11 is on his overhearing the conversation between Sri Jain and P.W. 7. This matter he had not told to Sri Yajee. What Sri Yajee had verified from P.W. 11 was that he had been present at the place of P.W. 7 at the time of the incident. It was not made clear in the cross-examination of Sri Yajee as to whether P.W. 11 had or had not told him that he had overheard the conversation. Some argument had also been advanced on the fact that if P.W. 11 had been asked by P.W. 7 to go out on the verandah when Sri Jain and his party had come, P.W. 11 would not have cared to overhear the conversation that had taken place thereafter. But, this matter has been clarified by P.W. 11 in cross-examination, where he has stated that he had no wish to hear the talk, but as he was standing on the verandah by the side of the room, he could overhead the conversation. Therefore, it is not possible to accept the argument that P.W. 11 would not have overheard any conversation even if he were present on the verandah, because he should not have overheard the conversation. It may be that he could not help overhearing some part of the conversation, standing as he was on the adjoining verandah. It has also been argued by the learned counsel for the appellant that as P.W. 11 had not seen Sri Jain before the time of the incident, he could not have recognised the voice of Sri Jain talking to P.W. 7. In my opinion, this is too critical an approach to the evidence given by this witness. He had heard someone talking to P.W. 7 at the time of the incident and it was quite possible for him to state later on, that, it was Sri Jain who was the person who had talked to P.W. 7. Upon a consideration of the evidence given by P.W's 7 and 11. I am of the opinion that their evidence should be accepted. So far as Sri Yajee (P.W. 21) is concerned, he has deposed that P.W. 7 had informed him about the conversation with Sri Jain and I do not see any reason for disbelieving this evidence. He had left Patna on the 26th March, 1964 and he had returned on the 4th April, and it fits in with the evidence of P.W. 7 to the effect that eight to ten days after the result was out he had talked about the incident to Sri Yajee (P.W. 21).

7. The second incident which falls for determination is based on the evidence of Sri Ram Narain Choudhary (P.W. 2). This witness was a member of the State Assembly on Congress ticket and he was also a voter from the Assembly constituency in the election in question. He has deposed that on the 26th March, 1964 at about 7 A.M. he was in his flat, which consisted of two rooms. In the front room two persons named Sheodeo Singh (P.W. 9) and Manoranjan Prasad (P.W. 14) were staying at that time. P.W. 9 was a research student in the Patna University and P.W. 14 was in service in the Patna Improvement Trust. The witness was taking Nasta in the second room, when P.W's 9 and 14 went to him and informed him that three persons had come, who were Sri Jain, Sri Vishwanath Prasad Verma and Sri Dutta. P.W. 2 did not know the full name of Sri Dutta,

but he had known Sri Verma for sometime. These three persons were called in and Sri Verma then talked to P.W. 2, saying that he had come once before. P.W. 2 replied that he must have gone away somewhere at that time. Thereafter Sri Verma introduced Sri Jain to P.W. 2 as a candidate for the Rajya Sabha election. P.W. 2 stated that he knew that from before. Then Sri Jain said that he wanted the help of P.W. 2. P.W. 2 replied that as he was a Congress M.L.A., what help could Sri Jain expect from him. Sri Jain then said that in the election of P.W. 2 he must have incurred certain expenses and, therefore, Sri Jain wanted to help him, so that P.W. 2 may help Sri Jain. The actual words in this context were:

> "Is par Jain Saheb Ne Kaha Ki Apko Bhi To Election men Kharch Barch Hua Hoga. Isliye Ham Apko Kuchh Seva Karana Chahte Hain. Ap Hamare Madad Kijiye."

Upon this P.W. 2 told Sri Verma that he knew P.W. 2 for a long time and he was made of a different stuff and, therefore, why offer of money was made to him. Then, Sri Jain asked to be pardoned and thereafter all the three persons went away. P.W. 2 has stated that he had told about this incident to Sri Yajee on the same day after the result of the election was out. It was elicited in cross-examination of P.W. 2 that next day, i.e., on the 27th March, 1964 he had disclosed this matter to the Chief Whip, who is Shakoor Ahmad (P.W. 13). This evidence given by P.W. 2 has been supported by Sri Yajee (P.W. 21), who has deposed that after the election result was declared on the 26th March, 1964, P.W. 2 had informed him that in the morning Sri Jain had approached him, saying that P.W. 2 should accept money to meet the cost which he had incurred in his own election and cast his first preference vote in favour of Sri Jain. According to Sri Yajee (P.W. 21), he had been told subsequently by P.W. 2 that at the time of the incident, P.W's 9 and 14 were there and this matter was verified. P.W. 9 has corroborated the evidence of P.W. 2 and has added that just after the incident, P.W. 2 had told him and P.W. 14, "Dekho Punji Pati Log Hamko Kharidna Chahte Hain". The name of Sri Jain had also been mentioned at that time. This is also the substance of the evidence of P.W. 14. According to the Chief Whip (P.W. 13), on the 27th March, 1964, P.W. 2 had told him that a Congress candidate had been defeated, because money had passed in the election and that P.W. 2 had been approached and in that context he had taken the name of Sri Jain and some other persons. If the evidence given by P.W.'s 2, 9, 14 and 13 is accepted, then there is no doubt that this allegation has also been proved. The same argument is advanced for rejecting the evidence of P.Ws. 9, 14 and 13, as they had been named in the second list filed on the 18th November, 1964. But, for the reasons already given, the evidence of these witnesses must be tested on their merit and their evidence cannot be rejected only because they were not named in the first list. The evidence of P.W. 2 is challenged on grounds which do not appear to me to be substantial at all. It is contended that in the examination-in-chief this witness stated that he had been elected to the Legislative Assembly in 1957 also, whereas it appears from his cross-examination that in the 1957 election he had been defeated by Harihar Mahton. In 1957 P.W. 2 had contested from Bariarpur Constituency from the Praja Socialist Party. I do not think that the discrepancy is so serious as to vitiate entire evidence of this witness. As a matter of fact, it appears to me that the year 1957, mentioned in the second paragraph of the evidence of this witness, was so recorded by mistake, and the Tribunal was cognisant of the fact that P.W. 2 had been elected twice and not thrice. This has been clearly stated in paragraph 87 of the order under appeal. It is then argued that P.W. 2 has stated that he did not remember if he was made to sign any paper showing as to in favour of which particular candidate he was to cast his first preference vote. According to the learned counsel for the appellant, the voters had signed such papers and this witness for some reason or other was feigning loss of memory. This argument is also too speculative for rejecting the evidence of this witness on this ground. Even if P.W. 2 had signed any paper indicating the candidate for whom he had to cast his first preference vote, he may have forgotten about this matter. If the evidence given by P.W. 2 in his examination-in-chief is considered as a whole, an impression is created that he has not come forward to give false testimony, without any regard for truth. For instance, if P.W. 2 was being brought forward to support a false case, it is unlikely that he would depose about the presence of P.Ws 9 and 14 and then he would forget to state in his examination-in-chief that immediately after the incident he had told about this matter to these two persons naming Sri Jain. As a matter of fact, it was elicited in cross-examination that when he had disclosed about the incident to Sri Yajee, he had also told him that P.W's. 9 and 14 were present at the time of the incident and P.W. 2 had told them at that very time that capitalists had the audacity to come and try to bribe him to

purchase his vote. Therefore, it is difficult to believe that P.W. 2 was being examined to support a false case. Some argument was advanced by learned counsel for the parties on the evidence of P.W. 2 where he has deposed in his cross-examination that he had written a letter to his party leader, i.e., the Chief Minister, complaining of the approach made by Sri R. P. Jain and his men, on broad lines, though in that letter he had specifically mentioned the talks that they had with him and the reply that was given by him. According to P.W. 2 this letter had been written eight to ten days after the incident in question. Learned counsel for the appellant has urged that when this letter has not been produced, an adverse inference should be drawn against the evidence of P.W. 2, whereas according to the learned counsel for Sri Yajee, when this matter was elicited in cross-examination, it was the duty of Sri Jain to call for this letter, and when that was not done, it must he held that such a letter was, in fact, written by this witness. I do not think that the contention raised by the learned counsel for the appellant that an adverse inference should be drawn can be accepted. The witness stated in cross-examination that he could not say where that letter could be found now and if the witness was going to be contradicted, the letter should have been called for on behalf of Sri Jain. On the other hand, it is difficult to hold also that the letter would have supported the evidence of P.W. 2 and, therefore, I will leave this matter at large. On the whole, I do not think sufficient grounds have been made out for rejecting the evidence of P.W 2.

8. Now, I shall consider the evidence given by Sheodeo Singh (P.W. 9) and Manoranjan Prasad (P.W. 14) in this context. P.W. 9 was a co-villager of P.W. 2 and P.W. 14 was a man of his constituency. The evidence of these two witnesses is challenged on the following discrepancy. P.W. 9 has deposed that on the 26th March, 1964, that is to say, on the date on which the poll was held, at about 7 A.M., he and P.W. 2, when there was a knocking sound at the door. P.W. 14 went and opened the door and on seeing Sri Jain and his party, he and P.W. 14 went to inform P.W. 2, whereupon the latter asked that Sri Jain and his party may be sent to P.W. 2's room. P.W. 14 has said in this connection, that when Sri Jain and his party came to the flat of P.W. 2, he was washing his mouth on the verandah and P.W. 9 was reading and writing inside the room. Some knocking sound was heard, whereupon P.W. 9 asked him to go and open the door, which he did. It is contended on behalf of the appellant that this contradiction shows that P.Ws 9 and 14 were not present in the flat of P.W. 2 and that false evidence has now been introduced. In my opinion, however, the contradiction is not so substantial that an inference must follow that false evidence has been given by P.Ws. 9 and 14. It may be realised that P.W. 9 has deposed in his very examination-in-chief that he and P.W. 14 were sitting in their room. If a false case was concocted, it is highly unlikely that P.W. 14 would have said in his own examination-in-chief that he was washing his mouth on the verandah and P.W. 14 was reading and writing inside his room. Therefore, the discrepancy must be due to lapse of memory. From the evidence of P.Ws. 2, 9 and 14 taken as a whole, there is unmistakable indication that P.Ws 9 and 14 used to live in P.W.2's flat and the evidence given to the contrary by Budhinath Singh (R.W. 6) cannot be accepted. For instance, it was elicited from P.W. 2 in cross-examination that when he stayed in his flat, he and P.Ws. 9 and 14 had common messing, and when he was away from Patna, these two persons managed about their own food. No such evidence was given by P.W. 9 in his examination-in-chief; but this matter was put to him in cross-examination, when he stated that when P.W. 2 lived in the flat, he and P.W. 14 took their meals with him and in his absence, they took their meals outside. Then, it was elicited from the cross-examination of P.W. 2 that P.W. 14 began in his flat from about one year before the 26th March, 1964. When P.W. 14 was examined, he did not refer to this aspect of the matter. But this was put to him in cross-examination and he stated that he was living in the flat of P.W. 2 since April, 1963. In my opinion, these are unmistakable details from which it should be held that P.Ws 9 and 14 were living in this flat when the incident is said to have taken place. Budhinath Singh (R.W.6) was examined to state that he was staying in flat No. 44 on the first floor whereas P.W. 2 had his flat No. 42 on the ground floor. He has deposed that at the time of the election in March, 1964, no outsider was permanently living in flat No. 42. He has deposed that no persons named Sheodeo Prasad Singh and Manoranjan Singh were living in flat No. 42 at that time. I am not, however, prepared to accept the evidence of this witness on this point. As a matter of fact, it is clear from his cross-examination that he did not know any of the details about the occupants of the other flats. It was elicited from his cross-examination that he did not know the names of the brother, son, nephew or any relation of P.W. 2. He knew the name of only one person of P.W. 2's constituency, namely Sri A. K. P. Sinha. He did not remember the name of any other man of P.W. 2's constituency. He did not remember the name of the village of P.W. 2. Therefore, it is hardly likely

that he would have known the names of any of the occupants of the flat of P.W. 2. In the result, I do not see any reason for rejecting the evidence of P.Ws. 9 and 14.

9. Coming to the evidence of P.W. 13, it is contended on behalf of the appellant that according to this witness, who was the Chief Whip of the Congress Party, he had been informed in the Assembly Office on the 27th March, 1964, by P.W. 2, at about 11 or 11-30 A.M., about the incident. It is urged that this evidence must be entirely false, as according to the evidence of R.W. 6, who was a voter in the election in question, after the voting on the 26th March, 1964, the Assembly was closed for about a week from the 27th March. It is argued that P.W. 2 could not have given any information to P.W. 13 in his Assembly Office. In my opinion, there is not much substance in this contention. The Assembly may have been closed from the 27th March, 1964, but only for this reason it cannot be held that P.W. 13 has falsely stated that he was in his office in the morning of the 27th March, 1964. It was elicited from P.W. 13 in cross-examination that the result of the election was announced nearabout 8 A.M. or 9 P.M. and that he had learnt about the result in his office in the Assembly premises, because he had returned there from his residence after taking tea. When he was in his office, people had come and had informed him about the defeat of Sri Yajee. Therefore, it is clear that P.W. 13 used to go to his office even when the Assembly may not have been actually sitting. There is no clear evidence that the office of the Chief Whip used to be closed when the Assembly was not sitting. Merely from the evidence of R.W. 6 to the effect that the Assembly was closed for about a week from the 27th March, 1964, it cannot be held that the office of P.W. 13 was also closed for these days. If reliance was going to be placed on behalf of the appellant on this aspect of the matter, before the Tribunal, much better evidence could have been adduced in this behalf. As a matter of fact, the appellant had examined a Whip of the Congress Party, who was Mangal Prasad Yadav (R.W.2). He was also a voter in this election. He would have been in a position to state whether the Chief Whip's office used to remain closed whenever the Assembly was closed or not. Having considered the evidence of P.W. 13 carefully. I am of the opinion that his evidence should also be accepted. Therefore, it is quite clear that the allegation of offering bribe by Sri Jain to P.W. 2 has been well-established. The denial of the incidents made by Sri Jain (R.W. 13) and Sri Verma (R.W. 10) cannot, therefore, be accepted. As a matter of fact, Sri Verma (R.W. 10) was the election agent of Sri Jain (R.W. 13), but his evidence can hardly be believed in many matters. He has stated in cross-examination as follows:—

> "R. P. Jain had signed and made over to me my appointment as his election agent on 10th March, 1964, and I had made it over to the Returning Officer on 10th March, 1964, or 11th March, 1964, which I do not now remember. Before he appointed me as his election agent I had never done of his election works. After he made over my appointment paper as his election agent I asked him what would be my duties in which he informed me that I had been appointed like this for the facility of taking papers to and from the Returning Officer. Except taking to and from the Returning Officers papers concerning his election and working at the time of polling and counting I had not done any other work of R. P. Jain in this election as his election agent.
>
> I do not now remember of any paper that I had taken to or taken from the Returning Officer. I have not kept copy of any paper that I had taken to the Returning Officer because as being just a messenger to take them I had no need to keep their copy."

This evidence can hardly be accepted as true. Then, he has stated again:—

> "After my appointment as his election agent and before the actual polling in this election I had no occasion to be with R. P. Jain for an hour or so even adds whenever he used to call me for a minute or so I used to go to him and return after a minute or so. Betweeh 10th March, 1964, to 26th March, 1964, I had met him for 5 to 7 times only and their duration were for about 10 to 15 minutes each.".

This kind of statement from an election agent cannot possibly be believed.

10. For the reasons given above, I agree with the conclusion arrived at by Ramratna Singh, J., to the effect that the allegations of offer of bribe to Sri

Mustaq Ahmad (P.W. 7) and Sri Ram Narain Choudhary (P.W. 2) by Sri Jain have been established. I agree with him that the appeal should fail.

(Department of Labour & Employment)

New Delhi, the 21st March 1966

S.O. 1000.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947) the Central Government hereby publishes the following award of the Industrial Tribunal, Bombay in the industrial dispute between the employees in relation to Messrs Darabshaw B. Cursetjee's Sons, Bombay and their workmen which was received by the Central Government on 16th March, 1966.

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL AT BOMBAY.

REFERENCE No. CGIT 48 OF 1965

Employers in relation to Messrs. Darabshaw B. Corsetjee's Sons, Bombay.

AND

Their Workmen

(represented by the Transport and Dock Workers' Union)

PRESENT:

Shri Salim. M. Merchant,—*Presiding Officer.*

For the employers.—Shri K. M. Jamadar, Labour Adviser.

For the workmen.—Shri S. R. Kulkarni, Secretary, Transport and Dock Workers Union.

Dated at Bombay this 14th day of March, 1966

INDUSTRY: Major Port. STATE: Maharashtra.

AWARD

On the joint application of the parties, the Central Government by the Ministry of Labour and Employment's Order No. 28/62/65-LR. IV, dated 22nd July, 1965, made in exercise of the powers conferred by Sub-Section (2) of Section 10 of the Industrial Disputes Act, 1947, (Act 14 of 1947), was pleased to refer the industrial dispute between the parties above-named in respect of the subject-matter specified in the following schedule to the said order, to me for adjudication.

SCHEDULE

"Whether as a result of understanding reached under Clause 3 between Messrs. Darab, aw B. Corsetjee Sons, Bombay, and their representatives of their foreman staff on 11th October, 1963, one or two night and III shift superintendents should be appointed by the firm to help the foremen in their difficu ties, and who, if any, amongst the existing 'A' G.ade foremen may be selected and subsequently promoted.".

2. After the parties had filed their written statements, at the hearing of this dispute on 21st February, 1966, the parties stated before me that it was agreed between them that Messrs. Darabshaw B. Corsetjee's Sons shall select from among the existing 'A' Grade foreman a "Round-Boss". It is agreed that the selection for this post, from among the 'A' Grade Foremen, shall be made by the Management, and that the person so selected for the post, shall be trained by the management to enable him properly to dis-harge the duties of the "Round-Boss". Thereafter, at the adjourned hearing of this dispute on 14th March, 1966, the parties were agreed that the basic pay-scale for the post of "Round-Boss" shall be Rs. 600—40—900 with no claim for any special allowance, but he shall be paid Rs. 80 as dearness pay and Rs. 90 as dearness allowance. per month, with such increase therein as is granted from time to time to "Round-Bosses.". It was further agreed that during the period of training, which shall not exceed one year, the selected 'A' Grade foreman shall be paid the minimum of the basic scale of Rs. 600—40—900 agreed upon and dearness pay and dea ness allowance as stated above, without his annual increment being otherwise affected. It was further agreed that the selection for training shall be made on and from 1st May, 1966, and that the selected persons will continue to get the same benefit by way of Provident Fund, Gratuity, Leave Travelling Concession, Leave with Pay, etc., as at present. Shri Ku karni made it clear that he had accepted the scale of pay of Rs. 600—40—900 as that is the present scale for "Round Bosses," in some concerns in the Bombay Docks. It was further agreed that the "Round Boss" would be treated as an Officer. The parties have prayed that an Award be made in terms recorded above, and as this, seems to me, in the facts and circumstances of the case, to be a fair and reasonable settlement, I make an Award in terms thereof.

No order as to costs.

Sd./- SALIM M. MERCHANT,
Presiding Officer.

104349. General Electric Company. Method of preparing uranium dioxide

104350. Veb Werkzeugmaschinenfabrik Magdeburg. Circuit arrangement for determination of the sign of the difference as well as of coincidence between two binary numbers.

104351. Veb Werkzeugmaschinenfabrik Magdeburg. Circuit arrangement for positioning a movable part, particularly for machine tools.

104352. Supla-Etablissement. Series of sliding fastener members.

104353. Ministerul Industriei Constructiilor de Masini. Singlephase transformer for electric arc welding.

104354. Veb Maschinenfabrik und Eisengiesserei Wurzen. Ozone generator.

104355. Tektronix, Inc. Storage tube having photosensitive storage dielectric, apparatus and method of storing light image by such tube.

104356. Ciba Limited. Process for the manufacture of thiocarbanilides. [Divisional date 18th April 1962].

104357. Beecham Group Limited. Process for the preparation of penicillings. (18th March 1965).

104358. Foseco International Limited. Sand moulding mixtures. (18th March 1965).

104359. Merck & Co., Inc. Process for the preparation of 5H-dibenzo [a, *d*] cycloheptenes. [Divisional date 1st May 1963].

104360. Forges Et Ateliers De La Nave and Etudes Et Recherches Industrielles Et Scientifiques E.R.I.S. Improvements in or relating to supporting frame for mine galleries.

104361. Whitefin Holding S.A. Process for the preparation of a new thiamphenicol derivatives.

18th March 1966

104362. Aktieselskabet Niro Atomizer. An atomizer wheel for the atomization of suspensions of hard-wearing materials.

104363. Chinoin Gyogyszer-Es Vegyeszeti Termekek Gyara RT. Process for the isolation of antibiotics. [Divisional date 19th November 1963].

104364. Lonza Ltd. Preparation of methacrylic acid.

104365. K. Gopalaswami. An improved process for washing clothes and an apparatus therefor.

104366. American Cyanamid Company. Nicotinic acid derivatives and processes for preparation.

104367. National Distillers and Chemical Corporation. An improved process for the controlled polymerization of unsaturated organic compounds. [Divisional date 29th June 1964].

104368. Parke, David & Company. New heterocyclic compounds and methods for their production.

104369. Allied Chemical Corporation. Polyurethanes.

104370. L'Eclairage Des Vehicules Sur Rail (E.V.R.). Device for portection against overvoltages.

104371. Rhone-Poulenc S.A. New associations having improved organoleptic properties.

104372. United States Rubber Company. Improvements in polymerization catalyst.

104373. United States Rubber Company Improvements in polymerization catalyst.

104374. United States Rubber Company. Improvements in polymerization catalyst.

104375. Imperial Chemical Industries Limited. Manufacture of organic bases. (17th March 1965).

104376. Atomic Energy Establishment Trombay. Precision liquid level telemeter.

104377. S. R. Nanavati. An advertising apparatus.

104378. C. I. S. Rao. Recovery of essential oils from aromatic plants.

104379. S. C. C. Jani. Aerial communication.

104380. Produits Chimiques Pechiney Saint-Gobain. Process for the bulk preparation of vinyl chloride polymers and copolymers in two stages.

104381. Produits Chimiques Pechiney-Saint-Gobain. Process for the bulk preparation of vinyl chloride polymers and copolymers by two-stage polymerisation.

104382. General Dynamic Corporation. Separation apparatus.

104383. Lips N. V. A device for sealingly transmitting a liquid under pressure from a stationary structural part into a rotating shaft or the reverse.

104384. Cigarette Components Limited. Improvements in or relating to tobacco smoke filters. (4th December 1963). [Addition to No. 94437]. [Divisional date 26th June 1964].

104385. F. Hoffmann-La Roche & Co. Aktiengesellschaft. Benzodiazepine derivatives and process for the manufacture thereof.

104386. L. P. Snodgrass and D. A. Ahrens. Disc type flow control valve. (22nd February 1966).

104387. A. G. Paul. Trapping rodents and other animals.

104388. Council of Scientific and Industrial Research. New central nervous system depressants.

104389. Council of Scientific and Industrial Research. Modified expansion shell type roof bolt.

Alteration of Date

94110. The claim to priority date 10th June 1963 has been abandoned and the application dated as of 5th June 1964, the date of filing in India.

103490. Ante-dated to 12th June 1964 under Section 5 of the Act.

Applications Accepted

Notice is hereby given that all persons interested in opposing the grant of patents on any one of the applications referred to below may at any time within four months of the date of the Gazette of India give notice to the Patents Office in the prescribed form No. 6 of the Indian Patents and Designs Rules, 1933, of such oppositions.

A limited number of printed copies of the specifications in the following list will be available for sale from the Government of India Book Depot, 8, Hastings Street, Calcutta, in due course. The price of each specification is Rs. 2 (postage extra, if sent out of India). Requisition for the supply of printed specifications should be accompanied by the numbers of specifications as shown in the following list.

If required typed copies of the specifications together with copies of drawings, if any, can be supplied by the Patent Office on payment of the necessary charges which may be ascertained on application to the office.

The dates shown in crescent brackets are the dates allowed under Section 78-A of the Act.

92739. Consolidated Laboratories, Inc. A diagnostic test material for determining ovulatory function and the method of manufacture thereof. Accepted on 15th March 1966.

A chloride-ion-concentration indicator is incorporated on a sheet form base.

92740. Colab Laboratories, Inc. Test material for determination of ovulatory function. Accepted on 15th March 1966.

Comprises a sheet form base coated atleast on one surface of the base a coating comprising a chloride ion concentration indicating compound.

92741. Colab Laboratories, Inc. Diagnostic test material for determination of ovulatory function. Accepted on 15th March 1966.

An ionic chloride-ion concentration indicator is incorporated in a sheet-form base along with excess of cations.

94048. Kabushiki Kaisha Hitachi Seisakusho. Semiconductor compositions. Accepted on 2nd March 1966.

Sintering a mixture of vanadium oxide and at least one oxide such as magnesium oxide etc.

94066. Lonza Ltd. Preparation of carboxylic acid nitriles. Accepted on 3rd March 1966.

Reacting a carboxylic and amide in the presence of a phosphorous compound in a reaction medium comprising a carboxylic acid nitrate.

94110. Imperial Chemical Industries Limited. Electrical conductor. Accepted on 5th March 1966.

Comprises a casing of titanium, and a case of copper, iron and steel, and the core metal being brazed together with zinc.

94125. Denco AG. Control mechanism for looms. Accepted on 8th March 1966.

Comprising a gear loosly mounted upon the input shaft of the let-off motion, gearing continuously driven by the loom-cam-shaft and continuously turning said gear during the operation of the loom the said gear having a clutch teeth on one side thereof.

94138. The Adamson-Alliance Company Limited. Improvements in or relating to manipulators. (19th June 1963). Accepted on 9th March 1966.

Comprising a wheeled carriage having a peel associated jaws and hydraulic means for effecting high acceleration of the peel relatively to the carriage on release of the press tool of a forging press.

94147. Kleinewefers G.m.b.H. Wet wringer for textile materials in ball or warp rope form or in wide web form. Accepted on 9th March 1966.

Having a hollow cylindrical resilient and inflatable rubber unit, whereof the rubber portion being reinforced by corded fabric and secured on a shaft by means of rims similar to motor vehicle wheels.

94160. Kleinewefers G.m b.H. Drawing calender for plastics. Accepted on 9th March 1966.

The last two rollers are mounted in known manner for movement relative to one another in the horizontal plane.

94161. Kleinewefers G m.b.H. Calender for drawing plastics. Accepted on 9th March 1966.

Characterised by an initial tension device for the rolls consisting of pistons engaging on the ends of single-arm stationary pivoted levers and in the centre of said levers, the rollers are carried by means of neck extensions.

94162. Kleinewefers G m b.H Hydraulic or steam heating for calender rolls. Accepted on 9th March 1966.

The heating bore of the calender roll being sub-divided by sealing partitions into a plurality of heating chambers which are heated to different temperatures.

94163. Kleinewefers G.m.b.H. Apparatus for producing corrugated plastic plates. Accepted on 9th March 1966.

Having endless band consisting of profile bands made of metal, the counter-band consisting of pressure rollers being displaceable only vertically.

94169. Temescal Metallurgical Corporation. Centrifugal type vapor source. Accepted on 9th March 1966.

Forming a source of molten material against the inner surface of a crucible having an open end, vaporizing molten material by heating and directing the vapor thus produced from said open end as a directed vapor stream.

94217. Mitsubishi Shipbuilding & Engineering Company. Limited. Spinning machine utilizing centrifugal force and flow of air. (18th June 1963). Accepted on 14th March 1966.

Comprising a rotatable taking up cylinder, a guiding tube inserted co-axially into the said cylinder, casing for the guide tube, an exhaust pipe means and an exhaust blower means.

94232. Rohm & Haas Company. Polymer dispersions. Accepted on 14th March 1966.

An aqueous dispersion of poly (vinyl acetate) containing about 48% of the polymer is mixed with an aqueous dispersion containing 46% of copolymer of 75% ethyl acrylate, 20% methyl methacrylate, 2% methacrylic acid and 3% monomer C.2.

94234. Sealed Power Corporation. Improvements in and relating to piston rings. Accepted on 14th March 1966.

Expander-spacer of the non-bottoming circumferential abutment type which cooperates with the piston to prevent or limit rotation of one or more split rails relative to the piston.

94239. Corning Glass Works. Production of phototropic glass articles. [Addition to No. 79916]. Accepted on 15th March 1966.

Comprising a body of a silicate glass having at least one cadmium-doped silver halide, i.e. silver chloride, bromide or iodide, the concentration being at least 0.005% by volume said portion of the glass containing by weight on the analysed basis 0.04-0.3% cadmium oxide.

94240. Koninkliike Industrieele Maatschappij Noury & van der Lande N. V. Improvements in or relating to vinylaromatic polymer preparation. (2nd July 1963). Accepted on 15th March 1966.

Comprises the development of a special class of peroxides to be used as initiator in the peroxide polymerisation of vinyl aromatic monomers.

94246. Dunlop Semtex Limited. Improvements relating to sheet material. Accepted on 15th March 1966.

Comprising a backing sheet of thermoplastic material, asbestos felt or the like to which are bonded thermoplastic sheeting sections between which are gaps filled by a reticulated formation of thermoplastic material.

94265. Philips Petroleum Company. Process and apparatus for treating topped crude. Accepted on 11th March 1966.

Fractionating a topped crude and the topped crude fraction is pressed to a vis-treating zone to obtain fuel gas, gasoline and fuel oil.

94271. Council of Scientific and Industrial Research. An automatic leads cutting machine. Accepted on 16th March 1966.

Consists of two sets of twin rollers wherein the first set of rollers feeds wires to the second set of rollers and wherein the top rollers of the second set of rollers have one or more knives to incise the wire.

94288. South African Iron and Steel Industrial Corporation Limited. Ferrosilicon alloys. Accepted on 16th March 1966.

Containing from 5 to 20% by weight silicon, from 0.2 to 10% by weight chromium, from 0 to 5% by weight uranium and at least one of the elements nickel in the range 0.2 to 10% by weight and copper in the range 0.2 to 10% by weight, the remainder being substantially all iron with a minimum iron content of 60% by weight.

94294. Symington Wayne Corporation. Fluid dispenser. Accepted on 16th March 1966.

Comprising a housing having fluid dispensing components therein, a preset mechanism and a printing mechanism.

94378. T. K. Ratnasabhapathy. A multi-purpose furniture unit. Accepted on 16th March 1966.

Comprising two separate beds which can be coupled together to form a bed by means of locking arrangements, acollapsible table slidably and centrally located underneath one of the beds and hinged detachable rest at the free side of each bed.

94403. Artos Maschinenbau Dr. Ing. Meier-Windhorst. Process and apparatus for continuous heating of lengths of fabrics or fabric like materials. Accepted on 11th March 1966.

Length of material which is impregnated or soaked with an agent is first heated in a steam-air mixture or impure steam of a condensation heating system approximately to the saturation temperature and then exposed to additional non-condensation type heating.

94537. Indian Oxygen Limited. Fluid pressure regulating devices. (14th August 1963). Accepted on 15th March 1966.

Comprising a housing having a chamber for connection to the lower valve body attached to the container, and a diaphragm to operate the valve in the valve body, said housing comprising two co-axial cylindrical parts having internal screw threads, radially outwardly directed flanges and annular retaining means to engage the two flanges.

94609. The Gas Council. Method of treating methane containing gas. (9th July 1963). Accepted on 9th March 1966.

Passing with steam at 550°C to convert methane into carbonmonoxide and hydrogen in turbulent flow through shaped heated catalyst supported metal surface.

94646. Firth Cleveland Fastenings Limited. Nuts. (12th July 1963). Accepted on 11th March 1966.

Comprising one piece strip of resilient sheet metal bent to provide therebetween a part, an orifice on one arm, with thread for engaging a bolt, and the second arm with a tongue for engaging opening in the part to maintain the opening in register with the orifice, and additional bolt-engaging means.

94712. General Aniline & Film Corporation. Method for halomethylating phthalocyanines. Accepted on 11th March 1966.

Reacting metal-free phthalocyanine with halomethylating agent $R\text{-}O\text{-}CH_2\text{-}X$, in presence of sulphuric acid of 90-100% conc., R being lower alkyl and X halogen.

94761. J. R. Geigy A. G. Process for the production of substituted α-phenylamino-anthraquinone dyestuffs method of dyeing polyester fibres therewith and polyester fibres so dyed. Accepted on 15th March 1966.

Reacting an anthraquinone with an amine and reducing by known methods the product obtained.

94782. E. I. Du Pont de Nemours and Company. Aqueous polymer dispersion for coating and adhesive purposes and sheet material coated therewith. Accepted on 11th March 1966.

Comprising latex of vinyl addition polymer containing .05-10% anionic surfactant, and polymer having 0.01-2% by wt. of amino nitrogen and 0.05-2.3 milli equivalents of per gram of acid equivalent.

94860. Sun Oil Company. Polyesters. Accepted on 17th March 1966.

A condensation polymer whenever prepared by reacting a difunctional naphthalenic compound and (B) a diol selected from the group consisting of 1,4-cyclohexane dimethanol 1,2 ethanediol, 1,2 propane diol, 1,3 propane diol and 1,4 butane diol.

94927. Uniserval Marion Corporation. Stabilizer unit for mobile crane apparatus and the like. Accepted on 11th March 1966.

Comprising at least one extensible means, mounted on the apparatus, mobile means engageable with a support surface exterior of the apparatus mounted on the extensible means and selectively displacing means mounted on the extensible means.

94928. Universal Marion Corporation. Hoist rigging assembly for crane apparatus and the like. Accepted on 11th March 1966.

Comprising a first sheave assembly operatively connectable to the support means, a second sheave assembly operatively connectable to the boom.

94932. Council of Scientific and Industrial Research. A process for the production of diesel oils and illuminants from primary coal tar and petroleum fractions. Accepted on 14th March 1966.

Extracting with solvent system comprising heterocyclic nitrogen compounds like pyridine, picoline and quinoline and water.

94946. R. I. Hingoraney, S. R. Hingoraney and Miss Vidya Ramchand Hingoraney. Process for manufacture of blocks for construction of structures and composition used therein. Accepted on 15th March 1966.

Comprises asphalt or bitumen, coarse and fine aggregates and if desired lime.

94956. The United Steel Companies Limited. Improvements in die blocks. (31st July 1963). Accepted on 11th March 1966.

Containing 0.25 to 0.8% C, upto 1% Si, at least 0.3% Mo, at least 0.25% Mn, B in a total amount not exceeding 0.005%, there being at least 0.0012% soluble B.

95125. Goetzewerke Friedrich Goetz Aktiengesellschaft. Seizing apparatus for the removal from production machinery of piston rings having inherent resilience. Accepted on 17th March 1966.

Seizing apparatus, piston ring, resilience, tong-like jaws, rod like jaw holder.

95280. Bristol Siddeley Engines Limited. Improvements in cooling of aerofoil members. (22nd August 1963). Accepted on 21st February 1966.

Conduits for receiving coolant fluid and discharging the same in a jet-like manner against pressure-side skin of member. The fluid transferring from pressure side to suction side, between the conduits and discharging through openings to form a film over the outside of suction-side skin.

95286. Maschinenfabrik und Giesserei Netstal AG. Improvements in or relating to machines for extruding shaped members of plastic materials. Accepted on 17th March 1966.

An extruding machine for plastic materials comprising a softening and extruding unit and a shaping unit.

95343. Kleinewefers G.m.b.H. Heating and cooling device, in particular for screw extruder cylinders. Accepted on 25th February 1966.

Having heating rods and cooling tubes preferably in the form of a twin spiral in alternate fashion.

95344. Kleinewefers G.m.b.H. A device for calibrating endless, injection moulded hollow bodies made from plastic compositions. Accepted on 25th February 1966.

Being characterised by a magnetisable plug slidably fixed within the hollow body and blocking the internal overpressure coming from the injection-moulding unit and an electric solenoid which surrounds the hollow body.

95360. O. B. Rasmussen. Thermoplastic sheet material and method of producing it. (28th August 1963). Accepted on 26th February 1966.

Comprising of atleast two polymers of different properties forming separate phases, atleast one phase being in the form of thin lamellae, the lamella planes being at an angle to the sheet plane.

95373. Commissariat A L'Energie Atomique. Device for centering an inner conduit within an outer conduit. Accepted on 28th February 1966.

Comprising two coaxial tubular elements slidably mounted inside an outer conduit, means for preventing relative rotation and axial movement of said elements and a plurality of flexible wires of same length adapted to form an arc in contact with said inner conduit.

95390. F. J. C. Hope. Anti jack knife device. (29th August 1963). Accepted on 28th February 1966.

Upright coupling pin having, at one end, means for effecting non-rotatable engagement with the fifth-wheel and a brake elements cooperating with braking means secured in the trailor of the vehicle.

95392. Laboratories Sauter S. A. Arrangement for receptacle. Accepted on 28th February 1966.

Providing an arrangement for supporting a plurality of nested inverted conical beakers on the hollow neck of a receptacle that has a mouth.

95398. Knapsack-Griesheim Aktiengesellschaft. Single phase or polyphase electric arc device for producing gas currents having a high energy density. Accepted on 28th February 1966.

Single or polyphase electric arc, reaction zone.

95399. Knapsack-Griesheim Aktiengesellschaft. Device suitable for use in carrying out endothermal reactions in the electric arc. Accepted on 28th February 1966.

Furnace head, means to receive electrodes means to produce a layer of rotating liquid, a furnace centre section.

95406. Ciba Limited. Manufacture of water-insoluble disazo-dyestuffs. Accepted on 28th February 1966.

Wherein the diazo compound of an amino azo dyestuff is coupled with a 2-hydroxynaphthalene or 2-aminonaphthalene capable of coupling in 1-position.

95443. Asahi Kasei Kabushiki Kaisha. A device for measuring filterability of spinning solution. Accepted on 28th February 1966.

Comprising a cylindrical body with a plurality of discharge valves connected to a plurality of solution pipes and an exhaust pipe fitted to the central portion of the bottom of the said body through a seal box.

95458. Amp Incorporated. Improvements in or relating to coaxial electrical connectors. Accepted on 1st March 1966.

Inner conductor separated from outer tubular conductor by dielectric, an outer conductive sleeve.

95499. Ministerul Industriei Petrolului Si Chimiei. Process for the preparation of herbicide mixtures. Accepted on 3rd March 1966.

Condensing urea or biuret with simultaneous chlorination in presence of catalysts and treating the product with substances comprising active hydrogen in presence of surface active agents and under alkaline conditions.

95505. The Gillette Company. Hair-treating composition. Accepted on 3rd March 1966.

Comprising a water soluble sulfite, a water-soluble thickening agent and a water soluble hair swelling agent and adapted to form a hair-treating solution when mixed with a predetermined quantity of aqueous medium.

95508 Tamag Basel A. G. Process for producing tobacco sheets and tobacco sheets obtained according to this process. Accepted on 3rd March 1966.

Characterized by the fact that the high polymeric, saponifiable and/or hydrolizable substances present in ground tobacco material are made swellable or adhesive by treatment of such tobacco material at a temperature of no more than 100°C, with an aqueous solution having pH of 3-11.

95512. Ciba Limited. Manufacture of water-insoluble azodyestuffs. Accepted on 3rd March 1966.

Diazo solution obtained by the diazotization of 8-aminoquinoline is coupled with phenylsulfonylacetonitrile

95534. Diamond National Corporation Display tray. Accepted on 5th March 1966.

Providing generally rectangular, low walled display tray the structure affording a constant stacking interval between intermediate side wall flange portions facilitating denesting.

95547. Bound Brook Bearing Corporation of America. Method of treating oil-impregnated bearings. Accepted on 8th March 1966.

Comprises immersing such bearings in a liquid medium of low viscosity high voltality and low solvency, and subjecting the bearings so immersed to the action of ultrasonic impulses to remove interstitial free particles of metal powder from which the bearings are formed.

95548. General Electric Company Process for fabricating aluminium products. Accepted on 8th March 1966.

An olefinic composition containing at least 10 carbon atoms is applied to the interface between the fabricating member and aluminium body.

95553. Kurashiki Rayon Company Limited Device for stirring high viscous fluids. Accepted on 5th March 1966.

Consists of a stationary container and one or more roller having the same matrix surface as that of inner wall of said container, mounted on a symmetrical shaft located off-center of the axis of the said container.

95557. Rheinmetall G.m b H Barrel fixing for small arms. Accepted on 8th March 1966.

Barrel, arms, screwed and internally threaded and hardened locking piece.

95562. J R Geigy A G Process for the dyeing and printing of polyester fibres produced from aromatic polycarboxylic acids and polyvalent alcohols Accepted on 8th March 1966.

Treating polyester fibres with a dispersion of azo dyestuff.

95568. The Metal Box Company Limited. Improvements in or relating to cartons (16th October 1963). Accepted on 8th March 1966.

Providing a carton in which each locking tab being pressed through a wall of the second pair between a pair of slits formed in said wall of the second pair, the slits extending lengthwise of said wall in spaced relation.

95571. Knapsack-Griesheim Aktiengesellschaft. Process and apparatus for splitting hydrocarbons in an electric arc for recovering products such as acetylene ethylene and methane Accepted on 8th March 1966.

Introducing pure hydrogen or hydrocarbon containing hydrogen into an arc chamber in a manner such that a first partial stream of the said gas is introduced under pressure tangentially striking the inside wall of the arc chamber and a second partial stream of the gas introduced under pressure into the arc chamber along the electrodes, while uniformly enveloping the latter.

95580. N. V. Philips Gloeilampenfabrieken. Improvements in or relating to controllable transistor mixing circuits. Accepted on 17th March 1966.

Transistor, emitter circuit, emitter resistor

95590. Amsted Industries Incorporated. Railway truck side bearing Accepted on 9th March 1966.

A base comprising side and end walls, a friction shoe having a top wall and a friction wall and resilient means to bias said friction wall against one of said side walls.

95598 Navgire & Co. Improvements in or relating to pressure plates and frames used in filter presses. Accepted on 10th March 1966.

Impregnating saw dust, wood chips and the like with acid or alkali resisting synthetic resins and thereafter moulding them by hot pressing.

95612. C. A V. Limited. Liquid fuel pumping apparatus for internal combustion engines. (14th September 1963). Accepted on 11th March 1966.

A centrifugally operable relief valve is provided for controlling the output pressure of the feed pump.

95619 N. V. Philips Gloeilampenfabrieken. Improvements in or relating to pulse code receivers. Accepted on 11th March 1966

An integrator, two synchronizing pulses, comparing device

95620 Hermann Traub. Turret lathe or similar machine tool Accepted on 11th March 1966.

A bed, a pair of parallel guide rods laterally spaced from each other secured to an extending above and longitudinally along said bed and a turret slidably mounted on said guide rods.

95621 Koppers Company, Inc. Dyeing of styrene polymers. Accepted on 11th March 1966

Dispersing organic-solvent soluble water-insoluble dye, a penetrat and thermoplastic styrene polymer granules maintaining said dispersion under at least antogenous pressure and at an elevated temperature

95622 Westinghouse Electric Corporation. Fuse structures. Accepted on 14th March 1966.

Insulating fuse tube, high current interrupting means; fuse bore, arcing rod; fusible means.

95624 Shell Internationale Research Maatschappij N. V. Tray for contacting liquids and gases particularly in distillation Accepted on 14th March 1966.

In tubular contacting apparatus there being provided with an enveloping tubular wall, the space between the two tubular walls being utilized for the discharge of liquid.

95628 Girling Limited. Improvements in disc brakes. (23rd September 1963). Accepted on 14th March 1966.

Having a cam located between opposed abutment surfaces on projecting lugs on the pressure plates and carried by a floating shaft.

95651. Lonza Ltd. Process for the preparation of methacrylic acid and derivatives thereof. Accepted on 15th March 1966.

Wherein α-hydroxyisobutyric acid and a carboxylic acid or a derivatives thereof are reacted in the liquid phase at 180°-320°C.

95658. Dunlop Rubber Company Limited Pillows and the like. Accepted on 15th March 1966.

Comprising a shaped foamed rubber composition with a flat base and contoured upper surface with concave front edge the pillow having a transverse cross-section through its mid point comprising a high contour portion with respect to the flat base adjacent the concave edge.

95665. Union Tank Car Company. Method of precoating filters. Accepted on 15th March 1966.

A water soluble resinous polyelectrolyte is added to a filter pre-coat mixture of anion and cation exchange resin particles while in water.

95667. S. K. Karanjia. Apparatus for supporting a ball of wool. Accepted on 9th March 1966.

Comprises an elongated stem to pass through the ball, locating means to prevent the ball-coming off the stem and stem attaching means.

95668. N. P. Goss. Method of refining steel in rotary reactor. Accepted on 15th March 1966.

A method of treating molten iron wherein the molten iron stream is subjected generally in a helical path under super-gravitational force, and when the said molten iron is contacted with a flux in said path for removing certain impurities from iron, said flux is subjected to a jet stream, to increase turbulent mixing, when reaction time is greatly decreased.

95676. Artos Maschinenbau. Dr. Ing. Meier-Windhorst Improvements in or relating to process for piece dyeing or textile fabrics. Accepted on 15th March 1966.

The moisture content within the range of the fibre saturation point of the treated material (15-35%) in combination with or after dye impregnation and the length of the material is then subjected to a soaking treatment.

95685. Eaton Manufacturing Company. Retarder for an automotive vehicle. Accepted on 9th March 1966.

Comprising a fluid impeller mounted in a housing isolated from the transmission housing of the vehicle, means for rotating the impeller at a speed proportional to the speed of a portion of transmission at a point ahead of at least one pair of ratio gears of the transmission.

95720. Radio Corporation of America. Semiconductor devices. Accepted on 17th March 1966.

By providing a semi-conductor junction device such as a triode transistor having plurality of discrete emiter region.

95721. Westinghouse Electric Corporation. Audio visual teaching system. Accepted on 17th March 1966.

Teaching apparatus utilising audio and video information, class representation, means for receiving audio and video information.

95735. Ciba Limited. Process for dyeing wool and preparations suitable therefor. Accepted on 18th March 1966.

Comprises dyeing wool in a die bath containing a wool dye, quaternary ammonium salts derived from polyglycol ether derivatives as levelling agent, paraffin oil, an emulsifier for paraffin oil and a silicone antifoaming agent.

95751. M. & T. Chemicals Inc. Novel bath for electrodeposition of chromium and process for electrodepositing chromium. Accepted on 17th March 1966.

Novel bath (suppreming the evolution of fumes) for electrodeposition of chromium. and process for electrodeposition of Chromium.

95760. Witte & Sutor kondensatoren-u. Geratebau G.m.b.H. Process electrolytic polishing and electrolytes for use therein. Accepted on 18th March 1966.

Electrolytes comprising a phosphoric acid with or without a chromic acid, an alcohol or more and water for anodic polishing of metals.

Separation of a suspension in water treatment by means of two step filtration through a sludge blanket and granular filter bed.

95827. Indian Oxygen Limited. Multiple-water-cooled lance. (27th September 1963). Accepted on 18th March 1966.

A multiple lance wherein tubes placed inside water jacket, with nozzles at outlet of lance providing thermal path between ends of tubes and jacket, nozzle having passageways for the passage of fluids.

95868. Philips India Limited. Protective covering for fluorescent lamps and like electrical appliances having tubular necks. Accepted on 17th March 1966.

Sealing reacting ring, moulded cover, rotatable cup housing, hollow bracket, rubber gasket.

95891. Toyoda Automatic Loom Works, Limited. High speed carding machine. Accepted on 10th March 1966.

The taker-in, the cylinder and the doffer are smaller in diameter than the standard ones and higher in speed, the taker-in and the doffer being disposed at the lower levels with respect to the cylinder.

95908. Allied Chemical Corporation. Fluorocarbon compositions. Accepted on 14th March 1966.

Comprises a mixture of difluoromethane and dichlorodifluoromethane in which the proportion of dichlorodifluoromethane is 6-50 mol. per cent.

95947. Westinghouse Electric Corporation. Fuse construction. Accepted on 17th March 1966.

Fuse tube, capsule, tube bore, dielectric fluid, fuse link, stopper means.

95948. Westinghouse Electric Corporation. A discharge filter chamber for use in connection with a circuit interrupter for receiving exhaust arc gases therefrom. Accepted on 17th March 1966.

In which the axially-directed exhaust gases entering the filter chamber through a flow directing nozzle will be diverted outwardly preventing thereby from blasting axially along the filter chamber.

95998. Westinghouse Air Brake Company. Valve devices. Accepted on 17th March 1966.

For a brake, a quick service valve device comprising a pressure sensitive element with pressurised fluid from brake pipe and quick service chamber on either side, two valves operable with said element for venting fluid pressure on succession on either side.

96010. Indian Oxygen Limited. Improvements in or relating to flame spraying of powdered materials. (11th October 1963). Accepted on 17th March 1966.

A method for flame spraying of powdered material by means of a burner, the powder being fed to the burner from a dispenser in which the powder is maintained in a fluidized state.

96011. Marshall's Tea Machinery Co. Ltd. Improvements in or relating to a tea-rolling machine. (9th October 1963). Accepted on 15th March 1966.

Tea rolling machine comprising a frame supporting n rolls to form (n-1) nips and driving means for rolls producing circumferential speed differential between two rolls.

96063. Stamicarbon N. V. Process for the preparation of fertilizers containing nitrogen and phosphate. Accepted on 16th March 1966.

The decomposition product containing calcium nitrate and phosphate solution are mixed in such a ratio that more than 0.8 mol. of soluble calcium compound are present per mol. of sulphate and the product is suspended in a secondary reaction zone for at least 10 minutes before the precipitate is separated from it.

96160. Standard Telephones and Cables Limited. Electric cables. (11th November 1963). Accepted on 15th March 1966.

Centre conductor is having on its outer surface a coating of a material which possesses sufficient mechanical strength to bind to the conductor any portions of conducting material which may otherwise project from the surface of the conductor.

96225. Abbey Etna Machine Company. Seam guide assembly for welded tube mills. Accepted on 18th March 1966.

Having a series of rollers and means for longitudinally extending a retracing a portion of the assembly.

96228. Kabushikikaisha Yokogawa Denki Seisakusho. DC constant-voltage device. Accepted on 15th March 1966.

Includes reference voltage generating means, a blocking oscillator, a switching element, a smoothing circuit, means for producing a difference voltage and means for controlling the oscillation of said blocking oscillator.

96236. Etablissements Merlin & Gerin, Societe Anonyme. Pressure relay for transformer protection. Accepted on 17th March 1966.

Container, tripping device, diaphragm, encloser.

96257. Ceskoslovenska Akademie Ved. A method of processing phosphorous iron-manganese raw materials. Accepted on 18th March 1966.

Repeatedly leaching P-Fe-Mn raw material with sulphuric acid, to a leach of PH of 1 to 3 characterised in that the mixture is heated to 60 to 100°C and oxidized with H_2O_2 for removing majority of P where raw material equivalent to remaining P is added.

96465. Rjazansky Zavod Zhelezobetonnykh Izdely No. 2. Plant for hardening metal rods. Accepted on 18th March 1966.

Apparatus for hardening metal rods wherein there are arranged a device for heating to quench, with electric contact heads a quenching device, heating said bars for tempering.

103490. Sealed Power Corporation. Improvements in and relating to piston rings. [Divisional date 12th June 1964]. Accepted on 14th March 1966.

A generally circular, parted resilient member having circumferentially abutting ends when compressed to operating diameter and having radial corrugations intermediate said ends.

AIR-INDIA

AIR-INDIA EMPLOYEES' (MISCELLANEOUS LOANS) REGULATIONS, 1966

No. GM/58-19—In exercise of the powers conferred by sub-section (1) of section 45 of the Air Corporations Act, 1953, Air-India, with the previous approval of the Central Government, hereby makes the following regulations, namely :—

1. *Short title and application.*—(1) These regulations may be called the Air-India Employees' (Miscellaneous Loans) Regulations, 1966.

(2) They shall apply to all employees of the Corporation in India and abroad.

2. *Definitions.*—In these Regulations, unless the context otherwise requires,—

(a) "Corporation" means Air-India;

(b) "General Manager" means the General Manager of the Corporation;

(c) "Employee" means a person in the service of the Corporation, but does not include a person employed on a part-time or casual basis.

3. *General Conditions.*—(1) The grant of loans and advances under these Regulations shall be solely at the discretion of the appropriate authority and no employee shall be entitled to claim any benefit under these Regulations as a condition of service or as a matter of right.

(2) Not more than one loan shall be granted for the same purpose.

(3) In sanctioning any loans under these Regulations, the sanctioning authority shall take into account the capacity of the employee to repay the loan having regard to his monthly emoluments and his liability to repay any other outstanding loans that he may have taken from the Provident Fund or any other source.

(4) If any loan under these Regulations is not utilised for the purpose for which it is sanctioned within the specified period or within such period as may be laid down by the sanctioning authority, the outstanding amount with interest due shall be repaid immediately, failing which it may be recovered by that authority in such manner as he may deem fit.

4. *Administrative Orders.*—The General Manager may issue such general or special orders, not inconsistent with these Regulations, as he may consider necessary or desirable for the full and proper administration of these Regulations.

5. *Liability under the Provident Fund Regulations.*—Any loan granted under these Regulations to an employee or any part of such loan and any interest thereon, outstanding when the sum standing to that employee's credit in his Provident Fund account becomes payable on cessation of his membership shall be deemed to be a liability incurred by the employee to the Corporation within the meaning, and for the purpose, of sub-regulation (2) of Regulation 22 of the Air-India Employees' Provident Fund Regulations.

6. *Loans for purchase of vehicles.*—(1) Subject to the provisions hereinafter contained, the competent authority may grant a loan to any employee for the purchase of a vehicle, such as motor car, motor cycle, motor scooter or bicycle, if that authority is satisfied that the possession of such a vehicle by the employee is in the interests of the Corporation.

(2) The amount of loan shall not exceed two-thirds of the cost of the vehicle or Rs. 15,000.00, whichever is less.

(3) Simple interest shall be charged on every such loan at the rate of 4½ per cent per annum and shall be calculated on the reducing balances thereof.

(4) The loan shall be repayable with interest in such number of monthly instalments not exceeding sixty as the competent authority may permit and such instalments shall be deducted from the employees' salary, commencing from the month following the month in which the loan is paid.

(5) An employee who is granted such a loan under this regulation for purchase of a vehicle shall hypothecate the vehicle to the Corporation and if so required by the competent authority furnish security for the full amount of the loan in such one or more of the following forms as that authority may direct, namely :—

(a) execution of a demand promissory note for the amount in favour of the Corporation;

(b) the guarantee of another permanent employee to the performance of the relevant terms and conditions of the loan;

(c) any other security which the competent authority may consider necessary or desirable.

Explanation.—In this regulation, 'competent authority' in relation to an employee means the General Manager or the Head of Department in relation to that employee as defined under regulation 3(f) of the Air-India Employees' Service Regulations.

7. *Loans for meeting medical expenses.*—(1) The Corporation may sanction a loan to an employee in such amounts as may be deemed reasonable, but not exceeding Rs. 15,000 for the purpose of enabling him to meet heavy expenditure on medical treatment for himself or any member or members of his family if it is satisfied that the circumstances justify the grant of such financial assistance and the General Manager may, for a like purpose, grant a loan not exceeding three months' basic pay of the employee concerned or Rs. 3,000 whichever is less.

(2) The rate of interest on such loans shall be 3 per cent per annum on the balance outstanding every month unless having due regard to the circumstances of any case the Corporation permits a lower rate or waives interest altogether.

(3) The principal with interest (if any) shall be repaid in monthly instalments not exceeding sixty and each such instalment shall be deducted from the employee's salary commencing from the month following the month in which the loan is paid;

Provided that in exceptional circumstances, the Corporation or, as the case may be, the General Manager may permit such repayment to be made in a larger number of instalments or to commence after a specific period.

(4) An employee who is granted such a loan shall furnish the guarantee of another permanent employee to the performance of the relevant terms and conditions of the loan and shall, if so required by the authority granting the loan, furnish security for the full amount of the loan in such one or more of the following forms as that authority may direct, namely :—

(a) execution of a demand promissory note for the amount in favour of the Corporation;

(b) any other security which the authority may consider necessary or desirable.

8. *Other personal loans.*—(1) The Corporation may grant to an employee a loan in such amount as may be deemed reasonable, but not exceeding Rs. 10,000 in any of the following circumstances :—

(a) to meet financial obligations arising out of any unforeseen circumstances which, in the opinion of the Corporation, merit the grant of a loan;

(b) to repair residential accommodation or to make obligatory payments like payment of advance rental charges in regard to the acquisition of residential accommodation;

(c) to meet expenses in connection with technical or professional courses of study in respect of himself or his dependents;

(d) to meet expenditure of a nature which is commercially in the interest of the Corporation;

(e) to meet expenditure in other contingencies where the grant of such financial assistance is according to the local law, custom or practice.

(2) The General Manager may grant loans in any of the circumstances specified in clauses (b), (c), (d) or (e) of sub-regulation (1) upto an amount equivalent to three months' basic pay of the employee, or Rs. 3,000, whichever is less.

(3) Every such loan shall carry simple interest at the rate of 4½ per cent per annum on the reducing balances.

(4) The loan shall be repayable with interest in such number of monthly instalments not exceeding thirty-six, as the authority granting the loan may permit and such instalments shall be deducted from the employee's salary commencing from the month following the month in which the loan is paid.

(5) An employee who is granted such a loan shall furnish the guarantee of another permanent employee to the performance of the relevant terms and conditions of the loan and shall, if so required by the authority granting the loan, furnish security for the full amount of the loan in such one or more of the following forms as that authority may direct, namely :—

(a) execution of a demand promissory note for the amount in favour of the Corporation;

(b) any other security which the competent authority may consider necessary or desirable.

THE BAR COUNCIL OF INDIA

New Delhi, the 16th March 1966

The Executive Committee of the Bar Council of India has at its meeting dated 26th February 1966 approved the following rules :—

RESOLUTION No. 3/1966 (E.C.)

RESOLVED that the following Gratuity Rules (framed as required under Rule 11, Chapter V, Part II of the Rules of the Council) for the benefit of the employees of the Bar Council of India be and are hereby approved :—

Gratuity Fund Rules

1. These rules shall be called the gratuity rules for the employees of the Bar Council of India.

2. In these rules, in the absence of anything repugnant to the context :—

(i) "Gratuity fund" shall mean the fund created and maintained under these rules for the payment of gratuity to the employees of the Council.

(ii) "Employer" shall mean the Bar Council of India.

(iii) "Employee" shall refer to the permanent employees of the Bar Council of India.

(iv) "Salary" includes dearness allowance, and does not include any other allowance.

3. A permanent member of the staff who has completed three years of permanent service in the Council shall be paid at the end of his service, by retirement or otherwise, gratuity equal to 3/4ths of the months salary last drawn by the member, for each completed year of his permanent service.

Provided that in no case shall the gratuity exceed the amount so calculated for a period of 15 months.

Provided also that no gratuity shall be payable in the case of a member of the staff who has been dismissed for misconduct.

4. If a permanent member of the staff who has completed three years' qualifying service dies while in service such member or members of his family as may have been nominated, or his heirs, and legal representative as the case may be, shall be paid gratuity at the rate of 1 month's salary for each completed year of service of the employee provided that the maximum amount payable shall not in any case exceed 3/4ths of the monthly salary (last-drawn) for a period of 15 months.

Provided that the Executive Committee may, in any particular case, in its discretion pay a larger sum than was payable to the employee not exceeding, however, the maximum amount that may be paid as aforesaid under these Rules.

5. The Bar Council of India shall have and maintain a special fund called the "Gratuity Fund".

6. The Bar Council of India shall (a) pay to the Fund referred to in Rule 5 within a month from the date on which these rules are approved, an amount equal to 8-1/3% of the salary of each of the employees of the Council for the period of his service till the date when these rules come into force, and (b) also pay to the said Fund not latter than the 1st of May of each subsequent year 8-1/3% of the salary of each employee as on the 31st March of each subsequent year.

7. The amount referred to in Rule 6 shall be deposited in a separate Post Office Savings Bank Account or in a special account to be opened for the purpose in any Scheduled Bank approved by the Executive Committee.

8. The Fund referred to in these Rules shall be vested in two Trustees one of whom shall be the Chairman of the Bar Council of India and the other the Vice-Chairman thereof.

9. Separate accounts shall be maintained for the Fund showing the amounts contributed by the Council, the investments made thereof, the interest accrued and the amount in the Fund at the end of each financial year, the payments made to the employees and such other particulars as are necessary.

10. These Rules shall come into force on the 1st of March 1966.

NOTIFICATION BY THE GRAIN, RICE & OIL-SEEDS MERCHANTS' ASSOCIATION, BOMBAY

The approval of the Secretary, Forward Markets Commission under sub-section (1) of Section 11 of the Forward Contracts (Regulation) Act, 1952 (74 of 1952) read with the Government of India, Ministry of Commerce and Industry Notification S.O. 1162 dated, the 4th May, 1960 has been obtained on the 18th December, 1965 to the following amendments made to the Bye-laws of the Grain, Rice & Oilseeds Merchants' Association Bombay.

AMENDMENTS

Amendments to the Special Bye-laws and provisions for n.t.s.d. contracts for Groundnut

In the said Bye-laws :

After Bye-law (3) the following shall be added as bye-law 3(A), 3(B) and 3(C).

3(A) (1) Every member of the Association who needs the facility of trading in n.t.s.d. contracts in groundnut shall make an application to the Association in such form and containing such particulars as may be prescribed by the Managing-Committee.

(2) The Managing Committee or a Sub-Committee appointed by it in this behalf shall have power to group the members into panels of 'buyers' and 'sellers' for the purpose of trading in n.t.s.d. contracts in groundnut after taking into account his application as aforesaid and such other factors as the Managing Committee may deem proper.

(3) No member of the Association shall enter into any n.t.s.d. contract in groundnut which provides for delivery beyond the 31st December 1965 unless he has been grouped in either the panel of 'buyers' or the panel of 'sellers' in accordance with clause (2) above.

(4) A member grouped in the panel of 'sellers' may enter into a n.t.s.d. contract for the sale of groundnut either on his own account or in the capacity of a commission agent for an upcountry principal, but shall not enter into any n.t.s.d. contract for the purchase of groundnut except in the following cases, namely :

(a) where the contract is for the purchase of groundnut from an upcountry market for delivery in Bombay, or

(b) where the member has obtained the prior permission of the Sub-Committee appointed by the Managing Committee in this behalf, for the particular contract for purchase.

(5) A member grouped in the panel of 'buyers' may enter into a n.t.s.d. contract for the purchase of groundnut either on his own account or in the capacity of a commission agent for an upcountry principal, but shall not enter into any n.t.s.d. contract for sale of groundnut except where the member has obtained the prior permission of the Sub-Committee appointed by the Managing Committee in this behalf for the particular contract for sale.

(6) The Managing Committee or Sub-Committee appointed by it in this behalf shall have power at all times to alter the panel of a member or to remove him from a panel either on its own initiative, or at the request of a member, on the basis of such information as it may have in its possession.

3(B) Every non-member intending to enter into a non-transferable specific delivery contract for purchase with a member of the Grain, Rice & Oilseeds Merchants' Association or intending to place an order with a commission agent (who is a member of the G.R.O.M.A.) to effect a purchase of groundnut on his behalf under n.t.s.d. contract shall make an application to the Association in this behalf in such form and containing such particulars as may be prescribed by the Managing Committee with the approval of the Commission. On receipt of such application the Managing Committee after making such inquiry as it considers necessary in this behalf, may grant a certificate of registration to the non-member

or refuse to grant it. The Managing Committee may also prescribe such other procedure in respect of the registration of a non-member as may be considered necessary from time to time.

3(C) The Managing Committee of the Association may fine a non-member or cancel his registration granted under clause 3(B) above, if the non-member contravenes any of the conditions laid down in the certificate of registration.

After Bye-law (9), the following shall be added as Bye-law 9(A) and 9(B).

9(A) A non-member who is registered with the Association as in 3(B), fails to pay the amount of margin due from him under Bye-law (9) within 24 hours if he is residing in Bombay and within 48 hours if he is residing out of Bombay, the Managing Committee will have power to fine him or cancel his registration.

9(B) In case the non-member buyer fails to pay the amount of margin due from him to the member concerned within the time limit as prescribed under Bye-law 9(A) above, the member shall have the right :

(i) To cancel the contract, or

(ii) To enter into a corresponding sale under n.t.s.d. contract and claim from the non-member the difference between the price of the contract with him and the price of the corresponding contract for sale.

2. In pursuance of proviso to sub-section (4) of section 11 of the said Act, the approval of the Secretary, Forward Markets Commission has been obtained for dispensing with, in the interest of the trade, the condition of previous publication of the above amendments.

टिप्पणियां

(REMARKS)

तारीख 5मार्च 1966 तक के साप्ताहिक विवरण में आंध्र प्रदेश, असम, दिल्ली, गोआ, केरल, मध्य प्रदेश, मद्रास, महाराष्ट्र, पंजाब, और उत्तर प्रदेश प्रदेशों की नगर पालिकाओं के जन्म व मृत्यु के आंकड़े दिए हैं। भारत में 443 नगर ऐसे हैं जिनकी जनसंख्या तीस हजार या उससे अधिक है। इस विवरण में ऐसे 203 नगरों के आंकड़े दिए हैं जिनकी जनसंख्या 30,008 हजार है।

उन प्रदेशों के पंजीयन कार्य जो प्रथम वर्ग में दिए हैं दूसरे प्रदेशों की अपेक्षा अधिक पूर्ण हैं। उनमें 16,622 जन्म और 5,742 मृत्यु हुई। इनके आंकड़ों के अनुसार इन नगरों का जन्म दर 29·0, मृत्यु दर 10·0 प्रति हजार है। विभिन्न प्रदेशों के जन्म तथा मृत्यु दर इस प्रकार हैं :—

(The figures on births and deaths for the week-ending 5th March 1966 shown in this Statement relate to 203 towns in the States of Andhra Pradesh, Assam, Delhi, Goa, Kerala, Madhya Pradesh, Madras, Maharashtra, Punjab, and Uttar Pradesh. These towns account for a population of 30,008 thousand out of a total population of 58,815 thousand in the country in 443 towns, each having a population of 30,000 and over.

In 201 towns having a population of 29,832 thousand in Group I, where registration is comparatively more complete; 16,622 births and 5,742 deaths were recorded giving a birth rate of 29·0 and a death rate of 10·0 per thousand of population The rates registered in the various States are as follows) :

तीस हजार या उससे अधिक जनसंख्या वाली नगर पालिकाओं की जन्म तथा मृत्यु दरें नीचे दी हैं। ये दरें वर्ष के अन्त तक प्राप्त किए आंकड़ों पर निर्धारित हैं। समय-समय पर जो साप्ताहिक आंकड़े इस परिशिष्ट में प्रकाशित हुए हैं उन पर निर्धारित 1962, 1963 और 1964 की वार्षिक दरें भी दी हैं। संभवतः इन दरों से वर्तमान प्रवृत्तियों का अनुमान लगाने में उपयोग किया जा सकता है। अगर किसी नगर के आंकड़े प्राप्त नहीं थे तो उसकी जनसंख्या भी दर निकालने में छोड़ दी गई है। कुछ प्रदेशों की दरें इसलिए नहीं दी गई हैं कि वे बहुत ही अपूर्ण हैं। जिन प्रदेशों का विवरण भी दिया है उनकी दरें भी कहीं अधिक, कहीं कम अपूर्ण हैं। इनको पूर्ण करने के लिए प्रयत्न करना होगा।

वार्षिक व साप्ताहिक आंकड़ों में कितना भेद है इसका अनुमान उन पर निर्धारित वार्षिक दरों से किया जा सकता है। केवल गुजरात, पंजाब और उड़ीसा के दोनों दर बहुत कुछ मेल खाते हैं। परन्तु अन्य सभी प्रदेशों की दरों में बहुत कुछ अन्तर है। अन्यथा संयोजित आठ प्रदेशों की दरें बहुत कुछ मिलती-जुलती हैं। जिससे यह प्रतीत होता है कि यदि प्रदेशों के आंकड़ों को पूर्ण करने के लिए प्रयत्न किया जाए तो साप्ताहिक आंकड़े भी वर्तमान प्रवृत्तियों के अध्ययन करने में उपयोगी हो सकते हैं।

(The table given below shows the annual vital rates for each of the years 1959—62 for all municipal towns, each with population 30,000 and over based on the final yearly data. The corresponding annual rates for 1962, 1963 and 1964 compiled from the weekly figures, which were published from time to time in this Supplement, are also shown to draw attention to their possible use in tracing current trends.

Appropriate adjustments in the population base were made in cases, where the data for any town could not be included. The rates for States not shown are much too deficient for being presented. Even the data for States, which are shown are deficient to a varying degree. Efforts have to be made to improve the completeness.

The two sets of rates for 1962—one based on the annual returns and the other on weekly returns—are presented to give an idea of the extent of variation between the final and the weekly figures. The two agree closely in the case of Gujarat, Punjab and Orissa only, otherwise for other States the difference is quite appreciable. However, the rates for all the eight States combined agree fairly well showing that, perhaps with emphasis on the improvement of the completeness of State figures, they may help in a study of current trends.)

MINISTRY OF PETROLEUM AND CHEMICALS

(Department of Petroleum)

ORDER

New Delhi, the 6th April 1966

G.S.R. 540.—In exercise of the powers conferred by section 3 of Essential Commodities Act, 1955 (10 of 1955), the Central Government hereby makes the following order, namely:—

1. **Short title, extent and commencement.**—(1) This Order may be called the Kerosene Fixation of Ceiling Prices) Order, 1966.

(2) It extends to the whole of India except the State of Jammu and Kashmir

(3) It shall come into force on the 6th of April, 1966.

2. **Definitions.**—In this Order, unless the context otherwise requires.—

(a) "dealer" means a person carrying on the business of selling Kerosene, whether wholesale or retail and whether in conjunction with any other business or not, and includes—

(i) his representative or agent; and

(ii) an oil company making wholesale supply from its storage or selling point;

(b) "declared price" in relation to a variety of kerosene sold in any area means the price declared, whether before or after the commencement of this Order, by—

(i) the State Government, in the case of an area in a State, or

(ii) the Administrator of a Union territory, in the case of an area in a Union territory, or

(iii) such officer as the State Government or the Administrator of a Union territory, as the case may be, may empower in this behalf,

as the price at which that variety of kerosene was normally sold by a dealer in that area on the 26th day of February, 1966:

Provided that until any price has been declared for a variety of kerosene for any area, the price at which that variety of kerosene was normally sold by a dealer in that area on the date of commencement of this Order shall be deemed to be the declared price of that variety of kerosene for that area;

(c) the expression "kerosene" shall have the meaning assigned to it in Item No. 7 of the First Schedule to the Central Excises and Salt Act, 1944 (1 of 1944) and shall include aviation turbine fuel.

3. **Fixation of maximum price.**—On and from the date of commencement of this Order, no dealer shall sell kerosene to any person at a price which is in excess of the aggregate of the following, namely:—

(a) the declared price;

(b) such increase or decrease, if any, in central duties and port charges after the 26th day of February, 1966, as the Central Government may, by notification in the Official Gazette, specify in this behalf;

(c) (i) the increase or decrease, if any, in the railway freight actually paid for transporting, after the 26th day of February, 1966, the quantity of kerosene from the nearest port of installation to the place of sale; or

(ii) such portion of the increase or decrease, if any, in the road transportation charges actually paid after the 26th day of February, 1966, for the transportation of supplies of kerosene by road by the dealer from the nearest storage or selling point of any oil company to the place of sale, as the State Government, or, as the case may be, the Administrator of a Union territory, may having regard to the transportation charges payable for the transportation of goods by the shortest route, allow;

(d) the increase or decrease, if any, in the sales tax and any other local tax levied after the 26th day of February, 1966, on the quantity of kerosene;

(e) the increase shown in the Schedule to this Order in respect of kerosene sold in the areas specified therein.

4. **Kerosene stock to be displayed.**—Every dealer shall cause to be prominently displayed on a special board to be maintained for this purpose at or near the entrance of the place of sale—

(a) the varieties of kerosene held by him from time to time in stock for ready delivery;

(b) the declared price of each such variety of kerosene; and

(c) the price at which he proposes to sell each such variety of kerosene.

5. **Prohibition against withholding from sale.**—No dealer having stock of kerosene shall withhold it from sale.

6. **Inspection and maintenance of books of accounts, documents and records.**—Any officer authorised in this behalf by the State Government in relation to a territory in a State or, as the case may be, by the Administrator, in relation to a territory in a Union territory, may with a view to securing compliance with this Order—

(i) require the dealer to maintain and produce for inspection such books of accounts or other documents and records relating to his business and to furnish such information relating thereto, as may be specified in such authorisation, and

(ii) prescribe the manner in which accounts of sale or purchase of or other transactions in kerosene should be kept.

7. **Power of entry, search and seizure.**—Any officer authorised in this behalf by the State Government in relation to a territory in a State or, as the case may be, by the Administrator, in relation to a territory in a Union territory, may, with a view to securing compliance with this Order or to satisfying himself that this Order has been complied with and with such assistance, if any, as he thinks fit—

(i) enter, inspect or break open and search any place or premises, vehicle or vessel which he has reason to believe has been or is being used for the contravention of this Order, and

(ii) search, seize and remove stocks of kerosene and the animals, vehicles, vessels, or other conveyance used in carrying kerosene in contravention of the provisions of this Order, and thereafter take or authorise the taking of all measures necessary for securing the production of the said stocks and the animals, vehicles, vessels or other conveyance so seized, in a court and for their safe custody pending such production

8 The provisions of sections 102 and 103 of the Code of Criminal Procedure, 1898 (5 of 1898), relating to search and seizure shall, so far as may be, apply to searches and seizures under this Order.

9 **Provisions of the Order to prevail over previous Orders of State Government etc.**—The provisions of this Order shall have effect notwithstanding anything to the contrary in any Order made by the State Government or the Administrator of a Union territory or by any officer of such State Government or Union territory before the commencement of this Order, except as respects anything done or omitted to be done thereunder before such commencement

DELIMITATION COMMISSION

NOTIFICATION

New Delhi, the 6th April, 1966

S.O. 1142.—In pursuance of sub-section (1) of section 10 of the Delimitation Commission Act, 1962, an order made by the Delimitation Commission further amending its Order No. 2, dated the 24th August, 1963, is hereby published.

ORDER No. 2 B

The census figures pertaining to the population of Scheduled Castes and Scheduled Tribes in certain States, as originally published, have been corrected by the Registrar General of India and the corrections so made have been duly published by that authority. Consequently, some of the population figures and calculations set out in the Commission's Order No. 2, dated the 24th August, 1963,

require rectification. We accordingly make the following amendments in the said Order :—

I. In the second table, for the entries, numbered 2 and 11, the following entries shall be substituted :—

MINISTRY OF COMMERCE

PUBLIC NOTICES

IMPORT TRADE CONTROL

New Delhi, the 5th April 1966

SUBJECT.—*Imports from the U.S.A. under US AID Non-Project Loan 1966*

No. 45-ITC(PN)/66.—This Public Notice sets out the conditions governing imports under the United States Agency for International Development Non-Project Loan 1966.

2. All Import Licences issued against U.S. AID Non-Project Loan 1966 shall be subject to the conditions set out in this Public Notice.

3. Attention of importers is specially drawn to the following:—

(a) "Notice to U.S. Business" as prescribed should be submitted to the Ministry of Industry (AID Section), Udyog Bhavan, New Delhi-11 within 15 days of the receipt of the Import Licence, if the value of the licence is Rs. 24,000 or more.

(b) Orders must be placed for the full value of the licence within 15 days from the "bid closing date" fixed by the Ministry of Industry, or within 10 days from the receipt of "waiver", or two months from the date of issue of import licence if the value of the licence is less than Rs. 24,000 as the case may be.

(c) Within three weeks from the date of placement of orders the importer should apply to the Senior Accounts Officer (AID Accounts Section), Ministry of Finance, Department of Economic Affairs, Jeevan Deep Building, Parliament Street, New Delhi with a bank guarantee (for the full value of the licence plus one percent thereof) for a separate and express authorisation for opening a commercial Letter of Credit. No remittance of foreign exchange will be allowed as the licence will be under the Letter of Commitment Procedure.

(d) The Letter of Credit on the specified U.S. Bank should be opened for the full value of the authorisation within three weeks from the date of issue of authorisation of the Ministry of Finance (Department of Economic Affairs).

(e) The licence should be utilised within its initial period of validity as no revalidation will be granted under any circumstances.

APPENDIX

Terms and conditions governing the issue of Import licences under U.S. AID Non-Project Loan 1966

(I) *Eligible Items:*

A list of eligible items is given in Annexure I (the inclusion of an item in the list does not, however, imply that licences for that item will necessarily be issued). The minimum value for which a licence will issue is Rs. 5,000. The licence will be valid for the import of goods of U.S. source only.

"U.S. Source" is defined to mean that the goods in question have been grown, mined, or produced through manufacturing, processing or assembly in the U.S.A. Items may have non-U.S.A. components only from countries included in Code 899 as defined in clause (XIV) below provided that the cost of the components to the supplier does not exceed ten percent of the lowest export price at which the supplier makes the items available for export, excluding shipping costs and marine insurance.

"U.S Source" is further defined to mean that the goods are shipped to India either from (a) the U.S.A., or (b) a bonded warehouse or free port if shipped there from the U.S.A. in the form in which received in India.

NOTE.—AID, Washington have relaxed the ten percent limitation on imported components in certain cases, *vide* Source Rulings of AID, Washington reproduced in Annexure VI.

(II) *Bid Invitations.*

A. "Notice to U.S. Business" regarding proposed procurement of goods

Unless the value of the Import licence is less than Rs. 24,000 or unless A.I.D. waives notification requirements [*see* clause (IV) below], importers are required to follow the procedure explained in Annexure III for notifying U.S. Business regarding the proposed procurement. The "Notice to U.S. Business" to be prepared in accordance with Annexure III should be submitted by the importer to the Ministry of Industry (AID Section), Udyog Bhavan, New Delhi-11 within fifteen days of the receipt of the Import licence.

It is emphasised that if any U.S. supplier asks for information or clarification from the Indian importer in response to the "Notice to U.S. Business", such enquiries must be answered so that the potential U.S. supplier is enabled to quote for the particular commodity to be procured. It is the responsibility of the importers to see that such enquiries are duly answered by him and not ignored. The orders as finalized with suppliers should conform to the provisions of clause (V) below

B. Other Procurement Requirements

Information on Price Accepted and Abstracts of Offers and Bids

Upon request by the Ministry of Industry, Udyog Bhavan, New Delhi-11 or by AID, the importer shall furnish an abstract of all price quotations, offers, or bids received, as the case may be, showing: (a) the name and address of all offerers or bidders and their Principals, if any (including manufacturers or processors of the goods where known); (b) the offers they made or the bids they submitted in

terms of categories of goods, quantity, quality, delivery time offered and other relevant factors, and (c) the name of the successful bidder. In cases where the order was placed or the award made to other than the lowest offerer or bidder, the importer will give the reasons for rejecting the lower offers or bids and for accepting the successful bidder.

(III) *Import Licences of less than Rs. 24,000 in value*:

For import licence of less than Rs. 24,000 in value, the submission of "Notice to U.S. Business" mentioned in clause (II) above is not necessary and the importer can straightaway finalize orders with suppliers. It is, however, essential that the orders as finalized should conform to the provisions of clause (V) below.

(IV) *Waiver of Notification Requirements*:

1. *Proprietary Waiver.*—Upon written application by importer, the AID may reduce the 45 days waiting period, or waive this requirement in the case of procurement of proprietary items—*i.e.*, items which are part of an existing plant or are required for the extension of an existing plant or machinery or items such as spare parts for which orders must be placed on the original suppliers for technical reasons. For this purpose, the importer may apply through the Ministry of Industry (AID Section), Udyog Bhavan, New Delhi-11, to the Industrial Resources Adviser, U.S. Agency for International Development, American Embassy, New Delhi, while submitting the form of "Notice to U.S. Business". Such requests should contain full and detailed justification for the requested "waiver" and should be supported by documentary evidence wherever necessary. Every request should indicate the estimated dollar value, on a F.O.B. or F.A.S. basis, of the equipment for which the waiver is requested. If the request for proprietary waiver is based on the need for standardisation of the equipment, the request should include the following information:—

(a) Number of *identical* units of equipment which the importer already possesses;

(b) Number of *similar* units of equipment which the importer already possesses;

(c) Number of employees trained to operate the equipment for which the waiver is requested;

(d) extent of training of such employees; and

(e) extent of availability of service and maintenance facilities in India for the equipment for which the waiver is requested;

In no case, should such requests for "waiver" be sent directly to AID. They are to be routed through the Ministry of Industry (AID Section), Udyog Bhavan, New Delhi-11 who, after satisfying themselves that a *prima facie* case for waiver exists, will forward such requests to AID for the latter's consideration and decision. The importer should not finalize the order unless the waiver applied for is granted by the U.S. Agency for International Development, New Delhi.

2. *Sole Agency Waiver.*—When importers are the exclusive distributors or exclusive franchised assemblers or processors of products supplied by a certain Principal, or are bound by a contractual agreement to buy certain kinds or types of products only from that one supplier, the responsibility for securing "waiver" from AID rests with the supplier, who should send the importer two copies of his request. The supplier's request should be submitted to the Office of Small Business, Agency for International Development, Washington, DC 20523. The request must be accompanied by a copy of the contractual document governing the Sole Agency Relationship and should be supported by a statement from the supplier similar to the following:—

"We certify that (full name and address of importer) is bound by contractual agreement to purchase his requirements of (Name or description of commodity or products) *only* from (name of supplier); that our agreement prevents his purchasing other brands of this commodity, or products from other suppliers; and that he cannot, therefore, consider competitive offers."

If the waiver is authorized by AID, AID will send one copy of the waiver to the supplier and one copy to the importer. The importer then should send a copy of the waiver to the Ministry of Industry (AID Section), Udyog Bhavan, New Delhi-11 stating the Import Licence No. against which he will operate the waiver and should await clearance from the Ministry of Industry. For each import licence issued subsequent to the authorization of the waiver, the importer should inform the Ministry of Industry (AID Section), Udyog Bhavan, New Delhi, whether the

waiver is still valid and make a reference to the letter of the Ministry of Industry which conveyed the original clearance to the operation of the waiver. The importer should not finalize any orders until he has received specific clearance from the Ministry of Industry.

(V) *Price of Commodities and their use*:

The goods should be procured at reasonable prices which should normally approximate the lowest competitive export market price, having regard to quality, time and cost of delivery and other factors. In addition, prices for purchases in bulk shall not exceed the market price prevailing in U.S.A. at the time of purchase, adjusted for differences in the cost of transportation to destination, quality and terms of payment. (The supplier certifies to this price requirement in the Supplier's Certificate shown in Annexure II). The prices at which contracts are concluded by the importer will be subject to check by the Government. *The contract prices should be shown in U.S. Dollars only.*

Any contracts entered into in violation of the conditions of this paragraph will render the licence liable to cancellation. Goods imported under this Import Licence shall be used only for the purposes for which the import licence is issued and/or in accordance with such conditions as may hereafter be prescribed by Government.

(VI) *Time limit for the placing of orders*:

Orders must be placed for the full value of the licence within the following time limits:—

(1) In the case of items for which submission of "Notice to U.S. Business" mentioned in clause (II) above is necessary the importer shall ensure that orders are finalized with the U.S. Suppliers within 15 days from the "bid closing date" *vide* Annexure III.

(2) In the case of items for which "waiver" of 'Notice to U.S. Business' requirements is applied for and secured under clause (IV) 1, above the importer shall ensure that orders are finalized with the U.S. Supplier within 10 days from the date of receipt of the "waiver". In cases where Sole Agency Waivers under clause (IV) 2, are authorised by AID, the importer shall ensure that orders with the U.S. Suppliers are placed within 10 days from the date of receipt of the clearance from the Ministry of Industry to operate the Sole Agency Waiver.

(3) In the cases of Import licences of less than Rs. 24,000 in value, to which the procurement procedure in clause (III) applies, the importer shall ensure that orders with the U.S supplier are finalized within two months from the date of issue of the import licence.

(VII) *Agent's Commission*:

Prior to entering into contract with the U.S. Supplier, the importer should ascertain from the U.S. Supplier whether he has an Agent in India and whether payment of Agent's commission is involved. Where the prices include commission for the local distributor (i.e., the Agent Company in India) the importer shall ensure that the contract with the U.S. Supplier provides that the Agent's Commission is deducted from the contract prices, to be settled in rupees in India between the Agent and the importer. This Commission, although payable in rupees in India, will, however, be duly taken into account against the value of the imports authorized under the Import Licence concerned; an equivalent amount will not, therefore, be available for additional imports under the individual licence.

(VIII) *Credit Facilities*:

If the importer wants to avail himself of the credit facilities offered by the U.S. Suppliers, he could do so provided the period of credit does not extend beyond 90 days after the date of shipment and provided no interest charges, direct or indirect, are payable by him because of the credits extended. No other credit arrangement except to the extent in this paragraph is permissible.

NOTE.—For shipments effected after 31st January, 1967, the above permissible period of credit should be reduced suitably so that the U.S. supplier receives full payment for the items not later than 30th April, 1967.

(IX) *Documentation*:

Ordinarily, Letters of Credit will be opened with various U.S. banks for paying the suppliers for goods delivered. The importer is responsible that the supplier is informed regarding his responsibility in completing and submitting the following documents to the U.S. Bank at the time that the supplier claims payment for the delivered goods. Each document should indicate the AID Loan Number shown in the Import licence. (Further detail of documentation requirements is contained in Annexure VII).

A. *Supplier's invoice.*—The regular, commercial invoice should show quantity, detailed description, gross sales price, net sales price (after deducting, discounts and purchasing agents commission) and basis of delivery (*e.g.*, C&F. C.I.F., F.A.S.) of the goods. If goods were shipped from a free port or bonded warehouse, the invoice should so indicate. The invoice should specifically show the agent's commission involved, with a certificate that Indian agent's commission involved has been deducted from the invoice value.

B. *Evidence of shipment.*—This is normally a shipping bill of lading, although an airway bill, parcel post receipt, or charter party bill, or other commercially accepted documentation is permissible. The document should contain the carrier's statement of charges, and should show the date of shipment.

C. *Suppliers' Certificates.*—The original and two copies of the AID Supplier's Certificate and Invoice-and-Contract Abstract must be executed by the supplier, covering each of the following:—

(1) *Certificate by Commodity Suppliers.*—The cost of the Commodity, including the cost of ocean freight and/or marine insurance (including war risk insurance) when such costs are paid by the supplier for his own or the buyer's account, to be executed by the supplier of the commodity.

(2) *Certificate by Carrier.*—The cost of ocean or air freight, to be executed by the carrier

(3) *Certificate by Supplier of Marine Insurance.*—The cost of marine insurance (including war risk insurance) to be executed by the insurer, insurance broker, or underwriter only if the cost of the insurance exceeds fifty dollars ($ 50).

A copy of the Supplier's Certificate and Invoice-and-Contract Abstract are shown in Annexure II. Note that the certification of U.S. source/origin is part of the supplier's certificate.

The importer must also inform the supplier of his responsibility to send one (non-negotiable) copy of the bill of lading, or other shipping document, one copy of the Supplier's Invoice, and one copy of the packing list to the Controller, U.S. AID Mission, New Delhi.

(X) *Payments against Import Licence—letter of commitment procedure*:

No remittance of foreign exchange will be allowed from India in respect of Import licences issued under the Letter of Commitment Procedure. The U.S. suppliers will be paid directly by the designated U.S. Banks against Letters of Commitments opened in their favour by the Agency for International Development, Department of State, Washington, on submission of the documents detailed in Annexure VII.

The licensee should, before, finalizing contracts or placing orders with the foreign suppliers, ensure that the procedure laid down in the various clauses [particularly clauses (II) to (VII) above] has been fully complied with. Thereafter, but not later than three weeks from the date of placement of orders, the licensee should apply to Shri S S. Gauba, Senior Accounts Officer, Economic Aid Accounts, Ministry of Finance (Department of Economic Affairs), Jeevan Deep Building, Parliament Street, New Delhi for a separate and express authorization for opening a commercial Letter of Credit The application should be in the form in Annexure IV and should be accompanied by a Bank Guarantee, in the form in Annexure V, obtained from an authorised dealer in foreign exchange in India. The Bank Guarantee should be for the full value of the import licence plus one percent thereof The Bank Guarantee should be executed on a non-judicial stamp paper, the value of the stamp being adjudicated by the Collector in accordance with the provisions of Section 31 of the Stamp Act, 1899.

If the application is found in order, the Ministry of Finance, Department of Economic Affairs will communicate their authorisation for the requisite amount to the licensee and the Indian Bank concerned indicating, *inter alia*, the Letter of Commitment number opened by AID and the conditions thereof as well as the name of the U.S. Bank with whom Letter of Credit in favour of U.S. suppliers should be opened. The Department of Economic Affairs will also advise the U.S. Bank concerned suitably. The Letter of Credit on the specified U.S. Bank should be opened within three weeks from the date of issue of authorisation for the full value thereof under intimation to the Senior Accounts Officer, Economic Aid Accounts, Ministry of Finance, Department of Economic Affairs, New Delhi, failing which the authorisation will lapse, and the licensee will have to make a fresh application giving full justification as to why the Letter of Credit was not opened within the specified time limit. The Letter of Credit opened by the Indian Bank on the designated U.S. Bank against the Letter of Commitment of AID should detail the conditions to which the licence is subject and call for the submission of documents detailed in Annexure VII. In his contract with U.S. suppliers, the licensee should also indicate that the documents detailed above have to be submitted by the U.S. suppliers. He should also keep in view the provisions of clause (IX) above.

Within seven days of the receipt of advice of payment, with shipping documents where necessary, from the U.S. Bank, the importer shall deposit at New Delhi/Delhi to the credit of the Government of India, in the Reserve Bank of India/State Bank of India/Government Treasury, under the head of account specified by the Department of Economic Affairs the rupee equivalent of the invoice price representing the dollar disbursements made by the U.S. Bank at the rate of Rs. 481 per $ 100. Thereafter, the Treasury challan evidencing the deposit should be sent by registered post to the Senior Accounts Officer, Economic Aid Accounts, Ministry of Finance, Department of Economic Affairs, New Delhi, indicating references to the Invoice Shipping documents, and the relevant licence number and the authorisation of that Department to which the transaction relates. The importer shall also, on demand by Government, deposit within seven days, at New Delhi/Delhi in the Reserve Bank of India/State Bank of India/Government Treasury, such additional amount on account of service charges and/or interest as may be demanded.

After the obligations in terms of the Bank Guarantee are fulfilled, the licensee and/or the Bank can apply to the Senior Accounts Officer, Economic Aid Accounts, Ministry of Finance, Department of Economic Affairs for the release of the Bank Guarantee.

(XI) *Report Regarding Orders Placed:*

Within a fortnight of the placement of orders, a report should be sent by the importers (with a copy to the Ministry of Finance, Department of Economic Affairs, Economic AID Accounts Branch) to the Ministry of Industry (AID Section), Udyog Bhavan, New Delhi-11, consisting of the following information and documents:—

A. Number and date and value of the import licence and relative AID Loan No.

B. Value and quantity of orders placed and accepted by the supplier.

C. Name and address of the supplier.

D. General description of the items to be imported and Commodity Code Number, if known.

E. A copy of the order placed on the supplier and of his acceptance.

F. Number and date of the communication from the Ministry of Industry (AID Section) relating to publication of "Notice to U.S. Business" or grant of "waiver", where applicable.

Any change in the terms of the order should be intimated promptly to the Ministry of Industry (AID Section), Udyog Bhavan, New Delhi-11 as well as to the Ministry of Finance, Department of Economic Affairs (Economic Aid Accounts Section), New Delhi.

In cases where imports of any of the following items are involved, the importer shall as soon as the purchase contract is made, inform the U.S. AID

Mission, New Delhi (Attention: E.O./PRO) of the name and address of the U.S. Supplier and the particulars of the transaction:

(a) Stainless Steel and/or Stainless Steel Products in which nickel is an alloy of value,

(b) Tin plates and/or Terne Plates,

(c) Nickel products and Nickel Base Alloy Products.

(d) Tin Metal and Tin Base Alloys in primary forms (excluding pig tin) and tin products and Tin Base Alloy Products including Tin Base Babbit Metals, and

(e) Rubber Tyres and Tubes.

(XII) *Actual User Licences*:

Holders of Actual User Licences for raw materials or components may, at their discretion, import more or less of any items of raw materials or components covered by their licences, subject to the following conditions;

A. The procedure in clauses (II), (III), (IV), (VI) and (VII) above, as the case may be and clause (V) is duly observed;

B. The face value of the licence is not exceeded; and

C. The excess in respect of any individual item will not exceed 25 per cent of the value limit, if any, indicated in the licence itself for that particular item.

Further, within the face value of the licence, the licence holder will be allowed to import permissible spare parts and small tools required for the purposes of his factory, provided that the value of such imports will not exceed 25 per cent of the face value of the licence and, further, that banned items of spare parts and small tools are not imported under this scheme. It is, however, pointed out that for import of spare parts, a "Notice to U.S. Business" is necessary and the importer has to comply with the provisions of clause (II) above. Where, however, the importer wants a waiver of the requirement of "Notice to U.S. Business" in so far as particular spare parts are concerned, he should follow the procedure outlined in clause (IV) above.

The facility allowed in this clause will be applicable to Actual User licences for raw materials or components and not to the licences granted for machinery and/or spare parts. Actual User licences for components would be those where certain components are allowed to be imported for the assembly of the finished products.

The facility to import permissible spare parts and small tools required for licence holder's factory up to 25 per cent of the face value of Actual User licences for raw materials and/or components will be available even where the licence does not cover more than one item. The permissible spare parts are those required for the servicing, maintenance and replacement purposes of the plant, machinery and equipment installed in licence holder's factory. But spare parts of machinery which are specified elsewhere in the Red Book, such as, ball bearings, bolts and nuts etc., will not be allowed to be imported. The small tools are the tools covered by S. No. 20/II. Small tools falling under S. No. 20/II other than those specified in Appendix 15 of the Red Book and which are shown as licensable to Actual Users will be considered as permissible small tools.

The above facility will be allowed by the Customs Authorities on the strength of this Public Notice and it will not be necessary for licence holders to get their licences specially endorsed for this purpose.

(XIII) *Sixty per cent Shipment on U.S. Flag Vessels*:

It should be ensured at least 60 per cent of the total tonnage of all orders (computed separately for dry bulk carriers, dry cargo liners and tankers) is shipped on U.S. Flag commercial vessels.

(XIV) *Forty per cent Shipment on Indian Flag Vessels*:

The remaining 40 per cent of the total tonnage of all orders (computed separately for dry bulk carriers, dry cargo liners and tankers) should be shipped on Indian vessels to the extent that such Indian vessels are available at competitive and reasonable rates of freight. If, however, no suitable Indian vessel is available at competitive and reasonable rates, a non-availability certificate about Indian vessels should be obtained by the importer/supplier from the Secretary, Shipping Co-ordination Committee, Ministry of Transport, New Delhi (Cable: Transchart) or the Ministry of Transport's Forwarding Agents in U.S.A., namely, M/s. Dyson Shipping Company, 17, Battery Place, New York-4, N.Y. Freight charges in respect of goods transported on Indian flag vessels shall be payable in Indian rupee only.

If the non-availability of Indian flag vessels is established in the manner prescribed above, the importer/supplier may ship those goods in a third country vessel. The vessels so used should be of countries included in Code 899 of the AID Geographic Code in effect at the time of shipment. The code includes all countries except the following:—

The Union of Soviet Socialist Republics, Albania, Bulgaria, Czechoslovakia, East Germany, Estonia, Hungary, Latvia, Lithunia, Rumania; Poland; Danzing Vietnam (North), North Korea, China (Mainland), and communist controlled areas (which include Manchuria, Inner Mongolia, the provinces of Tsinghai and Sikang, Sinkiang, Tibet, the former Kwantung leased territory the present Port Arthur Naval Base Area, and Liaoning Province), Outer Mongolia and Cuba.

In order to facilitate remittance of ocean freight in cases where third country vessels are used in the circumstances and under the conditions set forth in the preceding two sub-paragraphs of this clause, the importer should, at the time of opening letters of credit against licences, ensure that it is stipulated that in addition to the shipping documents etc. required for the purposes of negotiations, the suppliers or shippers should produce the prescribed certificate regarding non-availability of Indian vessels, in the event of goods up to 40 per cent tonnage limit being transported by third country vessels, for drawing the freight amount under the Letter of Credit.

(XV) *Disqualified Vessels*:

No part of the goods covered by the licence should be shipped in any of the vessels notified in the Ministry of Commerce Public Notice No. 72-ITC(PN)/65, dated 21st August 1965 as amended from time to time.

In the letters of credit opened on U.S. Banks against AID licences it is not necessary to detail the list of ineligible vessels as this list may undergo revision from time to time and necessitate frequent amendments to the letters of credit. It will be enough if instead of detailing the list of ineligible vessels, the letters of credit opened on U.S. Banks stipulate, *inter alia*, for the production of the following certificate:—

"The vessel owner or operator certifies that the vessel which will perform under this contract is not a vessel which has been banned by AID for transporting AID financed goods. The vessel owner or operator further certifies that they assume full responsibility for any claim filed by AID, Washington or any other authority in case of violation of the requirement."

(XVI) *Chartered Vessels*:

Goods covered by the licence should not be carried in vessels or aircrafts chartered for the purpose unless such charter has been approved in advance by the AID Washington. Application for securing approval must be made to the Resources Transportation Division, AID, Washington D.C. 20523. The importer shall ensure that such charter is in accordance with the provisions of clauses (XIII) and (XIV).

(XVII) *Marine Insurance*:

Marine Insurance may be effected either with U.S. or Indian Insurance Companies. In respect of insurance covered with Indian Insurance Companies, insurance premia shall be payable in rupees.

(XVIII) *Insurance Claims*:

Claims for deficiency in quality and specifications of defective goods, short-landings, damages, etc., with the suppliers/steamer companies/U.S. insurance companies shall be settled in dollars, the payment being remitted by the supplier/steamer companies/U.S. insurance companies to the concerned Bank in India of the importer. There is, however, no objection to claims arising out of short-landings, and/or damages to goods while in transit with shipping companies, being settled by the shipping companies' representatives in India in rupees. Immediately upon the settlement of claims, the importer should notify the Senior Accounts Officer, Economic AID Accounts Section, Department of Economic Affairs, Jeevan Deep Building, Parliament Street, New Delhi, all the details of such payment and also furnish a certificate from the concerned Indian Bank that all the foreign exchange in connection with the settlement of the claims has been received in India. In addition, a quarterly statement as in the form enclosed as Annexure VIII should be rendered to the Senior Accounts Officer, Economic Aid Accounts, Department of Economic Affairs, New Delhi. It is imperative that importers should receive the claim in India and should, in no case, arrange for their being credited to their accounts, if any, with the suppliers/shipping companies abroad.

(XIX) *Marking of Commodities*:

The importer shall make arrangements with his suppliers to comply with the requirements regarding marking of the commodities imported asset out in Annexure XI.

(XX) *Report Regarding Procurement and Shipping*:

Importers should furnish direct to the Senior Accounts Officer, Economic Aid Accounts, Ministry of Finance (Department of Economic Affairs), New Delhi, every quarter, procurement and shipping reports. The formats of these reports are given in Annexure IX and X hereof. The importers should compile these reports separately with reference to each authorisation received by them from the Ministry of Finance (Department of Economic Affairs) and transmit them to the Department of Economic Affairs every quarter, within 15 days of the end of the period to which they relate. Each report should contain reference to the licence number and the relevant authorisation. It is essential that the importers strictly adhere to the time limit of 15 days mentioned.

(XXI) *Records and Inspection*:

In order to identify the items financed under the Loan, to disclose their costs and their use, to show the nature and extent of solicitation of perspective suppliers and the basis for the award of the contracts or orders involved and to indicate the progress in their utilisation, the importer shall maintain a copy of each of the following documents:—

A. (1) Bill of Lading.

(2) Suppliers' Invoice(s).

(3) Packing List.

(4) Certificate of origin.

(5) AID Supplier's Certificate.

(6) Import Licence.

B. (1) Invitation to Bid (if any).

(2) OSB Notice, or copy of waiver of this requirement.

(3) Bids received.

(4) Evaluation of bids, including justification for award.

C. Contract or Order.

D. Claims for insurance—all correspondence involved.

E. Stock and Inventory Records which will include information concerning the disposition and/or utilisation of the imported items. These should be part of the importer's ordinary stock and inventory records and separate records only for the items imported under AID licence are not required to be maintained;

Such books and records shall be maintained until seven years from the date of the licence. The importer shall enable the authorised representative of the AID to inspect the utilisation of all items imported under the licence and the records and books maintained in that connection and shall afford all reasonable opportunity and asistance to them for such examination.

(XXII) *Notifying Supplier:*

ANNEXURE II

FORM NO. AID. 281(11-64).

Supplier's Certificate—Agreement with the Agency for International Development

The supplier hereby acknowledges notice that the sum indicated on the accompanying invoice as claimed to be due and owing under the terms of the contract described on the reverse hereof (hereafter referred to as "said contract") is to be paid in whole or in part, out of funds made available by the United States under the Foreign Assistance Act of 1961 as amended, and that such payment is subject to regulation 1, of the Agency for International Development (A.I.D.) as in effect on the date hereof (22 CFR Part 201). In consideration of the receipt of such sum, the supplier agrees with and certifies to A.I.D. as follows:—

1. The undersigned is the supplier of the commodities or commodity related service indicated in the Invoice-and-Contract Abstract on the reverse hereof, is entitled under said contract to the payment of the sum claimed, and is executing this Certificate and Agreement for the purpose of obtaining such payment from funds made available by the United States as described above.

2. The supplier will, upon the request of the Administrator promptly make refund to A.I.D. of any amount by which the purchase price exceeds the maximum price permitted under the provisions of sub part G of A.I.D. Regulation 1 other than Section 201,62(a).

3. The supplier will, upon the request of the Administrator promptly make appropriate refund to A.I.D. in the event of:—

(a) his non-performance, in whole or in part, under said contract, or

(b) any breach by him of any of his undertaking in this Certificate and Agreement, or

(c) any false certificate or representation made by him in this Certificate and Agreement or in the Invoice-and-Contract Abstract on the reverse hereof in regard to the transaction indicated therein.

4. The supplier will promptly pay to A.I.D. (Office of the Controller, A.I.D., Washington, D.C. 20523) any adjustment refunds, credits, or allowances payable to or for the account of the importer arising out of the terms of the said contract or the customs of the trade.

5. On the basis of information from such sources as are available to the supplier and to the best of his information and belief, any commodity supplied under said contract meets the requirements of Section 201, 11(b) of A.I.D. Regulation 1 (1964 revision) as to (a) U.S. Source, (b) U.S. Origin and (c) limitation on non U.S. components.

6. The supplier or his agent has not compensated any person to obtain said contract except to the extent, if any, indicated on the reverse hereof.

7. The supplier or his agent has not given or received and will not give or receive side payments, "kickbacks" or any other payment or benefit whatever in connection with said transaction or any series of transactions of which said transaction is a part, other than those payments or benefits referred to in paragraphs 1 and 4 and indicated on the reverse hereof. Any commissions paid or to be paid in connection with said transaction are shown on the reverse hereof in blocks 20 through 22.

8. If the supplier is the producer, manufacturer or processor of the commodity, said contract is not a cost-plus-percentage of cost contract.

9. On the basis of information from such sources as are available to the supplier, and to be best of his information and belief the purchase price is no higher than the maximum price permitted under each of the requirements of Sub part G of A.I.D. Regulation I relating to maximum prices, other than Section 201, 62(a).

10. The amount shown on the reverse hereof in block 2 is net of all credits, allowances, and discounts granted and payments made, by the supplier or his agent to or for the account of the importer, including all discounts and payments for quantity purchases and prompt payment customarily allowed to other customers under similar circumstances.

11. The supplier will for a period of not less than five (5) years after the date hereof maintain all business records and other documents which bear on his compliance with any of the undertakings and certifications herein and will at any time requested by A.I.D. make such records and documents available to A.I.D. for examination.

12. The supplier has complied with the provisions contained and referred to in Sub-part D of A.I.D. regulation I. If the supplier has been informed by A.I.D. of a requirement for submitting to A.I.D. for prior review proposed sales to be financed through funds made available by A.I.D. the supplier has made such submission, has been notified by A.I.D. of the results of such review, and has complied with all conditions and requirements specified in such notification.

13. The supplier has filled in the applicable portions of the Invoice—and Contract Abstract on the reverse hereof, certifies to the correctness of the information shown therein, and will upon the request of A.I.D. promptly furnish to A.I.D. such additional information in such form as A.I.D. may request concerning the purchase price, the cost to the supplier of the commodities and/or commodity-related services involved, or any other facts, data, or business records relating to the supplier's compliance with his undertakings and certifications in this Supplier's Certificate and Agreement.

14. The agreement incorporated herein shall be deemed to be a contract made under the laws of the District of Columbia, U.S.A., and shall be governed by and construed in accordance with such laws.

Instructions:

The importer should execute the form "Notice to U.S. Business" given below and submit 6 copies to the Ministry of Industry (AID Section), Udyog Bhavan, New Delhi "within 15 days of the receipt of the import licence. The "Notice" must be prepared in English. To the extent possible, specifications according to U.S. standards shall be indicated for all the items sought to be imported and where U.S. specifications are not known, full description of the goods shall be given. While giving the description it should be ensured that it is worded in general terms enabling all interested suppliers to send in their quotations. Care should be particularly taken to avoid mention of Model Nos., Maker's name etc. The "Notice" should include all items which are allowed to be imported under the import licence. The importer shall not place or agree to place any order with the supplier under any import licence of a value of Rs. 24,000 or more until 45 days have elapsed from the time that the "Notice to U.S. Business" reaches the Agency for International Development, Washington (In special cases, to enable U.S. Business to make offers, AID may prescribe a longer period). To ensure that notification requirements are complied with, the Ministry of Industry (AID Section) will, while forwarding the "Notice to U.S. Business" to AID for publication in "AID Small Business Circular", advise the importer the "bid closing date" i.e., the date upto which they shall defer placing final orders. On the expiry of this wating period and subject to their receiving no further communication either from that authority or the AID Washington, the importers may finalise orders. after considering the quotations, if any received from the U.S. Suppliers in response to the "Notice to U.S. Business" published by the AID in the "Small Business Circular." The orders should be finalised within 15 days from the "bid closing date".

2. The Ministry of Industry or AID may require the revision and resubmission of any "Notice to U.S. Business" which does not comply with the requirements set forth in this Annexure. If warranted, the 'bid closing date' may be extended due to such resubmissions.

3. The "Notice" should contain an entry for each paragraph A through K Paragraph (A) will always be "India", Paragraph (B) will be the Loan Number shown in the import licence and Paragraph (D) will always be U.S.A. If data for an entry is not necessary, insert 'N.A.' meaning "Not Applicable."

Format of notice to U.S. Business regarding proposed procurement.

Explanatory Notes

Guidance as to the information required in the individual paragraphs of the "Notice" is contained in the following notices:—

NOTE 1.—This will be filled by the Ministry of Industry, AID Section, New Delhi.

Note 2.—Indicate the name and complete address of the importer. Telephone number may also be included if the importer is willing to deal with bidders by such means.

(For example: Importer)

Acme Import Co. Ltd.,

14 Front Street,

Bombay, India,

Tel. Bombay 373781.

NOTE 3.—Fully describe the commodities (excluding ocean transportation and marine insurance) for which quotations or offers are desired. Specifications shall indicate sizes, quantities, etc. and shall be in terminology which is readily undrestandable by U.S. Commercial trade and which will enable U.S. suppliers to submit quotations without further interpretation. Electrical equipment shall include the power characteristics required. Data shall be in such sufficient detail as to provide an adequate basis on which suppliers can submit realistic offers. Omission of U.S. standards as herein prescribed, may make the entire "Notice" unacceptable.

If 'Notice to U.S. Business' contains references to drawings and/or to specifications running to several pages, the importer should send 6 copies of the 'Notice to U.S. Business' only but retain with him the drawings and the documents containing the detailed specifications about which reference has been made in the "Notice to U.S. Business". The Ministry of Industry, AID Section, Udyog Bhavan, New Delhi, while transmitting the 'Notice to U.S. Business' to AID Washington, for publication will inform the importer of the 'bid closing date' (i.e., the date filled in against entry 'E' of the "Notice") and also request him to send atleast 50 copies of the drawings/documents containing specifications to the Office of the Small Business Agency for International Development, Washington, D.C. 20523 *direct* by *AIR mail* citing reference to the number and date of the Ministry of Industry's letter under which the "Notice to U.S. Business" was forwarded to AID, Washington, for publication. The importer should comply with this request immediately and ensure that the copies of drawings etc., are sent to the Office of the Small Business, Agency for International Development, Washington D.C. 20523 so as to reach that office at least 45 days in advance of the 'bid closing date'. The importer should endorse to the Ministry of Industry (AID Section), Udyog Bhavan, New Delhi" a copy of the communication addressed to the Office of Small Business, AID, Washington, D C. 20523, in this connection. The Ministry of Industry, will thereupon inform the importer, having regard to the date of despatch of the drawings by the importer, whether the original 'bid closing date' remains unchanged. The importer should await this information from the Ministry of Industry before acting on the original 'bid closing date'.

NOTE 4.—Indicate basis on which quotations or offers are to be submitted; cif. or c&f. Port of Entry into India; f.a.s. or f.o.b. Port of exit from U.S.A.; etc. (For example; Basis· c.i.f. Bombay).

NOTE 5.—Indicate whether or not cablegram quotations will be accepted. If acceptable, show Importers' cable address. (For example: I, Cablegram: Acceptable, ACICO, Bombay).

NOTE 6.—List any special shipping or packing instructions or other conditions and information which may be applicable and not included in preceding paragraphs. (For example: the applicable special conditions in Annexure XII should be detailed).

ANNEXURE VI

Source Rulings

S. No.	Item	Source Ruling
1	Automotive Equipment.	A.I.D has ruled that knocked down units of automotive equipment to be assembled in the recipient country may include upto ten percent of foreign manufactured component from countries eligible under A.I.D. Geographic Code 899 even though the knocked down unit is not complete and needs the addition of indigenously manufactured units to make a complete vehicle. The foreign components so included must, however, be shipped from an authorised source country on a single Bill of Lading with the other components. The ruling does not extend to foreign components intended as spare or replacement parts. Suppliers desiring exception under the above ruling should present the facts in writing to the Industrial Resources Division of Material Resources, Agency for International Development, Washington, D.C. 20523. A.I.D. has ruled that trucks manufactured in authorised source countries may contain Diesel engines of foreign manufacture from countries eligible under A.I.D. Geographic Code 899 provided that not more than 30% of the f.a.s. port of export price is represented by such components or they may be powered by gasoline engines of foreign manufacture from countries eligible under A.I.D. Geographic Code 899 with a limtiation of 15%. The ruling applies whether shipped assembled or completely knocked down provided the shipment from an authorised source on a single Bill of Lading. The exception does not extend to parts or components from authorised sources shipped for use as spare or replacement parts. Suppliers with similar problems and desiring a specific ruling should put the facts in writing to the Industrial Resources Division of Material Resources, Agency for International Development, Washington, D C. 20523.
2	Steel . . .	A.I D. has ruled that foreign ores from countries eligible under A I.D Geographic Code 899 used in the production of steel by United States Producers is exempted from the 10% componentry rule. This is an industry ruling for which individual application need not be made.
3	Diamond Drill Bits, Wheels and Tools.	To be eligible for A.I.D. financing, drill bits, wheels and tools which normally contain industrial diamond or bortz cutting edges must be wholly manufactured within an area of source specified in an A I D authorising document as an eligible source of supply. The term "manufactured" means all processes necessary to produce the basic cutting tool including the setting of industrial diamonds or bortz cutting edges. This is a general rule affecting the entire diamond tool industry. For that industry, the ratio of the value of imported diamond or bortz settings to the cost of finished product is not pertinent provided the rule set forth in the above paragraph is met.

Sl. No.	Item	Source Ruling
4	Asbestos Cement Pipe.	AID has ruled that asbestos cement products may include asbestos fibres produced in countries eligible under A.I.D. Geographic code 899 and acquired by the producer in the form in which imported, providing the total cost of such asbestos fibres (delivered at the point of production) amounts to not more than 20% of the lowest price (excluding the cost of ocean transportation and marine insurancee) at which the supplier makes the asbestos cement product available for export sale (whether or not financed by A.I.D.) This is an industry ordering for which individual applications need not be made.
5.	Electrolytic Manganese Dioxide.	A.I.D. has ruled that electrolytic manganese dioxide is eligible for A.I.D. financing provided the total component cost of manganese ore imported from countries eligible under A.I.D Geographic Code 899 does not exceed 20% of the lowest price (excluding the cost of ocean trasnportation and marine insurance) at which the supplier makes the commodity available for export sale. This is an industry ruling for which individual applications need not be made.
6	Titanium Dioxide.	A.I.D. has ruled that titanium dioxide is eligible for A.I.D. financing provided the total cost of raw material, imported from countries eligible under A.I.D. Geographic Code 899, used in manufacturing the product does not exceed 15% of the lowest price (excluding the cost of ocean transporation and Marine insurance) at which the supplier makes the product available for export sale. This is an industry ruling for which individual applications need not be made.
7	Refined Copper Commodity Code 6925.	A.I.D. has ruled that foreign copper ores and concentrates, black, and bsliter copper from countries eligible under A.I.D. Geographic Code 899 used in the production of refined copper by United States producers are exempted from the 10% componentry rule. This is an industry ruling for which individual applications need not be made.
8	Electrolytic manganese Metal (included in AID Commodity Code 6989.	A.I.D. has ruled that electrolytic manganese metal is eligible for A.I.D. financing provided the total component cost of manganese ore imported from countries eligible under AID Geographic Code 899 does not exceed 15% of the lowest price (excluding the cost of ocean transportation and marine insurance) at which the supplier makes the commodity available for export sale. This is an industry ruling for which individual applications need not be made.
9	Anthrosol Blue IBC Component of Vat Dye. (Commodity Code 3904).	AID has ruled that Anthrosol Blue, IBC. is eligible for A.I.D. financing provided the total cost of the now material, 2 Acetyl Amino, 3 Chloro Anthraquinone imported from countries eligible under AID Geographic Code 899 delivered to point of production does not exceed 33% of the lowest price (excluding the cost of ocean transportation and marine insurance) at which the supplier makes the product available for export sale. This is an industry ruling for which individual application need not be made.

Sl. No.	Item	Source Ruling
10	Natural Cryolite (Commodity Code 6409).	AID has ruled that processed natural cryolite is eligible for AID financing provided the total cost of the raw material, imported from countries eligible under AID Geographic Code 899, used in processing the product does not exceed 25 per cent of the lowest price (*excluding* the cost of ocean transportation and marine insurance) at which the supplier makes the product available for export sale. This is an industry ruling for which individual application need not be made.
11	Silver Nitrate (Commodity Code 3906).	AID has ruled that any silver metal obtained from the U.S. Treasury Department and used in the production of Silver Nitrate by United States producers is exempted from 10 per cent foreign componentry rule. This is an industry ruling for which individual applications need not be made.
12	Ruling on Components.	In order to clarify the 10% componentry rule, AID has ruled that the cost of imported components is to be computed on the basis of cost as of the time of delivery to the point of production. The cost should *not* be calculated on a net basis to reflect an anticipated rebate or draw back of import duty. When variations from the 10% componentry rule are requested, each such request should state the price at which export sale is made, the dollar cost of the imported components and the dollar amount and percentage of the component cost which will result from any anticipated rebate or drawback of import duty.
13	Ruling on spare parts.	Several inquiries have been received reagrding the foreign componentry limitation as applied to spare and replacement parts when sold and shipped with the basic equipment and when shipped separately. The following is issued for purposes of clarification:- In the case of sales of parts shipped separately from the equipment, the foreign componentry limitation applies to each individual spare part or replacement part. A shipment of parts only may not include any foreign parts. A single sub-assembly commonly provided (*e.g.* a cut gasket and a carburetor) is considered an individual part. Frequently parts are ordered to accompany a machine or piece of equipment to which they are applicable, and the machine or equipment is subject to a maximum foreign componentry limitation either ten percent or another percemtage specially determined. In these cases, AID will allow the inclusion of foreign spare parts applicable to the foreign components of the basic entity (machine or piece of equipment) upto a value which, when added to the value of the foreign components of the basic entity does not exceed the allowable percentage of the price of the basic entity. The price used will be the lowest price (excluding the cost of ocean transportation and marine insurance) at which the supplier maker the basic entity available for export sale.
14	Hydrous Tribasic Lead Sulfate (Code No. 3903).	"AID has ruled that lead imported fro m countries eligible unde AID Geographic Code 899 and used in the production of hydrout tribasic lead sulfate by U.S. manufacturers is exempt from 10% foreign componentry rule. This is an industry ruling for which individual application need not be made."

ANNEXURE VII

Documents Required from Suppliers

For Cost of goods including costs of freight and/or marine insurance where the supplier pays such costs either for his own or the buyer's account, the following documents will be required:—

1. *Suppliers Invoice.*—A. One copy (or photostat) of the supplier's invoice showing the name and address of the importer, quantity detailed description of each item shipped; sales price for each item, reflecting all trade discounts; purchasing agents commissions applicable; the basis of delivery (e.g., F.O.B. vessel, C.I.F., F.A.S.) of the goods; the dollar cost of any incidental services, including delivery services, not included in price of them; and name and address of supplier of marine or transportation insurance and the dollar cost of such insurance if less than fifty dollars ($50).

B. The Supplier's Invoice should be either:

(1) Marked "paid" by the Supplier or;

(2) Endorsed by, or accompanied by a certificate of an officer of a banking institution indicating that payment has been made in the amount shown in the invoice.

Where the supplier's invoice covers cost of ocean freight only, such invoice shall be executed by the supplier of the ocean freight and shall indicate instead of the quantity, description, sales prices and basis of delivery indicated above, the vessel, flag and the dollar and/or Rupee cost of ocean freight and related transportation charges, and either (a) marked "paid" by the supplier of the ocean transportation or (b) endorsed by, or accompanied by a certificate of an officer or a banking institution indicating that payment has been made in the amount shown on the invoice. If the bill of lading (required by sub-paragraph C(1) below) meets the requirements of this sub-paragraph no invoice is required.

C. In the case of goods shipped from a free port or bonded warehouse, the suppliers should endorse on or attach to the copy (or photostat) of the supplier's invoice, a statement indicating:—

(1) Shipment from either a free port or bonded warehouse, in accordance with the facts;

(2) the country or area from which the goods were shipped into such free ports or bonded warehouse; and

(3) the name and flag of the vessel which transported the commodities from the U.S.A. to the free port or bonded warehouse.

2. *Evidence of Shipment.*—A. Bill of lading or substitute, one copy (or photostat) of ocean or charter party bill of lading, or airway bill, or parcel post receipt. The Bill of Lading shall indicate the carrier's statement of charges in whatever currency it is paid.

B. Bank certificate for shipments from the United States. In the case of any ocmmodity shipped from the continental United States (excluding Alaska) a certificate from the banking institution to the effect that it has been informed by the Approved Applicant or supplier that the sale is on an F.O.B. or F.A.S. basis and it is impracticable to furnish an ocean or charter party bill of lading, airway bill or parcel post receipt and that either;

(1) *Shipment documents sent by bank.*—The banking institution has received a common carrier bill of lading, warehouse receipt, mate's receipt, master's receipt dock receipt or domestic parcel post receipt (if in non-negotiable form, showing that the commodity has been consigned to or is being held for a person or organisation designed by the approved applicant) it has delivered or sent the same, in accordance with the instructions of the approved applicant, to a person or organisation designated by the approved Applicant; and it has in its possession a written undertaking of such person or organisation (a) to arrange for ocean shipment and to deliver to the banking institution a copy (or photostat) of the ocean or charter party bill of lading, airway bill, or parcel post receipt or (b) if unable to arrange for ocean shipments within 90 days of the date of the undertaking to deliver the banking institution a common carrier bill of lading or warehouse receipt in negotiable form for the commodity or

(2) *Shipment document held by bank.*—The banking institution has received a common carrier bill of lading or warehouse receipt in negotiable form, and is in possession of the bank; it has been unable to deliver the same to a person or organisation designated by the Approved Applicant against the written undertaking described in (1) of this sub-division, and it is holding the negotiable common carrier bill of lading or negotiable warehouse receipt except that if it becomes possible before any such instructions are received, it will proceed in accordance with (1) of this sub-division.

(3) *Supplier's Certificate.*—The original and two copies of the "Supplier's Certificate" (and "Invoice and Contract Abstract" on reverse side, as shown in Annexure II) original signed by a responsible official of the supplier, covering the following:

A. The cost of the commodity, including the costs of ocean freight and/or marine insurance including war risk insurance when such costs are paid by the supplier for his own or the buyer's account to be executed by the supplier of the commodity.

B. The cost of ocean or air freight to be executed by the carrier.

C. The cost of marine insurance including war risk insurance to be executed by the insurer, insurance broker, or underwriter, when the cost of such insurance is more than fifty dollars ($50).

4. *Additional Documentation.*—Such additional or substitute documentation as may be specified from time to time by the Government of India.

ANNEXURE XI

Marking Requirements—Goods and Shipping Containers..

Except as otherwise provided below, all loan financed goods (including machinery, equipment and materials) and their shipping containers will carry an emblem or other marking appropriately indicating the cooperation of the Govt. of the United States in furnishing assistance in the financing of the goods. Normally, these emblems or markers are affixed by the suppliers of the goods. Importers under AID Loans are responsible for assuring that suppliers of loan-financed goods receive necessary instructions concerning AID marking requirements.

1. *Type of Emblem or Marker.*—The requirements of the foregoing paragraph may be complied with by affixing a label, decalcomania, stencil, tag, metal plate, or by other means. The kind of emblem and size will depend on the type of commodity or shipping container and the nature of the surface to be marked, but in all cases must be large enough to be clearly visible at a reasonable distance. Emblems placed on goods must be substantially as durable as the trade mark or brand name affixed by the producer; emblems on shipping containers must be legible until they reach their destination. A list of firms that supply emblems satisfactory to the AID can be obtained by the U.S. Supplier from the Marking Requirements Officer, Office of Small Business, Agency for International Development, Washington, DC 20523.

2. *Exemptions and Waivers*—(a) *Exempted Goods.*—To the extent compliance is impracticable materials shipped in bulk, and semifinished products that are not packaged in any way are exempt from the above prescribed marking requirements. If such materials or semi-finished products are shipped in containers of any kind, appropriate markers as described above shall be placed on or attached to the containers.

(b) *Waivers.*—If strict compliance with the marking requirements, in their application to particular shipments or categories of goods, will result in undue hardship, disproportionate expense, delay in delivery of the goods, or is otherwise impracticable, the supplier should apply to the Office of the Small Business, Agency for International Development, Washington with a copy to the Importer. Upon receipt of such application, AID will consider waiving the marking requirements as they apply to the particular shipment or category of goods, or may prescribe alternative means for complying with the requirements. If AID issues a waiver in this regard, the supplier should send a copy of the waiver to the importer.

ANNEXURE XII

Special conditions applicable to certain items of Import

1. *DDT for all purposes (20% or more DDT) (Code Nos. 2371 & 2373).*

(1) *Inspection.*—The seller must agree to make each shipment available to buyer's representative for inspection and sampling prior to loading aboard vessel or at source plant.

(2) *Special Instructions.*—(a) The Bid Invitation should not be limited to particular trade names. The principal formulation (as well as the trade name if desired) should be included so that all manufacturers have an equal opportunity to bid.

(b) *Evaluation.*—Bids will be evaluated and awards made on the basis of the lowest landed cost per unit of active ingredient in acceptable form and condition.

(c) *Packing.*—Suitable for export shipment and climatic conditions prior to arrival at port and at destination site, and suitable for maintaining physical condition of each material requested.

2. *Finished Medicinal and Pharmaceutical Preparations (Code No. 3701). Medicinal Chemicals and Biologics (Code No. 3702).*

I. *Importers' Responsibilities*—The importers should advise the U.S. Supplier that transactions for the commodities must meet the following additional requirements.

A. *Identification*—1. Invoices must list, opposite each item billed, the generic name and/or quantities of active ingredients in each item supplied.

2. Invoices for medicinal and pharmaceutical preparations which were processed into finished dosage form while in the country, area, foreign trade zone (free port), or bonded warehouse, from which they were shipped to the cooperating country, must show the name and full address of the manufacturer of the finished bulk material which was processed into such finished dosage form.

B. *Specifications and compliance*—Every medicinal or pharmaceutical preparation shall comply with the requirements of paragraph 1 or 2 below:

1. *U.S. Federal Food, Drug and Cosmetic Act.*—(a) Items for which the United States Pharmacopeia or the National Formulary of the United States has established specifications shall comply with the minimum requirements of such specifications.

(b) Any preparation which has ever been approved by U.S. Food and Drug Administration as a "new drug" must be labelled as specified in the approved "new drug application".

(c) Any antibiotic, derivative of an antibiotic, and any product containing an antibiotic ingredient, or derivative thereof, or any drug composed wholly or partly of insulin must conform with U.S. Food and Drug Administration requirements for such products. Invoices covering such products must show batch number and be accompanied by a copy(ies) of the Food and Drug Certificate(s)* for each of the certifiable products, ingredients, or derivatives thereof.

(d) If any medicinal or pharmaceutical preparation is not included in the USP or NF and is not a "new drug", a certifiable antibiotic, or product containing insulin, it must meet the strength, quality and purity specified in its labelling; and the supplier must have evidence, available to AID upon request, that it is safe and efficacious for use as directed in its labelling.

2. *U.S. Public Health Service, National Institutes of Health.*—Any biological product must comply with safety, purity, sterility, potency and other requirements of the U.S. Public Health Service, National Institutes of Health. Invoices covering any such item shall show evidence of such compliance, unless this requirement has been waived by AID.

C. *Qualification Costs.*—1. The cost of collecting samples, if any, must be listed as a separate item on the supplier's invoice for items supplied. In addition, the supplier's invoice must be accompanied by a separate itemized invoice covering sampling costs.

2. The cost of plant inspection incurred by foreign suppliers in the process of qualifying for use of the United States Food and Drug Administration certification service will not be financed by AID.

D. *Expiration Dates.*—The actual expiration date for each product supplied, or an indication that no expiration date was established by its manufacturer, must be listed opposite each item billed. No more than 1/6 of full dating periods from 1 through 18 months, nor 1/3 of full dating periods of more than 18 months shall have expired on the date of shipment.

E. *Certification.*—The following certification must accompany the other documentation required by AID for reimbursement:

"I (We) certify that this transaction, financed under Letter of Credit———. meets all requirements of I.A., I.B., I.C., and I.D. of 'Special Provisions for AID Financing of Commodity Code 370' as attached to such Letter of Credit and that the required certificates are attached."

(Signature)————————

(Title) ————————

(Supplier) ————————

II. *Banks' Responsibilities.*—In the Letter of Credit to be opened in favour of the U.S. Supplier, the Importer shall ensure that the U.S. Bank is informed that it shall be responsible *inter alia* for:

A. Attaching "Special Provisions for AID Financing of Commodity Code 370" to that Letter of Credit; and

B. Obtaining from suppliers the certification contained in I.E. of "Special Provisions for AID Financing of Commodity Code 370" as a requisite for reimbursement.

---

*Instructions for qualifying to use U.S. Food and Drug Administration Certification Service and submitting samples for testing and subsequent certification may be obtained from Division of Antibiotics and Insulin Certification, U.S. Food and Drug Administration, Washington, D.C. 20204.

---

3. *Coal Tar Dyestuffs* (*Code No.* 3904).

The items to be imported will be restricted to colors, dyes and pigments listed in the Color Index or any of the types of product covered by the Color Index invented or produced subsequent to the issuance of same. While submitting 'Notice to U.S. Business' for the items proposed for procurement, the importer shall indicate therein full specifications including the specific Color required and Color Index or prototype number.

4. *Lubricants and Greases* (*Code No.* 6211), *Miscellaneous Liquid Petroleum Products including Additives of Petroleum Origin for Motor Oils* (*Code No.* 6212).

Invoices must identify commodities shipped hereunder by: (1) AID Commodity Code: (2) Proprietary name, if any, and other suitable identifying description, including generally accepted trade identification symbol, and when applicable the viscosity number and (3) applicable United States military or Federal Specification Number, if any.

5. *Iron and Steel Mill Products (Code Nos.* 6601, 6602, 6608, 6611, 6613, 6615, 6701, 6705, 6714, 6715, 6716, 6719.

I. Import of Stainless Steels and/or Stainless Steel Products, in which nickel is an alloy of value, will be subject to the condition that the U.S. Supplie s should agree to purchase at the option of the United States Government and under applicable procedures (to be ascertained by the U.S. Supplier from the General Services Administration, Defence Materials Service, Washington DC 20405), surplus nickel from the Defence Production Act inventory through G.S.A. in amounts equal to the quantity of nickel required to produce the stainless steels and/or stainless Steel Products supplied.

The importer should specify the above obligation of the U.S. Supplier in the 'Notice to U.S. Business' relevant to the procurement. He should also, besides embodying the above obligation in his contracts with the U.S. Suppliers, inform the U.S. AID New Delhi (Attention EO/PRO) of the name of U.S. Supplier and the particulars of the transaction (contract number, quantity, value) as soon as the purchase contract is made.

II. Import of Tin Plate and/or Terne Plate will be subject to the condition that the U.S. Suppliers should agree to purchase at the option of the U.S. Government and under applicable procedures (to be ascertained by the U.S. Supplier from the General Services Administration, Defence Materials Service, Washington D.C. 20405), surplus pig tin from the National Stockpile through G.S.A. in amount equal to the quantity required to produce the Tin Plate and/or Terne Plate to be supplied.

The importer should specify the above obligation of the U.S. Supplier in the 'Notice to U.S. Business' relevant to the procurement. He should also, besides embodying the above obligation in his contracts with the U.S. Suppliers, inform the U.S. AID, New Delhi (Attention EO/PRO) of the name of U.S. Supplier and the particulars of the transaction (contract number, quantity, value) as soon as the purchase contract is made.

6. *Nickel Products and Nickel Base Alloy Producst (Included in Code No.* 6899).

Import of Nickel products and Nickel Base Alloy Products, in which nickel is the alloy of chief value, will be subject to the condition that the U.S. Supplier should agree to purchase at the option of U.S. Government and under applicable procedures (to be ascertained by the U.S. Supplier from the General Services Administration, Defence Materials Service, Washington D.C. 20405), surplus nickel from the Defence Production Act Inventory through G.S.A. in amounts equal to the quantity required to produce the nickel and/or nickel base alloy products supplied.

The importer should specify the above obligation of the U.S. Supplier in the 'Notice to U.S. Business' relevant to the procurement. He should also, besides embodying the above obligation in his contracts with the U.S. Suppliers, inform the U.S. AID, New Delhi (Attention EO/PRO) of the name of U.S. supplier and the particulars of the transaction (contract number, quantity, value) as soon as the purchase contract is made.

7. *Tin Products and Tin Base Alloy Products including Base Babbit Metals (Included in Code No.* 6899).

Import of these items will be subject to the condition that the U.S. Suppliers should agree to purchase at the option of the U.S Government and under applicable procedures (to be ascertained by the U.S. supplier from the General Services Administration, Defence Materials Service, Washington D.C. 20405), surplus pig tin from the National Stockpile through G.S.A. in amounts equal to the quantity required to produce the tin and/or tin base alloy products to be supplied.

The importer should specify the above obligation of the U.S. Supplier in the 'Notice to U.S. Business' relevant to the procurement. He should also, besides embodying the above obligation in his contracts with the U.S. Suppliers, inform the U.S. AID, New Delhi (Attention EO/PRO) of the name of U.S. Supplier and the particulars of the transaction (contract number, quantity, value) as soon as the purchase contract is made.

8. *Rebuiltor Reconditioned Automobiles Spare Parts (Including in Code No.* 8205).

In cases of import licences of Rs. 24,000 or more where submission of 'Notice to U.S. Business' is necessary in accordance with the clause (II) of the Appendix to this Public Notice, the importer should specifically indicate in the 'Notice to U.S.

Business' against the relevant automobile spare parts item that rebuilt or reconditioned items are required so that manufacturers of rebuilt or reconditioned automobile spare parts may quote for these items.

2. Before finalising the order on a U.S. manufacturer of rebuilt or reconditioned automobile spare parts, the importer should obtain confirmation from the U.S. manufacturer of the following:—

(a) To ensure that the standards of the manufactured parts conform and continue to conform with the quality advertised by the manufacturer or rebuilder, a procedure of inspection has been established under which registered engineers of an independent consulting engineering firm;

(i) perform an initial inspection of the production procedures, testing procedures and equipment used by the manufacturer or rebuilder;

(ii) perform subsequent periods inspection, not less than one time in each three subsequent month period following the initial inspection of production procedures and testing procedures, including a spot check of rebuilt or reconditioned parts which are being shipped to India during each periodic inspection; and

(iii) certify on each invoice for shipments of parts to India that the parts meet the quality standards advertised by the manufacturer or rebuilder.

(b) the contract between the manufacturer or rebuilder and the independent consulting engineering firm for the performance of the functions mentioned above has the approval of AID, Washington.

3. The importer should ensure that his contract with the U.S. manufacturer embodies *inter alia* the requirement set out in (a) and (b) of para 2 above.

9. *Copper Scrap and Copper Base Alloy Scrap (included in Code No. 6929).*

If the import licence authorises import of copper scrap and/or copper base alloy scrap, the importer should take care that, in the 'Notice to U.S. Business' submitted by him, the description of the scrap is stated in terms of Circular NF-58 of the National Association of Secondary Material Industries, Inc., (NASMI). (This does not, however, imply that the procurement should be effected from a member of the NASMI only).

The contract concluded by the importer with the U.S. Supplier must stipulate that the supplier's invoices and certifications as well as all shipping documents should carry the NF 58 classification. The contract should also stipulate, *inter alia*, for the production by the U.S. supplier of (i) an inspection certificate from a duly recognised inspection firm certifying that the commodity has been inspected *at the pier* and conforms to the NF-58 specifications for the respective Code name and (ii) a certificate signed by the U.S. supplier to the effect that *before* arranging the inspection, he had ascertained from the AID, washington that the inspection firm referred to above is acceptable to the AID.

New Delhi, the 7th April 1966

SUBJECT.—*Import entitlement against exports of Tea and Coffee.*

No. 46-ITC(PN)/66.—Attention is invited to E.P. Policy of Tea and Coffee shown against item No. 22 of Annexure II to Appendix 23 of the ITC Policy Book for the period April 1966—March 1967.

2. It has been decided to substitute item No. 22 of Annexure II to Appendix 23 by the following:—

1	2	3	4	5	6	7
22 (i	Tea	Nil	Machinery, equipment tools, apparatus, appliances and instruments required for the operation, maintenance and expansion of their gardens and fields and processing plants.	..	1%	(i) The entire amount of 1 percent of the *f.o.b.* value of export will be placed at the disposal of Tea Board who would make final allocations amongst the planters. (ii) Applications from Planters of Tea as Actual Users for import of spare parts and machinery equipment Tools apparatus and appliances and instruments for C. I. F. value of less than Rs. 10,000/- will also be entertained.
22 (ii)	Coffee	Nil	Eqipment, components, spares, machinery, pesticides including copper sulphate, irrigation equipment, spraying equipment, packing material such as butter, paper, tin-plates. Coffee curing machinery etc.	..	3%	(i) The entire amount of 3 per cent of F.O.B. value of export will be placed at the disposal of Coffee Board for allotment to different sectors of the Coffee industry (excluding manufacturers, of instant coffee). (ii) Exporters desiring the import tin-plate within the overall entitlement of 3 percent should submit their applications to the Coffee Board in triplicate indicating the quantity and value of tin-plate. (iii) Applications from planters of Coffee as A. U. for import of spares parts machinery etc., for *c.i.f.* value of less than Rs. 10,000/- will also be entertained.

3. The above amendment will be applicable to exports made on or after 1st April, 1966.

SUBJECT.—*Import of Components, raw materials and spares, etc., from the U.S. under U.S. AID Non-Project Loan, 1966.*

No 47-ITC(PN)/66.—Attention is invited to Ministry of Commerce Public Notice No. 45-ITC(PN)/66, dated 5th April, 1966 setting out the terms and conditions applicable to licences issued for imports under the U.S. Agency for International Development Non-Project Loan 1966. In order that the loan may be utilised speedily and effectively within its limited validity period. it has been decided that *ad hoc* licences will be granted for import of components, raw materials, spares etc. under U.S. AID Non-Project Loan, 1966 in the manner indicated below:—

(A) *Eligible Units.*—Actual Users engaged in industries specified in Annexure I (list of eligible industries) to this Public Notice both in the scheduled and non-scheduled sectors including small scale industries, will be eligible to apply, provided the total value of the A.U. licences obtained by the applicant for the period April 1964—March 1965 under U.S. AID and/or free foreign exchange was not less than Rs. 5,000.

NOTE.—In computing the total value of the licences for the period April, 1964—March 1965, for the purpose of eligibility, the A.U. licences under U.S. AID Loan or Free Foreign Exchange issued by the D.O. (Tools), Directorate General of Technical Development, New Delhi will also be taken into account. The following licences will be excluded while computing the total value:—

(i) Licences for Capital Goods whether under Free Foreign Exchange or U.S. AID or any other Credit.

(ii) Licences issued on the recommendations of the Directorate General of Supplies and Disposals, or Railways whether under free foreign exchange or U.S. AID or any other Credit.

(iii) Licences issued by Iron and Steel Controller or his Regional Offices whether under free foreign exchange or U.S. AID or any other Credit.

(iv) Licences issued for imports from Rupee Payment Countries including licences for Capital Goods.

(v) Licences issued against Credits other than U.S AID

NOTE 2.—Actual Users engaged in industries other than those specified in Annexure I to this Public Notice will *not* be eligible.

(B) *Eligible Items.*—The licences to be issued in each case will cover only those items which were authorised for import under the relevant A.U. licences (U.S. AID and/or Free Foreign Exchange) issued to the party for the period April 1964—March 1965 and computable as per clause (A) above, provided those items figure in Annexure II (list of eligible items) to this Public Notice and are not banned under the current import policy.

NOTE.—If the relevant licences for the period April 1964—March 1965 covered steel items as well, the licences to be issued will also be valid for import of Steel items permissible under the current policy and will be endorsed to that effect.

(C) *Value of the licences.*—(i) In the case of Small Scale Units, the value of the licences to be issued to each unit will be calculated at fifty per cent of the total value of the A.U licences obtained by the Unit for the period April, 1964—March, 1965 under U.S. AID and/or Free Foreign Exchange as computed in terms of Clause (A) above. If the total value of the relevant licences as computed in terms of Clause (A) above, amounts to Rs. 5,000 or more but less than Rs. 10 000, the licence to be issued in such cases will be for a minimum value of Rs. 5,000.

(ii) In the case of Units other than Small Scale Units, the value of the licences to be issued to each Unit will be calculated at 33.1/3 per cent of the total value of the A U. licences obtained by the Unit, for the period April 1964—March 1965, under U S. AID and/or Free Foreign Exchange, as computed in terms of Clause (A) above. If the total value of the relevant licences as computed in terms of clause (A) above amounts to Rs. 5.000 or more but less than Rs. 15,000 the licence to be issued in such cases will be for a minimum value of Rs. 5,000.

(D) *Licensing Authorities.*—The licences to actual users borne on the registers of the Directorate General of Technical Development will be issued by the Chief Controller of Imports and Exports, New Delhi. The licences to actual users not borne on the registers of the Directorate General of Technical Development, including small scale units will be issued by the concerned Regional Licensing Authorities.

(E) *Application.*—Eligible units should apply direct to the concerned licensing authorities in the prescribed form and manner. It is not necessary to route the applications through the concerned sponsoring authorities or support the applications with essentiality certificates from those authorities. The application should *inter alia*, be accompanied by the original Customs copies of the relevant licences for the period April 1964—March 1965 computable in terms of Clause (A) above together with the attested list of goods authorised under those licences. (If the original customs copies and attested list cannot be produced for valid reasons, photostat copies thereof may be sent). Five copies of the above said list of goods authorised for import under the licences for the period April 1964—March 1965 should also accompany the application.

(F) *First Come, First Served Basis.*—The licences will be issued by the concerned licensing authorities on the principle of "First Come, First Served" against the AID bulk ceiling earmarked for the purpose. In other words, so long as the ceiling permits and the applications are found in order, the licences will be issued in the order in which the applications are received Applications received after 6th May, 1966 will not be entertained. As the licences will be issued on the principle of "First Come, First Served", it is in the interest of the applicants to submit their applications as early as possible.

(G) *Conditions of Licences.*—The licences to be issued will be subject, *inter alia* to the terms and conditions set out in Ministry of Commerce, Public Notice No. 45-ITC(PN)/66, dated 5th April 1966. As laid down in the aforesaid Public Notice, the licences will be under the Letter of Commitment Procedure which means that no remittance of foreign exchange will be allowed against the licences and payment has to be made to the U.S. Supplier in the manner prescribed under the procedure. The initial validity period of the licence will not be extended under any circumstances. The licences should therefore, be utilised speedily, ensuring at the same time that the terms and conditions of the licences are strictly complied with.

ANNEXURE I

List of Eligible Industries

1. *Ferrous Industries*:

   (i) Iron and Steel castings and forgings.
   (ii) Iron and Steel structurals.
   (iii) Iron and Steel Pipes.
   (iv) Other products of iron and steel.

   Exceptions.—The following are not eligible—

   (a) Iron and Steel (metal).
   (b) Ferro alloys.
   (c) Special steels.

2. *Boilers and Steam Generating Plants*:

   Boilers and steam generating plants

3. *Prime Movers (other than electrical generators)*:

   Steam engines and turbines.

4. *Electrical Equipment*:

   (i) Electrical fans.
   (ii) Electrical lamps.
   (iii) Electrical furnaces.
   (iv) X-ray equipment
   (v) Electronic equipment.
   (vi) Storage batteries.
   (vii) Dry cells.
   (viii) Graphite Electrodes.

5. *Telecommunications*:

Radio receivers including amplifying and public address equipment.

6. *Transportation*:

(i) Ships and other vessels drawn by power.

(ii) Motor cars, Jeeps, Motor Cycles, Scooters and the like except the following:—

(a) Commercial Trucks (including Tempo three-wheelers).

(b) Automobile Ancillaries.

(iii) Bicycles.

(iv) Others, such as fork lift trucks and the like.

7. *Industrial Machinery*:

(i) Textile machinery (such as spinning frames, carding machines, power-looms and the like) including textile accessories.

(ii) Jute machinery.

(iii) Rayon machinery.

(iv) Sugar machinery.

(v) Tea machinery.

(vi) Mining machinery.

(vii) Metallurgical machinery.

(viii) Cement machinery including abestos cement product machinery.

(ix) Chemical machinery.

(x) Pharmaceuticals machinery.

(xi) Paper machinery.

(xii) Printing Machinery.

(xiii) Coal Washery Machinery

(xiv) Biscuits and Bread making machinery.

(xv) Gas Producer Machinery.

(xvi) Gas Cylinder Machinery.

(xvii) Ceramic machinery including brick making machinery.

(xviii) Rubber processing machinery.

(xix) Food Processing Machinery.

(xx) Leather Processing Machinery.

(xxi) Miscellaneous Building and construction machinery.

(xxii) Cooling Towers Machinery

(xxiii) Bottle Filling & Bottle Washing Machinery.

(xxiv) Feed-Milling Machinery.

(xxv) Coil and Foil Winding Machinery.

(xxvi) Impregnation Machinery.

(xxvii) Electro-Plating Machinery.

(xxviii) Tobacco processing Machinery.

(xxix) Cigarette Machinery.

(xxx) Size reduction equipment—crushers, ball mills and the like.

(xxxi) Conveying equipment—bucket elevators, skip hoists, cranes (excluding mobile cranes), derricks, and the like

(xxxii) Size Separation units—screens, classifiers and the like.

(xxxiii) Mixers and reactors—kneading mills, turbo mixers and the like.

(xxxiv) Filtration equipment—filter presses, rotary filters and the like.

(xxxv) Centrifugal machines.

(xxxvi) Evaporators

(xxxvii) Distillation equipment.

(xxxviii) Crystallisers.

(xxxix) Driers.

(xl) Power driven pumps—reciprocating, centrifugal and the like

(xli) Air and gas compressors and vacuum pipes (excluding electrical furnaces).

(xlii) Refrigeration plants for industrial use.

(xliii) Fire fighting equipment and appliances including fire engines.

(xliv) Ball, roller and tapered bearings.

(xlv) Speed reduction units.

(xlvi) Oil Burners.

8. *Agricultural Machinery.*

(i) Tractors, harvestors and the like.

(ii) Agricultural implements.

9. *Miscellaneous Mechanical and Engineering Industries:*

(i) Hand tools, small tools and the like except the following which are *Not* eligible:—

(a) Twist Drills.

(b) Milling Cutters.

(c) Reamers.

(d) Threading Tools.

(e) Tool Bits.

(f) T. C. Tipped Tools.

(g) Butt Welded Tools

(h) Diamond Drill Bits.

(i) Machine Knives.

(j) Grinding Wheels

(k) Broaches.

(l) Copper Drawing Diamond Dies.

(m) Tungsten Carbide Tips.

(n) Dimond Dressers.

(o) Mining Drill Bits.

(p) Drill Rods.

(q) Diamond Wheels.

(r) Diamond Metallic Tools.

(s) Form Tools.

(t) Hollow Drill Steels.

(u) Extension Rods.

(v) Detachable Bits.

(w) Special Tools.

(ii) Razor blades.

10. *Commercial Office and Household Equipment:*

(i) Typewriters.

(ii) Calculating machines

(iii) Air conditioners and refrigerators

(iv) Sewing and knitting machines

(v) Hand sewing needles and Gramophone needles.

(vi) Duplicators.

(vii) Typewriter Ribbons.

(viii) Clocks, Watches and Time pieces

(ix) Fountain Pens.

(x) Tooth and Shaving Brushes (Using nylon Bristles).

(xi) Sensitised Papers used in drawing offices (as distinct from photographic papers).

(xii) Fountain Pen Ink.

(xiii) Fountain Pen Nibs.

(xiv) Carbon Papers.

11. *Medical and Surgical Appliances*:

Surgical instruments—sterilisers, incubators and the like.

12. *Industrial Instruments*:

(i) Water meters, steam meters, electricity meters and the like.

(ii) Indicating, recording and regulating devices for pressure, temperature, rate of flow, weights, levels and the like.

(iii) Weighing machines

13 *Scientific Instruments*:

Scientific instruments.

14. *Mathematical, Surveying and Drawing Instruments*:

Mathematical, surveying and drawing instruments.

15. *Chemicals (other than fertilisers)*:

(i) Inorganic heavy chemicals.

(ii) Organic heavy chemicals.

(iii) Fine chemicals including photographic chemicals

(iv) Synthetic resins and plastics

(v) Paints, varnishes and enamels.

(vi) Synthetic rubbers.

(vii) Coke oven by-products.

(viii) Coal tar distillation products like napthalene, anthracene, and the like

(ix) Foundry chemicals.

(x) Water treatment chemicals

(xi) Explosives including gun powder and safety fuses.

(xii) Insecticides, fungicides, weedicides and the like.

(xiii) Textile auxiliaries.

(xiv) Miscellaneous chemicals.

16. *Photographic Raw Film and Paper*:

Photographic printing papers

17. *Drugs and Pharmaceuticals*:

Drugs and pharmaceuticals

18 *Paper and Pulp including paper Products*:

(i) Paper—writing, printing and wrapping.

(ii) Newsprint.

(iii) Paper board and straw board

(iv) Paper for packaging (corrugated paper, kraft paper, paper bags, paper containers and the like).

(v) Pulp—Wood pulp, mechanical, chemical, including dissolving pulp.

19. *Food Processing Industries*:

(i) Canned fruits and fruit products.

(ii) Milk foods.

(iii) Malted foods

(iv) Other processed foods

20. *Rubber Goods*.

(i) Surgical and medicinal products including prophylactics.

21. *Glass*:

(i) Hollow ware.
(ii) Sheet and plate glass.
(iii) Optical glass.
(iv) Glass Wool.
(v) Laboratory ware.
(vi) Miscellaneous ware.

22. *Ceramics*:

(i) Fire bricks.
(ii) Refractories.
(iii) Spectacle Frames including plastic frames.
(iv) Drum Closures

23. *Cement and Gypsum Products*:

(i) Portland Cement.
(ii) Insulating boards.

24. *Timber Products*:

Matches.

25. *Miscellaneous*.

(i) Sintered Parts and Metal Powders.
(ii) Railway signalling Equipment.
(iii) Spectacle Frames including plastic frames.
(iv) Drum Closures.
(v) Valves and Cocks.
(vi) Welded Link chains.
(vii) Machine Tool Accessories.
(viii) Sanitary Fittings
(ix) Leather cloth-made by coating process (*i.e.*, not by laminating calendered sheets).
(x) Linoleum.
(xi) Printing Ink.
(xii) Adesives (other than those based on synthetic resins, rubber and bone glues).
(xiii) Leather Finishes.
(xiv) Polishes and compositions.
(xv) Pigments (aluminium powder/paste, chrome, Prussian-blue and ultramarine blue).
(xvi) Industrial Brushes
(xvii) Acid-resisting Cement.
(xviii) Roofing Felt (Water-proofing Compositions).
(xix) Cinema Arc Carbons.
(xx) Graphite Crucible.
(xxi) Reclaimed Rubber Manufacture.
(xxii) Carbon Black.
(xxiii) Tyre-Retreading.
(xxiv) Camel. Black (Tyre-Retreading compound).
(xxv) Case hardening and heat treatment salts.
(xxvi) Industrial Catalyst
(xxvii) Foam Compound.
(xxviii) Gas Mantles.
(xxix) Metal Treatment Compounds.

(a) in the proviso to sub-section (1),—

(i) for the words "Chairman and the members", the words "Chairman, Vice-Chairman and the members" shall be substituted;

(ii) for the words "for the first time under this section", the words "for the first time after the commencement of the University Grants Commission (Amendment) Act, 1966" shall be substituted;

(b) for sub-section (4), the following sub-section shall be substituted, namely:—

"(4) The offices of the Chairman and Vice-Chairman shall be whole-time and salaried offices and subject thereto, the terms and conditions of service of the Chairman, the Vice-Chairman and the other members shall be such as may be prescribed.".

Amendment of section 12.

4. In section 12 of the principal Act,—

(i) in clause (c), for the words "necessary for the development of such Universities", the words "necessary or appropriate for the development of such Universities or for the maintenance or development or both of any specified activities of such Universities" shall be substituted;

(ii) after the proviso to clause (c), the following further proviso shall be added, namely:—

"Provided further that the Commission shall not give any grant to any University which is established after the commencement of the University Grants Commission (Amendment) Act, 1966, without the previous approval of the Commission and of the Central Government.".

5. After section 26 of the principal Act, the following section shall be inserted, namely:— Insertion of new section 27.

"27. (1) The Commission may, by regulations made under this Act, delegate to its Chairman, Vice-Chairman or other officers, its powers of general superintendence and direction over the business transacted by or in the Commission, including the powers with regard to the expenditure incurred in connection with the maintenance of the office and internal administration of the Commission. Power to delegate.

(2) No regulation shall be made under this section except with the previous approval of the Central Government.".

6 Every member of the Commission holding office as such immediately before the commencement of this Act, shall continue to hold such office after such commencement until the reconstitution of the Commission in accordance with the provisions of the principal Act as amended by this Act: Transitional provisions

Provided that the person holding, immediately before the commencement of this Act, the office of the Chairman, shall continue to hold that office by the same tenure and upon the same terms and conditions as he held it immediately before such commencement.

STATEMENT OF OBJECTS AND REASONS

The University Grants Commission Act, 1956 was passed by Parliament to make provision for the co-ordination and determination of standards in Universities and for that purpose to establish a University Grants Commission. In the years following the passing of that Act, the field of higher education in the country has been considerably enlarged with the corresponding increase in the responsibilities of the University Grants Commission. Experience of the working of the Act in these years has also revealed certain lacunae and shortcomings therein and the need has been felt for widening the scope of the organisation and functions of the Commission.

2. This feeling was reinforced by the recommendations made in July, 1964 by the Committee of Members of Parliament set up under the Chairmanship of Shri P. N. Sapru to examine the provisions of the Constitution regarding the responsibility of the Central Government in the field of higher education with a view to finding the extent to which the Centre could assume greater responsibility in this field The Committee, amongst other things made some recommendations regarding reorganisation of the University Grants Commission. The Commission was thereafter consulted about the question of its reorganisation in general, and the recommendations of the Sapru Committee in particular.

3. The present Bill seeks to amend the University Grants Commission Act, 1956 on the basis of the past experience of the working of the Act as well as the recommendations of the Sapru Committee and of the Commission itself. The main features of the Bill are:—

(a) The number of members of the Commission will be increased from 9 to 12 with two full-time members, namely the Chairman and the Vice-Chairman.

(b) Serving Vice-Chancellors and Heads of institutions which are entitled under the Act to receive grants from the Commission will be excluded from the membership of the Commission.

(c) The Commission will be empowered to give assistance to the non-Central Universities for the maintenance of their special activities like the Advanced Centres.

(*d*) The Commission will be empowered to withhold grants to any University established without the prior consent of the Commission and the Central Government.

(*e*) The Central Government will be empowered to make rules regarding delegation by the Commission to its Chairman and other officers, of its power of general superintendence and direction over the business transacted by or in the Commission including the powers with regard to the office expenditure, and other matters relating to the internal administration, of the Commission.

NEW DELHI; M. C. CHAGLA.
The 1st *April*, 1966.

FINANCIAL MEMORANDUM

Clause 2 of the Bill contemplates an increase in the number of members of the University Grants Commission from nine to twelve including one whole-time member, namely, the Vice-Chairman.

Clause 4 of the Bill empowers the Commission to give continued assistance to the Universities in such measures and for as long as is considered necessary for maintenance of special activities of the Universities like the Advanced Centres. At present the Commission is competent to give only developmental grants to State Universities.

2. Extra expenditure on salary, allowances etc. of the additional full time member, *viz.*, the Vice-Chairman, will be of the order of about Rs. 36,000 per annum. Some extra expenditure would also be involved on the travelling and daily allowance of the other two additional members of the Commission who would be required to attend meetings of the Commission.

The extra expenditure, which is likely to be involved on account of assistance which the Commission may render for maintenance of special activities of the Universities, cannot be estimated at this stage.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 5 of the Bill empowers the University Grants Commission to make regulations with the previous approval of the Central Government regarding the delegation by it to its Chairman, Vice-Chairman or other officers, of its powers of superintendence and direction over the business transacted by or in the Commission, including the powers with regard to the expenditure incurred in connection with the maintenance of the office and internal administration of the Commission.

2. This provision is proposed to be inserted with a view to enabling the Commission to delegate to its Chairman and other officers such of the above-mentioned powers as it may consider necessary. Experience has shown that the activities of the Commission have been hampered by the fact that all the powers are at present concentrated in the Commission, as a whole, which meets periodically.

3. These matters pertain to procedure, form or detail and as such the delegation of legislative power is of a normal character.

II

BILL No. V OF 1966

A Bill further to amend the Telegraph Wires (Unlawful Possession) Act, 1950

BE it enacted by Parliament in the Seventeenth Year of the Republic of India as follows:—

Short title.

1. This Act may be called the Telegraph Wires (Unlawful Possession) Amendment Act, 1966.

Amendment of section 2.

2. In section 2 of the Telegraph Wires (Unlawful Possession) Act, 1950 (hereinafter referred to as the principal Act), for clause (b), the following clause shall be substituted, namely:— 74 of 1950.

'(b) "telegraph wire" means any copper wire the gauge of which, as measured in terms of diameter in millimetres, is between 2·43 and 2·53, or between 2·77 and 2·87, or between 3·42 and 3·52.'.

Amendment of section 5.

3. In section 5 of the principal Act, for clause (*a*), the following clause shall be substituted, namely:—

"(*a*) for the first offence, with imprisonment for a term which may extend to five years, or with fine, or with both and in the absence of special and adequate reasons to be mentioned in the judgment of the court, such imprisonment shall not be less than one year and such fine shall not be less than one thousand rupees;".

Amendment of section 7.

4. In section 7 of the principal Act, in sub-section (1), for the words "by an officer specially empowered in this behalf by that Government", the words "by an officer authorised in this behalf by the Central Government by general or special order" shall be substituted.

STATEMENT OF OBJECTS AND REASONS

The Telegraph Wires (Unlawful Possession) Act, 1950, was enacted mainly with the object of simplifying the procedure for prosecution and conviction of persons accused of thefts of telegraph copper wires. In the light of the working of the Act, section 5 thereof was amended in 1962 to provide for a minimum punishment for the second and subsequent offences under the Act by the same set of persons. This amendment has not, however, achieved the desired deterrent effect. It is, therefore, proposed to prescribe minimum punishment even for the first offence under the Act, so as to curb more effectively the continuing thefts of telegraph copper wire in the country.

2. Under section 7 of the Act, only officers who are specially empowered in this behalf are competent to lodge complaints under the Act in a court. Such a procedure has proved cumbersome and entails constant revision of the list of such officers. It is, therefore, proposed to simplify the procedure by providing for issuing also general orders in this behalf.

3. The opportunity is taken to amend the definition of the expression "telegraph wire", so as to specify therein the metric system of units and to bring it in line with the new Indian Standard Specification for telegraph copper wire.

4. The Bill is intended to give effect to the above objects.

CARDAMOM CONTROL

New Delhi, the 6th April 1966

S.O. 1144—In exercise of the powers conferred by section 33 of the Cardamom Act, 1965 (42 of 1965), the Central Government hereby makes the following rules, namely:—

CHAPTER I

PRELIMINARY

1. **Short title.**—These rules may be called the Cardamom Rules, 1966

2 **Definitions**—In these rules, unless the context otherwise requires.—

(a) "Act" means the Cardamom Act, 1965 (42 of 1965);

(b) "Committee" means any of the Committees appointed by the Board under section 8;

(c) "member" means a member of the Board;

(d) "Secretary" means the Secretary to the Board;

(e) "section" means a section of the Act,

(f) "Vice-Chairman" means the Vice-Chairman of the Board,

(g) "year" means the year as defined in the Act except for the purpose of preparing a budget out of the Cardamom Fund of the Board in which case year shall mean the financial year.

CHAPTER II

THE BOARD AND ITS COMMITTEES

3. **Constitution of the Board.**—(1) The Board shall consist of a Chairman, the members specified in clauses (b), (c) and (d) of sub-section (3) of section 4 and fifteen other members representing other interests specified in sub-rule (2).

(2) Of the aforesaid fifteen members,—

(a) three members shall represent the principal cardamom growing States, one representing each of the States of Kerala, Madras and Mysore, to be appointed in consultation with the respective State Government;

(b) six members shall represent the cardamom growing interests in the three principal cardamom growing States of Kerala, Madras and Mysore; of these six, not less than three shall represent the registered owners owning land planted with cardamom plants the area of which is less than twenty acres whether such land is comprised in one estate or more;

(c) two members shall represent the cardamom trade interests of which one at least shall be from the State of Maharashtra;

(d) two members shall represent the interests of labour;

(e) one member shall represent the consumers, and

(f) one member shall represent such other persons or class of persons as in the opinion of the Central Government ought to be represented on the Board.

(3) The Central Government may make such consultations as it may think fit before appointing the representatives of the interests specified in clauses (b) to (f) of sub-rule (2).

4. **Appointment of Committees.**—The Board may appoint every year the following Committee, namely:—

(a) **Executive Committee.**—An Executive Committee consisting of—

(i) the Chairman who shall be the *ex-officio* Chairman of the Committee;

(ii) the Vice-Chairman;

(iii) the Director;

(iv) one of the three members representing the Governments of Kerala, Madras and Mysore, sitting on the Committee by rotation for one year beginning with the representative of the Government of Kerala;

(v) the member representing the Ministry of Finance of the Central Government; and

(vi) one other member to be elected by the members of the Board from amongst the members representing the cardamom growing interests.

(b) **Research and Development Committee.**—A Research and Development Committee consisting of—

(i) the Chairman who shall be the ex-officio Chairman of the Committee;

(ii) the Vice-Chairman;

(iii) the Director;

(iv) the three members representing the Governments of Kerala, Madras and Mysore;

(v) the member representing the Ministry of the Central Government dealing with agriculture; and

(vi) two members to be elected by the members of the Board from amongst the members representing the cardamom-growing interests.

(c) **Propaganda Committee.**—A Propaganda Committee consisting of—

(i) the Chairman who shall be the *ex-officio* Chairman of the Committee;

(ii) the Director;

(iii) the member representing the Ministry of the Central Government dealing with commerce;

(iv) the two members representing the cardamom trade interests; and

(v) one other member to be elected by the members of the Board in such manner as may be laid down by the Board.

5. **Term of office of members.**—(1) Save as hereinafter provided, a member shall hold office for such period not exceeding three years as may be specified in the notification appointing him and shall be eligible for re-appointment:

Provided that a member elected or appointed under clauses (c), (d) or (e) of sub-section (3) of section 4 shall cease to be a member if he ceases—

(i) to be a member of the House of Parliament by which he was elected; or

(ii) to hold the office by virtue of which he was appointed; or

(iii) to represent the category from which he was appointed.

(2) A member elected or appointed to fill a casual vacancy shall hold office so long as the member whose place he fills would have been entitled to hold office if the vacancy had not occurred.

6. **Membership roll.**—The Secretary shall keep a record of the names of members and their addresses.

7. **Change of address.**—A member shall keep the Secretary informed of any change in his address. If he fails to inform the change of address, the address in the official records shall for all purposes be deemed to be his address.

8. **Resignation.**—(1) A member of the Board or of a Committee may resign his office by a letter addressed to the Secretary.

(2) The office of a member of the Board or of a Committee shall fall vacant from the date on which his resignation is accepted by the Chairman of the Board or of the Committee, as the case may be, or on the expiry of thirty days from the date of receipt of intimation of resignation whichever is earlier.

9. **Removal of members.**—The Central Government may remove any member from his office:—

(a) if he is of unsound mind and stands so declared by a competent court, or

(b) if he becomes bankrupt or insolvent or suspends payment of his debts or compounds with his creditors, or

(c) if he is convicted of an offence involving moral turpitude, or

(d) if he absents himself from two consecutive meetings of the Board without the leave of the Chairman, and in any case from three consecutive meetings; or

(e) if he defaults in payment of any dues to the Board, and is so declared by the Board.

10. **Absence from India.**—(1) Before a member departs from India—

(a) he shall intimate the Secretary the date of his departure from, and the date of his expected return to, India; and

(b) if he intends to be absent from India for a period longer than six months, he shall tender his resignation.

(2) If a member leaves India without fulfilling the conditions specified in sub-rule (1), he shall be deemed to have resigned his office with effect from the date of his departure from India.

11. **Vice-Chairman.**—(1) The Board shall elect, in each year from amongst its members, a Vice-Chairman for a period of twelve months commencing from the date of his election or, if the election is held before the expiry of the term of office of an existing Vice-Chairman, from the date on which such Vice-Chairman vacates his office.

(2) In the event of the Vice-Chairman resigning his office as such or ceasing to be a member under any of the provisions of these rules, the Board shall at its next meeting elect another member to be Vice-Chairman for the unexpired portion of the term of office of the Vice-Chairman elected under sub-rule (1).

12. **Functions of the Committees.**—

(a) **Executive Committee.**—Subject to such restrictions as may be imposed by the Board, the Executive Committee shall, in addition to such functions as have been specifically assigned to it under these rules, discharge any other functions of the Board in regard to matters not specifically assigned hereunder to the Research and Development Committee or the Propaganda Committee.

(b) **Research and Development Committee.**—Subject to such restrictions as may be imposed by the Board, the Research and Development Committee shall discharge all the functions of the Board in regard to the promotion of agricultural and technological research in the interests of the cardamom industry in India and in regard to measures that may be undertaken for the development of cardamom estates in India.

(c) **Propaganda Committee.**—Subject to such restrictions as may be imposed by the Board, the Propaganda Committee shall discharge all the functions of the Board in regard to such measures as may be undertaken for promoting the sale and increasing the consumption in India and elsewhere of cardamom produced in India.

CHAPTER III

PROCEDURE FOR MEETINGS OF THE BOARD AND ITS COMMITTEES

13. **Meetings of the Board.**—There shall be not less than two ordinary meetings of the Board in a year on such dates and at such places as the Chairman may think fit and the interval between any two ordinary meetings shall not, in any case, be longer than eight months.

14. **Power to call meetings.**—(1) The Chairman may, at any time, call a meeting of the Board or of any of the Committees, and shall do so if a requisition for a meeting is presented to him in writing by at least eight members in the case of a meeting of the Board and half the total number of members in the case of a meeting of a Committee.

(2) The Chairman may require any officer of the Board or invite any person or persons to attend any meeting of the Board or of any of the Committees, but such officer or person or persons shall not have the power to vote.

(3) At least fourteen clear days before any meeting of the Board and at least ten clear days before a meeting of any of the Committees, notice of the time and place of the intended meeting signed by the Secretary shall be sent to the Central Government and left at or posted to the address of every member of the Board or, as the case may be, of the Committee:

Provided that in cases of urgency, a special meeting of the Board or of any or more of the Committees may be summoned at any time by the Chairman, who shall inform in advance, the Central Government and the members, of the subject matter for discussion and the reasons for which he considers the summoning of such meeting urgent. No ordinary business shall be transacted at such special meetings.

(4) Notwithstanding anything contained in this rule, the Central Government may also, at any time, call a meeting of the Board.

15. **Quorum.**—(1) No business shall be transacted at a meeting of the Board unless there are present at least eight members and no business shall be transacted at a meeting of a Committee unless there are present a majority of the members constituting the Committee.

(2) If at any time the number of members present in a meeting of any of the Committees is less than the required quorum, the person presiding shall adjourn the meeting to a date not later than three days from the date of the meeting informing the members of the Committee of the date, time and place of the adjourned meeting; and it shall thereupon the lawful for him to dispose of, at such adjourned meeting, the business intended to be transacted at the original meeting, irrespective of the number of members for the time being present.

16. **Absence from meetings of a Committeee.**—Any member of a Committee absenting himself from two consecutive meetings of such Committee without the leave of the Chairman, and in any case, from three consecutive meetings, shall cease to be a member of that Committee.

17. **Filling of casual vacancies.**—(1) Any casual vacancy in the membership of a Committee shall be filled by the remaining members of the Committee from amongst the members of the Board.

(2) A person appointed in a casual vacancy shall hold office so long as the member whose place he fills would have been entitled to hold office, if the vacancy had not occurred.

18. **Presiding over meetings.**—At every meeting of the Board or of any of the Committees at which he is present, the Chairman shall preside and, in his absence—

(i) at a meeting of the Board, the Vice-Chairman shall preside; and

(ii) at a meeting of the Committee, the Vice-Chairman, if he is a member of that Committee, shall preside,

but if both the Chairman and the Vice-Chairman are absent, the members present at the meeting shall elect one from among themselves to preside at the meeting.

19. **Agenda.**—(1) The Chairman shall cause to be prepared and circulated to the Central Government and among the members of the Board or of any of the Committees at least ten days before an ordinary meeting of the Board or of such Committee, a list of business to be transacted at that meeting.

(2) No business not included in the agenda shall be transacted without the permission of the Chairman.

20. **Business by circulation.**—(1) Any business which is to be transacted by the Board or a Committee may, if the Chairman so directs, be referred to members (other than members who are absent from India) by circulation of papers, and copies of all papers so circulated shall be sent to the Central Government.

(2) Any proposal or resolution circulated under sub-rule (1) and approved by the majority of members who have recorded their views in writing shall be as effectual and binding as if such proposal or resolution were decided by the majority of the members at a meeting.

Provided that at least eight members of the Board or a majority of the members of the Committee, as the case may be, have recorded their views on the proposal or resolution:

Provided further that when a proposal or resolution is referred to the members by circulation, any five members of the Board or three members of any of the Committees, as the case may be, may require that the proposal or resolution be referred to members at a meeting, and thereupon such reference shall be made to members at a meeting of the Board or of the Committee, as the case may be.

(3) When any business is referred to members of the Board or of the Committee, as the case may be, by circulation, a period of not less than ten clear days shall be allowed for receipt of replies from members. Such period shall be reckoned from the date on which the notice of business is issued.

(4) If a proposal or resolution is circulated, the result of the circulation shall be communicated to all the members of the Board or of the Committee concerned, as the case may be, and to the Central Government.

(5) All decisions on question arrived at by circulation of papers shall be placed at the next meeting of the Board for record.

21. **Record of business.**—(1) A record shall be maintained by the Secretary, of all items of business transacted by the Board or by the Committees and copies of such record shall be forwarded to the Central Government.

(2) The record of business transacted at every meeting of the Board and of any of the Committees shall be signed by the Chairman or the Vice-Chairman or the member presiding at such meetings.

(3) When a business is transacted by circulation of papers, a record of business so transacted shall be signed by the Chairman.

22. **Voting.**—(1) Every question brought before any meeting of the Board or its Committees shall be decided by a majority of members present and voting at the meeting before which the matter is brought.

(2) In the case of an equality of votes, the Chairman or the Vice-Chairman or the member presiding over the meeting shall have a second or casting vote.

23. **Revision.**—(1) The Central Government may, for reasons to be recorded in writing, review any decision of the Board, or its Committees and pass such order in the matter as it thinks fit.

(2) A copy of every order passed under sub-rule (1) shall be sent to the Board or the Committee concerned, as the case may be, by the Central Government.

(3) On receipt of a copy of the order as aforesaid, the Board or the Committee, as the case may be, may make a representation to the Central Government against the said order and the Central Government may after considering the representation, either cancel, modify or confirm the order passed by it under sub-rule (1), or take such other action in respect of the matter as may, in the opinion of the Central Government, be just or expedient, having regard to all the circumstances of the case.

CHAPTER IV

TRAVELLING AND OTHER ALLOWANCES TO MEMBERS OF THE BOARD

24. **Travelling and other allowances to members of the Board and its Committees.**—(1) A member other than a Government servant, shall be entitled to draw, in respect of any journey performed by him for the purpose of attending a meeting of the Board or of a duly constituted Committee thereof or for the purpose of discharging any duty assigned to him by the Board or the Committee concerned, travelling allowance and daily allowance at the highest rates admissible to Government servants of the first grade under the rules and orders made by the Central Government and for the time being in force.

(2) In the case of any journey performed by an official of the Central or the State Government specially nominated by the Board to serve on any ad hoc Committee or any other Committee or to attend to any other business of the Board, the travelling and daily allowances admissible to him shall be payable by the Board, at the rates admissible to him under the rules of the Government under which he is for the time being employed.

(3) No travelling allowance or daily allowance, shall be allowed to a member unless he certifies that he has not drawn any travelling or daily allowance from any other source in respect of the journey and halt for which the claim is made.

(4) Travelling allowance shall be payable from the usual place of residence of a member to the place of the meeting or the place where he has gone to attend to any business of the Board or any of its Committees and back to his place of residence:

Provided that when the journey commences from, or the return journey terminates at, any place other than his usual place of residence, the travelling allowance shall be limited to the amount that would have been payable had the journey commenced from or terminated at the usual place of residence, or to the amount payable in respect of the actual journey undertaken whichever is less:

Provided further that in special circumstances and with the previous approval of the Central Government, the Chairman may grant travelling allowance from places other than the usual place of residence of a member.

(5) The Director shall be the controlling officer for the purposes of travelling and daily allowances of the members of the Board or of any Committee.

25. **Conveyance Allowances.**—No Conveyance Allowance for attending meetings of the Board or any of the Committees or for attending to any other business of the Board, shall be paid to those members who draw travelling or daily allowance:

Provided that a member who is resident at a place where the meeting of the Board or any of the Committees is held or where any other business of the Board is transacted, may be paid the actual expenditure incurred on conveyance by him subject to a maximum of rupees ten per day.

संकल्प

सीमा शुल्क टैरिफ, आयात व्यापार नियंत्रण और केन्द्रीय उत्पादन शुल्क टैरिफ नामावलि

नई दिल्ली, दिनांक 1 फरवरी 1966

सं० 1(154) टी० आर० सी०/66—भूतपूर्व अन्तर्राष्ट्रीय व्यापार मंत्रालय के संकल्प सं० 10(8)/63-गाट, तारीख 17 मार्च, 1964 का उपान्तरण करके, भारत सरकार ने टैरिफ पुनरीक्षण समिति को आयात व्यापार नियंत्रण अनुसूची तथा केन्द्रीय उत्पादन शुल्क टैरिफ अनुसूची के पुनरीक्षण का कार्य सौंपने का विनिश्चय किया है।

2. तदनुसार, उपर्युक्त संकल्प में नीचे यथा उपदर्शित अपर संशोधन कर दिये जाएंगे:—

(1) संकल्प के विषय के रूप में आये "सीमा शुल्क टैरिफ" शब्दों के स्थान पर नीचे लिखे शब्द रख दिये जाएंगे:—

"सीमा शुल्क टैरिफ, आयात व्यापार नियंत्रण और केन्द्रीय उत्पादन शुल्क टैरिफ नामावलि"

(2) पैरा 4 में उप-पैरा (5) के बाद नीचे लिखे उप पैरे जोड़ दिये जायेंगे:—

"(5 क) आयात व्यापार नियंत्रण अनुसूची में पण्यों के वर्गीकरण की परीक्षा और उसके पुनरीक्षण की सिफारिशें, विशेषतया निम्नलिखित को ध्यान में रख कर, करना:—

(क) प्रस्थापित आयात टैरिफ अनुसूची, तथा टैरिफ और आयात व्यापार नियंत्रण अनुसूचियों के निर्वचन के बीच संगति की आवश्यकता;

(ख) आयात व्यापार नियंत्रण अनुसूची को आयात तथा निर्यात व्यापार में पण्यों के सांख्यिकीय वर्गीकरण के साथ सह समन्वित करने की आवश्यकता, जिससे कि आयात व्यापार नियंत्रण नीति का अधिक विस्तार से निर्माण सुकर हो जाए;

(5ख) केन्द्रीय उत्पादन शुल्क टैरिफ अनुसूची (अर्थात् केन्द्रीय उत्पादन शुल्क और लवण अधिनियम, 1944 की प्रथम अनुसूची) में अपनायी गई नामावलि की पड़ताल करना और उसमें यथोचित संशोधनों का सुझाव देना; ऐसा करने में समिति:—

(क) सीमा शुल्क आयात टैरिफ अनुसूची और केन्द्रीय उत्पादन शुल्क टैरिफ अनुसूची के बीच निकटतर संबद्धता की वांछनीयता की इस दृष्टि से जांच करेगी कि—

(i) दोनों अनुसूचियों के निर्वचन और प्रशासन में यावत्साध्य एक रूपता सुनिश्चित हो जाए, और

(ii) प्रतिशुल्कों के उद्ग्रहण में सन्देहों और कठिनाइयों का दूर किया जाना सुकर हो जाए;

(ख) इस प्रश्न की भी जांच करेगी कि क्या और किस विस्तार तक., केन्द्रीय उत्पादन शुल्क टैरिफ अनुसूची को, सांख्यिकीय प्रयोजनों के लिए, आयात और निर्यात व्यापार के आंकड़े रखने के लिये अपनायी गई पद्धति के साथ सम्बद्ध किया जा सकता है।

(3) पैरा 5 के अन्त में निम्नलिखित वाक्य जोड़ दिया जायेगा :—

"इसी प्रकार, समिति का सम्बन्ध नामावलि से होगा, न कि केन्द्रीय उत्पादन शुल्क टैरिफ अनुसूची में दी गई दर रचना से।"

(4) पैरा 7 के स्थान पर निम्नलिखित पैरा रख दिया जायेगा :—

"समिति भारत सरकार को अपनी रिपोर्ट अपनी नियुक्ति की तारीख से एक वर्ष या ऐसी बढ़ाई गई कालावधि के भीतर देगी जो कि सरकार विनिश्चित करे।"

आदेश

आदेश दिया जाता है कि इस संकल्प की एक-एक प्रति सभी सम्पृक्त व्यक्तियों को भेज दी जाय।

यह भी आदेश दिया जाता है कि इस संकल्प को साधारण जानकारी के लिये भारत के राजपत्र में प्रकाशित कर दिया जाय।

संकल्प

नई दिल्ली, दिनांक 28 मार्च 1966

विषय:—'केन्द्रीय संग्रहालय सलाहकार बोर्ड का पुनर्गठन।

सं० एफ० 12-3/65(I)सी०-3—शिक्षा मंत्रालय में भारत सरकार के संकल्प संख्या एफ० 12-1/63-सी०-3, दिनांक 2 फरवरी, 1963 का अधिलंघन करते हुए, शिक्षा मंत्रालय की अधिसूचना संख्या 33-13/55, दिनांक 8 फरवरी, 1956 तथा 33-39/56-सी-3, दिनांक 31 अक्तूबर, 1956 के सिलसिले में एतद् द्वारा यह निश्चित किया जाता है कि संग्रहालयों के पुनर्गठन तथा विकास के सम्बन्धित मामलों के बारे में भारत सरकार को सलाह देने के लिए, तथा देश के विभिन्न संग्रहालयों की गतिविधियों के साथ सरकार तथा जनता के निकट साहचर्य और विभिन्न संग्रहालयों के बीच निकट सम्पर्क बढ़ाने के लिए केन्द्रीय संग्रहालय सलाहकार बोर्ड का पुनर्गठन किया जाए:—

1. **नाम** :

बोर्ड का नाम केन्द्रीय संग्रहालय सलाहकार बोर्ड होगा।

2. **निबंधन**

बोर्ड का गठन निम्न प्रकार होगा :—

(i) सचिव, शिक्षा मंत्रालय, (संग्रहालय के इन्चार्ज) बोर्ड के अध्यक्ष (पदेन),

(ii) बोर्ड द्वारा अपने सदस्यों में से उपाध्यक्ष चुना जाएगा,

(iii) भारत सरकार के चार से अधिक नामजद नहीं,

(iv) (संग्रहालयों से संबंधित संयुक्त सचिव अथवा संयुक्त शिक्षा सलाहकार),

(v) भारतीय पुरातत्व के महानिदेशक,

(xi) ललित कला अकादमी का एक नामित,

(vii) निदेशक, राष्ट्रीय संग्रहालय, नई दिल्ली, अथवा यदि वहां निदेशक नहीं है, तो संग्रहालय का सब से वरिष्ठ कार्यभारी अधिकारी,

(viii) निदेशक, सालारजंग संग्रहालय, हैदराबाद, अथवा यदि वहां निदेशक नहीं है, तो संग्रहालय के सब से वरिष्ठ अफसर इन्चार्ज,

(ix) निदेशक, राष्ट्रीय नव कला वीथी, नई दिल्ली, यदि वहां निदेशक नहीं है, तो वीथी के सब से वरिष्ठ तकनीकी कार्यभारी अधिकारी,

(x) निदेशक, संग्रहालय के सब से वरिष्ठ तकनीकी अधिकारी, संग्रहालय के अनुभाग के कार्यभारी के रूप में अधिक सेवा के अनुसार वरिष्ठता निर्धारित की जाएगी,

(xi) क्युरेटर, विक्टोरिया मेमोरियल हाल, कलकत्ता,

(xii) निदेशक, प्रिंस ऑफ वेल्स म्यूजियम ऑफ वेस्टर्न इंडिया, बम्बई।

(xiii) प्रत्येक राज्य सरकार एक प्रतिनिधि नामजद करेगी, जो कि सामान्यतया राज्य संग्रहालय का संग्रहालयध्यक्ष (क्युरेटर) होना चाहिए अथवा संग्रहालय क्षेत्र का कोई सक्रिय व्यक्ति,

(xiv) संग्रहालयों के बारे में विशेष योग्यता रखने वाले तीन व्यक्तियों से अधिक नहीं—जो बोर्ड से जुड़े हों।

(xv) सदस्य सचिव, भारत सरकार द्वारा नामजद किया जाएगा।

टिप्पणी:—'क्युरेटर' शब्द का जहां कहीं भी ऊपर प्रयोग हुआ है, उसका कथन 'निदेशक' से है अथवा संग्रहालय के सब से वरिष्ठ कार्यभारी से है, चाहे उसका पद कुछ भी हो।

4. **पद की अवधि**

(क) उपाध्यक्ष सहित सदस्यों के पद की अवधि, जिनमें अध्यक्ष तथा पदेन-सदस्य और बोर्ड के सचिव शामिल नहीं हैं, नामजदगी की तारीख से तीन वर्ष की होगी अथवा वह थोड़ी अवधि होगी जो बोर्ड की अवधि के साथ-साथ समाप्त हो। अध्यक्ष तथा पदेन सदस्यों की पदावधि तीन वर्ष की होगी अथवा जब तक होगी, जब तक, जिस उत्तम गुण के कारण वे बोर्ड के सदस्य बने हैं—पद ग्रहण करते रहें—जो भी कम हो। सचिव बोर्ड के संस्थापन की तारीख से तीन वर्ष की अवधि के लिए अथवा जब तक सरकार चाहे पद ग्रहण करेगा—इसमें जो भी कम हो। आकस्मिक खाली जगह पर नामजद किए गए सदस्य के पद की अवधि वही होगी, जब तक मौलिक सदस्यता की अवधि समाप्त नहीं होती है।

(ख) नामजद सदस्य पुनः नामजदगी के लिए वांछनीय होंगे।

5. **कार्य**

सम्बन्धित प्राधिकारियों द्वारा निर्दिष्ट संग्रहालयों सम्बन्धी सभी मामलों पर बोर्ड भारत सरकार, राज्य सरकार तथा भारत के संग्रहालयों को सलाह देगी और सामान्यतया संग्रहालयों के सुधार, पुनर्गठन, लोकप्रियता तथा उनके विकास के सम्बन्ध में परामर्श भी देगी।

6. **बैठकें**

जब अध्यक्ष जरूरी समझेगा बोर्ड की बैठक बुलाएगा। परन्तु एक वर्ष में कम से कम एक बैठक होगी। कम से कम एक तिहाई सदस्यों के मांग करने पर विशेष बैठकें भी बुलाई जा सकती हैं, बशर्ते कि मीटिंग संयोजित करने से कम से कम एक माह पहिले, मांग सचिव को अधिग्रहण हो जाती है और प्रबन्ध सम्बन्धी कार्य का स्पष्ट विवरण साथ में शामिल किया जाता है।

7. **बैठकों की सूचना**

सचिव, बैठक से कम से कम 15 दिन पहले, सदस्यों को कार्य सूची के साथ, बैठक की सूचना भेज देगा।

8. **कोरम (गणपूरक संख्या)**

कोरम को वैधानिक रूप देने के लिए कम से कम एक तिहाई सदस्य उपस्थित होंगे। यदि कोरम कम है, तो बैठक स्थगित हो जाएगी। मीटिंग स्थगित करने के लिए कोरम लागू नहीं होगा।

9. **स्थायी तथा तदर्थ समितियां**

(1) बोर्ड स्थायी अथवा तदर्थ समितियां बनाने के लिए स्वतन्त्र होगी और उन व्यक्तियों को, जो बोर्ड के सदस्य नहीं है बल्कि उन्हें उन समस्याओं का—जिन्हें कमेटी जांच के लिये जरूरी समझती है—विशेष ज्ञान तथा अनुभव है, उन्हें तदर्थ समिति की नियुक्ति के लिए बोर्ड को अधिकार होगा,

(2) बोर्ड द्वारा स्थायी समिति के चुनाव के अपूर्ण काम को, पहली स्थायी समिति के ऐसे सदस्य, जो कि नव गठित बोर्ड में लौट आये हैं, समिति के कृत्यों को पूरा करेंगे,

(3) नये सदस्यों की विनियुक्ति अपूर्ण होने से उपर्युक्त पैरा के उपपैरा (xi) के अधीन, पहली बोर्ड से जुड़े सदस्य, नई बोर्ड की पहली बैठक के समाप्त होने तक नई बोर्ड के सदस्य रहेंगे।

10. **विघटन तथा पुनर्गठन**

भारत सरकार की इच्छानुसार किसी भी समय बोर्ड को भंग किया जा सकता है अथवा उसे पुनर्गठित किया जा सकता है।

आदेश

आदेश दिया जाता है कि इस संकल्प की एक एक प्रति सभी सम्बन्धितों को भेज दी जाये।

यह भी आदेश दिया जाता है कि संकल्प सार्वजनिक सूचना के लिए भारतीय गजट में प्रकाशित किया जाए।

पत्तन

दिनांक 28 मार्च 1966

स० 2-पी० जी० (55)/65—भारत सरकार को कांडला पत्तन की 1964-65 की प्रशासन रिपोर्ट प्राप्त हो गई है । रिपोर्ट के मुख्य तथ्यों का पुनर्विलोकन नीचे किया जा रहा है :—

(1) **वित्तीय परिणाम**

(क) **पत्तन निधि**—विचाराधीन वर्ष में पत्तन की राजस्व आय (कनिहारी खाते की आय को छोड़कर) 121.42 लाख रुपये रही । इसकी तुलना में 1963-64 में 114.42 लाख रुपये की आय हुई थी । अधिक आय होने का कारण कुछ तो यह है कि पत्तन खाते के साथ उपनगर खाता मिलाया गया और कुछ यह कि भूमि और इमारतों से अधिक आय हुई ।

(कनिहारी खाते के व्यय को और मूल्य ह्रास निधि राजव आरक्षित निधि और पूंजी खाते के अंशदानों को छोड़कर) विचाराधीन वर्ष में व्यय 82.63 लाख रुपया हुआ । इसके विपरीत 1963-64 में 62.25 रुपया व्यय हुआ । कार्यचालन व्यय (मूल्य ह्रास निधि, राजस्व आरक्षित निधि और पूंजी खाते में रखी गयी राशियों को छोड़कर) सामान्य खाते के अंतर्गत की आय का 68 प्रतिशत रहा, इसके विपरीत गत वर्ष यह राशि 55 थी । खर्च में वृद्धि होने का मुख्य कारण यह था कि निकर्षण, बिजली और जल के बकाया खर्च उपनगर के राजस्व व्यय विलीनीकरण, महंगाई भत्ते में वृद्धि, निर्वाह निधि के व्याज के शेष इत्यादि पर अधिक खर्च हुआ । 1964-65 में मूल्य ह्रास निधि, राजस्व आरक्षित निधि और पूंजी खाते में क्रमश: 55.51 लाख रुपये, 22.50 लाख रुपये और 40.00 लाख रुपये का अंशदान दिया गया ।

(ख) **कनहारी खाता**—1964-65 में कुल आय और व्यय क्रमश: 3.48 लाख रुपया और 2.43 लाख रुपया (मूल्य ह्रास निधि और कनहारी खाते के 8,000 रुपये के अंशदान को छोड़कर) हुआ । इस प्रकार 1.05 लाख रुपये का अधिशेष रहा । 1963-64 में 1 लाख रुपये का अधिशेष था । उस वर्ष कुल आय और व्यय क्रमश: 2.80 लाख रुपया और 1.80 लाख रुपया था ।

(ग) **ऋण**—1964-65 के वित्तीय वर्ष के अंत में पत्तन प्रशासन पर सरकार का 16.77 करोड़ रुपये का ऋण बाकी था । यह ऋण पत्तन प्रशासन को हस्तान्तरित की गई परिसंपत्ति और पूंजीगत कार्यों के खर्च को पूरा करने के लिये दिये गये 22 लाख रुपये के ऋण के कारण हुआ था । इस ऋण राशि में भूतपूर्व कच्छ सरकार से प्राप्त 26.74 लाख रुपये की परिसंपत्ति भी शामिल है ।

(2) **यातायात :**

(क) **व्यापार**—1964-65 में कांडला पत्तन द्वारा हुआ यातायात 1963-64 में हुये यातायात की तुलना में निम्न सारणी में दिया जा रहा है :—

वर्ष	आयात	निर्यात	कुल यातायात
	(लाख मीटरी टनों में)		
1963-64 .	14.91	2.88	17.79
1964-65 .	20.54	2.58	23.12

विचाराधीन वर्ष में पिछले वर्ष की तुलना में 5.63 लाख मीटरी टन यानी 37.8 प्रतिशत अधिक आयात हुआ । अधिक आयात होने का मुख्य कारण यह था कि खाद्यान्न और मशीनों का अधिक आयात हुआ । कच्ची धातु, कपास, ऊनें, इत्यादि की यातायात में कमी होने के कारण 1964-65 में 1963-64 की अपेक्षा 0.30 लाख मीटरी टन कम निर्यात हुआ ।

(ख) **नौवहन**—1964-65 में पाल पोतों को छोड़कर कुल 28.87 लाख टन भार के 343 जहाज इस पत्तन पर आये । इसके विपरीत 1963-64 में कुल 24.26 लाख टन भार के 297 जहाज आये थे ।

27412.64 कुल टन भार का 224.40 मीटर लंबा, 31.26 मीटर घरन वाला और आगे से 9.69 मीटर और पीछे से 9.75 मीटर डुबाव वाला एम० टी० "मोंट बरेनान विक्टरी" नामक जहाज इस पत्तन पर 1964-65 में आने वाले जहाजों में से सब से बड़ा और लंबा जहाज था ।

14462.82 कुल टन भार का 174.65 मीटर लंबा और आगे से 10.11 मीटर और पीछे से 10.11 मीटर डुबाव वाला एस० एम० कोलम्बिया,, नामक जहाज इस पत्तन पर 1964-65 आने वाले जहाजो में से सब से अधिक डुबाव वाला जहाज था ।

(3) **श्रमिक**—1964-65 में श्रमिक स्थिति संतोषजनक बनी रही ।

(4) **पूंजीगत निर्माण कार्य**—विचाराधीन वर्ष में मत्स्य घाट का निर्माण कार्य पूरा किया गया । पांचवीं मालवर्थ निकर्षण को छोड़कर पूरी हो गयी है और इसके फलस्वरूप 1125 फुट पर घाट की और सुविधा हो गयी । भूमि-जल जांच प्रयोगशाला और फोटोग्राफ सैकशन का क्रियाकलाप पूर्ववत् होता रहा । भूमि जांच के अंतर्गत कांडला पर 327 क्वार्टरों के निर्माण के सम्बन्ध में छिद्र किये गये ।

(5) **कल्याणकारी क्रियाकलाप**—विचाराधीन वर्ष में पत्तन अपने कर्मचारियों को इस प्रकार की विभिन्न मुख सुविधायें देता रहा—आवास, क्लब, कान्टीन, चिकित्सा सुविधायें इत्यादि । एक सहकारी उधार समिति की स्थापना की गयी है और वह सफलतापूर्वक कार्य कर रही है ।

(6) विचाराधीन वर्ष में गांधीधाम उपनगर का विकास कार्य संतोषजनक ढंग से होता रहा ।

(7) **सराहना**—सरकार विचाराधीन वर्ष में पत्तन द्वारा किये गये कार्य की सराहना करती है ।

आदेश

आदेश दिया गया है कि इस संस्ताव की एक प्रतिलिपि सभी संबद्धों को भेज दी जाये और इसे भारत के राजपत्र में प्रकाशित कर दिया जाये ।

(Department of Expenditure)

RESOLUTION

New Delhi-2, the 21st March 1966

No. F.3(1)-EV/66.—The Government of India have recently taken several measures to alleviate the distress of families of Central Government servants who die in service. The existing benefits include a Family Pension Scheme which ensures pension for life for the family of a Government servant who dies after a year's service. In case the Government servant had put in a service of at least 7 years prior to his death the family pension is doubled, subject to the limit of half the last pay drawn, for the first few years.

2. There also exists a Compassionate Fund of the Government of India which is intended for the relief of the families of Government servants if they are left in indigent circumstances on account of the premature death of the person upon whom they depended for support. The assistance from the Fund is, however, restricted to those who have not received any other form of death benefits, such as Contributory Provident Fund, gratuity, or family pension. Cases occasionally do arise where, in spite of the death benefits received by the family, the dependents continue to be in indigent circumstances or have special needs for which *ex-gratia* financial assistance is necessary. It has accordingly been decided to modify the Compassionate Fund Rules. The revised Rules are published as Annexure to this Resolution.

ORDER

ORDERED that the Resolution be published in the Gazette of India for general information.

G. C. KATOCH, Jt. Secy.

New Delhi, the 26th March 1966

No. 1493-PTI/66.—The President hereby makes the following further amendments in the rules relating to Postal Life Insurance and Endowment Assurances, namely :—

In the said rules,—

1. For the penultimate sentence of rule 36, the following sentence shall be substituted, namely :—

"As soon as the connection of the insured person ceases with the Government, he should apply to the Postmaster-General for a Premium Receipt Book informing him of the name of the office at which the last premium while in Government service was deducted and the Post Office at which he desires to pay future premia in cash. A copy of this application should also be endorsed to the Postmaster of the place

at which future payments of premia are desired to be made in cash. If the Premium Receipt Book is not received by the time the next premium after his quitting Government service falls due, he should pay the amount by the due date in cash at the selected Post Office producing a certificate from his last Disbursing Officer in the form appended at the end of this rule. In such a case the concerned Postmaster would grant a receipt for the amount in form ACG-67. Subsequent premia will be paid in cash on production of the receipt for the previous month's premium, till the Premium Receipt Book is received by him. Thereafter the due premia shall be paid on production of the Premium Receipt Book and receipts for the amount will then be given only in the Premium Receipt Book.";

2. Rule 37 of the said rules shall be omitted;

3. In rule 38 of the said rules for the word "Director" the word "Postmaster-General" shall be substituted;

4. In rule 42 of the said rules.—

(a) for clause (vi) of sub-rule (1), the following clause shall be substituted, namely :—

"(vi) On the very date the amount of loan is finally repaid, the Postmaster concerned shall send an intimation to the Postmaster-General giving particulars as to the amount repaid, the date of repayment, the name of the insurant and the numbers of his policy and loan account. The insurant is advised in his own interest to send a separate intimation of final repayment of his loan to the Postmaster-General. On receipt of the above intimation, interest chargeable upto the end of the month of final repayment (provided that interest on the loan has already been charged for at least one half-year) shall be calculated by the Postmaster-General and communicated to the insurant under registered post. The insurant shall be required to pay the amount of interest at any Head or Sub Post Office within twenty-one days from the date of issue of intimation by the Postmaster-General".

(b) in sub-rule (2), for the words "The Postmaster-General shall also calculate the amount of loan admissible in respect of the policy on the date of application. In the case of Base, Burma and Defence policies the Postmaster-General shall obtain the loan admissibility report from the Deputy Director, Postal Life Insurance, Calcutta. Thereafter the Postmaster-General shall sanction the loan if admissible, on the conditions stated above.", the following words shall be substituted, namely :—

"He shall also calculate the amount of loan as admissible on the date of application and sanction the loan, if admissible, on the conditions stated above".

The 29th March 1966

No. 1383-*PTI*/66.—The President hereby makes the following rules further to amend the Post Office Savings Bank (Cumulative Time Deposits) Rules, 1959 published with the notification of the Government of India in the Ministry of Finance (Department of Economic Affairs) No. F.3(40)-NS/58 dated the 19th December, 1958.

In the Post Office Savings Bank (Cumulative Time Deposits) Rules 1959, in rule 11(a), between the words "into the account" and "may be allowed", the words "not being an account treated as discontinued under rule 6," shall be inserted.

MINISTRY OF TRANSPORT AND AVIATION

(Department of Transport, Shipping and Tourism)

(Transport Wing)

RESOLUTIONS

New Delhi, the 24th March 1966

CENTRAL INLAND WATER TRANSPORT BOARD

No. 7-IWT(7)/65.—The Government of India attach great importance to the development and expansion of inland water transport which has, an important role to play in the economy of this country. There are immense potentialities for developing inland water transport in India as there are several rivers and canals on which navigational facilities can be provided for the carriage of goods as well as passenger traffic.

A recent review of the inland water transport schemes included in the Third Five Year Plan has revealed that the progress in the execution of these schemes could be expedited.

As many of the schemes relating to inland water transport cover more than one State, close coordination between the State Governments concerned is essential in order to ensure proper planning and execution of these schemes. To achieve this, the Government of India have decided to set up a Central Inland Water Transport Board with the following composition :—

Chairman

1. Secretary, Department of Transport, Shipping and Tourism, Ministry of Transport and Aviation.

Members

2. Member (WR) Central Water & Power Commission, Ministry of Irrigation and Power.
3. Development Adviser, Ministry of Transport and Aviation.
4. Nautical Adviser, Directorate General of Shipping.
5. Chief Surveyor, Directorate General of Shipping.
6. One representative each of the Governments of Assam, West Bengal, Orissa, Bihar, U.P., Maharashtra, Gujarat, Kerala, Madras, Andhra Pradesh and Goa.
7. One representative each of the Ministry of Railways and the Ministry of Defence.
8. Two Technical engineers with experience of inland waterways (to be nominated by the Ministry of Transport and Aviation).

Member-Secretary

9. Chief Engineer (Director), Inland Water Transport Directorate, Ministry of Transport and Aviation.

The Chief Engineer of the State concerned will be co-opted when matters relating to that State are considered.

The functions of the Central Inland Water Transport Board will be as follows :—

(i) to discuss and coordinate matters relating to inland water transport;

(i) to advise the Central and State Governments on problems concerning this mode of transport; and

(iii) to periodically review the progress made in the execution of inland water transport schemes and suggest measures with a view to ensuring their speedy execution.

ORDER

ORDERED that a copy of this Resolution be communicated to the Private and Military Secretaries to the President, the Prime Minister's Secretariat, the Cabinet Secretariat, the Planning Commission and the Ministries of the Government of India as well as the State Governments.

ORDERED also that the Resolution be published in the Gazette of India for general information.

No. 21-T(42)/64.—Dr. V. G. Bhatia, Director, Transport Research in the Ministry of Transport and Aviation (Department of Transport, Shipping & Tourism) has been nominated, with immediate effect, as a member of the Road Transport Taxation Enquiry Committee set up *vide* this Ministry's Resolution No. 21-T(42)/64, dated the 6th September, 1965.

ORDER

ORDERED that a copy of the Resolution be communicated to all concerned and also that it be published in the Gazette of India for general information.

PORTS

New Delhi, the 28th March 1966

No. 2-PG(55)/65.—The Government of India have received the Administration Report of the Port of Kandla for the year 1964-65. The salient features of the Report are reviewed below :—

(1) *Financial Results*

(a) *Port Fund* : The revenue receipts of the port (excluding the Pilotage Account) during the year were 121.42 lakhs as compared with Rs. 114.42 lakhs during 1963-64. A higher receipt figure is partly due to amalgamation of Township accounts with the Port Accounts, and partly due to larger revenues from Lands and Buildings.

The expenditure (excluding that charged to the Pilotage Account and contributions to the Depreciation Fund, Revenue Reserve Fund and Capital Account) during the year under review was Rs. 82.63 lakhs as against 62.25 lakhs in 1963-64. The percentage of working expenses (excluding the amounts transferred to the Depreciation Fund, Revenue Reserve Fund and Capital Account) to income under the General Account was 68 as against 55 in the previous year. The increase in expenditure was mainly due to increased expenditure on dredging, payment of arrears of water and electricity charges, amalgamation of revenue expenditure on township, enhanced dearness allowance, payment of interest on Provident Fund balances etc. The contribution made to the Depreciation Fund, Revenue Reserve Fund and Capital Account were Rs. 55.51 lakhs, Rs. 22.50 lakhs and Rs. 40.00 lakhs respectively, during the year 1964-65.

(b) *Pilotage Account* : The gross income and expenditure during 1964-65 was Rs. 3.48 lakhs and Rs. 2.43 lakhs (excluding a contribution of Rs. 8,000 to the Depreciation Fund in the Pilotage Account), respectively, resulting in a surplus of Rs. 1.05 lakhs. There was a surplus of Rs. 1 lakh in 1963-64, the gross income and expenditure for that year being Rs. 2.80 lakhs and Rs. 1.80 lakhs respectively.

(c) *Debt* : The outstanding debt of the Port Administration at the close of the financial year 1964-65 was Rs. 16.77 crores due to the Government of India on account of assets transferred to the Port Administration and a loan of Rs. 22.00 lakhs advanced to them to finance their Capital works. This also includes an amount of Rs. 26.74 lakhs on account of the assets taken over from the former Government of Kutch.

(2) *Traffic*

(a) *Trade* : The traffic which passed through the Port of Kandla in 1964-65, as compared with that in 1963-64, is indicated in the table below :—

Year	*Imports*	*Exports*	*Total Traffic*
	(In lakhs of Metric tonnes)		
1963-64	14·91	2·88	17·79
1964-65	20·54	2·58	23·12

The imports during the year under report registered an increase of 5.63 lakhs metric tonnes or about 37.8% of the imports of the previous year. This increase was mainly due to increased imports of foodgrains and machinery. The exports in 1964-65 registered a fall of 0.30 lakh metric tonnes as compared with the exports in 1963-64 mainly due to less traffic in ores, cotton, wool etc.

(b) *Shipping* : Excluding sailing vessels, 343 vessels, with a gross tonnage of 28.87 lakhs, entered the port during 1964-65 as against 297 vessels with a gross tonnage of 24.26 lakhs in 1963-64.

M.T. "Mount Vernon Victory" of 27,412.64 tons gross, 224.40 metres length, 31.26 metres beam, 9.69 M. Fore and 9.75 Metres Aft, draft was the biggest and longest vessel that entered the Port during 1964-65.

S.S. "Columbia" of 14,462.82 tons gross, 174.65 Metres length 10.11 M. Fore and 10.11 M. Aft. draft was the deepest vessel that entered the Port during 1964-65.

(3) *Labour*

The labour situation in the port continued to be satisfactory during 1964-65.

(4) *Capital Works*

The construction of a fishing jetty was completed during the year under review. The fifth cargo berth adding 1,125 feet of quayage was completed except for dredging. The activities of the soil and water testing laboratory and the photographic section continued. On the soil testing side, bore holes over the site of construction of 327 quarters at Kandla were taken.

(5) *Welfare activities*

The Port Organisation continued to provide their staff with various amenities such as housing, consumer cooperative stores, educational facilities, clubs, cantcens, medical facilities etc., during the year under review. A cooperative credit society has also been formed and is functioning successfully.

(6) The work of development of the Gandhidham township progressed satisfactorily during the year.

(7) *Acknowledgement*

Government views with appreciation the work of the Port Trust during the year under review.

ORDER

ORDERED that a copy of this Resolution be communicated to all concerned and also published in the Gazette of India.

MINISTRY OF LABOUR, EMPLOYMENT AND REHABILITATION

(Department of Labour and Employment)

RESOLUTION

New Delhi, the 21st March 1966

No. WB-19(2)/65.—In pursuance of the recommendations made in para 25 of Chapter XXVII of the Second Five Year Plan and in para 20 of Chapter XV of the Third Five Year Plan, the Government of India have decided to set up a Central Wage Board for the Leather and leather goods industry.

2. The composition of the Wage Board will be as follows :—

Chairman

Shri M. Sriramamurty.

Independent Members

Shri T. Jiyyar Das.

Dr. D. L. Narayana.

Members Representing Employers

Shri Haji Mohamed Sami.

Shri A. Mohd. Ghouse.

Members Representing Workers

Shri Ramanand Das.

Shri Sailen Paul.

3. The following will be the terms of reference of the Board :—

(a) to determine the categories of employees (manual, clerical, supervisory, etc.) who should be brought within the scope of the proposed wage fixation;

(b) to work out a wage structure based on the principles of fair wages as set forth in the Report of the Committee on Fair Wages; as conditions and problems in Tanneries differ substantially from those in leather and foot-wear industries, the Board shall take into account such differences while making its recommendations, and if necessary evolve separate Wage structures for these two industries.

Explanation : In evolving a wage structure, the Board will take into account, in addition to the considerations relating to fair wages;—

(i) the needs of the industry in a developing economy including the need for maintaining and promoting exports;

(ii) the requirements of social justice;

(iii) the need for adjusting wage differentials in such a manner as to provide incentive to workers for advancing their skill;

(iv) the special features of the leather and leather goods industry; and

(v) the desirability of extending the system of payment by results.

Explanation : In applying the system of payment by results, the Board shall keep in view the need for fixing a minimum (fall-back wage) and also to safeguard against over-work and undue speed.

4. The coverage of the Wage Board will be restricted to establishments employing 20 or more workers.

5. The Board may consider the demands of labour for the grant of interim relief and make recommendations thereon. While recommending such interim relief, the Board will take into account the different levels of wages in various units of the industry.

6. The headquarters of the Board will be located at Madras. The correspondence intended for the Board shall be addressed to the Chairman, Central Wage Board for Leather and leather goods industry. 'Lemon House', No. 5, Venkatanarayana Road, T. Nagar, Madras-17.

MINISTRY OF LABOUR, EMPLOYMENT AND REHABILITATION

(Department of Labour and Employment)

New Delhi, the 29th March 1966

G.S.R. 515.—In exercise of the powers conferred by section 57 of the Mines Act, 1952 (35 of 1952), the Central Government hereby makes, after previous publication and after referring a draft thereof to the Mining Boards constituted under the Act and after giving such Boards a reasonable opportunity of reporting

as to the expediency of making the proposed amendment and as to the suitability thereof, as required by sub-section (1) and (4) of section 59 of the said Act, the following Regulations further to amend the Coal Mines Regulations, 1957, namely:—

1. These regulations may be called the Coal Mines (Amendment) Regulations, 1966.

2. In the Coal Mines Regulations, 1957, in regulation 33,

(a) in sub-regulation (1), the proviso shall be omitted;

(b) after sub-regulation (1), the following sub-regulation shall be inserted, namely:—

"(1A) After such date as the Central Government may notify in this behalf in the Official Gazette, no person shall, except with the previous permission in writing of the Chief Inspector and subject to such conditions as he may specify therein, be appointed or shall continue to act as an engineer or competent person as referred to in sub-regulation (1) of a mine of the type mentioned in column (1) of the table below unless he holds the corresponding qualifications mentioned in column (2) thereof.

TABLE

(1)	(2)
(a) An opencast mine worked by heavy earth-moving machinery in which the aggregate horse power of all the machinery used exceeds 750, or any other mine in which the aggregate horse power of all the machinery used exceeds 300.	A degree or equivalent qualification in mining engineering recognised by the Central Government for the purpose of recruitment to superior posts and services under them, followed by an orientation course in mining machinery approved for the purpose by the Central Government and not less than one year's experience in the installation and maintenance of machinery of the type used in the mine; or A degree or equivalent qualification in electrical and/or mechanical engineering recognised by the Central Government for the purpose of recruitment to superior posts and services under them; and not less than two year's experience in the installation and maintenance of machinery of the type used in the mine; or A diploma or equivalent qualification in electrical and/or mechanical engineering recognised by the Central Government for the purpose of recruitment to the subordinate posts under them and not less than seven years's experience in the installation and maintenance of machinery of the type used in the mine.
(b) Any other mine in which the aggregate horse power of all the machinery used exceeds 150.	A degree or equivalent qualification in mining engineering recognised by the Central Government for the purpose of recruitment to superior posts and services under them, followed by an orientation

(1)	(2)
	course in mining machinery approved for the purpose by the Central Government; or A degree or equivalent qualification in electrical and/or mechanical engineering recognised by the Central Government for the purpose of recruitment to superior posts and services under them; and not less than six months' experience in the installation and maintenance of machinery of the type used in the mine; or A diploma or equivalent qualification in electrical and/or mechanical engineering recognised by the Central Government for the purpose of recruitment to subordinate posts under them; and not less than two year's experience in the installation and maintenance of machinery of the type used in the mine;

Explanation.—For the purpose of this sub-regulation the experience in the installation and maintenance of any mining machinery means such experience obtained in mines or mine workshops approved in this behalf by the Chief Inspector."

(1B) Notwithstanding anything contained in sub-regulation (1A) the Chief Inspector may, by order in writing, specify any qualification in addition to those referred to, in that sub-regulation in respect of a mine or class of mines, if, having regard to the conditions obtaining in such mine or class of mines, he is satisfied that it is necessary to do so in the interests of safety.

[No. 1/36/64-M.I/(8).]

New Delhi, the 1st April 1966

G.S.R. 516.—In exercise of the powers conferred by clauses (d) and (w) of section 58 of the Mines Act, 1952 (35 of 1952), the Central Government hereby makes the following rules, the same having been previously published and referred to every Mining Board concerned as required by sub-sections (1) and (4) respectively of section 59 of the said Act, namely:—

MINES CRECHE RULES, 1966

1. **Short title and application.**—(1) These rules may be called the Mines Creche Rules, 1966.

(2) They shall apply to all coal mines and metalliferous mines to which the Mines Act, 1952, applies.

2. **Definitions**—In these rules, unless the context otherwise requires,—

(a) "competent authority" means, in respect of coal mines, the Coal Mines Welfare Commissioner and, in respect of metalliferous mines, the Chief Inspector of Mines, and includes any person authorised in writing in this behalf by the said Welfare Commissioner in the case of coal mines or by the Chief Inspector in the case of metalliferous mines to perform all or any of the functions of a competent authority under these rules;

(b) "creche" means a room or rooms with ancillary accommodation reserved for the use of children, under six years of age, of women employed in a mine;

(c) "Medical Officer-in-charge" means a qualified medical practitioner employed, whether on a whole-time or part-time basis, by the owner of a mine to perform the duties assigned to such officer by these rules.

3. **Provision of creches.**—(1) Save as otherwise provided in this rule, the owner, agent or manager of every mine (hereafter in this rule referred to as the said person) wherein any women are employed or were employed on any day of the preceding twelve months, shall within such period as may be specified by the competent authority, construct thereat a creche in accordance with the standards prescribed under rule 4:

Provided that where the competent authority is of opinion that the situation, nature and extent of the workings or other places where women are employed are such as to render compliance with the provisions of these rules not reasonably practicable, the competent authority may by order in writing exempt the said person from the provisions of these rules for such period as may be specified in the order subject to the condition that the competent authority may require the provision and maintenance of a suitable room or rooms with an attendant and necessary equipment at or near any working place or part of the mine:

Provided further that if the competent authority is satisfied that by reason of shortage of building material or of labour, the said person is unable to provide within the stipulated period a creche in accordance with the specifications in these rules, that authority may approve of the erection of a temporary structure to be replaced by a permanent structure within such time as he may prescribe.

(2) If the competent authority is of opinion that the conditions in any mine or part thereof are such as to render compliance with the said rule unnecessary, he may by order in writing and subject to such conditions as he may specify therein exempt the mine from the provision of a creche.

(3) If in any case the competent authority is satisfied that no inconvenience will be caused to the employees concerned, if a single creche is provided to serve neighbouring mines, he may authorise by order in writing the owners, agents or managers of such mines to provide jointly a single creche and on such conditions as he may specify in the order.

(4) On the production of a certificate from the Chief Inspector of Mines that the productive capacity of a mine will be exhausted within three years from the date of the certificate, the competent authority may on condition that the said person shall provide a temporary structure to serve the purpose of a creche and on such other conditions as the competent authority deems fit, grant by order in writing exemption from the construction of a creche in accordance with these rules.

(5) Subject to such relaxations as may be considered necessary by the competent authority the provisions of rules 5 to 13 shall also apply to every room or rooms provided under the first proviso to sub-rule (1) and to every temporary structure provided under the second proviso of sub-rule (1) and under sub-rule (4).

4. **Standards for creches.**—(1) There shall be four types of creches according to the number of women employed, namely Type 'A', Type 'B', Type 'C' and Type 'D'.

(2) The plinth areas of different types of creches and the type of creche which shall be provided shall be as specified on Schedule I.

(3) Every creche shall conform to the following standards:—

(i) It shall be contained in one building, built of brick and mortar, adequately lighted and properly ventilated and affording effective protection from all kinds of weather: Provided that, with the previous permission in writing of the competent authority, it may be built of any other material which the said authority may approve.

(ii) It shall be constructed on a suitable site selected by the mine management with the previous approval of the competent authority.

(iii) The flooring shall be of cement or stone and the ceiling shall not be less than 4 metres high from the floor.

(iv) The interior walls shall be lime-washed once in six months and the wood-work shall be painted or varnished once in every three years.

(v) It shall be maintained in a clean and sanitary condition to the satisfaction of the inspection staff:

Provided that the competent authority may permit variations in the standards specified in clauses (iii) and (iv) having regard to local conditions.

5. **Provision of latrines.**—(1) There shall be provided one latrine in each 'A', 'B' and 'C' types of creches and two latrines in each 'D' type of creche:

Provided that a separate latrine or commode shall also be provided in all types of creches, wherever considered necessary by the competent authority, for the use of children affected by any infectious disease.

(2) The latrines shall be kept in a sanitary condition to the satisfaction of the inspecting staff.

(3) The competent authority may permit variations in the standards specified in sub-rule (1) having regard to local conditions.

6. **Provision of bath rooms.**—In very creche there shall be provided a closed bath room with separate space for washing and drying soiled clothes or bed linen. The bath room shall be equipped either with a sink or masonry tubs and the quantity of water to be provided shall be on a scale of at least 15 litres per child attending the creche.

(2) The competent authority may permit variations in the standards specified in sub-rule (1) having regard to local conditions.

7. **Amenities to be provided at creches.**—(1) Medicines for first aid, cradles, cots, beds, linen, bedding, feeding bottles, cooking utensils, toys, furniture and other equipment for the use of children shall be maintained at each creche on the scale specified in Schedule II.

(2) A supply of cool and wholesome drinking water shall be provided for each creche on a scale of at least two litres per child attending the creche.

(3) Milk and diet for children attending creches and clean clothes for the creche staff shall be supplied on the scale specified in Schedule III.

(4) The competent authority may permit variations in the standards envisaged in sub-rules (1), (2) and (3) if considered necessary.

8 **Time when creches shall be kept open.**—The creche shall remain open at all times, both by day and by night when women employees are working at the mine and it shall be properly lighted at night.

9. **Use of the creche.**—The use of the creche shall be restricted to children, their attendants, the supervisory staff and such other persons as may be related to or concerned with children in the creche.

10. **Medical Arrangements.**—(1) A medical examination of the children attending the creche shall be made every month by a qualified medical practitioner and a record of such examinations shall be maintained in Form A.

(2) A medical examination of the nursing mothers attending the creche shall be made once in every two months by a qualified medical practitioner preferably a woman. When the examination is conducted by a male doctor, it shall be made in the presence of the creche nurse. Records of such examination shall be maintained in Form B.

(3) The Medical Officer-in-charge of the mine, or the Welfare Officer of the mine, shall be responsible for the general supervision of the creche.

11. **Provision of staff.**—(1) The owner, agent or manager of a mine shall employ, at every creche, staff on the scale prescribed in Schedule IV:

Provided that only such women as have successfully undergone training as a creche nurse at an institution approved by the Central Government shall be eligible for appointment as a creche-in-charge:

Provided further that in the case of a woman in employment on the 1st June 1965 as creche-in-charge in a mine, this provision may be relaxed with the approval of the competent authority subject to such conditions as may be specified.

(2) Where by reason of temporary absence, illness, or any other similar cause, the full time creche-in-charge is unable to perform her duties, the owner agent or manager of the mine shall authorise in writing any one whom he considers competent to act in her place:

Provided that no such authorisation shall have effect for a period of more than thirty days except with the previous consent of the competent authority.

(3) The creche-in-charge shall ensure that the creche is kept in a clean and sanitary condition, that all children attending it are properly looked after, washed and fed in accordance with the provisions of these rules and that they and the nursing mothers are taught clean and healthy habits.

12. **Maintenance of records**—(1) A register giving particulars of children attending a creche, shall be maintained in Form C.

(2) A register of complaints shall be maintained for inspection by the Medical Officer-in-charge and by the management of the mine.

13. **Inspection of creche.**—A creche may be inspected at any time by the competent authority or by an officer authorised by the said authority for the purpose.

14. **Repeal.**—The Mines Creche Rules, 1959, are hereby repealed except as respects things done or omitted to be done before such repeal

(Price Rs. 1·50).
12	IS: 905-1965 Specification for delivery breechings, dividing and collecting, instantaneous pattern, for fire fighting purposes (*revised*)	IS: 905-1958 Specification for delivery breechings, dividing and collecting, instantaneous pattern, for fire fighting purposes	This standard lays down the requirements regarding materials, shape and dimensions, construction, workmanship and finish, and test of delivery breechings, dividing and collecting, instantaneous pattern, for fire fighting purposes. (Price Rs. 2·00)

(1)	(2)	(3)	(4)
13	IS: 907-1965 Specification for suction strainers, cylindrical and shoe types, for fire fighting purposes (*revised*)	IS: 907-1959 Specification for suction strainers, cylindrical and shoe types, for fire fighting purposes	This standard lays down the requirements regarding materials, shape and dimensions, and construction of suction strainers, cylindrical and shoe types, attached, to suction inlets of hose lines. (Price Rs. 2·00)
14	IS : 908-1965 Specification for fire hydrant, stand post type (*revised*)	IS: 908-1958 Specification for fire hydrant, stand post type	This standard lays down the requirements regarding materials shape and dimensions, construction and test for fire hydrant, stand post type, used for taking water from underground pipe line for (a) fire fighting purposes, (b) cleaning purposes, and (c) serving as an outlet for flushing water mains. (Price Rs. 2·00)
15	IS: 921-1965 Specification for butcher's knives (*revised*)	IS: 921-1959 Specification for butcher's knives	This standard covers the requirements for butcher's knives of the following types : (a) Flaying knife, large; (b) Flaying knife, small; (c) Cutting knife, and (d) Sticking knife. (Price Rs. 2·50)
16	IS: 923-1965 Specification for carving knives (*revised*)	IS: 923-1958 Specification for carving knives	This standard covers the requirements for carving knives. (Price Rs. 2·00)
17	IS: 936-1965 Specification for underground fire hydrant, double valve type (*revised*)	IS: 936-1959 Specification for underground fire hydrant, double valve type	This standard lays down the requirements regarding material, construction, workmanship and finish, testing and inspection of underground fire hydrant, double valve type. (Price Rs. 2·00)
18	IS: 1254-1965 Specification for corrugated aluminium sheet (*revised*)	IS : 1254-1958 Specification for corrugated aluminium sheet	This standard specifies the material, profile, dimensions and finish for corrugated aluminium sheet and covers requirements for : (a) general purpose sheet, (b) industrial sheet, and (c) building sheet. (Price Re. 1·00)
19	IS: 1354-1964 Methods of test for coke—special tests (*revised*)	IS: 1354-1959 Methods of test for coke—special tests	This standard prescribes the methods of test for coke, for the determination of Shatter index, Micum index, Haven stability and hardness factors, bulk density, true specific gravity, apparent specific gravity and porosity. (Price Rs. 4·50)
20	IS : 1370-1965 Specification for friction surface rubber transmission belting (*revised*)	IS : 1370-1959 Specification for friction surface rubber transmission belting	This standard covers the requirements for friction surface rubber transmission belting, that is, fabric belting possessing no distinct rubber cover other than that imparted to the fabric by impregnation with rubber. (Price Rs. 3·00)

(1)	(2)	(3)	(4)
21	IS : 1465-1964 Methods of test for plastic buttons (thermosetting) (*revised*)	IS : 1465-1959 Methods of test for plastic buttons (thermosetting)	This standard prescribes the methods of test for plastic buttons (thermosetting) made from urea formaldehyde, melamine-formaldehyde and phenol-formaldehyde (phenolic) moulding materials. (Price Rs. 1·50)
22	IS : 1539-1965 Specification for cotton yarn, grey, for handlooms (*revised*)	IS : 1539-1960 Specification for cotton yarn, grey for handlooms	This standard prescribes count, count-strength-product (French) and yarn strength index (YSI) of cotton yarn, grey, intended for use in handlooms. This standard covers counts from Nf 1 to Nf 102 (or 500 tex to 5·0 tex). (Price Rs. 2·00)
23	IS: 1885 (Part IV/Sec 1) —1965 Electrotechnical vocabulary Part IV electron tubes and valves section 1 receiving valves	..	This standard covers definitions of terms used in the field of receiving type of electronic valves. (Price Rs. 4·00)
24	IS : 1885 (Part IV/Sec 2) —1965 Electrotechnical vocabulary Part IV electron tubes and valves Section 2 X-ray tubes	..	This standard covers definitions of terms used in connection with X-ray tubes. (Price Rs. 1·50)
25	IS : 1885 (Part VI)—1965 Electrotechnical vocabulary Part VI printed circuits.	..	This standard covers definitions of terms relating to printed circuits. (Price Rs. 1·50)
26	IS : 2032 (Part V)— 1965 Graphical symbols used in electrotechnology Part V generating stations and substations	..	This standard covers graphica symbols concerning generating stations and substations. (Price Re. 1·00)
27	IS : 2032 (Part VI)—1965 Graphical symbols used in electrotechnology Part VI motor starters	..	This standard covers graphical symbols for motor starters. (Price Rs. 1·50)
28	IS : 2244-1965 Glossary of terms relating to treated fabrics	..	This standard prescribes the definitions of terms commonly used in the treated fabrics trade and industry. (Price Rs. 2·50)
29	IS : 2250-1965 Code of practice for preparation and use of masonry mortars	..	This standard covers the preparation and use of cement mortars, cement-lime mortars and their use in masonry work. (Price Rs. 4·50)
30	IS : 2516 (Part I/Sec 1) —1965 Specification for alternating current circuit-breakers Part I requirements section 1 voltage not exceeding 1000 volts	..	This specification covers single-phase and three-phase ac circuit-breakers with rated voltages up to 1000 V and intended for continuous duty for use in those parts of the system where marked as symmetry in the short-circuit current is not expected and where transient recovery voltage conditions are not severe. (Price Rs. 5·50)

(1)	(2)	(3)	(4)
31	IS : 2516 (Part II/ Sec 2) —1965 Specification for alternating current circuit-breakers Part II tests Section 2 voltage above 1000 up to and including 11000 volts	IS: 1539-1960 Specification for cotton yarn, grey for handlooms	This standard specifies the methods of test for ac circuit-breakers of voltage above 1000 V up to and including 11000 V. These tests are applicable to new circuit-breakers only. (Price Rs. 7·00
32	IS : 2532-1965 Specifica- for hard-drawn copper wire for telegraph and telephone purposes	..	This specification covers the requirements for hard-drawn solid circular copper conductors for telegraph and telephone purposes. (Price Rs. 2·00)
33	IS : 2543-1964 Specification for cellulose acetate moulding and extrusion materials	..	This standard prescribes the requirements and the methods of sampling and test for cellulose acetate moulding and extrusion materials with or without the addition of dyes and pigments. (Price Rs. 6·00)
34	IS : 2702-1965 Method for determination of thermal resistance of textile fabrics guarded hot-plate method	..	This standard prescribes a method for determining the thermal resistance of textile fabrics (Price Rs. 1·50)
35	IS : 2720 (Part XXI)—1965 Methods of test for soils Part XXI determination of total soluble solids	..	This standard lays down the determination of total soluble solids in soils both by gravimetric method which has been specified as the standard method and conductimetric method which has been specified as a subsidiary method. (Price Rs. 1·50)
36	IS : 2720 (Part XXII) - 1965 Methods of test for soils Part XXII determination of organic matter	..	This standard lays down the method for determining the percentage by weight of the organic matter present in soils. (Price Rs. 1·50)
37	IS : 2817-1965 Methods for sampling of coated abrasives	..	This standard prescribes methods of sampling and the criteria for conformity of coated abrasives. (Price Rs. 1·50)
38	IS : 2898-1965 Specification for chromium alloy steel balls	..	This specification lays down the requirements for high carbon chromium alloy steel balls, used in ball bearing industry. This standard excludes corrosion resistant and case-hardened steel balls (Price Rs. 3·00)
39	IS : 2913-1964 Recommendation for determination of flow in tidal channels	..	This recommendation which would form a supplement to IS : 1192-1959 velocity-area methods for measurement of flow of water in open channels deals with the methods for determination of flow in tidal channels. (Price Rs. 5·00)

(1)	(2)	(3)	(4)
40	IS: 2951 (Part I)— 1965 Recommendation for estimation of flow of liquids in closed conduits Part I head loss in straight pipes due to frictional resistance	IS :1539-1960 Specification for cotton yarn, grey for handlooms	This standard recommends a method for estimating the loss of head due to friction in straight pipes having uniform flow of liquids. (Price Rs. 5·00)
41	IS: 2952 (Part I)—1964 Recommendation for methods of measurement of fluid flow by means of orifice plates and nozzles Part I incompressible fluids.	..	This standard details the recommendations for measurement of fluid flow by means of orifice plate or nozzle placed in a pipe line in the case of incompressible, non-pulsating, single phase flows. This standard also describes the shape and method of use, of certain of these devices on which direct calibration experiments have been made, sufficient in number and quality to enable coherent systems of use to be based on their results. (Price Rs. 6·00)
42	IS: 2989-1965 Specification for keys for lathe chucks.	..	This standard covers the requirements for keys required for lathe chucks. (Price Rs. 2·00)
43	IS: 3006-1965 Specification for chemically resistant salt-glazed stoneware pipes and fittings.	..	This standard lays down the material and performance requirements for the following chemically resistant salt-glazed stoneware pipes and fittings : (a) Straight pipes (b) Fittings : (1) Taper pipes; (2) Bends; (3) Taper bends ; (4) Junctions; (5) Half-section channels, straight and taper; (6) Channel junctions; (7) Channel bends; (8) Channel interceptors; (9) Gully traps; and (10) Inspection pipes. (Price Rs. 5·50)
44	IS: 3007 (Part II)—1965 Code of practice for laying of asbestos cement sheets Part II semi-corrugated sheets.	..	This standard lays down the method of laying and fixing unreinforced semi-corrugated asbestos cement sheets used as coverings for roofs. (Price Rs. 5·00)
45	IS: 3030-1965 Recommendations for letter symbols, signs and abbreviations used in chemical engineering.	..	This standard deals with the letter symbols and abbreviations used in chemical engineering and also with the modifying signs that are used with these symbols (Price Rs. 6·00)
46	IS: 3042-1965 Specification for single faced sluice gates (200 to 1200 mm size)	..	This specification covers single faced sluices from 200 to 1200 mm sizes of different shapes with rising (sliding) and non-rising (rotating) spindles. (Price Rs. 5·00)

(1)	(2)	(3)	(4)
47	IS:3079-1965 Code of practice for fire safety of industrial buildings; cotton textile mills.	..	This standard covers the essential requirements for the fire safety of textile mills using cotton, waste, regenerated cellulose, man-made fibres or any grouping of these as raw materials. (Price Rs. 3·00)
48	IS:3082-1965 Specification for hexagonal keys for socket head screws.	..	This standard covers the requirements of hexagonal keys required for tightening and loosening hexagonal socket head screws. (Price Rs. 1·50)
49	IS:3093-1965 Specification for dah, jungle cutting.	..	This standard covers the requirements and tests for the dah mostly used for cutting trees and the jungle growth. (Price Rs. 1·50)
50	IS:3104-1965 Specification for density hydrometers.	..	This standard prescribes the requirements and the methods of tests for hydrometers meant for determining density of liquids in g/ml) at 27 C. (Price R 4·00)
51	IS:3129-1965 Specification for particle board for insulation purposes.	..	This standard covers the essential requirements of insulation type of particle boards. (Price Rs. 2·00)
52	IS:3136-1965 Specification for polycrystalline semiconductor rectifier equipment.	..	This standard lays down the requirements and the tests applicable to the rectifier equipment using polycrystalline semiconductor rectifier stacks and used for supplying D C power from AC sources at frequencies up to 2 000 c/s. (Price Rs. 5·50)
53	IS:3137-1965 Specification for Indian multipurpose food flour.	..	This standard prescribes the requirements and the methods of test for Indian multipurpose food flour. (Price Rs. 6·00)
54	IS:3142-1965 Specification for V-grooved pulleys for V-belts-groove sections, A, B, C, D and E.	..	This standard covers the general requirements for V-grooved pulleys of groove sections A, B, C, D and E for V-belts. (Price Rs. 4·00)
55	IS:3144-1965 Methods of test for mineral wool thermal insulation materials.	..	This standard prescribes the methods of sampling and test for mineral wool thermal insulation materials. (Price Rs. 6·00)
56	IS:3164-1965 Specification for oil pressure lamps, hanging type.	..	This standard specifies the requirements for two sizes of hanging type oil pressure lamps of 400 and 200 candeles burning kerosine under a working pressure not exceeding 2·0 kgf/cm². (Price Rs. 3·00)

(1)	(2)	(3)	(4)
57	IS:3172-1965 Specification for banjo connections for fuel injections equipment for diesel engines.	..	This standard deals with the requirements of banjo connections used for connecting low pressure pipe lines for fuel injection equipment for diesel engines. (Price Rs. 1·00)
58	IS:3173-1965 Specification for high pressure connections for fuel injection equipment for diesel engines.	..	This standard specifies the dimensions and other requirements for high pressure connections, such as connecting stud, cap nut, and nipple ends of pipe of type A and type B (SMMT type) and pressure washer, used for connecting fuel injection equipment in diesel engines. (Price Rs. 2·00)
59	IS:3174-1965 Specification for banjo bolts for fuel injection equipment for diesel engines.	..	This standard specifies the dimensions and other requirements of banjo bolts of the following types, for connecting banjo connections in fuel injection equipment for diesel engines : (a) Type A (2 holes), and (b) Type B (4 holes). (Price Rs. 1·00)
60	IS : 3175-1965 Specification for copper washers for fuel injection equipment for diesel engines.		This standard Specifies, the dimensions and other requirements of copper washers for use with fuel injection equipment for diesel engines. (Price Re. 1·00).
61	IS:3177-1965 Code of practice for design of overhead travelling cranes and gantry cranes other than steel work cranes.	..	This code covers mechanical electrical, inspection and testing requirements relating to the design, manufacture and erection of overhead travelling cranes and gantry cranes. (Price Rs. 6·50)
62	IS:3179-1965 Specification for feeler gauges (0·03 to 1 mm).	..	This specification applies to feeler gauges, comprising a series of gauging blades of graded thicknesses, assembled in a protective sheath from 0·03 mm to 1 mm. (Price Rs. 1·00)
63	IS : 3183-1965 Specification for saw-toothed wire for licker-incylinder.	..	This strandard prescribes the requirements for conventional type of saw-toothed wire for licker-in cylinder of revolving flat carding engine. (Price Rs. 1·00)
64	IS : 3184-1965 Specification for kelim (woollen drugget) for export	..	This standard prescribes constructional details and other particulars of 3 varieties of hand-made kelim (woollen drugget) for export. (Price Rs. 2·00)
65	IS : 3185-1965 Specification for 'V' blade hand hoe.	..	This standard prescribes the requirements for the 'V' blade hand hoe used for intercultivation in between row crops. (Price Rs. 2·00)

1	2	3	4
66	IS : 3189 1965 Specification for high speed jute bobbins.	..	This standard prescribes dimensions and tolerances, in respect of three sizes of high speed jute bobbins for use on jute spinning frames Bobbins conforming to this standard are suitable for use on jute spinning frames having a pitch of 140 and 108 mm. (Price Rs 1.50)
67	IS : 3200-1965 Methods of chemical analysis of cryolite.	..	This standard covers methods of chemical analysis of Elourine and other constituents of cryolite. (Price Rs. 3·50)
68	IS : 3204-1965 Specification for limestone for chemical industries.	..	This standard prescribes the requirements and the methods of sampling and test for limestone for chemical industries, such as soda ash, caustic soda, calcium carbide, bleaching powder, bleach liquor, pulp and paper, yarnishes, textiles and sugar. It also covers sea-shells and calcite, a crystalline form of naturally occurring calcium carbonate. (Price. Rs. 2·00)
69	IS : 3215-1965 Specification for engineers' drawing instruments, handles.	..	This standard covers the requirements of handles for engineers drawing instruments (Price Rs 1·00)
70	IS : 3228-1965 Specification for musk ketone	..	This standard prescribes the requirements and the methods of sampling and test for musk ketone. The material is generally used as a fixative in perfume compositions (Price Rs 1·50)
71	IS : 3229-1965 Specification for naphthionic acid (sodium salt)	..	This standard prescribes the requirements and the methods of sampling and test for sodium salt of naphthionic acid. (Price Rs 2 50)
72	IS : 3230-1965 Recommendations for tapping drill sizes	..	This standard gives the recommended sizes of tapping drills suitable for drilling holes in commonly used materials for tapping internal metric threads with ISO profile conforming to the dimensions specified in IS : 1362-1962 dimensions for screw threads for general purposes (diameter range 1 6 to 39 mm) (*revised*) (Price Rs 2·00)
73	IS : 3234-1965 Specification for conical fitting for hypodermic syringes, needles and other medical equipment, luer type	..	This standard specifies the requirements for conical fittings, with 6 percent taper (Luer) for hypodermic syringes, needles and other medical equipment (Price Re.1·00)
74	IS : 3239-1965 Specification for die holder for circular thread cutting dies.	..	This standard covers the requirements of die holders suitable for holding circular thread cutting dies conforming to IS : 1859-1962 specification for thread cutting dies. (Price Rs. 1 50)

(1)	(2)	(3)	(4)
75	IS : 3240-1965 Specification for garlic.		This standard prescribes the requirements for garlic (*allium sativum L*) (Price Rs. 1·50)
76	IS : 3241-1965 Specification for geranyl acetate.	..	This standard prescribes the requirements and the methods of sampling and test for the material commercially known as geranyl acetate. (Price Re. 1·00)
77	IS : 3242-1965 Specification for B-oxynaphthoic acid (bon acid)	..	This standard prescribes the requirements and the methods of sampling and test for B-oxynaphthoic acid. (Price Rs. 3·00)
78	IS : 3252-1965 Specification for shroud-laid cotton line.	..	This standard prescribes the requirements for cotton line of 3, 6, 13, 16 and 19 mm sizes. (price Rs. 3·00)
79	IS : 3253-1965 Specification for hawser-laid nylon rope for mountaineering purposes.	..	This standard prescribes requirements for hawser-laid nylon ropes of 25 and 32 mm sizes (circumference) used for mountaineering purposes. (Price Rs. 2·50)
80	IS : 3254-1965 Specification for silk sewing thread for parachutes.	..	This standard prescribes constructional details and other particulars of three varieties of silk sewing therad, undyed or dyed, used mainly for stiching parachute canopies. (Price Rs. 3·50)
81	IS : 3255-1965 Specification for cotton tapes for parachutes.	..	This standard prescribes constructional details and other particulars of 4 varieties of cotton tapes, scoured, used in supply-dropping parachutes. (Price Rs. 2·00)
82	IS : 3256-1965 Code for inland packaging of ropes and cordages.	..	This code prescribes the method of packaging of ropes and cordages made from natural and man-made fibre and filaments in tended for inland markets. (Price, Re. 1·00)
83	IS : 3257-1965 Specification for stainless steel compartmental trays.	..	This standard lays down the general requirements for compartmental trays, both round as well as rectangular, made of stainless steel. (Price Rs. 1·50)
84	IS : 3258-1965 Specification for stainless steel serving utensils.	..	This standard lays down the requirements for service trays (rectangular, oval and round), entree dishes (oval and round) and jugs. (Price Rs. 2·50)
85	IS : 3263-1965 Specification for waxed paper for confectionery.	..	This standard prescribes the requirements and the methods of test for waxed paper, intended for use for packaging confectionery and allied materials. (Price Rs. 1·50)

(1)	(2)	(3)	(4)
86.	IS : 3264-1965 Dimensions for diamond grinding wheels.	..	This standard specifies the dimensions and the tolerances for diamond grinding wheels of the following types in metallic and resinoid bonds : (a) Straight cup wheels, (b) Double cup wheels, (c) Taper cup wheels, (d) Dish wheels, (e) Peripheral wheels, (f) Cut-off wheels, and (g) Chip breaker wheels. (Price Rs. 3·00)
87.	IS : 3265-1965 Specification for weft pirns (taper fit) for use in shuttles for plain calico looms.	..	This standard prescribes requirements of weft pirns (taper fit) for direct spinning of cotton and staple fibre yarns for use in shuttles for plain calico looms. (Price Rs. 4·50)
88.	IS : 3286-1965 Specification for round grease tins.	..	This standard prescribes the requirements for round built-up containers manufactured from tinplate, used primarily for packing grease, in three sizes, namely, 2 kg., 1 kg. and 0·5 kg. (Price Rs. 1·50)
89.	IS : 3288 (Part I)-1965 Glossary of terms for copper and copper alloys Part I general.	..	This standard is intended to define the terms commonly used in the different production units of copper and copper alloys. (Price Re. 1·00).
90.	IS : 3290-1965 Specification for thread take up levers for cam type sewing machines for household purposes.	..	This standard lays down the requirements for two types of thread take up levers for cam type sewing machine used for household purposes. (Price Rs. 2·00).
91.	IS : 3292-1965 Specification for three tined hand hoe, fixed type.	..	This standard prescribes the requirements for the three tined hand hoe of the fixed type used for interculture in between the rows of crops or vegetables. (Price Rs. 1·50)
92.	IS : 3293-1965 Specification for levelling karaha (*keni*), animal drawn.	..	This standard prescribes the requirements for two types of the levelling KARAHA commonly used for shaping of the land and forming large bunds and terraces. (Price Rs. 2·00)
93.	IS : 3297-1965 Specification for water-resistant vegetable tanned sole leather.	..	This standard prescribes the requirements and methods of tests for water-resistant vegetable tanned sole leather. (Price Rs. 1·50)
94.	IS : 3299-1965 Specification for oscillating rock shafts for sewing machines for household purposes.	..	This standard lays down the requirements for two types of oscillating rock shafts, for sewing machines for household purposes. (Price Rs. 2·00)

(1)	(2)	(3)	(4)
95.	IS : 3300-1965 Specification for mounted points.	..	This standard specifies the preferred dimensions for mounted points. (Price Rs. 3·00)
96.	IS : 3301-1965 Specification for green manure tramples, animal drawn.	..	This standard prescribes the requirements for the two types of the green manure trampler used for trampling and pressing green manure crops in fields and drawn generally by a pair of animals. (Price Rs. 2·50)
97.	IS : 3302-1965 Specification for backing sheet for stencil.	..	This standard prescribes the requirements and the methods of test for backing sheet for stencil. (Price Re. 1·00)
98.	IS : 3303-1965 Specification for paper for match boxes.	..	This standard prescribes the requirements and the methods of sampling and test for paper for match boxes made on automatic machines. (Price Re. 1·00)
99.	IS : 3310-1965 Specification for single raw cotton seed drill, animal drawn.	..	This standard prescribes the requirements for the single raw cotton seed drill used mainly in the areas where cotton is grown, and drawn generally by a pair of animals. (Price Rs. 2·00)
100.	IS : 3311-1965 Specification for waste plug and its accessories for sinks and wash-basins.	..	This standard covers the requirements for materials, manufacture, construction, testing and finish of waste plug, chain and stay suitably for use in wash-basins and sinks. (Price Re. 1·00)
101.	IS : 3314-1965 Specification for metal clothes lockers.	..	This standard covers the requirements for materials, size, construction and finish of metal clothes lockers with hinged doors for lockers. (Price Rs. 1·50)
102.	IS : 3315-1965 Specification for evaporative air coolers (desert coolers).	..	This standard covers the nominal capacities, constructional and performance requirements and methods of testing evaporative air coolers. (Price Rs. 2·00)
103.	IS : 3321-1965 Specification for formaldehyde solution.	..	This standard lays down the requirements and the methods of sampling and test for formaldehyde solution and also meets the requirements for processing of photosensitized materials. (Price Rs. 2·00)
104.	IS : 3323-1965 Specification for bi-pins lampholders for tubular fluorescent lamps.	..	This standard lays down the dimensional, safety and performance requirements of medium bi-pins lampholders for use with tubular fluorescent lamps for general lighting service fitted with G 13 bi-pin caps. (Price Rs. 4·50)

(1)	(2)	(3)	(4)
105	IS : 3324-1965 Specification for holders for starters for tubular fluorescent lamps.	..	This standard lays down the dimensional safety and performance requirements of holders for two-pin type starters. (Price Rs. 4·50).
106	IS : 3325-1965 Code for inland packaging of cotton hosiery yarn and goods.	..	This code prescribes the method of packaging of cotton hosiery yarn and goods for inland markets. (Price Rs. 1·50).
107	IS : 3326-1965 Specification for cotton stockinette.	..	This standard prescribes the constructional particulars and other requirements of scoured stockinette. (Price Rs. 2·00).
108	IS : 3327-1965 Specification for paddy thresher, pedal operated.	..	This standard prescribes the requirements and the method of test for the pedal operated paddy thresher used to separate grains from the harvested crops. (Price Rs. 2·00).
109	IS : 3328-1965 Quality tolerances for water for swimming pools.	..	This standard prescribes the quality tolerances for water used in swimming pools of continuous circulation type. (Price Rs. 1·50).
110	IS : 3330-1965 Specification for wool-cotton vests.	..	This standard prescribes the constructional details and other particulars of scoured, bleached or dyed, plain knitted wool-cotton vests, round neck with sleeves. (Price Rs. 3·00).
111	IS : 3332-1965 Specification for nickel silver strip and foil for telecommunication purposes.	..	This standard covers the following two grades of wrought nickel silver in the form of cold rolled strip of width up to 30 cm and thickness from 0·16 mm up to and including 3·15 mm, and cold rolled foil of width up to 30 cm and thickness from 0·06 mm up to and including 0·16 mm. : (*a*) CuNi 18Zn27 (*b*) CuNi 12Zn25. (Price Rs. 2·50).

S.O. 1123—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Industrial Tribunal, Chandigarh in respect of an industrial dispute between the management of the Central Bank of India Limited and their workmen which was received by the Central Government on the 23rd March, 1966

BEFORE SHRI K. L. GOSAIN, PRESIDING OFFICER INDUSTRIAL TRIBUNAL, CHANDIGARH

REFERENCE No. 6/C OF 1966.

between

The employers in relation to the Central Bank of India Ltd. and their workmen.

PRESENCE:

Shri Ram Karan Gupta workman concerned with Shri A. L. Chopra Deputy General Secretary Central Bank of India Employees Union.

Nemo for the Management.

AWARD

An industrial dispute having come into existence between the employers in relation to the Central Bank of India Ltd. and their workmen in respect of the matters specified below, the Government of India, Ministry of Labour and Employment, New Delhi, passed the requisite orders under Section 7/A read with clause (d) of Sub-Section (1) of Section 10 of the Industrial Disputes Act, 1947, and referred the said dispute for adjudication to this Tribunal *vide* Government of India, Ministry of Labour and Employment Order No. 51(34)/65-LRIV, dated the 31st August, 1965.

1. Whether the Management of the Central Bank of India Limited was justified in treating Shri Ram Karan Gupta only as a temporary employee and in subsequently terminating his services with effect from 30th May, 1964?

2. If not, to what relief is the employee entitled?

Usual notices were issued to the parties and in response to the same the workmen filed their statement of claim and the management filed their written statement to the same. The two Issues which arose in the case were precisely the same as the two items in dispute. The parties were called upon to lead their evidence in respect of the said Issues. On the date when the said evidence was to be led i.e. on 16th March 1966 the workman concerned made a statement before me that he and the management had mutually settled the dispute and that the management had taken him back in service. He stated that the demands covered by the two items of dispute may be dismissed as having been satisfied. Mr. A. L. Chopra Deputy General Secretary of the Labour Union, at whose instance the reference had been made also made a similar statement. The workmen did not lead any evidence in view of the fact that the demands had been satisfied. The demands are, in these circumstances, dismissed as having been satisfied. No order as to costs.

PRESENT:

Shri L. P. Dave—Presiding Officer.

APPEARANCES:

On behalf of employers—Shri D. Basu Thakur.

On behalf of workmen—Shri P. K. Sanyal, Advocate.

STATE: West Bengal. INDUSTRY: Port & Dock.

AWARD

The Government of India, Ministry of Labour and Employment, by their Order No. 28/97/64/LR.IV, dated 26th December 1964, have referred the industrial dispute existing between the employers in relation to the Calcutta Licensed Measurers and their workmen in respect of the four matters specified in the schedule annexed to the order for adjudication to this Tribunal.

2 Though the above order was passed in December 1964, it was received by this Tribunal only in April 1965 because it was, through mistake, delivered to the West Bengal Industrial Tribunal and was later on transferred here. In response to notices issued by the Tribunal, the parties filed their written statements. At the hearing, neither party led any oral evidence. Actually, in the course of arguments, there was agreement between the parties on various points and the parties agreed that I should pass an award accordingly.

3 There are four points referred to for decision to this Tribunal. I shall take them up one by one.

(i) Whether workmen shall be allowed the facility of pre-fixing Sunday or Holiday to leave?

This question relates to the facility of pre-fixing Sundays and Holidays to the privilege leave which may be granted to the workmen. Such facility is usually granted everywhere and there is no reason why such a facility should be denied here. Actually the only ground on which the employers resisted this claim was on the ground that they have a system of fixing work by roster which begins on a Sunday and ends on a Saturday. I was told that if workmen were allowed to fix Sundays or Holidays to their privilege leave, their roster may be upset. I am not able to understand or appreciate this point because if a workman goes on leave, other arrangement will have to be made in his place and this arrangement will, if the facility of prefixing Sunday or Holiday to leave is granted, have to be done a day or so earlier. Actually in the course of arguments, Shri Basu Thakur who appeared on behalf of the employers said that they were not quite sure how far their roster would be affected by this facility. He agreed that this facility may be granted if the employers were allowed to change the roster, if they thought it necessary to do so. Assignment of work to different workmen, and fixing of the roster for the purpose, and questions of internal management; and it is the right of the employer to do so. I see no reason why they should not be allowed to change the roster if they think fit, provided, of course, they do so according to rules and do not infringe any of them At the same time, if the change is likely to cause hardship to one or more workmen, I am sure, the employers will consider the hardship if a representation is made to them and try to evolve a suitable solution. I hold that the workmen should be allowed the facility of pre-fixing Sunday or Holiday to leave.

(ii) What should be the rules in respect of borrowings from the Compassionate Fund?

4. The dispute on this point is regarding the amount that a person can borrow from the Compassionate fund I am told that the workers are in fit cases, granted a loan equal to one month's salary. The employers interpret salary to mean basic pay, while the workmen urge that it should be both basic pay and dearness allowance combined. In other words, the dispute is whether the loan should be equal to one month's basic salary or whether it should be equal to one month's basic salary and dearness allowance.

5 Getting of a loan is not a matter of right and this was conceded before me. It was conceded that for instance if there was no balance in the Compassionate fund, the employers could refuse granting of any loan. Further even if the persons are entitled to ask for a loan, it would be within the right of the employers to fix the amount of the loan. The only ground on which the workmen claim that the loan should be not only equal to basic salary but equal to basic salary and dearness allowance is that clerks are given a loan equal to basic salary and dearness allowance combined.

6 In this connection, it may be noted that the earnings of clerks are much lower than the earnings of the workmen covered by the present reference The

clerks would, therefore, have greater need of a loan. Again, as their basic salary is lower, if the loan is only equal to basic pay, it may not be sufficient for their purpose. If clerks are given a loan equal to their basic salary and dearness allowance, that would be no reason why the present employees whose total emoluments are much higher and whose basic pay is also much higher should claim the same privilege. The amount of a loan would depend on the necessity and earnings of a worker. In all these circumstances, I think that the workmen covered by this reference cannot claim that they should be allowed to borrow a sum equal to one month's basic pay and dearness allowance combined. In my opinion, the present practice by which the loan is limited to one month's basic pay should continue.

(iii) Whether the management is justified in imposing the condition that the employees should obtain prior permission of the Superintendent or the Supervising Staff on duty for moving outside the Dock area during lunch and dinner breaks?

7. The workmen have to work in three shifts. The first shift is from 6.30 A.M. to 3.30 P.M. and the second shift from 3.30 P.M. to 10.30 P.M. and the third from 10.30 P.M. to 6.30 A.M. It is an admitted fact that workmen in the first shift are given a break of one hour for taking lunch while workmen in the second and third shifts get a break of half an hour for taking dinner. These breaks are known as meal breaks. The employers say that during this break, the workmen should not leave the dock area without the prior permission of the Superintendent or the Supervising staff on duty. The workmen, on the other hand, urge that as they are entitled to the break or recess, there should be no such rule requiring permission from time to leave the dock area.

8. It is an admitted fact that sometimes during an emergency or pressure of work, the workmen may have to be called upon to work even during the meal break, that is, the recess period. If a workman goes outside the dock area, it may not be possible to reach him or to inform him about his attending work immediately. In my opinion, it would meet the ends of justice if instead of the workmen being required to take prior permission to move outside the dock area during the lunch and dinner breaks, they are required to give prior intimation in writing as to where they are going during the lunch or dinner break. It would, in case of necessity, facilitate the employers in calling them from wherever they may be.

9. In this connection, I was told that this privilege may be abused by the workmen by overstaying the period of the lunch or dinner break and they may return for work late. In a case of that type, the employers would be at liberty to take such disciplinary action as they think fit and as may be permissible under the rules.

(iv) Whether salary paid shall include allowances or not when the second shift volunteer works upto 7.30 P.M. and attends duty on the next day?

10. If a workman who is on duty on the first shift from 6.30 A.M. to 3.30 P.M. is required to work in the second shift also, he gets certain privileges. If he works for the whole of the second shift, that is, from 3.30 P.M. to 10.30 P.M. he gets volunteer fees and also gets a paid day off for the next day. If on the other hand, he is required to work only from 3.30 P.M. to 7.30 P.M., he has to work during his usual shift on the following day and all that he gets is one half of his volunteed fee for the first day and an allowance equal to one half of his basic pay for the next day. What the workmen want that if he is required to work for the second shift upto 7.30 P.M., he should be paid not only one half of his basic salary for the next day but he should also be paid one half of his dearness allowance for that day.

11. I may here refer to an agreement dated 31st March 1963 entered into between the parties before the Conciliation Officer (Central), Calcutta. Under the terms of this agreement, the parties had agreed *inter alia* that the said agreement was to be binding on them for five years from 1st April 1963 to 31st March 1968 and that during this period the workmen were not to make any economic demand on the employers. It may be noted that the demand of the workmen on this point amounts to their claiming an amount equal to half days dearness allowance in addition to what they are getting now, in case they are required to work from 3.30 P.M. to 7.30 P.M. in the second shift after having worked during the whole of the first shift. In other words, this involves an economic demand.

When this was pointed out to Shri Sanyal who appeared on behalf of the workmen, he very fairly gave up his claim for the present. In view of this, I am not expressing any opinion on the merits of this point.

Parties will bear their own costs.

I pass my award accordingly.

(Sd.) L. P. DAVE,
Presiding Officer.

Dated,
The 17th March, 1966.

B. V. VORA
Joint Textile Commissioner

Bombay-1, the 26th March 1966

No. CER/1/66—In exercise of the powers conferred on me by Clause 22 of the Cotton Textiles (Control) Order, 1948, I hereby direct that the following further amendment shall be made in the Textile Commissioner's Notification No. S.O. 3656, dated the 13th October, 1964, namely :—

In the said Notification :—

I. In paragraph 1,

(1) in Sub-paragraph (ii), after the second proviso, the following proviso shall be added, namely :—
"Provided further that the maximum ex-factory price of "Dhoti", "Saree", "Longcloth", "Shirting", and "Drill" produced by a producer having a spinning plant and packed after the 31st March, 1966, shall be as calculated in accordance with the formulae contained in Schedule AIII annexed hereto."

(2) For sub-paragraph (iii) the following sub-paragraph shall be substituted, namely :—
"(iii) the maximum retail price of the aforesaid varieties of cloth packed till the 31st March 1966 (inclusive) shall be 18 per cent over the ex-factory price and packed after the 31st March 1966 shall be 20 per cent over the ex-factory price."

II. In paragraph 2, after the second proviso, the following proviso shall be added, namely :—

"Provided further that where any such cloth is subjected, after sale, after the 31st March, 1966, to further processing by a processor, the maximum ex-factory price of such cloth processed by the processor, shall be the maximum ex-factory price stamped on the cloth, increased by the processing charges specified in Part III of Schedule AIII annexed hereto."

III. In the Schedule, after Schedule AII, Schedule AIII shall be inserted.

N.B.:— This Schedule gives the constructional particulars in English count. (*i*) Mills have since been asked to switch over to the English count. Where, however, mills use yarn in stock spun under the French count system, the French counts of yarn used in the warp and weft of the cloth should be indicated in the 'C' Form with the corresponding English count rounded off to the nearest quarter count in brackets; 0·126 and up to 0·375 to be taken as 0·25; 0·376 and up to 0·625 to be taken as 0·50; 0·626 and upto 0·875 to be taken as 0·75 and 0·876 and upto 0·999 to be taken as 1·00. The weight of yarn in the cloth should be calculated on the basis of French count in the case of mills who have switched over to the French count system.

(*ii*) The adjustment for count variation for Mills adopting the French count system shall be made by taking the total of warp and weft counts as rounded off in the manner specified in (*i*) above. From the total figure as arrived at fractions shall be omitted.

PART II

ADJUSTMENTS TO THE BASIC GREY REALISATION MULTIPLIER

I. *Cotton Adjustments*

1. *Group I*—For manufacture of qualities with warp counts 9s to 12s in Group I reduce the multiplier by 10 paise per kg. of total yarn woven, with the count variation applicable to the group.

2. *Group III*—For manufacture of qualities with 17s to 19s warp counts reduce the multiplier for Group III by 8 paise per kg. of total yarn woven, with the count variation applicable to the Group.

3. *Groups IV and V*—(a) Qualities with warp counts 23s to 27s will be linked to Group IV with an increase in the multiplier by 38 paise per kg of yarn for *warp only*, with the count variation applicable to the group.

(b) Qualities with weft counts 31s to 33s will be linked to either Group IV or Group V according to the permissible warp counts. An increase of 38 paise per kg. of weft yarn woven in the fabric will be allowed over the multiplier for Group IV if the quality is to be linked to Group IV and over the multiplier for Group V if the quality is to be linked to Group V with the count variation applicable to the relevant group.

(c) Qualities with warp counts 23s to 27s and weft counts 31s to 33s will be linked to Group IV and an increase of 38 paise per kg. of yarn woven will be permissible on the weight of both warp and weft yarn over the multiplier of Group IV, with the count variation applicable to the group.

4. *Group VI*—(a) Qualities with warp counts 34s and above from Indian cotton will be linked to Group VI and an increase of 128 paise per kg. of warp yarn over the multiplier for Group VI is permissible on the weight of warp yarn only, with the count variation applicable to the group.

(b) Qualities with weft counts 41s and above from Indian cotton will be linked to Group VI and an increase of 128 paise per kg. of weft yarn over the multiplier for Group VI is permissible on the weight of the weft yarn only, with the count variation applicable to the group.

(c) Qualities with warp counts 34s and above and weft counts 41s and above from Indian cotton will be linked to Group VI and the increase of 128 paise per kg. of yarn woven over the multiplier for Group VI will be permissible on the weight of both warp and weft yarn, with the count variation applicable to the group.

Note : The increase of 128 paise per kg. of yarn over the multiplier for Group VI specified in (a), (b) and (c) above is permissible only if the yarn is spun from Cambodia 'A' CO 2 varieties coming under Cambodia 'A' or types of cottons equivalent to or superior to these types.

(d) For use of I.S.C. 67 cotton in controlled cloth, mills should apply with full details to the Textile Commissioner (Price Control Branch) for the necessary allowance.

5. *Group XIII*—Qualities finer than permissible count ranges for Group XIII manufactured out of superior foreign cotton will be linked to Group XIII. An allowance of 109 paise per kg. of yarn woven will be permissible on the basic grey realisation multiplier. Suitable adjustments for count variation at 11 paise per count per kg. and also for reed/pick variations will have to be done in the usual manner after adding the cotton allowance specified in this para.

6. *Foreign Cotton* :

In cases where foreign cotton is to be used for warp linked to Group V and warp and weft counts linked to Group VI, mills should apply to the Textile Commissioner with full details for fixation of prices. The words "warp and weft" in Group VI would cover warp and weft together or either warp or weft.

(i) 100% *Foreign Cotton* :

The cotton allowance will be admissible only for the use of 100 per cent foreign cotton. Foreign 'B' cotton (cotton with staple length below 1-1/16") will not qualify for any allowance. Mills should indicate the types of cotton used and the fabrics made with their constructional particulars and serial numbers which they propose to stamp on the fabrics. On receipt of these details, the permissible cotton allowance will be intimated to the mills concerned.

(ii) *Mixture of Indian and Foreign Cotton* :

(a) No allowance is permissible for mixture of Indian cotton with foreign cotton for cloth qualities linked to Group V.

(b) Mixture of foreign cotton (other than Foreign 'B' cotton—cotton with staple length below 1-1/16") with Indian cotton for cloth qualities linked to Group VI will qualify for the allowance of 128 paise per kg. of such yarn used in the fabric (warp or weft or both) subject to the conditions prescribed in 4(a), (b) and (c) above and the note thereunder. It should be noted that no allowance would be admissible even if the cloth is linked to Group VI if the warp count is less than 34s and weft count is less than 41s or where the cotton used is not equivalent to or superior to the Cambodia 'A' and CO 2 varieties coming under Cambodia 'A'.

(iii) Mills using a mixture of Indian cotton CO 2 and/or Cambodia 'A' with foreign cotton, other than foreign 'B', for all fabrics having warp counts of 34s and above and weft counts of 41s and above, even though the permissible counts might relate to Groups higher than Group VI, will link the fabrics to Group VI only taking the cotton allowance of 128 paise per kg. over the multiplier for Group VI plus the admissible count, reed and pick variations. Here also foreign 'B' cotton (cotton with staple length below 1-1/16") will not be treated as equal to or superior to the CO 2 or Cambodia 'A' cotton. Mills should give the details of the cotton used for the mixture in the 'C' form. Mills should keep proper records to show the types of foreign cottons used for inspection.

7. *Re-wound warp yarn used as weft in fabrics* :

On the question as to whether the case of 36s warp yarn which is linked to Group VI and where the yarn is spun from Cambodia 'A', CO 2 and better types of cotton, if such 36s warp yarn is re-wound and used as weft in the same fabric, the cotton allowance prescribed for warp in item 4 Part II of the Schedule of multiplier will be permitted in respect of such 36s re-wound warp yarn used as weft in the fabrics. this allowance is permissible only if the weft count is 41s and above and since in this case the weft count is only 36s, the cotton allowance will *not* be permissible. This is an illustration and will apply in all similar cases.

II. *Combing Allowance*

(a) No allowance for combing of cotton for counts below 30s warp or weft will be permitted.

(b) Fabrics linked to Groups V and VI of counts 30s and above will be eligible for combing allowance at 55 Paise per kg. of combed yarn used in the fabric, provided that the following conditions are fulfilled :—

(1) The minimum comber loss in respect of the counts specified above shall be 10 per cent.

(2) The minimum reed, in the case of longcloth and shirting shall be 72.

(3) The minimum reed in the case of dhoties and sarees shall be 44.

(4) Both the warp yarn and the weft yarn in the fabric should be combed yarn.

Note : (i) For claiming the Combing Allowance the count should be 30s and above both in warp and weft.

(ii) Where for the body of the fabric no combing allowance is admissible either because carded yarn is used or combed yarn is not used both in warp and weft or the minimum count and/or reed specification is not complied with, or the minimum comber loss is not obtained, border yarn also will not be entitled to any combing allowance even if it is combed yarn.

(c) Fabrics linked to Groups VII, VIII and IX in Part I of Schedule "A-III" will be eligible for combing allowance at 85 paise per kg. of combed yarn used in the fabric either in the warp or weft or both as the case may be. For fabrics linked to Group X the combing allowance will be 105 Paise per kg. of combed yarn used in the fabric in the warp or weft or both as the case may be. These allowances are admissible provided the minimum comber loss is 14 per cent.

(d) The Multipliers in respect of Groups XI and above are based on combed cotton. If carded yarn qualities are used in fabrics linked to Groups XI and above in warp or weft or both, a reduction of 117 paise per kg. of carded yarn used in the fabric should be effected in the Multipliers. Mills requiring price fixation for qualities manufactured with carded yarn and linked to Groups XI and above should approach the Textile Commissioner.

III. *Method of Linking*

1. All varieties of cloth falling under controlled categories manufactured by mills shall be linked with one or the other groups mentioned in Part I of Schedule "A-III".

2. The linking shall be made according to the counts of warp and weft falling within the permissible count variation specified in columns 6 and 7 of Part I of Schedule "A-III". Where the warp and weft counts of a fabric fall within the permissible range of warp and weft counts in a group, the fabric should be linked to that group only.

3. (i) The basic adjustment between counts for cloth in each combination of counts shall be arrived at for the composite counts and is to be applied to the total weight of yarn in warp and weft only without any addition. In other words, actual yarn weight in both warp and weft of any cloth shall be worked out on the counts of yarn used in the cloth.

(ii) Calculation on fractions of counts shall not be permitted except as specified in Notes under Part I of Schedule "A-III".

(iii) Weight of weft should be calculated on the actual loom state length and not on the finished length of the piece.

(iv) Wherever the count of weft is coarser than the count of warp separate linking for warp and weft with appropriate groups of multipliers will be permittel provided the weft is spun from appropriate cotton and provided also that such counts of weft are selected from the next lower group.

(v) Wherever the count of weft is finer than the count of warp even beyond the counts of weft permitted under particular group in Part I of the Schedule "A-III", separate linking for warp and weft with appropriate group of multiplier will be permitted provided the weft is spun from appropriate cotton of the higher group and the minimum standard for picks is approved by the Textile Commissioner and provided further that such counts of weft are selected from a higher group immediately next.

Note : (i) There are certain warp and weft counts which overlap in more than one group. For instance, weft counts 13s—20s will come under Group II and also in Group III. Here the Group to which the warp of the cloth in linked will determine the group to which the weft should be linked. For instance in the case of cloth having 18s warp and 14s weft, the warp count 18s will be linked to Group No. III in accordance with item No. 2 of 'Cotton Adjustments'—Part II of Schedule "A-III". The weft count of 14s although occurring in Groups II and III will be linked to Group No. III only as the warp is linked to that group.

(ii) *Double linking* : There are certain qualities which will permit linking of warp and weft to separate groups. For instance a quality of 12s warp and 16s weft 44 reed and 40 picks will be linked to Group I for warp and Group II for weft. In such cases of separate linking, the calculation of the price will be as under :—

(a) 12s *warp* will be linked to Group I as under :—

Standard 14s × 10s × 40 reed × 40 picks.

Quality 12s × 12s × 44 reed × 40 picks.

(b) 16s *weft* will be linked to Group II as under :—

Standard 14s × 14s × 44 reed × 44 picks.

Quality 16s × 16s × 44 reed × 40 picks.

Adjustment for counts and reed and picks will be made for the separate groupings and the final multiplier for warp will be multiplied by the warp weight, and final multiplier for weft will be multiplied by the weft weight to arrive at the price of the piece.

(iii) It will be permissible to deviate from the prescription given in (iv) and (v) above and take the weft count from a group even lower than the next lower group or higher than the next higher group. For example a quality of 18s warp and 12s weft will be linked to Group III for warp and Group I for weft. This linking will, however, be subject to the observance of production control restrictions.

4. The basic realisation multiplier shall be adjusted wherever necessary, in the following manner :—

(a) Adjustment for cotton (cotton allowance), *see* Part II of Schedule "A-III".

(b) Combing allowance, *see* Part II of Schedule "A-III".

(c) *Narrow width allowance* : Part I of Schedule "A-III" applies fairly uniformly for all grey qualities of 76 cms and over and for all bleached, dyed and finished qualities of width 71 cms and over. For widths lower than 76 cms grey or 71 cms bleached, dyed or finished the multipliers given in the above schedule shall be increased as under :

(i) Groups I to VI—18 Paise per kg of yarn woven.

(ii) Groups VII and above—16 Paise per kg of yarn woven.

(Splits should be excluded in all cases).

N.B.: In respect of grey calendered sorts, the narrow width allowance has reference to the loom state width and will be allowed only if the width of the cloth is below 76 cms. in the loom state.

(d) *Adjustment for count variation*—see column 9 of Part I of Schedule "A-III".

(e) (i) *Adjustment for variation in reed* : For every upward variation of 4 reeds and multiples of four reeds, the multiplier specified in column 8 of Part I of Schedule "A-III" after adjustment as above shall be increased by half per cent. In addition, in the case of qualities linked to Groups I and II and falling under the 'coarse' category of fabric for every downward variation of 4 reeds and multiples of four reeds, the multiplier specified in column 8 of Part I of Schedule "A-III" after adjustment as above shall be decreased by half per cent.

(ii) *Variation of Picks* : For every upword or downward variation of 4 picks and multiples of four picks, the multiplier specified in column 8 of Part I of Schedule "A-III" after adjustment as above, shall be increased or decreased by one per cent.

Note: In calculating the percentage adjustments under e(i) and e(ii) above multiples of four only should be adopted, fractions thereof being omitted. The resultant percentage adjustment applying both the reed and pick variation should first be calculated and then applied over the multiplier and not separately for reed and for pick variations.

(f) For all qualities manufactured out of double or more twisted yarn, the appropriate multiplier after adjusting the count, reed and pick allowances shall be decreased by 5 per cent (with a minimum of 35 paise per kg. of yarn woven) in case both warp and weft yarn are twisted and by 24 per cent (with a minimum of 18 paise per kg. of yarn woven) in case either warp or weft yarn is twisted.

(g) The following compensatory allowance for grey cloth is permitted to these mills only who obtain not less than 75 per cent of their motive power by burning coal and/or fuel oil in their own boilers. The allowance is also subject to the conditions stipulated below :—

(i) The allowance shall be equivalent to 2½ per cent of the Realisation Multiplier after the same has been adjusted wherever necessary in accordance with (a) to (f) above.

(ii) The allowance shall apply to the weight of grey yarn only from which the cloth is woven. Any scoured, bleached, dyed, printed or mercerised yarn used in the manufacture of cloth shall be excluded from this allowance.

(iii) For the purpose of ascertaining whether a mill has obtained not less than 75 per cent of their motive power by burning coal and/or fuel oil in their own boilers, the average of the consumption for the previous six monthly period (January to June and July to December) should be taken into account.

Note: (i) Mills who obtain electric power from Electric Supply undertakings, where coal and/or fuel oil is consumed for generation of power, will not be entitled to claim this allowance.

(ii) If grey fabric undergoes subsequent processing such as bleaching, dyeing etc., this 2½ per cent increase will not be applicable on the bleaching, dyeing etc. charges.

5. Dobby allowance for borders in dhoties and sarees :

	Upto 12 shafts	From 13 shafts to 32 shafts (Paise per kg.)	From 33 shafts & above
(a) For warp counts below 36s	35	70	105
(b) For warp counts 36s and above	71	142	213

6. *Jacquard allowance* :—

Warp counts	Paise per Kg.			
	120 needles and less	Above 120 and upto 240 needles	Over 240 and upto 400 needles	Above 490 needles
16s and below ..	71	88	106	121
17s to 34s ..	141	176	212	247
35s to 57s ..	207	260	313	364
58s and above ..	272	342	410	478

Note : The allowances for Dobby and Jacquard work specified in items 5 and 6 above are to be added on the basis of weight of yarn in warp and border, exclusive of weight of weft yarn. These charges would be permitted for the minimum number of Dobby shafts or Jacquard needles required for the re-production of the designs.

7. *Drop-box allowance* :—

Warp counts	Charges in Paise per kg. of yarn woven	
	2 and 3 shuttles	4 shuttles and above
16s and below	97	121
17s to 34s	190	238
35s to 57s	278	346
58s and above	366	456

Note : The Drop-box allowance is to be taken on the total weight of yarn warp and weft in the piece. This allowance is permissible only for the minimum number of shuttles required for the reproduction of the pattern.

8. *Charges for use of doubled yarn in the border of dhoties and sarees* :

(i) For the purpose of linking, border yarn will be treated as distinct from the body of the fabric and the border yarn in all cases will be linked separately to the appropriate group applicable to the basic single count of the border yarn. For the purpose of adjustment for count variation the count of weft will be assumed to be the same count as the basic single count of the border yarn. The

weight of the border yarn will be multiplied by the realisation multiplier of the appropriate group for its basic single count. In addition the doubling charges as under will be permitted.

Count	Doubling charges in Paise per kg of doubled yarn used in border
10s	44
20s	49
30s	71
40s	97
44s	104
60s	126
80s	165
100s	207
120s	275

(ii) The following extra charges are to be added for the intermediate counts :—

Any count between 2/10s and 2/20s..0.50 Paise per count per kg.

Any count between 2/20s and 2/30s..2.20 Paise per count per kg.

Any count between 2/30s and 2/40s—2.60 Paise per count per kg.

Any count between 2/40s and 2/44s—1.75 Paise per count per kg.

Any count between 2/44s and 2/60s—1.40 Paise per count per kg.

Any count between 2/60s and 2/80s—2.00 Paise per count per kg.

Any count between 280s and 2/100s—2.10 Paise per count per kg.

Any count between 2/100s and 2/120s—3.40 Paise per count per kg.

(iii) For use of processed doubled yarn in the above qualities, the charges prescribed in item 7 of Part III of Schedule "A-III" for Processing charges will apply in addition.

Note : In case single yarn is used in borders, the border yarn will be linked as indicated in Item '8' on the basis of its basic single count. In addition, 50% of the difference between the multiplier rate for the warp yarn of the fabric and the multiplier rate for the border yarn will be allowed on the weight of the border yarn *provided* that the yarn in the border has a minimum lea-strength of not less than 1½ times the lea-strength of the warp yarn in the fabric. The mills will be required to certify the lea-strength of the warp yarn and the lea-strength of the border yarn for this purpose in the 'C' form. Such declared strength will be subject to inspections and check from the enforcement staff. Mills should also keep records of the lea-strength of the warp yarn and the border yarn. The grant of doubling charges will not arise.

(iv) In addition to the above, the following compensatory allowance may be added to the final prices of dhoties and sarees for loss of production :—

(i) 3 Paise per metre in the case of dhoties and sarees manufactured from 14s warp and over and linked to Groups upto and including Group VI.

(ii) 5 Paise per metre in the case of dhoties and sarees the warp counts of which are linked to Groups VII and above.

Note: (i) Dyeing charges for the use of coloured yarn in the headings of dhoties and sarees are not permitted.

(ii) No compensatory allowance as for sarees will be admissible in the case of printed Mulls and Voiles and Dorias, which are offered as sarees under the Controlled Category.

9. The doubling charges specified in item 8(i), (ii) and (iii) will apply to other qualities where doubled yarn has been used whether as warp and/or weft.

10. *Grandrelle Shirtings* :

For grandrelle shirtings accepted as controlled cloth the following adjustments will be necessary in calculating prices :—

(a) While effecting the adjustments from the basic realisation multiplier the deduction prescribed in the Schedule "A-III" under item 4(f) in Part III 'Method of Linking' for the use of double or more twisted yarn will *not* be necessary.

(b) Doubling charges prescribed under item 8 in Part III 'Method of Linking' of Schedule "A-III" will *not* be admissible.

(c) Dyeing charges for the processed yarn used in the fabrics having Grandrelle yarn will have to be worked out by adopting the dyeing charges prescribed in the Schedule "A-III" under item 7 of Part III of Schedule (Schedule of Processing Charges).

11. Yarn in selvedges used in cloths other than Patti Mulls and Voiles :—

Doubled or single yarn, if any, used in selvedges of cloth other than Patti Mulls and Voiles should only be treated as falling within the warp yarn used in the cloth and will not be permitted to be taken as border yarn and will not be allowed the special charges for border yarn.

12. Extra allowance for Mulls and Voiles :

For bleached, dyed or printed mulls and voiles of 44" (112 cms) width and more and conforming to the following specifications, an additional allowance will be permitted as indicated against the respective qualities :—

(*i*) Linked to Group VII to IX with minimum 48 Reed and 44 Picks.	4 Paise per metre.
(*ii*) Linked to Group X and above with minimum 56 reed and 48 Picks.	5 Paise per metre.

13. *Drills.*

(a) Allowance for production of drills of superior specifications :—

The following allowances will be admissible in the case of drills which conform to or are better than the specifications prescribed by the Director General of Supplies and Disposals for Defence material.

(i) A drill allowance of 6 Paise per kg. of yarn woven in the fabric. This allowance is applicable both on warp and weft.

(ii) Cotton allowance at 24 Paise per kg. in the case of drills manufactured with 19s warp and below, and at 38 Paise per kg. in the case of warp counts above 19s. This cotton allowance is applicable only *on the weight of warp* in the fabric.

Note : While submitting the 'C' forms in respect of drills where the above allowances are claimed, the mills should indicate clearly the specification number to which the drill conforms and also the weight in kg. per square metre of the drills. The mill should also endorse a certificate that the drills to be packed for civil production will be strictly in accordance with such specifications.

(b) Fixation of price for Mineral Khaki Drill—Projects :—

(i) In respect of Mineral Khaki Dyed Drill produced for Defence and rejected by D.G.S. & D. 6¼% below the contract price may be charged and stamped;

(ii) In respect of Mineral Khaki Dyed Drill rejected by mills themselves, the stamping should be 10% below the contract price.

Where, however, the prices arrived at in the above manner are in excess of the prices calculated on the application of Multipliers without the allowance permissible for D.G.S. & D. specifications, mills should charge and stamp only the lower of the two prices *viz.* the prices calculated on the application of the Multipliers without the allowances permissible for D.G.S. & D. specifications.

14. (a) Realisation for use of Rayon (Artificial Silk) yarn in cotton cloth :—

For use of artificial silk yarn used in saree borders and as weft for the ground, the following charges will be permissible.

The artsilk yarn will have to be linked to the appropriate count group equivalent to the English Cotton count and the multiplier of that group without any adjustment for cotton shall be applied over the weight of the yarn. In addition only the following allowances to compensate for the differences in prices between artsilk yarn (Rayon yarn) and its corresponding cotton yarn count which has been allowed in the multiplier will be permitted :—

Artsilk yarn count	Corresponding cotton count in English system	Additional charges in paise per kg. of artsilk yarn woven.
150 D	(35s)	756
2/150D	(2/35s)	837
120 D	(44s)	427
2/120D	(2/44s)	531

(b) For other Deniers of Artsilk yarn and for the use of staple fibre yarn in fabrics mills may apply to the Textile Commissioner for price fixation giving details of manufacturing particulars.

15. Processing charges will be permissible in accordance with Part III of Schedule "A-III".

16. *Allowance on account of seconds, fents, rags etc.* :

The final price as calculated in accordance with the Schedule of Multipliers specified, will be increased as under :—

(*i*) On grey cloth .. .. 1·75 per cent

(*ii*) On processed cloth other than printed sorts .. .. .. 2·75 per cent

(*iii*) On printed sorts .. .. 3·75 per cent

17. The Textile Commissioner, if he is satisfied that due to the nature of machinery and equipment in the undertaking a producer having a spinning plant is not able to produce cloth other than dhoties and sarees, may, in respect of sarees having a border of width exceeding 3.81 cms. but not exceeding 6.35 cms. and packed in excess of the quantity of dhoty/saree, long-cloth, shirting and Drill taken together, as prescribed by the Textile Commissioner and on an application made to him in this behalf, specify a price exceeding the ex-factory price specified in Schedule "A-III" by 2½ per cent.

18. Rounding off of the ex-factory and retails prices should be to the nearest paisa, 0.51 paisa and above taken as one paisa and 0.50 and below omitted.

PART III

SCHEDULE OF PROCESSING CHARGES

The weight of grey fabrics wherever referred to in the Schedule should be calculated by taking the actual total weight of warp and weft yarns excluding the weight of sizing materials used in the cloth without any addition.

Charges for processes which are not included in the Schedule will be allowed to the mills only on application and subject to such conditions as may be prescribed by the Textile Commissioner for the purpose.

(1) *Bleaching charges* : Bleaching will be deemed to include Cropping/Shearing, Singeing, Desizing, Kier-boiling, Chemicking, Souring, Antichloring, Scutching, Water-Mangling, Washing and Drying. Alternative systems of bleaching such as J. Box-bleaching boiling with Hydrogen Peroxide, Sodium Chloride etc., upto the stage of final drying will also be covered by the above definition.

Price element for bleaching (market bleached) per kg of grey fabrics

	Paise per kg.
(*i*) for unmercerised bleached sorts not containing any coloured yearn (not to be printed or dyed)	53
(*ii*) for unmercerised bleached sorts containing coloured yarn (not to be printed or dyed) ..	55
(*iii*) for bleached and mercerised sorts (not to be printed or dyed)	70
(*iv*) for all bleached sorts for printing	51

Note : (1) No sparate bleaching charges are admissible for dyed fabrics.

(a) Mills should specifically certify in the 'C' forms that the bleaching is done both before and after mercerising and will continue to be done on the fabric produced, for item (iii) above.

(b) In case of mercerised sorts which are only bleached once *and not twice* the charge admissible will be 53 paise or 55 paise as the case may be as mentioned in the Schedule of bleaching charges.

(c) (i) In case of bleached sorts containing 100 per cent coloured yarn (in both warp and weft), only half of the bleaching charges prescribed above will be allowed.

(ii) In case of sorts partly woven with grey and partly with coloured yarn and subsequently bleached, the full bleaching charges prescribed above will be allowed.

(2) *Mercersing* :

'Mercerising' will be deemed to include the passage of fabrics through a mercerising range with caustic soda of minimum 20 per cent strength with sufficient stretching both during and after such passage followed by washing, souring etc.

Price element for mercerising of fabrics	*Paise per kg.*
(i) For sorts upto 6 grey metres per kg.	53
(ii) For sorts upto 10 grey metres per kg.	60
(iii) For sorts over 10 grey metres per kg.	71

(3) *Dyeing charges* : Dyeing charges include charges for batching-up prewetting, souring, bleaching, dyeing, airing, developing, oxidising, soaping, washing and drying.

Price element for dyeing per kg. of grey fabrics —

(A)	*Paise per kg.*
(i) Vat dyes—	
(a) Light shade	152
(b) Medium shade	238
(c) Dark shade	350
(d) Very dark shade	500
(ii) Sulphur dyes—	
(a) Dark and very dark shade	137
(b) Light and medium shade	80
(iii) Napthol dyed (including rapid fasts and rapidogens)	
(a) Consumption upto 1 per cent (on the weight of the fabric)	160
(b) Consumption over 1 per cent (on the weight of the fabric)	250
(iv) Mineral khaki	110
(v) Aniline Black	200
(vi) Hydron Blue (Deep shade)	177
(vii) Pthalogene Blue	450

Note : (i) In claiming dyeing charges for aniline black no additional charges are permissible for pre and/or post mercerising of cloth to be dyed.

(ii) The claim for dyeing charges for Pthalogene Blue is subject to the condition that the depth of the shade should not be less than 3 per cent of the dye used in the weight of the fabric.

(iii) For all other types of dyeing not specifically mentioned in the table, price elements specified for Vat dyes will be applicable provided that the fastness to washing and bleaching is of grade 3 or above under I.S.I. specifications.

(iv) The dyeing charges specified above include 'bleaching charges'.

(B) *Reactive Dyes* : Price element for dyeing per kg. of grey fabrics—

	Paise per kg.
Light shade	110
Medium shade	200
Dark shade	300

Note : (i) The above charges include bleaching charges.

(ii) Use of reactive dyes is subject to the condition that the fastness to washing of the dyeing is of grade 3 and above when tested as per I.S.I. specifications or mechanical washing (severe).

(C) *Direct Dyeing* : Price element for dyeing per kg. of grey fabrics :—

	Paise Per kg.
Light shade	73
Medium shade	86
Dark shade	112

Note : (i) No direct dyeing will be allowed in cases of manufacturers who have not been dyeing fabrics with direct dyes for substantial periods prior to October 1964. Applications with full particulars should be submitted to the concerned Regional Office of the Textile Commissioner for verification and issue of necessary certificates to undertake dyeing.

(ii) The date of commencement of manufacture of the fabric and the markets served should be indicated in the 'C' forms.

(iii) No separate bleaching charges will be permissible.

(4) *Printing Charges* :

'Printing' is deemed to include cropping/shearing/singeing batching, printing, drying, ageing/curing (where necessary) oxidising, developing, soaping, washing and drying. Napthol padding or developing with diazo salts for Azoic prints are also included in printing.

(A) Price element corresponding to printing charges upto and including two colours :—

Area of fabric covered by printing	Paise per square metre (finished) in all dyes/pigments except direct dyes.	
	Printing in all dyes pigments except direct dyes	Where one of the colours is Khaddic (TiO_2)
(i) Upto 10 per cent	12	15
(ii) 11 per cent to 20 per cent	25	29
(iii) 21 per cent to 40 per cent ..	26	31
(iv) 41 per cent to 60 per cent ..	28	33
(v) 61 per cent to 80 per cent ..	30	36
(vi) 81 per cent and over	32	38

Note : (a) Blotch prints will be deemed to be included (vi) above.

(b) (i) For each extra colour add 2.60 paise per sq. metre. For 'Resist' or 'Discharge' prints, 'white resists' and 'white discharges' are to be counted as colours. If the printing be on dyed fabric or is overdyed, the colour of the dye is not to be taken into account for purposes of ascertaining the number of colours in printing. For this purpose, the number of colours should correspond to the number of printing rollers required.

(ii) In the case of Resist and Discharge prints the basic colour of the dyed fabric will *not* be treated as a colour for the purpose of ascertaining the number of colours. However, the dyeing charges will in case of resist and discharge printing be also admissible.

(c) (i) For fabric printed on the border (s) only, the price element corresponding to printed area covering upto 10 per cent should be taken. In case the area covered by the border (s) exceeds 10 per cent of the total area of the fabric than the price element appropriate for the area covered should apply.

(ii) For printing border (s) on other printed sorts—

(a) add 3.27 paise per sq. metre for printing border alongside one selvedge.

(b) add 5.21 paise per sq. metre for printing border alongside both selvedge.

N.B : Manufacturers will be entitled to claim this additional charge for printing borders *in full* only if they use separate rollers for printing the borders and also the depth of the prints in the border and in the body ar different; otherwise only 50 per cent of the charges provided may be allowed for such printing of borders.

(c) When printing is done on both sides of the fabrics, 1½ times of the printing charges stipulated in (4) above will be allowed.

(d) In respect of fabrics printed in gold colours (either exclusive in gold colour or with other colours), 45 paise per sq. metre (finished) will be allowed, subject to the following conditions :—

(i) The area of the fabric covered by printing with gold colour alone should not be less than 5 per cent and prints should be fast to Soda Boiling and rubbing;

(ii) *No* additional charges for printing of borders and pallavs will be admissible;

(iii) If the area of the fabric covered by printing in Gold colour is below 5 per cent, no separate charges will be permissible and charges prescribed for roller printing only will be admissible; and

(iv) Printing charge of 45 paise per sq. metre (finished) will be applicable for printing fabrics upto two colours of which one colour should be in Gold colour printing. For printing of fabrics in more than two colours, of which one colour is 'Gold colour', the additional charges prescribed in the Schedule for extra colour printing over two colours will be applicable in respect of the number of colours over two.

(B) The price element per finished square metre for screen printing with six colours (screens) andabove will be allowed at the following rates subject to a certificate from the mills that th designs in question cannot be printed on roller printing machines :

Percentage of area covered by printing	Paise per finished Sq. metre (for all widths).
(i) Upto and including 50 per cent as also for printing below six colours.	Same rate as for roller printing, as indicated in item 4(A).
(ii) 51 per cent and over

E. Cotton dyed yarn	Price element on the weight of cotton dyed yarn used in the fabric :—	
(i) Where 100 per cent cotton is dyed irrespective of the shade of the colour in the yarn.	209 paise per kg. of such cotton dyed yarn used in the fabric.	
(ii) Where such yarn is made out of a mixture of dyed and undyed cotton.	70 paise per kg. of such dyed yarn used in the fabric irrespective of the shade.	

Note : (i) Dyeing charges include pre-wetting/scouring, bleaching of yarn employed for dyeing.

(ii) Mercerising charges will be applicable only if the yarn has undergone mercerising treatment in a yarn mercerising machine with caustic soda of minimum 20 per cent strength under suitable tension and subsequent souring, washing etc.

(iii) No bleaching/mercerising charges will be allowed for bleached/mercerised yarn if such yarn is used either in border or in the body of the cloth which is piece bleached/mercerised after weaving.

(iv) The claim for dyeing charge for yarn in Indo-carbon is subject to the condition that the depth of the shade shall not be less than 7 per cent of the dye used on the weight of the yarn.

(v) In claiming dyeing charges for yarn in Sulphur black, mills should indicate the date of commencement of manufacture and the markets served by the sale of such fabrics.

(vi) In respect of dhoties and sarees having the same construction particulars but with a variety of borders utilising different shades of both Vat and Napthol dyes and likewise Sucis and Shirtings containing coloured yarn having the same construction particulars but with a variety of different shades and types of dye used in the dyed yarn in the fabrics, mills, for purpose of calculating the dyeing charges for yarn, may choose either of the following :

1. Prices may be stamped after calculating precisely the dyeing charges in respect of dyed yarn used in the border/fabrics according to the Schedule of Processing charges for dyes specified above.

2. Mills may stamp a uniform price adopting an average price of dyeing charges at 325 Paise per kg. for dyed yarn used in the borders of dhoties and/sarees and 285 Paise per kg. for dyed yarn used in Sucis and Shirtings.

Sub-note :

(i) Option shall be exercised one way or the other in respect of all varieties of dhoties and likewise for Sarees, Sucis and Shirtings. The declaration of choice once made cannot be changed during the pricing period. Any intention of change in succeeding period should be intimated in advance to the Textile Commissioner. The choice may be indicated in the 'C' form and calculation proceeded to be done accordingly.

(ii) Averaging of yarn dyeing charges will not be permissible for yarn dyed in Sulphur black and/or cotton dyed yarn where the prescribed rates only will apply.

(vii) If any other class of dyes other than mentioned above are employed in dyeing the yarn, the prices will be fixed by the Textile Commissioner on application.

(viii) For deciding the depth of the shade of the dyed yarn/fabrics, manufacturers should strictly adhere to the limiting depths of light, medium and dark shades in accordance with the shade cards and calculate the price of yarn/fabrics by applying the shade cards in deciding the relevant depth of the shades and the corresponding charges.

(ix) For grandrelle yarn, if only one end is coloured the price element should be calculated for the weight of the coloured end; if both ends are coloured in different shades, then, only an average of the price elements for the corresponding shades should be taken.

104511. Miles Laboratories, Inc. Process.

104512. The Goodyear Tire & Rubber Company. Improvements in method and apparatus for one stage building of radial ply tires.

104513. Englebert, A. G. Process of and apparatus for vulcanising molded articles. (8th March 1965).

104514. David Brown Industries Limited. Improved pressure-changing switching device for hydrostatic high-pressure pumps and motors.

104515. Rolls-Royce Limited. Nickel-chromium-molybdenum-cobalt alloy. (7th April 1965).

104516. Jaggy & Company. Improved comb.

104517. Standard Telephones and Cables Limited. Routing translator.

104518. Chiyoda Kako Kensetsu Kabushiki Kaisha. Method for the preparation of epoxy resin condensates.

25th March 1966

104519. S. C. Sawhney. Magnetic-table type record player and changer (M.T. type record player and changer).

104520. G. R. Thakre. Multipurpose protected fan.

104521. G. R. Thakre. Seasonal ventilator.

104522. Council of Scientific and Industrial Research. Improvements in or relating to the inhibition of self-corrosion of aluminium as a galvanic anode in alkaline media.

104523. Council of Scientific and Industrial Research. A process for the production of fluxed ash coke suitable for metallurgical processes.

104524. Council of Scientific and Industrial Research Remote indicating hydraulic load cell.

104525. Council of Scientific and Industrial Research. Lever-roller extensometer.

104526. Council of Scientific and Industrial Research. Remote indicating convergence indicator.

104527. Council of Scientific and Industrial Research. Remote indicating hydraulic load cell using electrical resistance strain gauges.

104528. Zavody vseobecneho strojirenstvi, oborove reditelstvi. Gas block of automatic guns.

104529. Zavody vseobecneho strojirenstvi, oborove reditelstvi. Trigger mechanism of automatic guns.

104530. Zavody vseobecneho strojirenstvi, oborove reditelstvi. Buffer of automatic gun breech mechanism.

104531. Zavody Vseobecneho strojirenstvi, oborove reditelstvi. Ejection opening cover of automatic guns.

104532. T. C. Tso and G. Steffens. Method and compositions for tobacco sucker control.

104533. Imperial Chemical Industries Limited. Reactive azo dyestuffs. (7th January 1966).

104534. Imperial Chemical Industries Limited. New reactive monoazo dyestuffs. (21st February 1966).

104535. United States Steel Corporation. Apparatus for reducing slab width.

104536. Wilkinson Sword Limited. Improvements in or relating to the production of cutting edges. (30th March 1965).

104537. Fisons Pest Control Limited. Herbicidal compositions. (30th March 1965).

104538. Hawke Cable Glands Limited. Improvements in or relating to elecric cable glands.

104539. Societe Civile D'Etudes De Centrifugation. Continuously rotating vertical casting machine.

104540. Borg-Warner Corporation. Absorption refrigeration apparatus.

104541. Molins Machine Company Limited. Improvements relating to a method of and apparatus for processing tobacco. (26th March 1965).

104542. Sandoz Ltd. Improvements in or relating to organic compounds. (26th March 1965).

104543. Ciba Limited. New polymerisable carboxylic acid arylmethylamides, new polymerisation products, and process for the manufacture of these compounds.

104544. Ciba Limited. New monoazo pigments and processes for their manufacture.

104545. Ciba Limited. Epoxy resin compositions.

104546. F. Hoffmann-La Roche & Co. Aktiengesellschaft. Process for the manufacture of aminoisoxazoles.

104547. Metco, Inc. Flame spraying of synergistic composites. [Addition to No. 78169].

104548. Ashok Babubhai Amin. Improvements in or relating to boilers and the like heating water and like liquid.

Alteration of Date

94355. The claim to priority date 28th June 1963 has been abandoned and the application dated as of 20th June 1964, the date of filing in India.

104150. Ante-dated to 14th February 1966 under Rule 5 of the Act.

104195. Ante-dated to 15th June 1964 under Section 5 of the Act.

104225. Ante-dated to 15th February 1966 under Rule 5 of the Act.

Applications Accepted

Notice is hereby given that all persons interested in opposing the grant of patents on any one of the applications referred to below may at any time within four months of the date of the Gazette of India give notice to the Patents Office in the prescribed form No. 6 of the Indian Patents and Designs Rules, 1933, of such opposition.

A limited number of printed copies of the specifications in the following list will be available for sale from the Government of India Book Depot, 8, Hastings Street, Calcutta, in due course. The price of each specification is Rs. 2 (postage extra, if sent out of India). Requisition for the supply of printed specifications should be accompanied by the numbers of specifications as shown in the following list.

If required typed copies of the specifications together with copies of drawings, if any, can be supplied by the Patent Office on payment of the necessary charges which may be ascertained on application to the office.

The dates shown in crescent brackets are the dates allowed under Section 78-A of the Act.

89105. Phatic Chandra Das. Improvements in or relating to oral-contraceptive compositions. Accepted on 21st March 1966.

Comprises admixing the active principle of Embelia Ribis (Ind. P. C.), Piper Longum (Ind. P. C.) and Asafoetida (Ind. P. C.) with Borax.

93825. Biswaranjan Ray. Condensed myraballan tannins. Accepted on 19th February 1966.

By treating myraballan tannin with sulphonic acid of aromatic hydrocarbon having hydroxyl group followed by condensation with aldehydes.

94158. Kleinewefers G.m.b.H. Temperature regulation process. Accepted on 9th March 1966.

Comprises means for heating, a supplementary heating device, a sensing device, and a cooling device.

94183. Skelleftea Gummifabriks AB. Improvements in a wear element. Accepted on 10th March 1966.

The wear body is provided with at least one slot of such a shape that it corresponds to at least half the cross-section of the relating bar, the bar is placed loosely in the slot and the bar is provided with retaining means for connection to the surface to be protected against wear.

94185. Nikex Nehezipari Kulkereskedelmi Vallalat. Crusher or breaker. Accepted on 10th March 1966.

On two oppositely rotating horizontal shafts roll pairs of co-operating rolls of different diameters (large and small, and small and large, respectively) are alternately arranged thereon.

94194. N. V. Paranjape. Air circulating fans. Accepted on 10th March 1966.

The width of each blade at its free end is less than the width at the middle section, the free end of said blade is inclined with respect to the driving shaft.

94236. J. Singh. A receiver enclosure. Accepted on 15th March 1966.

Comprises a cylindrical top which houses the radio mounted on a vertical stem which in turn is fixed to a base.

94243. The Firestone Tire & Rubber Company. Method of manufacturing pneumatic tires and unvulcanized tire body adapted for use in said method. Accepted on 15th March 1966.

Lubricating a major portion of the surfaces of the tread plies having contact with the adjoining components of an unvulcanised tire body to prevent adhesive contact therebetween.

94266. Crown Zellerbach Corporation. A composition for controlling aquatic plants and method for purifying water using said composition. Accepted on 15th March 1966.

Comprises a carrier and 5 to 60% by weight of hexachlorodimethyl sulfone and/or hexabromo dimethyl sulfone.

94279. Bendix-Westinghouse Antomotive Air Brake Co. Improvements in or relating to pressure responsive valves. Accepted on 16th March 1966.

Providing a spring loaded pressure responsive valve wherein the spring force exerted on the pressure responsive member is at no time exerted on the valve element.

94299. N. S. Lidorenco, F. K. Nabiullin, L. F. Penkova, E. M. Fertsik, A. P. Landsman, M. S. Sladkov, Y. T. Rodionov and Y. N. Kotov. Device for direct conversion of solar to electrical energy by means of photoelectric converters. Accepted on 16th March 1966.

Consists of three dimensional girder secured to a pillar, the wings of girder carrying concentrating mirrors and panels with said convertors, drive means, a sun tracking transmitter, and drive shaft.

94317. Veb Chemiefaserwerk Schwarza "Wilhelm Pieck". Process for preparation of emulsion for use in dressing artificial emulsion produced thereby and artificial threads dressed by said emulsion. Accepted on 17th March 1966.

Mixtures of oil, alkyl sulphimides and alkyl aryl sulphonates or alkyl sulphonates are emulsified in water.

94318. Tsentraljnoe Konstruktorskoe Bjuro Upravlenija Khimicheskoi I Silikatno-Keramicheskoi Promyshlennosti. A method of preparing polymethylalkoxysiloxanes polymethylalkoxysiloxanes obtained thereby, paint and varnish compositions containing same. Accepted on 17th March 1966.

Process for the preparation of polymethylalkoxysiloxanes by esterifying trimethyl chlorosilane and tri and difunctional methylchlorosilanes with alcohols and then hydrolysing the ester formed with water and thermal polycondensing it.

94333. Hokko Chemical Industry Company Limited. Insecticidal composition. Accepted on 18th March 1966.

Comprises O, O-diisopropyl-ethylthio-methyl-dithiophosphate, a carrier and a wettable agent, or emulsifying agent.

94334. Hokko Chemical Industry Company Limited. Insecticidal composition for agricultural. Accepted on 18th March 1966.

O, O-diisopropyl-ethyl-sulfinylmethyl-dithiophate admixed with carrier, wettable agent, extender and diluent or emulsifying agent.

94355. Albright & Wilson Limited. Improvements in the manufacture of phosphoric acid and apparatus therefor. Accepted on 21st March 1966.

Comprises heating the W.P.A. in contact with combustion gases to form an acrosol, coalscing the aerosol particles and separating the co-alsced particles from the combustion products.

94360. United States Steel Corporation. Scaling and insulating means for continuous casting starter bars. Accepted on 22nd March 1966.

Comprising a starter bar which includes a flexible heat-resistant sealing member having a border portion extending beyond the top portion of the starter bar.

94362. Esso Research and Engineering Company. Process for preparing cuprous halide complexing agents suitable for use in the separation and recovery of compounds capable of forming complex with said agents. Accepted on 22nd March 1966.

A process for preparing a high large pore porosity, solid cuprous halide complexing agent selected from the group consisting of CuCl and cuprous comprises slowly growing uniform, solid particles of a particle size above 10 of the cuprous halide complexed with a complexing agent.

94363. Whiffen & Sons Limited. Process for the preparation of hydrazine and substituted hydrazines. (10th July 1963). Accepted on 21st March 1966.

Comprises contacting an aqueous solution of a carbonyl derivative of hydrazine or substituted hydrazine with a caution exchange resin in the hydrogen form whereby the hydrazine is being retained on the resin and then mixing the resin with a base and finally distilling off the hydrazine.

94390. Willcox & Gibbs Sewing Machine Co. Ltd., A device for doffing and donning bobbins on a spinning machine. Accepted on 23rd March 1966.

Comprising a carriage, a doffing means, a donning means having a bobbin applying means for supplying empty bobbins.

94401. Vsesojuzny Nauchno-Issledovatelsky Khimiko-Farmatsevtichesky Institute. Method of producing P-and m-nitrobenzoic acids. Accepted on 23rd March 1966.

A mixture of isomeric nitroacetophenones, nitric esters of nitrophenylmethyl carbinols or other aromatic nitro compounds containing one radial capable of being oxidised to a carboxyl group is oxidised with weak nitric acid.

94415. V. I. Epifanova, V. S. Gorokhov, V. F. Gustov, V. D. Nikitin, S. S. Press and L. S. Axeljrod. Air separator. Accepted on 24th March 1966.

Characterized in that it is provided with additional regenerators for passing of a part of purified nitrogen flow by means of a gas blower through regenerators and second additional regenerator for heating technical oxygen by means of a retard nitrogen flow produced by gas blower.

94459. Rexall Drug and Chemical Company. Solvent recovery method. Accepted on 22nd March 1966.

Comprising the steps of contacting the impure polyolefin product with a solvent comprising a hydroxyl-containing compound to extract said impurities, separating the thus treated polyolefin from the resulting solution containing the solvent contaminated with said impurities and regaining the solvent in its uncontaminated form.

94701. N. V. Philips Gloeilampenfabrieken. Improvements in or relating to an electrode for gaseous discharge lamps and a high pressure mercury-vapour discharge lamp having such electrode. Accepted on 21st March 1966.

Wire of the coiled coil is thin with respect to central core wire, the turns of the first winding of the coiled coil do not contact one another, and the electron emissive material is located within the first winding of the coiled coil.

94830. Lodge-Cottrell Limited. Improvements in and relating to spray fittings. (1st August 1963). Accepted on 22nd March 1966.

Comprising a body portion having a straight passageway, a gate valve located rearwardly at the front end of the passageway, a spray nozzle slidably mounted in the passageway stop means to restain the nozzle from moving past the rearward position.

94863. Council of Scientific and Industrial Research. Improvements in or relating to the processing of textiles for imparting simultaneously improved tear resistance and abrasion resistance. Accepted on 21st January 1966.

A process for treating cellulosic textile material with a ester of dihalo-propanol in presence of squeous alkali/alkaline agent is characterised in that the said ester has an ester group having a chain length of not less than light carbon atoms.

95106. Narahari Sarkar. Ferroresonant monostable multivibrator. Accepted on 10th February 1966.

Comprising two ferroresonant circuits connected in parallel, each formed by connecting a nonlinear inductor, a linear resistor, and a linear capacitor in series.

95220. Plasti-Con Pipe Co. Apparatus for encasement of conduit material. Accepted on 19th March 1966.

Comprising an elongated sled, hopper means, a vibrating support for the tubular members, means for vibrating the support frame of the vibrating support on the sled independently of the hopper means and means for vibrating the support frame and the tubular members supported thereon.

95469. Socony Mobil Oil Company, Inc. Improving and maintaining the selectivity of platinum group metal reforming catalyst. Accepted on 1st March 1966.

Comprises contacting charge naphtha containing at least 15% by volume of naphthenes in a reaction zone with platinum-group metal reforming catalyst, regulating the moisture content of at least one of charge naphtha, hydrogen containing gas to maintain a partial pressure of water vapour in the final effluent.

95473. Director, Indian Institute of Technology, Bombay and Prabhat Charan Mukherjee. Malleabilising white cast iron by fused salt techniques. Accepted on 2nd March 1966.

Electrolysing fused magnesium halide or any combination thereof at temperature 800° C to 1250°C by keeping the white cast iron articles as cathode for a period of 10 minutes to 5 hours and at current density upto 300 ampere per sq. cm.

95492. Director, Indian Institute of Technology, Bombay and Prabhat Charan Mukherjee. A process for producing chromium-manganese nitrogen stainless (austenitic) coating and alloying or straight chromium coating and alloying. Accepted on 2nd March 1966.

Device consisting of heating chamber in which (a) powdered chromium or its alloys and (b) chromium, manganese metals or their alloys are heated to above 800°C with a catalyst and passing ammonia, or hydrogen or nitrogen through the nozzle of the device allowing the gas or gases to impinge on the articles to be coated

95542. Imperial Chemical Industries Limited. A method of producing a catalyst and a process of steam reforming hydrocarbons using said catalyst. (19th September 1963). Accepted on 7th March 1966.

Which includes making a precursor composition comprising a cobalt compound and a refractory support material and reducing the cobalt compound partly to metallic cobalt, the composition before reduction being heated under non-reducing conditions at a temperature above 600°C.

95573. Woodall-Duckham Construction Company Limited. Improvements in or relating to the treatment of effluents from coal carbonising plants. (17th September 1963). Accepted on 8th March 1966.

Comprises adding line external to any ammonia still, there by converting fixed ammonia to free ammonia, separating all or substantially all the solids from the limed effluent and then distilling the effluent to remove the ammonia.

95613. Shell Internationale Research Maatschappij N. V. A process for the preparation of alpha-chloro beta-oxo fatty acid amides. Accepted on 11th March 1966.

Reacting a β-oxo-fatty acid amide with sulphuryl chloride in the presence of a halogenated alkane as diluent.

95623. Shell Internationale Research Maatschappij N. V. Process for the removal of sulphur dioxide from gas mixtures and an acceptor for that purpose. Accepted on 14th March 1966.

Characterized in that the removal of sulphur dioxide from gas mixtures with the aid of an acceptor containing one or more basic alkali metal compounds and iron.

95638. Palitex Project-Company GmbH. Balloon limiter for twisting frames. Accepted on 14th March 1966.

The inner wall of the balloon limiter is provided with a resilient cushioning material.

95639. Dipl. -Ing. H. Muller. Device for operating on work pieces, for example, boring mill. Accepted on 14th March 1966.

It has a rectangular frame consisting of two parallel supporting elements opposite to one another and of two column like parallel connecting and stiffening elements running parallely and opposite to one another.

95660. Westinghouse Brake and Signal Company Limited. Improvements relating to distributors for braking apparatus. (3rd October 1963). Accepted on 15th March 1966.

Comprising a valve member and a biassed seat member valve member being arranged for movement by a main distributor pile and the seat member being arranged to be constrained by latch means engageable therewith.

95662. Raytheon Company. Semiconductor transducets. (24th February 1964). Accepted on 15th March 1966.

Semiconductor body; a P-N junction, supporting means.

95674. American Cyanamid Company. Manufacture of years. Accepted on 15th March 1966.

Comprises co-spinning acrylic composite fiber having a latent coil crimp, with a thermally shrinkable acrylic fiber having a shrinkage value of atleast 5 per cent and shrinking capacity of atleast 30 milligrams per denier.

95677. Allied Chemical Corporation. Process for the production of chloro-trifluoroethylene. Accepted on 16th March 1966.

By heating a mixture of CCl_2. $FCClF_2$ and hydrogen at 325-425°C in the presence of copper-oxide of chromium-alkaline earth metal oxide catalyst.

95678. Allied Chemical Corporation. Process for the production of tetrafluoroethylene. Accepted on 16th March 1966.

By heating a mixture of CF_2Cl. CF_2Cl and hydrogen at 350-450°C in the presence of copper-oxide of chromiumalkaline earth metal oxide catalyst.

95689, Ishikawajima-Harima Jukogyo Kabushiki Kaisha Furnace top charging equipment. Accepted on 19th March 1966.

Furnace charging equipment wherein revolving chute housed in bell hopper (air tight vessel), a shaft connected to said chute revolves and is driven as required and the gas sealing valve installed between material inlets and stationary hopper receiving material.

95694. Raytheon Company. Electric signal translating devices and method of making the same (18th September 1963). Accepted on 17th March 1966.

Comprising semiconductive body having a depletion region formed therein, first means to apply a potential reinforcing the field set up by the depletion region, and second means for varying the field in the depletion region to control the injection of majority carriers of charge into depletion region.

95695. A. Weber. Device for the stopping of mechanically driven presses. Accepted on 17th March 1966.

A brake block is associated with the fly wheel of the press and the locking pawl is mounted for axial displacement by a cam on the detent ring and is also mechanically coupled with a switching-off means.

95696. J. V. Rotel. Improvements in or relating to continuous operation screen centrifuges, particularly screen centrifuges for sugar manufacture. Accepted on 17th March 1966.

Curved screen pockets being so arranged that they are supported by each other and by the drum cylinder exclusively under the action of the centrifugal face and that the drum cylinder being provided with slots assigned to each outlet for solid material of the screen pockets.

95698. Bendix Westinghouse Automotive Air Brake Co. Improvements in or relating to house couplings. Accepted on 17th March 1966.

Unitary C-shaped structure, pair of opposed an elongated central part, pair of accurate end part, glad hand coupling.

95700. Westinghouse Brake and Signal Company Limited. Automatic release valves. (3rd October 1963). Accepted on 18th March 1966.

A control reservoir and a brake pipe, first means effective resiliently to urge the valve element out of engagement with valve seat, second means subjectable to pressure dependent upon the pressure in the brake pipe and third means manually operable to move the valve element out of engagement with the valve seat irrespective of the effectiveness or otherwise of the first and second means.

95706. Akay Industries. Improvements in or relating to impellers of centrifugal pumps. Accepted on 18th March 1966.

Body having several radial hollow vanes with openings which narrow out from the centre of the impellers towards its periphery and which radiate from a large circular opening.

95728. Sperry Rand Corporation. Circuit for recovering information from phase modulation recordings. Accepted on 21st March 1966.

A signal source, error circuits detector.

95733. Chemische Fabrik Pfersee G.m.b.H. Treatment of textile materials. Accepted on 21st March 1966.

The fabric is treated with a bath containing a semiacetal of formaldehyde with a mono-, di-, tri- or tetrahydric low aliphatic alcohol, a strong inorganic acid and or one of its strongly acidly reacting salts and not more than 32% of water.

95736. The Lummus Company. Process for the production of pulps from fibrous material. Accepted on 21st March 1966.

Comprising the steps of (a) *impregnating the material with delignifying liquor* (b) *introducing the impregnated material into a delignification zone* (c) *introducing steam into the delignification zone,* (d) *passing the impregnated material through the delignification zone,* (e) *passing the delignified material to a wash zone,* (f) *introducing an aqueous processing liquid into the wash zone,* (g) *withdrawing from the upper portion of the wash zone aqueous processing liquids having soluble amorphous substances dissolved therein and withdrawing pulp from the lower position of the wash zone.*

95738. N. V. Philips Gloeilampenfabrieken. Arrangement for identifying objects movable with respect to a testing device. Accepted on 19th March 1966.

Having the distributor switch with a rest position in which all the characteristic generators are switched into circuit and the testing device comprising comparison circuit which transmits a signal to the answering device for actuating the distributor switch.

95746. J. M. Huber Corporation. Process and furnace for producing carbon black. Accepted on 22nd March 1966.

Characterized by injecting into the combustion chamber a mixture of hydrocarbon fuel and oxygen-containing gas in proportion 90% to 125%; simultaneously injecting a hydrocarbon feed stock through the feed stock nozzle into the combustion chamber and decomposing it inside, flowing the resulting carbon black and quenching the outflow promptly.

95757. Badische Anilin-& Soda-Fabrik Aktiengesellschaft. Self-extinguishing plastics compositions. Accepted on 19th March 1966.

Comprising atleast one styrene polymer, atleast one differently volatile organic chloride compound, atleast one organo-metallic compound and atleast one organic phosphine oxide,

95767. C. R. Gallamos. Lossproof pen band. Accepted on 23rd March 1966.

Comprising a ring-shaped body of strong but pliable material, a gap or hiatus thereon, a canal having been made longitudinally and in conformity with the curvature, one end of canal ending at the hiatus, a curved ordinary pin.

95791. The Goodyear Tire & Rubber Company. Improvements in pneumatic tire. Accepted on 21st March 1966.

Carcass, spaced beads, cord plies, low profile cross-sectional shape.

95793. Pechiney, Compagnie de Produits Chimiques et Electrometallurgiques. Automatic machine for piercing and feeding baths for fusion electrolysis. Accepted on 24th March 1966.

Comprises a carriage forming a general supporting structure, a piercing hammer controlled by a fluid under pressure an alumina hopper equipped with a dosing receptacle and a valve, and a sequence mechanism controlled by a time switch.

95843. Sandoz Ltd. Process for the production of benzazolyl mercaptoanthraquinones. Accepted on 22nd March 1966.

Consisting in the condensation of 1 mole of an anthraquinone derivatives with n mole of a benzazol compound, n representing a whole number from 1 to 4.

95853. British Nylon Spinners Limited. Improvements in or relating to yarn winding machines. (2nd October 1963). Accepted on 23rd March 1966.

Two yarn guiding members to traverse yarn in opposite directions, means for causing the yarn to be disengaged from the yarn guiding member at the end of each traverse.

95855. Enaloc (Proprietory) Limited. Improvement in or relating to railway wheels. Accepted on 21st March 1966.

The tread of the railway wheel is curved divergently from the outside to the inside of the wheel.

95898. Societe D'Etudes Verrieres Appliquees. Improved hydraulic damping device, especially for door closers. Accepted on 19th March 1966.

Wherein means are provided for compensating for the effect of temperature changes on the degree of damping due to changes in the viscosity of the fluid passing through the restricted passage.

95969. V. Ratna. Smoke chamber usable in daylight for demonstration experiments in optics. Accepted on 23rd March 1966.

Inside of the back portion is light absorbing screen made by painting it matt black and fixing on it, perpendicular to the same and projecting inwards, a large number of thin strips painted matt black or glossy black.

95999. Hepworth & Grandage Limited. Improvements in or relating to pistons for internal combustion engines. Accepted on 19th March 1966.

Piston including at least one gudgeon pin bons, and a side wall having diametrically opposed thrust faces displaced circumferentially from the axis of the gudgeon pin boss.

96004. Inventa A. G. Fur Forschung Und Patentverwertung. Process for the production of hydroxylamine sulphate solution. Accepted on 19th March 1966.

Reducing nitric oxide by means of hydrogen at elevated temperature and in the presence of platinum containing catalysts in aqueous solution of sulphuric acid characterised in that the proportion of hydrocylamine sulphate to sulfuric acid is 0.2 to 2 and the amount of hydroxyl amine sulphate present in the reaction mixture is 0.5-5.3,

96053. R. A. Lister & Company Limited. Improvements in or relating to internal combustion piston engines. (17th October 1963). Accepted on 23rd March 1966.

Piston having a combustion chamber formed in its crown, the chamber having an entry orifice in the top surface of the crown and the boundary wall of the combustion chamber being shaped to have a number of niches separated by projections.

96055. Plessey-Uk Limited. Improvements in or relating to servo actuating mechanisms. (17th October 1963). Accepted on 21st March 1966.

Control member, reversible servo motor three-position switch member, indexing means.

96120. Laporte Chemicals Limited. Improvements in or relating to hydrogen peroxide. (30th October 1963). Accepted on 19th March 1966.

Process for the purification of hydrogen peroxide comprises treating it with at least one organic solvent mixture which contains at least one hydrocarbon solvent constituent and at least one polar solvent constituent.

96284. N. V. Onderzoekingsinstituut Research. Apparatus for detecting fluffs on a running thread, and a drawtwisting machine provided with such apparatus. Accepted on 19th March 1966.

A light source for the radiation of diffuse light, two photo diodes connected in series with resistors in a bridge circuit and thread guides.

96811. Standard Telephones and Cables Limited. Insulated electrical conductors. (3rd December 1963). Accepted on 19th March 1966.

Including the step of winding a plurality of tapes of electrical insulating materials in successive helical paths with one edge of each tape overlapped by the tape in next successive helical path.

104195. The Firestone Tire & Rubber Company. Improvements in or relating to pneumatic tires. [Divisional date 15th June 1964]. Accepted on 15th March 1966.

Cords extend for the major portion of their length at an angle to the circumferential midplane of the tire of between 65°-85°, the plies at the extreme edges have an angle with the cords of the body of the ply not exceeding 45°.

NOTIFICATION BY THE SPICES AND OILSEEDS EXCHANGE LTD., SANGLI

The approval of the Secretary, Forward Markets Commission, under Sub-section (1) of Section 11 of the Forward Contracts (Regulation) Act, 1952 (74 of 1952), read with the Government of India, Ministry of Commerce and Industry, Notification S.O. No. 1162, dated the 4th May 1960, has been obtained on the 27th November 1965 to the following amendments made to the Bye-laws of the Spices and Oilseeds Exchange Ltd., Sangli.

AMENDMENTS

I. In Bye-law 1, after clause (9), the following clause shall be inserted, namely :—

"(9A) "Non-transferable Specific Delivery Contract" means a non-transferable specific delivery contract as defined in the Forward Contracts (Regulation) Act, 1952, entered into, performed and regulated in accordance with Bye-laws 369 to 380 (both inclusive)."

II. After Bye-law 368, the following Bye-laws shall be inserted under the heading of "ADDITIONAL BYE-LAWS relating to NON-TRANSFERABLE SPECIFIC DELIVERY CONTRACTS IN GROUNDNUTS-IN-SHELL", namely :—

"369. Bye-laws 369 to 380 (both inclusive) are additional Bye-laws relating to non-transferable specific delivery contracts in Groundnuts-in-shell. All the other bye-laws of the Exchange as may be in force from time to time shall also be applicable to such contracts and shall be binding on the members insofar as they are not specifically dealt with in and are not repugnant to these additional bye-laws.

Provided that the provisions in the other bye-laws regarding clearing shall not apply to non-transferable specific delivery contracts in Groundnuts-in-shell.

370. Every non-transferable specific delivery contract made subject to these bye-laws shall take effect as a contract wholly made at Sangli.

371. The non-transferable specific delivery contract shall be entered into only between members or between a member and a non-member.

372. All non-transferable specific delivery contracts shall be made in the prescribed form, serially numbered and supplied by the Exchange. The contract shall be made in quadruplicate, one copy each to be retained by the parties to the contract, one to be submitted to the Exchange forthwith and the fourth to be kept by the member who acted as broker. The parties to the contract shall not include any special terms in the contract which are repugnant to the terms and conditions laid down in these bye-laws.

372A. Every member shall send to the Exchange periodical statements of non-transferable specific delivery contracts entered into by him in such form and manner as may be prescribed by the Board of Directors.

373. (a) The Board of Directors of the Exchange shall, before permitting non-transferable specific delivery contracts for any month, obtain the approval of the Forward Markets Commission for the same.

(b) The Forward Markets Commission shall have power not to grant such approval whenever it is considered expedient in the interest of the trade or in public interest so to do.

(c) No member shall enter into a non-transferable specific delivery contract for delivery in any month unless the Exchange has notified that such contracts are permitted.

374. Every non-transferable specific delivery contract shall result in the delivery of goods in accordance with and subject to the provisions and procedures laid down in the relevant Bye-laws.

375. No non-transferable specific delivery contract, once entered into, shall be settled mutually or by offsetting or by the hawala or in any manner nor shall delivery under the contract be postponed to a latter date except in accordance with the provisions of these bye-laws.

375A The parties to the contract by mutual agreement may extend the delivery date by a period not exceeding 15 days subject to the condition that they shall immediately notify to the Exchange in writing the original date and the extended date of delivery. If it becomes necessary to extend further the date of delivery mutually agreed upon, the parties shall apply to the Exchange in writing setting forth the reasons for extension of time. The Board of Directors or the Sub-Committee appointed by the Board for this purpose shall have absolute discretion to extend or not the delivery time.

376. With a view to ensuring due compliance with the terms and conditions of the contract, the Board or a Sub-Committee appointed by the Board for the purpose, whenever it finds necessary or if called upon by the Forward Markets Commission may ask the members to furnish the following, as also other particulars, and members failing to do so will be liable to be penalised under the disciplinary bye-laws of the Exchange.

(i) copies of the bill claiming moneys;

(ii) numbers of the cheques issued for payment;

(iii) the delivery order number, the date of delivery etc.;

(iv) other relevant particulars to show the mode of delivery.

376A. Subject to the provisions of Bye-law 376C :—

(1) In case the seller fails to give delivery the buyer shall exercise any of the following options :—

(i) Buy on the seller's account ready goods on the subsequent day of the date of delivery (due date) and claim from the seller the difference of the contract price and the purchase price.

(ii) Close the transactions on the due date and claim from the seller the difference between the contract rate and the rate registered by the Exchange.

(iii) Cancel the contract.

(2) The buyer may exercise one option for some part of the contract and another option for another part of the contract at his discretion.

376B. Subject to the provisions of Bye-law 376C :—

(1) In case the buyer refuses to accept delivery instructions or if he fails to take delivery of the goods against the delivery instructions, the seller shall exercise any of the following options :—

(i) Sell on the buyer's account ready goods before the end of next working day of the day on which the buyer refuses to accept the delivery instructions and claim from the buyer, the difference of contract price and sale price.

(ii) Close the contract on the day on which the buyer refuses to accept the delivery instructions or the buyer fails to take delivery of the goods against delivery instructions and claim difference between the contract price and the rate registered by the Exchange.

(iii) Cancel the contract on the day on which the buyer refuses to accept delivery instructions or the buyer fails to take delivery of the goods against the delivery order.

(2) The seller may exercise one option for some part of the contract and another option for another part of the contract at his discretion.

376C. In each of the cases mentioned in Bye-laws 376A and 376B the buyer and the seller shall communicate to the Exchange in writing the failure or refusal, as the case may be within 5 days thereof. The party failing to give or take delivery shall give reasons for such failure and the opposite party shall, if it has exercised the option given in clause 1(ii) or 1(iii) of Bye-law 376A or 376B, explain the reasons why he preferred the option. If he has exercised his option given in clause 1(i) of Bye-law 376A or 376B, the party shall give particulars of the purchase or sale, as the case may be, effected by it.

The Board of Directors or a Sub-Committee appointed by it in this behalf, shall from time to time examine the aforesaid communications, taking into account all relevant circumstances and if it is not satisfied with the reasons or explanation furnished by any party or if it is not satisfied about the purchase or sale claimed to have been made by the party under clause (1)(i) of Bye-law 376A or 376B, it may subject the party to such disciplinary action including imposition of fine, suspension and expulsion as it may deem fit, after giving the party an opportunity of being heard in the matter. With a view to restricting the use of the non-transferable specific delivery contracts only for the purpose of giving or taking actual delivery of goods and with a view to ensuring uniformity in dealing with cases of failure to give or take delivery, the Board of Directors may frame suitable rules under this Bye-law with the concurrence of the Forward Markets Commission.

377. (a) The Board of Directors of the Exchange may with the approval of the Commission, require at any time and from time to time, the buyer or the seller or both to deposit, in the interest of the trade, margins in respect of their outstanding non-transferable specific delivery contracts at the Exchange at such rates as may be fixed by the Board.

(b) The Forward Markets Commission may, in the interest of the trade or in public interest, exercise the power contained in clause (a) above.

378. No member shall enter into any non-transferable specific delivery contract in Groundnuts-in-shell otherwise than on the terms and conditions prescribed under these Bye-laws. Nothing contained in this bye-law shall apply to a non-transferable specific delivery contract in Groundnuts-in-shell entered into on the terms and conditions prescribed in the Bye-laws of another recognised association between members of that association or through or with any such member.

379. Any non-transferable specific delivery contract entered into in Groundnuts-in-shell which at the date of the contract is in contravention of the provision of any of the Bye-laws 372, 373, 374, 375 and 378 shall be illegal under the provisions of Section 15(3A) of the Forward Contracts (Regulation) Act, 1952.

380. The delivery period, delivery centres, quantity, and quality specifications in respect of non-transferable specific delivery contract shall be as specified in the respective contract."

In pursuance of proviso to Sub-section (4) of Section 11 of the said Act, the approval of the Secretary, Forward Markets Commission, has been obtained for dispensing with the condition of previous publication of the above-mentioned amendments in the interest of the trade.

टिप्पणियां

(REMARKS)

तारीख 12 मार्च 1966 के साप्ताहिक विवरण में आंध्र प्रदेश, असम, दिल्ली, गोआ, गुजरात, केरल, मध्य प्रदेश, मद्रास, पंजाब, राजस्थान, उत्तर प्रदेश और पश्चिम बंगाल प्रदेशों की नगर पालिकाओं के जन्म व मृत्यु के आंकड़े दिए हैं। भारत में 443 नगर ऐसे हैं जिनकी जनसंख्या तीस हजार या उससे अधिक है। इस विवरण में ऐसे 257 नगरों के आंकड़े दिए हैं जिनकी जनसंख्या 31561 हजार है।

उन प्रदेशों के पंजीयन कार्य जो प्रथम वर्ग में दिए हैं दूसरे प्रदेशों की अपेक्षा अधिक पूर्ण हैं। उनमें 13,974 जन्म और 4,767 मृत्यु हुईं। इनके आंकड़ों के अनुसार इन नगरों का जन्म दर 27.2, मृत्यु दर 9.3 प्रति हजार है। विभिन्न प्रदेशों के जन्म तथा मृत्यु दर इस प्रकार हैं :—

The figures on births and deaths for the week-ending 12th March 1966 shown in this Statement relate to 257 towns in the States of Andhra Pradesh, Assam, Delhi, Goa, Gujarat, Kerala, Madhya Pradesh, Madras, Punjab,, Rajasthan, Uttar Pradesh, and West Bengal. These towns account for a population of 31,561 thousand out of a total population of 58,814 thousand in the country in 443 towns, each having a population of 30,000 and over.

In 208 towns having a population of 26,676 thousand in Group I, where registration is comparatively more complete; 13,974 births and 4,767 deaths were recorded giving a birth rate of 27·2 and a death rate of 9·3 per thousand of population. The rates registered in the various States are as follows :

तीस हजार या उससे अधिक जनसंख्या वाली नगर पालिकाओं की जन्म तथा मृत्यु दरें नीचे दी हैं। ये दरें वर्ष के अन्त तक प्राप्त किए आंकड़ों पर निर्धारित हैं। समय-समय पर जो साप्ताहिक आंकड़े इस परिशिष्ट में प्रकाशित हुए हैं उन पर निर्धारित 1962, 1963 और 1964 की वार्षिक दरें भी दी हैं। संभवतः इन दरों से वर्तमान प्रवृत्तियों का अनुमान लगाने में उपयोग किया जा सकता है। अगर किसी नगर के आंकड़े प्राप्त नहीं थे तो उसकी जनसंख्या भी दर निकालने में छोड़ दी गई है। कुछ प्रदेशों की दरें इसलिए नहीं दी गई हैं कि वे बहुत ही अपूर्ण हैं। जिन प्रदेशों का विवरण भी दिया है उनकी दरें भी कहीं अधिक कहीं कम अपूर्ण हैं। इनको पूर्ण करने के लिए प्रयत्न करना होगा।

अन्तिम व साप्ताहिक आंकड़ों में कितना भेद है इसका अनुमान उन पर निर्धारित वार्षिक दरों से किया जा सकता है। केवल गुजरात, पंजाब और उड़ीसा के दोनों दर बहुत कुछ मेल खाते हैं। परन्तु अन्य सभी प्रदेशों की दरों में बहुत कुछ अन्तर है। अन्यथा संयोजित आठ प्रदेशों की दरें बहुत कुछ मिलती-जुलती हैं। जिससे यह प्रतीत होता है कि यदि प्रदेशों के आंकड़ों को पूर्ण करने के लिए प्रयत्न किया जाए तो साप्ताहिक आंकड़े भी वर्तमान प्रवृत्तियों के अध्ययन करने में उपयोगी हो सकते हैं।

(The table given below shows the annual vital rates for each of the years 1959—62 for all municipal towns, each with population 30,000 and over based on the final yearly data. The corresponding annual rates for 1962, 1963 and 1964 compiled from the weekly figures, which were published from time to time in this Supplement, are also shown to draw attention to their possible use in tracing current trends.

Appropriate adjustments in the population base were made in case, where the data for any town could not be included. The rates for States not shown are much too deficient for being presented. Even the data for States, which are shown are deficient to a varying degree. Efforts have to be made to improve the completeness.

The two sets of rates for 1962—one based on the annual returns and the other on weekly returns—are presented to give an idea of the extent of variation between the final and the weekly figures. The two agree closely in the case of Gujarat, Punjab and Orissa only, otherwise for other States the difference is quite appreciable. However, the rates for all the eight States combined agree fairly well showing that, perhaps with emphasis on the improvement of the completeness of State figures, they may help in a study of current trends.)

MINISTRY OF COMMERCE

ORDER

New Delhi, the 13th April 1966

S.O. 1196.—Whereas the Central Government is of the opinion that the Swadeshi Cotton & Flour Mills Ltd., Indore, an industrial undertaking in respect of which an investigation has been made under Section 15 of the Industries (Development and Regulation) Act, 1951 (65 of 1951), is being managed in a manner highly detrimental to public interest;

Now, therefore, in exercise of the powers conferred by Section 18-A of the said Act, the Central Government hereby authorises Shri Dinkar Kedarnath (hereinafter referred to as Authorised Controller) to take over the management of the whole of the said undertaking, namely, Swadeshi Cotton & Flour Mills Ltd., Indore, subject to the following terms and conditions, namely:—

(i) the Authorised Controller shall comply with all directions issued from time to time by the Central Government;

(ii) the Authorised Controller shall hold office for one year from the date of publication in the Official Gazette of this notified order. The Central Government may terminate the appointment of the Authorised Controller earlier if it considers necessary to do so.

2. This order shall have effect for a period of one year commencing on the date of its publication in the Official Gazette.

LOK SABHA

The following Bills were introduced in Lok Sabha on the 15th April, 1966:—

BILL No. 20 OF 1966

A bill to provide for the medical check-up of the President and the Prime Minister of India from time to time at the All India Institute of Medical Sciences, New Delhi, and for matters connected therewith.

BE it enacted by Parliament in the Seventeenth year of the Republic of India as follows:—

Short title and commencement.

1. (1) This Act may be called the Health (Periodical Medical Check-up of President and Prime Minister of India) Act, 1966.

(2) It shall come into force at once.

Definitions.

2. (i) "President" means the President of India.

(ii) "Prime Minister" means the Prime Minister of India.

(iii) "Institute" means the All India Institute of Medical Sciences, New Delhi.

Periodical check-up of the President and the Prime Minister.

3. (1) The President and the Prime Minister, on assuming charge of their respective offices and thereafter every three months shall get themselves medically examined by a panel of specialists comprising the Director and the Heads of Departments of Medicine, Surgery and Pathology of the Institute. 5

(2) The panel of specialists shall request the President and Prime Minister to remain in the Institute till such time as, in the opinion of the panel, might be necessary for the medical check-up.

Duties of the panel of specialists

4. (1) It shall be the duty of the panel of specialists to—

(i) make a thorough investigation of the state of health of the President and the Prime Minister and prescribe the best remedies including medicines, the need for rest or change of climate, etc., in order to ensure their good health; 10

(ii) make a report in writing after the check-up, stating the condition of their health. 15

(2) In case of the slightest doubt in regard to any ailment, major or minor, observed during the process of investigation or check-up, it shall be the duty of the panel of specialists to recommend to the Government that the President or the Prime Minister, as the case may be, be requested to enter the Institute for observation and remain there till such time as the panel considers necessary or till the ailment is diagnosed and properly treated. 20

Reports of specialists to be laid before Houses of Parliament.

5. The report of the panel of specialists shall be laid on the Table of both Houses of Parliament from time to time.

Medical Officer to accompany the President or the Prime Minister on tours.

6. (1) Whenever the President or the Prime Minister goes out of Delhi or out of the country, a medical officer shall accompany him, to provide medical aid. 25

(2) Such medical officer shall arrange to carry with him *inter alia* the following equipment:—

1. Life-saving emergency drugs and chemicals; 30

2. Resuscitation equipment like Oxygen Cylinder—Masks and cardiac massage apparatus;

3. Airways and intubation apparatus.

STATEMENT OF OBJECTS AND REASONS

Our two able and well-known Prime Ministers have died in harness in quick succession. The heavy work-load, which ought to have been followed up by proper medical attention, care and check-up from time to time, would undoubtedly go a far way in lessening the tension, fatigue and exhaustion. It is suggested that the President and the Prime Minister whose lives are very dear and precious to the nation should be looked after properly and they should be checked up medically from time to time to ensure good health to them and satisfaction to the entire nation.

Hence this Bill.

C. B. SINGH.

NEW DELHI;
The 17th February, 1966.

FINANCIAL MEMORANDUM

Clause 6 of the Bill will involve expenditure from the Consolidated Fund of India on account of the travelling expenses of the Medical Officer to accompany the President and the Prime Minister on their tours. Although it is not possible to assess the exact amount of the expenditure involved, it is expected that a sum of rupees fifty thousand per annum will be sufficient for this purpose.

BILL No. 30 OF 1966

A bill further to amend the Constitution of India.

BE it enacted by Parliament in the Seventeenth Year of the Republic of India as follows:—

1. (*1*) This Act may be called the Constitution (Amendment) Act, 1966. Short title and commencement.

5 (*2*) It shall come into force at once.

Amendment of article 80.

2. In article 80 of the Constitution, after clause (4), the following proviso shall be inserted, namely:—

"Provided that in States where there is no functioning Legislative Assembly because of the imposition of President's rule under article 356 of this Constitution, the members of the Council of States from such a State or States shall be elected on a temporary basis by the elected members of the House of the People from such a State or States in accordance with the aforesaid system of election for a period during which no Legislative Assembly exists in that State or States, which, upon coming into being, will proceed to elect its own representatives to replace the ones temporarily elected by the elected members of the House of the People."

Amendment of article 87.

3. In article 87 of the Constitution, after clause (2), the following clause shall be inserted, namely:—

"(3) During the President's Address to both Houses of Parliament assembled together, the Speaker of the House of the People or the senior-most member of that House shall be in control of the proceedings and members' disorderly behaviour shall be dealt with later by the appropriate House and its presiding authority."

Amendment of Article 176.

4. In article 176 of the Constitution, after clause (2), the following clause shall be inserted, namely:—

"(3) During the Governor's Address to the Legislative Assembly or, in the case of a State having a Legislative Council, both Houses assembled together, the Speaker of the Legislative Assembly or the senior-most member of that House shall be in control of the proceedings and members' disorderly behaviour shall be dealt with later by the appropriate House and its presiding authority."

STATEMENT OF OBJECTS AND REASONS

The continuation of President's rule following the break-down of the Constitutional machinery in the State of Kerala and conjunction of this fact with the biennial elections to Rajya Sabha has created a Constitutional crisis which cannot be overcome merely by passing a new statute or amending any existing one.

Whether Rajya Sabha, without proper representation of Kerala in it, could be considered to be properly constituted in terms of article 80 at all is a moot question. While existence of vacancies is covered by article 100 (4), this is not a case of an isolated vacancy but non-representation of a whole State which seriously compromises the proper constitution of the Council of States and thereby of Parliament itself.

The Constitution does not specify as to who shall be incharge of the disciplinary control of proceedings during President's and Governor's Addresses to the Houses of the Union or State Legislatures assembled together, as the case may be. This question came to the fore during the President's Address to Parliament in 1962 and again at the time of the Governor's Address to the Rajasthan Legislative Assembly recently.

These amendments seek to remove these lacunae in the Constitution.

KISHEN PATTNAYAK.

NEW DELHI;
The 8th March, 1966.

BILL No. 28 OF 1966

A bill to provide for the re-marriage of Hindu widowers.

BE it enacted by Parliament in the Seventeenth Year of the Republic of India as follows:—

Short title, extent and commencement.

1. (1) This Act may be called the Hindu Widowers' Re-marriage Act, 1966.

(2) It extends to the whole of India. 5

(3) It shall come into force at once.

2. A Hindu widower who intends to re-marry shall marry only a widow. Re-marriage of Hindu Widowers.

Explanation—(*i*) "widower" includes a male person whose marriage with his previous wife has been dissolved by a decree of divorce.

(*ii*) "widow" includes a female person whose marriage with her previous husband has been dissolved by a decree of divorce.

3. Any person who contravenes the provisions of section 2 shall be punishable with imprisonment which may extend to three years or with fine which may extend upto five thousand rupees, and the marriage so performed shall be void. Penalties.

STATEMENT OF OBJECTS AND REASONS

With a view to ameliorate the plight of the Hindu widows and to improve their economic and social condition, it is necessary that the Hindu widowers should be restrained from marrying virgins.

Hence this Bill.

NEW DELHI; JAGDEV SINGH SIDDHANTI.

The 8th March, 1966.

BILL No. 31 OF 1966

A Bill further to amend the Constitution of India.

BE it enacted by Parliament in the Seventeenth Year of the Republic of India as follows:—

1. (1) This Act may be called the Constitution (Amendment) Act, 1966. Short title and commencement.

5 (2) It shall come into force at once.

Amendment of article 59.

2. In article 59 of the Constitution, after clause (2), the following clause shall be inserted, namely:—

"(2A) The President shall not, during his term of office, be a member of any political party, and shall not engage in any partisan political activity." 5

Amendment of article 66

3. In article 66 of the Constitution, after clause (2), the following clause shall be inserted, namely:—

"(2A) The Vice-President shall not, during his term of office, be a member of any political party, and shall not engage in any partisan political activity." 10

Insertion of new article 93A.

4. After article 93 of the Constitution, the following new article shall be inserted, namely:—

Speaker and Deputy Speaker not to be a member of any political party.

"93A. The Speaker or the Deputy Speaker, as the case may be, shall not, during his term of office, be a member of any political party, and shall not engage in any partisan 15 political activity."

Amendment of article 158.

5. In article 158 of the Constitution, after clause (2), the following clause shall be inserted, namely:—

"(2A) The Governor shall not, during his term of office, be a member of any political party, and shall not engage in 20 any partisan political activity."

Insertion of new article 178A.

6. After article 178 of the Constitution, the following new article shall be inserted, namely:—

Speaker and Deputy Speaker not to be a member of any political party.

"178A. The Speaker or the Deputy Speaker, as the case may be, shall not, during his term of office, be a member of 25 any political party, and shall not engage in any partisan political activity."

7. After article 182 of the Constitution, the following new article shall be inserted, namely:— Insertion of new article 182A.

"182A. The Chairman or the Deputy Chairman, as the case may be, shall not, during his term of office, be a member of any political party, and shall not engage in any partisan political activity." Chairman and Deputy Chairman not to be a member of any political party.

STATEMENT OF OBJECTS AND REASONS

In consonance with the highest traditions of the best Parliaments of the world, it is essential that the incumbents of certain high offices under the Constitution should be free from the trammels and constraints that arise from membership of a political party. Else, they will not be above suspicion, and to that extent will be hampered in the proper and efficient discharge of their duties.

Certain recent events have been somewhat disquieting and have highlighted the dangerous anomaly of Constitutional dignitaries adopting a partisan attitude, thereby injuring the fabric of parliamentary democracy.

It is necessary, therefore, to impose certain Constitutional restrictions on the conduct of high dignitaries mentioned above.

The Bill seeks to achieve this object.

MINISTRY OF COMMERCE

NOTIFICATION

New Delhi, the 15th April 1966

S.O. 1201.—Whereas the Central Government is of opinion that in exercise of the powers conferred by section 6 of the Export (Quality Control and Inspection), Act, 1963 (22 of 1963), the rubber beltings mentioned in Annexure I to this notification should be subject to inspection prior to export;

And whereas the Central Government has formulated the proposals specified below for the said purpose and has forwarded the same to the Export Inspection Council as required by sub-rule (2) of rule 11 of the Export (Quality Control and Inspection) Rules, 1964;

Now, therefore, in pursuance of the said sub-rule, the Central Government publishes the said proposals for the information of the public likely to be affected thereby

Notice is hereby given that any person desiring to forward any objection or suggestion with respect to the said proposals may forward the same within thirty days of the date of publication of this notification to the Export Inspection Council, World Trade Centre, 14/IB, Ezra Street, 7th Floor, Calcutta-1

Proposals

(1) To notify that the said rubber beltings shall be subject to inspection prior to export;

(2) To specify the type of inspection in accordance with the draft Export of Rubber Beltings (Inspection) Rules, 1966 set out in Annexure III to this notification as the type of inspection which would be applied to such rubber beltings;

(3) To recognise the specifications as specified in Annexure II to this notification as the standard specifications for the rubber beltings;

(4) To prohibit the export, in the course of international trade, of any of the aforesaid rubber beltings unless the same is accompanied by a certificate issued by an agency recognised by the Central Government under section 7 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), to the effect that the rubber beltings are export-worthy.

3. Nothing in this notification shall apply to the export by land, sea or air of samples of rubber beltings to prospective buyers.

4. In this notification 'rubber beltings' shall mean beltings of either category specified in Annexure I to this notification made from woven canvas impregnated with rubber compound with or without rubber cover, the whole being vulcanised together in a uniform manner, and used for the purpose of conveying materials or power transmission.

ANNEXURE I

1. Rubber Conveyor Belting.
2. Rubber Transmission Belting.

ANNEXURE II

Specification for Rubber Conveyor Belting

1. *Scope.*—This specification applies to rubber and fabric belting for conveyors and elevators.

2. *Construction.*—The belting shall be made from the woven canvas impregnated with rubber compound with rubber cover, the whole being vulcanised together in a uniform manner.

3. *Grade.*—Grades of belting shall be determined by the grades of rubber used for the cover.

4. *Requirements.*—The conveyor belting shall conform to the requirements specified below:

4.1 Dimensions and Tolerances:

4.1.1 The dimensions of the belting shall be as specified by the purchaser subject to the following tolerances

4.1.2 *Length.*—For belting delivered in endless state and mounted in that way

+ 0·5 per cent
— 0 per cent.

For open belting, the maximum difference between delivered length and ordered length

+ 2·0 per cent
— 0 per cent

4.1.3 *Width* —±1 per cent subject to a minimum of 5mm.

4.2 *Strength of rubber cover.*—The rubber used for covers of the belting shall be one of the three grades, namely, Grade A, Grade B, and Grade C with the tensile strength and elongation at break not less than the values specified in Table 1.

TABLE I

Grade	Tensile Strength Kg/mm²	Elongation at break percent
A	2·46	450
B	1 76	400
C	1·05	350

After ageing for 168 hours at 70° C, the tensile strength and elongation of rubber covers Grades A and B shall not vary by more than 20 per cent from the original figures obtained.

4.3 *Adhesion.*—The adhesion between the cover and the plies, and between individual plies shall be such that when tested under the following loads the rate of separation shall in no case be greater than 25 mm per minute.

TABLE 2

Grade of Belting	Load for cover to ply	Load for ply to ply
A	10·9 kg.	11·8 kg.
